

Notice of Extension of Public Comment Period to March 9, 2018 for the Proposed Draft Remedial Action Plan and Draft Negative Declaration for the Former PureGro Company, Brawley, California

On January 24, 2018, the Department of Toxic Substances Control (DTSC) released a proposed Draft Remedial Action Plan (RAP) and a California Environmental Quality Act (CEQA) Negative Declaration document, for the former PureGro Company facility located at 1025 River Road in Brawley, California, 92227. DTSC had provided a 30-day public comment period originally set to end on February 23, 2018. The proposed Draft RAP is a remedy plan, and the CEQA document goes through the process of confirming that the remedy will not negatively affect people or the environment. DTSC has not made a final decision on the proposed Draft RAP and CEQA document. DTSC will evaluate all public comments received during the comment period and determine the necessary changes to the proposed Draft RAP prior to any final action.

DTSC has extended the 30-day public comment period to 45 days to ensure that as many members of the public as possible have a chance to provide their comments. The new date to provide written comments on the proposed Draft RAP and CEQA document is Friday March 9, 2018.

Written comments must be sent by mail or email no later than Friday March 9, 2018 to:

Rania Zabaneh, Project Manager
Department of Toxic Substances Control,
5796 Corporate Avenue, Cypress CA 90630-4732
or e-mail to: Rania.Zabaneh@dtsc.ca.gov.
