## **“THE HOTTEST BUSINESS EVENT OF THE YEAR” IS ANNOUNCED**

*Speed Networking Event Guarantees New Contacts*

**(BRAWLEY, CA)** – The City of Brawley and the Brawley Chamber of Commerce have partnered to produce a speed networking event titled, “The Hottest Business Event of the Year!” The high-energy event will take place on July 31, 2017 starting at 6:00 PM at the Lions Center Gym in Brawley. Special guest, Dave “The Monster Motivator” Daley will tip off the night by providing his unique brand of know-how and thoughts on the power of networking. “This is definitely going to be the hottest business event of the year. It’s a great opportunity for business owners and managers to make new contacts in an unconventional way. Participants should fully expect to break a sweat at this first-class networking event,” commented Councilmember George Nava.

“This event adds value to our whole region, not just to our chamber membership. It is providing an avenue for businesspeople throughout the Imperial Valley and surrounding counties to meet and exchange contact information. The ability to connect with so many people under one roof in a no-nonsense way makes this a win-win for all participants,” stated Katie Luna, Executive Director of the Brawley Chamber of Commerce.

The event is open to the public, and participants are encouraged to register early. There are limited seats available. The fee for Brawley Chamber of Commerce members is \$20, and the fee for non-members is \$25. Each participant will have a chance to win \$500 among smaller prizes totaling \$1000. Event costs and raffle prizes are fully underwritten by event registration fees.

Some of the highlighted benefits of participating in “The Hottest Business Event of the Year” are:

- Meet new business contacts from throughout the Imperial Valley and surrounding counties
- Learn techniques to grow sales
- Chance to win prizes and hear from business leaders
