**Power Point Presentation - Greg J. Murphy, Sr. Account Executive**

Provided a brief synopsis to show and dilute as much information as we possibly can because there's quite a few numbers that go into managing a fleet to make this a quick and easy format for you to make educated decisions so I will go through this tonight and to be respectful of your time but I also don't want to shortchange anything so if anybody has questions please to ask. I started conversation with your City back in February and the real purpose of those meetings were to get a good understanding of what your fleet operation looked like usually the fleet ranks is one of the top expenses for a City to budget. It is always fun for us to come in and start evaluating those expenses to see if there is an opportunity for us to reduce those costs. So in your situation your fleet 40% of it is ten years or older, your current average age is twelve years and so for us the first step we do is gather a bunch of fleet information and find out is there an opportunity where our two organizations could benefit by working together so that's why I'm here tonight.

City of Brawley and Brawley Elementary School District  
for Use of the Lions Center Pool**

This Memorandum of Understanding (MOU) is entered into on this \_\_\_ day of November 2019 between Brawley Elementary School District ("BESD") and the City of Brawley ("City"). BESD and the City mutually agree as follows:

1. The City of Brawley owns and operates the Lions Center Pool, a year round public facility located at 225 Street in Brawley, California.
2. Operation of the Lions Center Pool serves community needs generally, in addition to providing a venue for use by Institutional Stakeholders, specifically Brawley Elementary School District and Brawley Union High School.
3. As an Institutional Stakeholder, BESD agrees to adhere to reasonable scheduling protocols for setting and modifying times of use. BESD also acknowledges that because the pool is a public resource, use of the Lions Center Pool is not exclusive.
4. The City of Brawley tracks its operational and capital budget on an annual basis that runs from July 1<sup>st</sup> through June 30<sup>th</sup> each year. Exhibit A to this MOU provides a detailed breakdown In Fiscal Year 2018/2019, Lions Center Pool expenditures amounted to \$289,200,23.
5. On September 17, 2019, the Brawley City Council adopted the Lions Center Pool Cost Recovery Policy for Institutional Stakeholders. The policy calls for 10% cost recovery for a monthly rate and 25% cost recovery for a daily rate. The applicable cost recovery model excludes expenses associated with personnel and capital improvements (as referenced in the highlighted column of Exhibit A).
6. For the duration of this MOU, the applicable monthly rate shall be \$1,298 and the applicable daily rate shall be \$107.
7. BESD's contribution will provide an offset to the operational expense associated with use of the Lions Center Pool. The monthly cost recovery rate shall be assessed when 15 days or greater of pool use are pre-scheduled. The daily rate shall otherwise apply. In a given school year, BESD is anticipated to use the pool for two months each school year.
8. This MOU will remain in effect from July 1, 2019 to June 30, 2021.
