LAW ENFORCEMENT CODE OF ETHICS / CANONS OF ETHICS

As a law enforcement officer, my fundamental duty is to serve the community; to safeguard lives and property; to protect the innocent against deception, the weak against oppression or intimidation and the peaceful against violence or disorder; and to respect the constitutional rights of all to liberty, equality and justice.

I will keep my private life unsullied as an example to all and will behave in a manner that does not bring discredit to me or to my agency. I will maintain courageous calm in the face of danger, scorn or ridicule; develop self-restraint; and be constantly mindful of the welfare of others. Honest in thought and deed both in my personal and official life, I will be exemplary in obeying the law and the regulations of my department. Whatever I see or hear of a confidential nature or that is confided to me in my official capacity will be kept ever secret unless revelation is necessary in the performance of my duty.

I will never act officiously or permit personal feelings, prejudices, political beliefs, aspirations, animosities or friendships to influence my decisions. With no compromise for crime and with relentless prosecution of criminals, I will enforce the law courteously and appropriately without fear or favor, malice or ill will, never employing unnecessary force or violence and never accepting gratuities.

I recognize the badge of my office as a symbol of public faith, and I accept it as a public trust to be held so long as I am true to the ethics of police service. I will never engage in acts of corruption or bribery, nor will I condone such acts by other police officers. I will cooperate with all legally authorized agencies and their representatives in the pursuit of justice.

I know that I alone am responsible for my own standard of professional performance and will take every reasonable opportunity to enhance and improve my level of knowledge and competence.

I will constantly strive to achieve these objectives and ideals, dedicating myself before God to my chosen profession . . . law enforcement.

CHIEF’S MESSAGE
Policing involves a special trust given to us by the public to uphold and enforce the law. As servants of the public, policing entails and requires us to have thousands of interactions with the public and the community we serve. Often times these contacts are during times of crisis and distress and can unfold rapidly and in unforeseen directions. This manual cannot predict every aspect of policing, nor can it reasonably anticipate all the potential situations that might be encountered by employees of this Department. This manual does establish a framework of rules and expected performance for all department members in order for us to complete our Mission.

Each employee is equally important and plays an essential role in our effort and measurement of our accomplishments. Policing in the City of Brawley involves a partnership with the community. As a partner in the community, all employees will work cooperatively with both members of the Department and the community. Jointly we will work to identify and prioritize problems within the agency and the community to develop solutions to problems of mutual concern. In interacting with one another and with the public, we will be professional and consider how our conduct may impact others.

All employees are required to familiarize themselves with the directives in this manual and when necessary, seek guidance and clarification from a supervisor, first. If there is a question of the interpretation of this manual, that interpretation rests with the Chief of Police. It is strongly encouraged that if there are recommendations for constructive changes to improve efficiency and effectiveness of our service, employees will submit those recommendations. This manual will be updated as necessary to reflect changes in the law, personnel responsibilities, and Department goals and objectives.

In addition to the areas outlined within this policy I ask each of our employees to follow three basic rules: 1) Show up and give an honest days work each and every day. End every shift knowing you have contributed to making the department a better place to work and our city a safer place to live; 2) Be honest, truthful and responsible for your actions. Law enforcement is challenging and mistakes will be made. Own up to your mistakes, accept responsibility and learn from them. You can recover from mistakes and have a productive career, but never lie. Lying is not a mistake, it is a choice. Lying is not acceptable; 3) Remember the Golden Rule - Treat every member of our department and every citizen the same as you would want your loved ones or family members treated if they were in the same situation.

As the Chief of Police, I am most proud of our Department and every member of our agency. Each and every day our employees act with the professionalism and dedication that often times goes unnoticed. I am confident that together we can continue to work towards making our agency and community incrementally better tomorrow, than it is today.

Robert Sawyer, Chief of Police

To this end, each member of this Department deserves to be treated with dignity and respect. To accomplish this, the members of this organization must be dedicated to creating and maintaining a working environment which is supportive of all of its members and is free from harassment, discrimination and/or other hostile or unwarranted actions. In doing so, the vision of our Department is the desire to offer not only a pleasant and rewarding work environment, but also one which allows our members to grow both personally and professionally.

VALUES of the Brawley Police Department

We, of the Brawley Police Department, recognize our contribution to the quality of life and safe environment in our community through the provision of professional law enforcement services. We will meet the challenge of providing these services by basing our thoughts and actions on a recognized set of values that operate within the organization. We see these values, not as the dictate of one individual or group, but as a set of shared common beliefs that contribute to the success of the Department. This structure of beliefs, these shared values, provide a common cause for all members of the Department. From these values we derive our procedure and action policies, therefore, faithful adherence to these beliefs by all personnel is paramount. Therefore, we believe that the overall success of our organization as well as its individual employees is achieved through our commitment to the following values.

Service to Our Community: We value the opportunity to provide service in a manner which is fair, courteous, responsive, and effective. An attitude of respect for, and the protection of, the worth, dignity and rights of all we serve is the foundation of our Department. In being excellent, we will be courageous carrying out our duties, not settling for anything less than our best, and we will exhibit a spirited, healthy competition. The spirit of excellence requires a dedicated commitment to be a driving force to constantly improve upon our organization as it proceeds into the future, not in resting upon the laurels of the past.

**Innovation:** We value the need for a proactive organization with a bias for action and which supports reasonable risk taking. **SLOGAN** of the Brawley Police Department: "TO SERVE AND PROTECT"

**ORGANIZATIONAL PHILOSOPHIES**

General Operating Philosophy
The organizational philosophy of the Brawley Police Department is that we are an integral component of the City Government of the City of Brawley and that our primary responsibility is to provide superior service to the citizens of our community. In furtherance of this philosophy, our Department reflects an attitude of shared department responsibility with all employees for the effective and efficient operation of our organization. With this in mind, it is incumbent upon each of us to participate in the decision making process in a spirit of teamwork and group effort. Employees are encouraged to make recommendations which may lead to the improvement either in the delivery of law enforcement and related services or in the use of Department resources. To this end, a work environment which is pleasant and one which encourages reasonable risk-taking is desirable. With our rapidly changing society, it is imperative that our organization take a proactive approach to change and become an agent of change, rather than a passive participant in or a barrier to the change process.

Philosophy Regarding Diversity

Inherent in the Department's organizational philosophy is that we understand and embrace the value of human diversity in our community and in our organization, as well as in society as a whole. This includes a sensitivity to the values and mores of different and varied cultural backgrounds of not only those persons who live in our community, but also of those persons who visit our community. Fundamental to this philosophy is the belief that we will respect the dignity and rights of the individual person and that we will treat all people in a fair and equitable manner without regard to race, nationality, religion, age, gender, sexual orientation, and/or economic status. We will not tolerate discrimination in any form by any person against a fellow human being.

Philosophy Regarding Our Members

The Department has a responsibility to provide all employees with the best possible training, guidance and equipment whereby we can be successful in performing our assigned duties. Management/supervision must be administered fairly and consistently and should encourage autonomy among members of our Department. We, as employees, have an obligation to strive for excellence in our work, thereby setting the best example possible. This organizational philosophy should result in each of us sharing in the success or failure of Department activities. In furtherance of this organizational philosophy, the department's Vision Statement serves as the core principle for how we are to treat and relate to each other as members of the Brawley Police Department.

Philosophy Regarding Community Policing

The Brawley Police Department maintains a community policing philosophy. For the past several years, we have openly expounded upon this philosophy. Community oriented policing, as practiced by the Brawley Police Department, is a value driven policing philosophy that, at its core, embraces a partnership between our community and the Police Department. Within our Department, one will not find community oriented policing written as a specific program nor will one find a community oriented policing officer or unit. Our community oriented policing philosophy is based upon what we prefer to call a value based policing philosophy which involves every member of the organization. Our goals in relationship to this philosophy include:
MISSION / VISION / VALUES STATEMENT - ORGANIZATIONAL PHILOSOPHIES / CULTURE / GOALS

To promote safe, secure neighborhoods which are free of crime and/or the fear of crime, and absent of blight that breeds crime;

To promote citizen involvement in partnership with us to resolve those problems and conflicts which adversely affect the quality of life of our community; and

To enhance communication between the citizens of our community, our Department and our local government in general.

ORGANIZATIONAL CULTURE

The Brawley Police Department is a service organization with our primary function of providing public safety related services which meets the needs and desires of our community; The Brawley Police Department considers itself as an integral part of the community of Brawley; Our community has a legitimate and fundamental obligation to be involved in policing our City; We form true partnerships with the community’s various stakeholders in order to provide a better quality of life for those who live within and visit our community. Our operations are strategic based, anticipating and solving problems before they erupt into major issues rather than solely relying on a traditional command and control style policing, which is simply based upon reacting and confronting individual incidents; and Our effectiveness is determined by the level of public cooperation, servicing community needs and the resolution of community problems.

DEPARTMENT GOALS

The members of the Brawley Police Department have adopted the following goals to serve as the foundation of our operation.

Police-Community Partnership

Our Department recognizes that an attitude of shared citizenship responsibility, mutual respect, and cooperation between ourselves and the community is the key to effective law enforcement. We further recognize that community institutions are key partners with the Department in the creation of a safe, secure community. Community support for law enforcement is gained by a department which satisfies the needs of the community it serves and performs in a way that builds confidence and reflects the general value system of the constituents served.

City Government

Our Department recognizes that we are an integral component of the government structure of the City of Brawley. We also recognize that the City of Brawley is committed to providing superior service to the community in ways that are helpful, caring, and responsive. To this end, our Department will be responsive to decisions made by the City Council and the City's Administration, and we will work within City Government with a commitment to teamwork, mutual trust and honesty, and mutual support in attaining the City's goal.

Criminal Justice System

Our Department recognizes that we are an integral component of the Criminal Justice System. As such, we will cooperate and support those agencies that require our assistance and depend
upon our support, whether they be a municipal, county, state and/or federal agency. The sharing of programs, experiences, and ideas with other agencies is considered part of our responsibility to the Criminal Justice System. The Brawley Police Department will serve as a model agency for law enforcement.

Employee Development

Our Department firmly believes that our employees are the organization's most important resource, and the value of each is both recognized and respected, as is the uniqueness that each employee brings to our Department. To this end, our Department has the desire to offer not only a pleasant and rewarding work environment, but also an environment which allows employees to grow both personally and professionally.

Employee Reward and Compensation

Our Department must strive to attract and maintain high quality ethical personnel capable of working in the highly complex area of law enforcement. To accomplish this, it is imperative that we make every effort to adequately compensate our employees and offer compensation significant enough to attract top quality personnel to our Department. It is recognized that our profession is highly competitive and the compensation package offered is closely associated with the quality of personnel attracted to and maintained by our organization.

PRINCIPLES IN LEADERSHIP

Leadership is an essential element in the effective and efficient operation of an organization. Quality leadership must be based upon principles which reflect and support the mission, goals and values of an organization. Therefore, the Brawley Police Department subscribes to the following principles as those which constitute its leadership philosophy.

Believe in, foster and support teamwork.

Be committed to the problem-solving process; use it and let data, not emotions, drive decisions.

Believe that the best way to improve the quality of work or service is to ask and listen to employees who are doing the work.

Strive to develop mutual respect and trust among employees.

Have a customer orientation and focus toward employees and citizens.

Manage on the behavior of 95 percent of the employees and not on the 5 percent who cause problems. Deal with the 5 percent promptly and fairly.

Improve systems and examine processes before blaming people.

Avoid "top-down" power-oriented decision-making whenever possible.

Encourage creativity through risk-taking and be tolerant of honest mistakes.

Be a facilitator and coach.

Develop an open atmosphere that encourages providing and accepting feedback.

   (c) For the purpose of assisting Oregon law enforcement officials with emergency assistance in response to criminal activity, traffic accidents, emergency incidents or other similar public safety situations, regardless of whether an Oregon law enforcement official is present at the scene of the incident.

Whenever practicable, officers should seek permission from a department supervisor before entering Oregon to provide law enforcement services. As soon as practicable, officers exercising law enforcement authority in Oregon shall submit any appropriate written reports concerning the

(a) All employees assigned to attend training shall attend as scheduled unless previously excused by their immediate supervisor. Excused absences from mandatory training should be limited to the following:

1. Court appearances
2. First choice vacation
3. Sick leave
4. Physical limitations preventing the employee's participation.
5. Emergency situations

(b) When an employee is unable to attend mandatory training, that employee shall:

1. Notify his/her supervisor as soon as possible but no later than one hour prior to the start of training.
2. Document his/her absence in a memorandum to his/her supervisor.
3. Make arrangements through his/her supervisor and the Administrative Sergeant to attend the required training on an alternate date.

208.7 DAILY TRAINING BULLETINS
The Lexipol Daily Training Bulletins (DTBs) is a web-accessed system that provides training on the Brawley Police Department Policy Manual and other important topics. Generally, one training bulletin is available for each day of the month. However, the number of DTBs may be adjusted by the Administrative Sergeant.

Personnel assigned to participate in DTBs should only use the password and login name assigned to them by the Administrative Sergeant. Personnel should not share their password with others and should frequently change their password to protect the security of the system. After each session, employees should log off the system to prevent unauthorized access. The content of the DTBs is copyrighted material and shall not be shared with others outside of the Department.

Employees who are assigned to participate in the DTB program should complete each DTB at the beginning of their shift or as otherwise directed by their supervisor. Employees should not allow uncompleted DTBs to build up over time. Personnel may be required to complete DTBs missed during extended absences (e.g., vacation, medical leave) upon returning to duty. Although the DTB system can be accessed from any Internet active computer, employees shall only take DTBs as part of their on-duty assignment unless directed otherwise by a supervisor.

Supervisors will be responsible for monitoring the progress of personnel under their command to ensure compliance with this policy.
Electronic Mail

212.1 PURPOSE AND SCOPE
The purpose of this policy is to establish guidelines for the proper use and application of the Department’s electronic mail (email) system by employees of this department. Email is a communication tool available to employees to enhance efficiency in the performance of job duties and is to be used in accordance with generally accepted business practices and current law (e.g., California Public Records Act). Messages transmitted over the email system must only be those that involve official business activities or contain information essential to employees for the accomplishment of business-related tasks and/or communication directly related to the business, administration, or practices of the Department.

212.2 EMAIL RIGHT OF PRIVACY
All email messages, including any attachments, that are transmitted over department networks are considered department records and therefore are department property. The Department reserves the right to access, audit or disclose, for any lawful reason, any message including any attachment that is transmitted over its email system or that is stored on any department system.

The email system is not a confidential system since all communications transmitted on, to or from the system are the property of the Department. Therefore, the email system is not appropriate for confidential communications. If a communication must be private, an alternative method to communicate the message should be used instead of email. Employees using the Department's email system shall have no expectation of privacy concerning communications utilizing the system.

Employees should not use personal accounts to exchange email or other information that is related to the official business of the Department.

212.3 PROHIBITED USE OF EMAIL
Sending derogatory, defamatory, obscene, disrespectful, sexually suggestive and harassing or any other inappropriate messages on the email system is prohibited and may result in discipline.

Email messages addressed to the entire department are only to be used for official business related items that are of particular interest to all users and must be approved by the Chief of Police or a Division Commander. Personal advertisements are not acceptable.

It is a violation of this policy to transmit a message under another user’s name. Users are strongly encouraged to log off the network when their computer is unattended. This added security measure would minimize the misuse of an individual’s email, name and/or password by others.

212.4 EMAIL RECORD MANAGEMENT
Email may, depending upon the individual content, be a public record under the California Public Records Act and must be managed in accordance with the established records retention schedule and in compliance with state law.
Electronic Mail

The Custodian of Records shall ensure that email messages are retained and recoverable as outlined in the Records Maintenance and Release Policy.
Administrative Communications

214.1 PURPOSE AND SCOPE
Administrative communications of this department are governed by the following policies.

214.2 MEMORANDUMS
Memorandums may be issued periodically by the Chief of Police or a Division Commander to announce and document all promotions, transfers, hiring of new personnel, separations, personnel and group commendations, or other changes in status.

214.3 CORRESPONDENCE
In order to ensure that the letterhead and name of the Department are not misused, all external correspondence shall be on Department letterhead. Personnel should use Department letterhead only for official business and with approval of their supervisor.

214.4 SURVEYS
All surveys made in the name of the Department shall be authorized by the Chief of Police or a Division Commander.
Staffing Levels

216.1 PURPOSE AND SCOPE
The purpose of this policy is to ensure that proper supervision is available for all shifts. The Department intends to balance the employee's needs against the need to have flexibility and discretion in using personnel to meet operational needs. While balance is desirable, the paramount concern is the need to meet operational requirements of the Department.

216.2 MINIMUM STAFFING LEVELS
Minimum staffing levels should result in the scheduling of at least one regular supervisor and three officers on-duty whenever possible. The Operations Commander will, under normal circumstances, ensure that at least one field supervisor and three officers are deployed during each watch.

216.2.1 SUPERVISION DEPLOYMENTS
In order to accommodate training and other unforeseen circumstances, senior officers may be used as field supervisors in place of a field sergeant.

With prior authorization from the Operations Division Commander, an officer may act as the Watch Commander for a limited period of time.
License to Carry a Firearm

218.1 PURPOSE AND SCOPE
The Chief of Police is given the statutory discretion to issue a license to carry a firearm to residents within the community (Penal Code § 26150; Penal Code 26155). This policy will provide a written process for the application and issuance of such licenses. Pursuant to Penal Code § 26160, this policy shall be made accessible to the public.

218.1.1 APPLICATION OF POLICY
Nothing in this policy shall preclude the Chief or other head of a municipal police department from entering into an agreement with the Sheriff of the county to process all applications and license renewals for the carrying of concealed weapons (Penal Code § 26155(c)).

218.2 POLICY
The Brawley Police Department will fairly and impartially consider all applications to carry firearms in accordance with applicable law and this policy.

218.3 QUALIFIED APPLICANTS
In order to qualify for a license to carry a firearm, the applicant must meet certain requirements, including:

(a) Be a resident of the City of Brawley (Penal Code § 26150; Penal Code § 26155).
(b) Be at least 21 years of age (Penal Code § 29610).
(c) Fully complete an application that will include substantial personal information. Much of the information in the application may be subject to public access under the Public Records Act.
(d) Be free from criminal convictions that would disqualify the applicant from carrying a firearm. Fingerprints will be required and a complete criminal background check will be conducted.
(e) Be of good moral character (Penal Code § 26150; Penal Code § 26155). The applicant shall provide at least three letters of character reference.
(f) Show good cause for the issuance of the license (Penal Code § 26150; Penal Code § 26155).
(g) Pay all associated application fees. These fees are set by statute and may not be refunded if the application is denied.
(h) Provide proof of ownership or registration of any firearm to be licensed.
(i) Be free from any psychological conditions that might make the applicant unsuitable for carrying a firearm (Penal Code § 26190).
(j) Complete required training (Penal Code § 26165).
218.4 APPLICATION PROCESS
The application process for a license to carry a firearm shall consist of two phases. Upon the successful completion of each phase, the applicant will advance to the next phase until the process is completed and the license is either issued or denied.

218.4.1 PHASE ONE (TO BE COMPLETED BY ALL APPLICANTS)

(a) Any individual applying for a license to carry a firearm shall first fully complete a California Department of Justice (DOJ) application to be signed under penalty of perjury. Any applicant who provides false information or statements on the application will be removed from further consideration and may be prosecuted for a criminal offense (Penal Code § 26180).

1. In the event of any discrepancies in the application or background investigation, the applicant may be required to undergo a polygraph examination, at no cost to the applicant.

2. If an incomplete application package is received, the Chief of Police or authorized designee may do any of the following:
   (a) Require the applicant to complete the package before any further processing.
   (b) Advance the incomplete package to phase two for conditional processing pending completion of all mandatory conditions.
   (c) Issue a denial if the materials submitted at the time demonstrate that the applicant would not qualify for a license to carry a firearm even if the package was completed (e.g., not a resident, disqualifying criminal conviction, absence of good cause).

(b) At the time the completed application is submitted, the applicant shall submit a check made payable to the California Department of Justice for the required California DOJ application fee, along with a separate check made payable to the City of Brawley for a nonrefundable 20 percent of the application fee to cover the cost of processing the application (Penal Code § 26190).

   (a) Additional fees may be required for fingerprinting, training or psychological testing, in addition to the application fee.
   (b) Full payment of the remainder of the application fee will be required upon issuance of a license.
   (c) Payment of related fees may be waived if the applicant is a duly appointed reserve peace officer as defined in Penal Code § 830.6 (a) or (b) (Penal Code § 26170).
License to Carry a Firearm

(c) The applicant shall be required to submit to fingerprinting and a complete criminal background check by the California DOJ. A second set of fingerprints may be required for retention in department files. Two recent passport-size photos (2 inches by 2 inches) of the applicant shall be submitted for department use. No person determined to fall within a prohibited class described in Penal Code § 29800, Penal Code § 29900, Welfare and Institutions Code § 8100 or Welfare and Institutions Code § 8103 will be issued a license to carry a firearm. A license shall not be issued if the California DOJ determines that the applicant is prohibited by state or federal law from possessing, receiving, owning or purchasing a firearm (Penal Code § 26195).

(d) The applicant shall submit at least three signed letters of character reference from individuals other than relatives.

(e) The applicant shall submit proof of ownership or registration of each firearm to be licensed.

Once the Chief of Police or authorized designee has reviewed the completed application package and relevant background information, the application will either be advanced to phase two or denied.

In the event that an application is denied at the conclusion of, or during, phase one, the applicant shall be notified in writing within 90 days of the initial application or within 30 days after receipt of the applicant's criminal background check from the California DOJ, whichever is later. If the license is denied, the notice shall state which requirement was not satisfied (Penal Code § 26205).

218.4.2 PHASE TWO
This phase is to be completed only by those applicants successfully completing phase one.

(a) Upon successful completion of phase one, the applicant shall be scheduled for a personal interview with the Chief of Police or authorized designee. During this stage, there will be further discussion of the applicant's statement of good cause and any potential restrictions or conditions that might be placed on the license.

1. The determination of good cause should consider the totality of circumstances in each individual case.

2. Any denial for lack of good cause should be rational, articulable and not arbitrary in nature.

3. The Department will provide written notice to the applicant as to the determination of good cause (Penal Code § 26202).

(b) The Chief of Police may, based upon criteria established by the Chief of Police, require that the applicant be referred to an authorized psychologist used by the Department for psychological testing. The cost of such psychological testing (not to exceed $150) shall be paid by the applicant. The purpose of any such psychological testing is intended only to identify any outward indications or history of psychological problems that might
render the applicant unfit to carry a firearm. This testing is not intended to certify in any other respect that the applicant is psychologically fit. If it is determined that the applicant is not a suitable candidate for carrying a firearm, the applicant shall be removed from further consideration (Penal Code § 26190).

(c) The applicant shall complete a course of training approved by the agency, which complies with Penal Code § 26165. The applicant will not be required to complete and pay for any training courses prior to any determination of good cause (Penal Code § 26165; Penal Code § 26202).

(d) The applicant shall submit any firearm to be considered for a license to the Rangemaster or other departmentally authorized gunsmith, at no cost to the applicant, for a full safety inspection. The Chief of Police reserves the right to deny a license for any firearm that has been altered from the manufacturer's specifications or that is unsafe (Penal Code § 31910).

(e) The applicant shall successfully complete a firearms safety and proficiency examination with the firearm to be licensed, to be administered by the department Rangemaster, or provide proof of successful completion of another departmentally approved firearms safety and proficiency examination, including completion of all releases and other forms. The cost of any outside inspection/examination shall be the responsibility of the applicant.

Once the Chief of Police or authorized designee has verified the successful completion of phase two, the license to carry a firearm will either be granted or denied.

Whether an application is approved or denied at the conclusion of or during phase two, the applicant shall be notified in writing within 90 days of the initial application or within 30 days after receipt of the applicant's criminal background check from the California DOJ, whichever is later. If the license is denied, the notice shall state which requirement was not satisfied (Penal Code § 26205).

218.5 LIMITED BUSINESS LICENSE TO CARRY A CONCEALED FIREARM

The authority to issue a limited business license to carry a concealed firearm to a non-resident applicant is granted only to the Sheriff of the county in which the applicant works. A chief of a municipal police department may not issue limited licenses (Penal Code § 26150). Therefore, such applicants may be referred to the Sheriff for processing.

An individual who is not a resident of the county but who otherwise successfully completes all portions of phases one and two above, may apply for and be issued a limited license subject to approval by the Sheriff and subject to the following:

(a) The applicant physically spends a substantial period of working hours in the applicant's principal place of employment or business within the City of Brawley (Penal Code § 26150).
License to Carry a Firearm

(b) Such a license will be valid for a period not to exceed 90 days from the date of issuance (Penal Code § 26220).

(c) The applicant shall provide a copy of the license to the licensing authority of the city or county in which the applicant resides (Penal Code § 26220).

(d) Any application for renewal or reissuance of such a license may be granted only upon concurrence of the original issuing authority and the licensing authority of the city or county in which the applicant resides (Penal Code § 26220).

218.6 ISSUED FIREARMS PERMITS
In the event a license to carry a firearm is issued by the Chief of Police, the following shall apply:

(a) The license will not be valid outside the state of California.

(b) The license will be subject to any and all reasonable restrictions or conditions the Chief of Police has deemed warranted, including restrictions as to the time, place, manner and circumstances under which the person may carry the firearm.

1. All such restrictions or conditions shall be conspicuously noted on any license issued (Penal Code § 26200).

2. The licensee will be required to sign a Restrictions and Conditions Agreement. Any violation of any of the restrictions and conditions may result in the immediate revocation of the license.

(c) The license shall be laminated, bearing a photograph of the licensee with the expiration date, type of firearm, restrictions and other pertinent information clearly visible.

1. Each license shall be numbered and clearly identify the licensee.

2. All licenses shall be subjected to inspection by the Chief of Police or any law enforcement officer.

(d) The license will be valid for a period not to exceed two years from the date of issuance (Penal Code § 26220).

1. A license issued to a state or federal magistrate, commissioner or judge will be valid for a period not to exceed three years.

2. A license issued to any reserve peace officer as defined in Penal Code § 830.6(a) or (b), or a custodial officer employed by the Sheriff as provided in Penal Code § 831.5 will be valid for a period not to exceed four years, except that such license shall be invalid upon the individual's conclusion of service as a reserve officer.

(e) If the licensee's place of residence was the basis for issuance of a license and the licensee moves out of the county of issuance, the license shall expire 90 days after the licensee has moved (Penal Code § 26210).
License to Carry a Firearm

(f) The licensee shall notify this department in writing within 10 days of any change of place of residency.

218.6.1 LICENSE RESTRICTIONS

(a) The Chief of Police may place special restrictions limiting time, place, manner and circumstances under which any license shall be valid. In general, these restrictions will prohibit the licensee from:

1. Consuming any alcoholic beverage while armed.
2. Falsely representing him/herself as a peace officer.
3. Unjustified or unreasonable displaying of a firearm.
5. Being under the influence of any medication or drug while armed.
6. Interfering with any law enforcement officer's duties.
7. Refusing to display his/her license or firearm for inspection upon demand of any peace officer.
8. Loading the permitted firearm with illegal ammunition.

(b) The Chief of Police reserves the right to inspect any license or licensed firearm at any time.

(c) The alteration of any previously approved firearm including, but not limited to adjusting the trigger pull, adding laser sights or modifications shall void any license and serve as grounds for revocation.

218.6.2 AMENDMENTS TO LICENSES

Any licensee may apply to amend a license at any time during the period of validity by completing and submitting a written Application for License Amendment along with the current processing fee to the Department in order to (Penal Code § 26215):

(a) Add or delete authority to carry a firearm listed on the license.

(b) Change restrictions or conditions previously placed on the license.

(c) Change the address or other personal information of the licensee (Penal Code § 26210).

In the event that any amendment to a valid license is approved by the Chief of Police, a new license will be issued reflecting the amendment. An amendment to any license will not serve to extend the original expiration date and an application for an amendment will not constitute an application for renewal of the license.
218.6.3 REVOCATION OF LICENSES
Any license issued pursuant to this policy may be immediately revoked by the Chief of Police for any of the following reasons:

(a) The licensee has violated any of the restrictions or conditions placed upon the license.

(b) The licensee becomes psychologically unsuitable to carry a firearm.

(c) The licensee is determined to be within a prohibited class described in Penal Code § 29800, Penal Code § 29900, Welfare and Institutions Code § 8100, Welfare and Institutions Code § 8103 or any state or federal law.

(d) The licensee engages in any conduct which involves a lack of good moral character or that might otherwise remove the good cause for the original issuance of the license.

(e) If the license is one to carry "loaded and exposed," the license shall be revoked immediately upon a change of the licensee's place of residence to another county (Penal Code § 26210).

The issuance of a license by the Chief of Police shall not entitle the holder to either a property or liberty interest as the issuance, amendment or revocation of such license remains exclusively within the discretion of the Chief of Police as set forth herein.

If any license is revoked, the Department will immediately notify the licensee in writing and the California DOJ (Penal Code § 26225).

218.6.4 LICENSE RENEWAL
No later than 90 days prior to the expiration of any valid license to carry a firearm, the licensee may apply to the Chief of Police for a renewal by:

(a) Verifying all information submitted in the original application under penalty of perjury.

(b) Completing a department-approved training course pursuant to Penal Code § 26165. The applicant shall not be required to pay for a training course prior to the determination of good cause (Penal Code § 26165).

(c) Submitting any firearm to be considered for a license renewal to the Rangemaster for a full safety inspection. The Chief of Police reserves the right to deny a license for any firearm that has been altered from the manufacturer's specifications or that is unsafe (Penal Code § 31910).

(d) Paying a non-refundable renewal application fee.

Once the Chief of Police or authorized designee has verified the successful completion of the renewal process, the renewal of the license to carry a firearm will either be granted or denied. Prior issuance of a license shall not entitle any licensee to any property or liberty right to renewal.

Whether an application for renewal is approved or denied, the applicant shall be notified in writing within 90 days of the renewal application or within 30 days after receipt of the applicant's criminal background check from the California DOJ, whichever is later (Penal Code § 26205).
License to Carry a Firearm

Any information in an application or license which tends to indicate when or where the applicant is vulnerable to attack or that concerns the applicant's medical or psychological history or that of his/her family shall not be considered public record (Government Code § 6254(u)(1)).

If the Brawley Police Department qualifies the former officer, the LEOSA identification card or separate certification should indicate the date the former officer was tested or otherwise found by the [Department/Office] to meet the active duty standards for qualification to carry a firearm.

220.4 CALIFORNIA IDENTIFICATION CARD ISSUANCE
Any full-time sworn officer of this [department/office] who was authorized to, and did, carry a concealed firearm during the course and scope of his/her employment shall be issued an identification card with a Carrying Concealed Weapon endorsement, "CCW Approved," upon honorable retirement (Penal Code § 25455).

In the event that an identification card is denied, suspended or revoked, the former officer may request a review by the Chief of Police. The decision of the Chief of Police is final.

220.7 FIREARM QUALIFICATIONS
The Rangemaster may provide former officers from this [department/office] an opportunity to qualify. Written evidence of the qualification and the weapons used will be provided and will contain the date of the qualification. The Rangemaster will maintain a record of the qualifications and weapons used.

220.8 DENIAL, SUSPENSION OR REVOCATION OF A CALIFORNIA CCW ENDORSEMENT CARD
A CCW endorsement under Penal Code § 25470 for any officer retired from this [department/office] may be denied or revoked only upon a showing of good cause. The CCW endorsement
may be immediately and temporarily revoked by the Watch Commander when the conduct of a retired peace officer compromises public safety.

(a) In the event that a CCW endorsement is initially denied, the retired officer shall have 15 days from the date of denial to request a formal hearing. The failure to submit a timely written request for a hearing shall be deemed a waiver of such right. The hearing, absent written agreement between the parties, shall be held no later than 120 days after the request is received.

(b) Prior to revocation of any CCW endorsement, the [Department/Office] shall provide the affected retiree with written notice of a hearing by either personal service or first class mail, postage prepaid, return receipt requested to the retiree’s last known address (Penal Code § 26315).

1. The retiree shall have 15 days from the date of service to file a written request for a hearing.
2. The hearing, absent written agreement between the parties, shall be held no later than 120 days after the request is received (Penal Code § 26315).
3. The failure to submit a timely written request for a hearing shall be deemed a waiver of such right.

(c) A hearing for the denial or revocation of any CCW endorsement shall be conducted before a hearing board composed of three members, one selected by the [Department/Office], one selected by the retiree or his/her employee organization and one selected jointly (Penal Code § 26320).

1. The decision of such hearing board shall be binding on the [Department/Office] and the retiree.
2. Any retiree who waives the right to a hearing or whose CCW endorsement has been revoked at a hearing shall immediately surrender his/her identification card. The [Department/Office] will then reissue a new identification card which shall be stamped “No CCW Privilege.”

(d) Members who have reason to suspect the conduct of a retiree has compromised public safety shall notify the Watch Commander as soon as practicable. The Watch Commander should promptly take appropriate steps to look into the matter and, if warranted, contact the retiree in person and advise him/her of the temporary suspension and hearing information listed below.

1. Notification of the temporary suspension should also be promptly mailed to the retiree via first class mail, postage prepaid, return receipt requested (Penal Code § 26312).
2. The Watch Commander should document the investigation, the actions taken and, if applicable, any notification made to the retiree. The memo should be forwarded to the Chief of Police.
3. The personal and written notification should be as follows:

Retiree Concealed Firearms

(b) The retiree has 15 days to request a hearing to determine whether the temporary suspension should become permanent revocation.

(c) The retiree will forfeit his/her right to a hearing and the CCW endorsement will be permanently revoked if the retiree fails to respond to the notice of hearing within the 15-day period.

4. In the event that personal contact with the retiree cannot be reasonably achieved in a timely manner, the Watch Commander should attempt to make the above notice of temporary suspension through another law enforcement officer. For example, if a retiree was arrested or detained by a distant agency, the Watch Commander may request that a law enforcement officer from that agency act as the agent of the [Department/Office] to deliver the written notification.
Chapter 3 - General Operations
Use of Force

300.1 PURPOSE AND SCOPE
This policy provides guidelines on the reasonable use of force. While there is no way to specify the exact amount or type of reasonable force to be applied in any situation, every member of this department is expected to use these guidelines to make such decisions in a professional, impartial and reasonable manner.

300.1.1 DEFINITIONS
Definitions related to this policy include:

Deadly force - Any use of force that creates a substantial risk of causing death or serious bodily injury, including but not limited to the discharge of a firearm (Penal Code § 835a).

Force - The application of physical techniques or tactics, chemical agents, or weapons to another person. It is not a use of force when a person allows him/herself to be searched, escorted, handcuffed, or restrained.

300.2 POLICY
The use of force by law enforcement personnel is a matter of critical concern, both to the public and to the law enforcement community. Officers are involved on a daily basis in numerous and varied interactions and, when warranted, may use reasonable force in carrying out their duties.

Officers must have an understanding of, and true appreciation for, their authority and limitations. This is especially true with respect to overcoming resistance while engaged in the performance of law enforcement duties.

The [Department/Office] recognizes and respects the value of all human life and dignity without prejudice to anyone. Vesting officers with the authority to use reasonable force and to protect the public welfare requires monitoring, evaluation and a careful balancing of all interests.

300.2.1 DUTY TO INTERCEDE
Any officer present and observing another officer using force that is clearly beyond that which is objectively reasonable under the circumstances shall, when in a position to do so, intercede to prevent the use of unreasonable force. An officer who observes another employee use force that exceeds the degree of force permitted by law should promptly report these observations to a supervisor.

300.3 USE OF FORCE
Officers shall use only that amount of force that reasonably appears necessary given the facts and totality of the circumstances known to or perceived by the officer at the time of the event to accomplish a legitimate law enforcement purpose (Penal Code § 835a).

The reasonableness of force will be judged from the perspective of a reasonable officer on the scene at the time of the incident. Any evaluation of reasonableness must allow for the fact that officers are often forced to make split-second decisions about the amount of force that reasonably
appears necessary in a particular situation, with limited information and in circumstances that are
tense, uncertain, and rapidly evolving.

Given that no policy can realistically predict every possible situation an officer might encounter,
officers are entrusted to use well-reasoned discretion in determining the appropriate use of force
in each incident.

It is also recognized that circumstances may arise in which officers reasonably believe that it
would be impractical or ineffective to use any of the tools, weapons, or methods provided by the
[Department/Office]. Officers may find it more effective or reasonable to improvise their response
to rapidly unfolding conditions that they are confronting. In such circumstances, the use of any
improvised device or method must nonetheless be objectively reasonable and utilized only to the
degree that reasonably appears necessary to accomplish a legitimate law enforcement purpose.

While the ultimate objective of every law enforcement encounter is to avoid or minimize injury,
nothing in this policy requires an officer to retreat or be exposed to possible physical injury before
applying reasonable force.

300.3.1 USE OF FORCE TO EFFECT AN ARREST
Any peace officer may use objectively reasonable force to effect an arrest, to prevent escape,
or to overcome resistance. A peace officer who makes or attempts to make an arrest need not
retreat or desist from his/her efforts by reason of resistance or threatened resistance on the part
of the person being arrested; nor shall an officer be deemed the aggressor or lose his/her right to
self-defense by the use of reasonable force to effect the arrest, prevent escape, or to overcome
resistance. Retreat does not mean tactical repositioning or other de-escalation techniques (Penal
Code § 835a).

300.3.2 FACTORS USED TO DETERMINE THE REASONABLENESS OF FORCE
When determining whether to apply force and evaluating whether an officer has used reasonable
force, a number of factors should be taken into consideration, as time and circumstances permit.
These factors include but are not limited to:

(a) The apparent immediacy and severity of the threat to officers or others (Penal Code
§ 835a).
(b) The conduct of the individual being confronted, as reasonably perceived by the officer
at the time.
(c) Officer/subject factors (age, size, relative strength, skill level, injuries sustained, level
of exhaustion or fatigue, the number of officers available vs. subjects).
(d) The conduct of the involved officer (Penal Code § 835a).
(e) The effects of drugs or alcohol.
(f) The individual’s apparent mental state or capacity (Penal Code § 835a).
(g) The individual’s apparent ability to understand and comply with officer commands
(Penal Code § 835a).
Use of Force

(h) Proximity of weapons or dangerous improvised devices.

(i) The degree to which the subject has been effectively restrained and his/her ability to resist despite being restrained.

(j) The availability of other reasonable and feasible options and their possible effectiveness (Penal Code § 835a).

(k) Seriousness of the suspected offense or reason for contact with the individual.

(l) Training and experience of the officer.

(m) Potential for injury to officers, suspects, and others.

(n) Whether the person appears to be resisting, attempting to evade arrest by flight, or is attacking the officer.

(o) The risk and reasonably foreseeable consequences of escape.

(p) The apparent need for immediate control of the subject or a prompt resolution of the situation.

(q) Whether the conduct of the individual being confronted no longer reasonably appears to pose an imminent threat to the officer or others.

(r) Prior contacts with the subject or awareness of any propensity for violence.

(s) Any other exigent circumstances.

300.3.3 PAIN COMPLIANCE TECHNIQUES

Pain compliance techniques may be effective in controlling a physically or actively resisting individual. Officers may only apply those pain compliance techniques for which they have successfully completed [department/office]-approved training. Officers utilizing any pain compliance technique should consider:

(a) The degree to which the application of the technique may be controlled given the level of resistance.

(b) Whether the person can comply with the direction or orders of the officer.

(c) Whether the person has been given sufficient opportunity to comply.

The application of any pain compliance technique shall be discontinued once the officer determines that compliance has been achieved.

300.3.4 CAROTID CONTROL HOLD

The proper application of the carotid control hold may be effective in restraining a violent or combative individual. However, due to the potential for injury, the use of the carotid control hold is subject to the following:

(a) The officer shall have successfully completed [department/office]-approved training in the use and application of the carotid control hold.
Use of Force

(b) The carotid control hold may only be used when circumstances perceived by the officer at the time indicate that such application reasonably appears necessary to control a person in any of the following circumstances:

1. The subject is violent or physically resisting.
2. The subject, by words or actions, has demonstrated an intention to be violent and reasonably appears to have the potential to harm officers, him/herself or others.

(c) The application of a carotid control hold on the following individuals should generally be avoided unless the totality of the circumstances indicates that other available options reasonably appear ineffective, or would present a greater danger to the officer, the subject or others, and the officer reasonably believes that the need to control the individual outweighs the risk of applying a carotid control hold:

1. Females who are known to be pregnant
2. Elderly individuals
3. Obvious juveniles
4. Individuals who appear to have Down syndrome or who appear to have obvious neck deformities or malformations, or visible neck injuries

(d) Any individual who has had the carotid control hold applied, regardless of whether he/she was rendered unconscious, shall be promptly examined by paramedics or other qualified medical personnel and should be monitored until examined by paramedics or other appropriate medical personnel.

(e) The officer shall inform any person receiving custody, or any person placed in a position of providing care, that the individual has been subjected to the carotid control hold and whether the subject lost consciousness as a result.

(f) Any officer attempting or applying the carotid control hold shall promptly notify a supervisor of the use or attempted use of such hold.

(g) The use or attempted use of the carotid control hold shall be thoroughly documented by the officer in any related reports.

300.3.5 USE OF FORCE TO SEIZE EVIDENCE
In general, officers may use reasonable force to lawfully seize evidence and to prevent the destruction of evidence. However, officers are discouraged from using force solely to prevent a person from swallowing evidence or contraband. In the instance when force is used, officers should not intentionally use any technique that restricts blood flow to the head, restricts respiration or which creates a reasonable likelihood that blood flow to the head or respiration would be restricted. Officers are encouraged to use techniques and methods taught by the Brawley Police Department for this specific purpose.
300.4 DEADLY FORCE APPLICATIONS
If an objectively reasonable officer would consider it safe and feasible to do so under the totality of the circumstances, officers should evaluate the use of other reasonably available resources and techniques when determining whether to use deadly force. The use of deadly force is only justified in the following circumstances (Penal Code § 835a):

(a) An officer may use deadly force to protect him/herself or others from what he/she reasonably believes is an imminent threat of death or serious bodily injury to the officer or another person.

(b) An officer may use deadly force to apprehend a fleeing person for any felony that threatened or resulted in death or serious bodily injury, if the officer reasonably believes that the person will cause death or serious bodily injury to another unless immediately apprehended. Where feasible, the officer shall, prior to the use of force, make reasonable efforts to identify themselves as a peace officer and to warn that deadly force may be used, unless the officer has objectively reasonable grounds to believe the person is aware of those facts.

Officers shall not use deadly force against a person based on the danger that person poses to him/herself, if an objectively reasonable officer would believe the person does not pose an imminent threat of death or serious bodily injury to the officer or to another person (Penal Code § 835a).

An “imminent” threat of death or serious bodily injury exists when, based on the totality of the circumstances, a reasonable officer in the same situation would believe that a person has the present ability, opportunity, and apparent intent to immediately cause death or serious bodily injury to the officer or another person. An officer’s subjective fear of future harm alone is insufficient as an imminent threat. An imminent threat is one that from appearances is reasonably believed to require instant attention (Penal Code § 835a).

300.4.1 SHOOTING AT OR FROM MOVING VEHICLES
Shots fired at or from a moving vehicle are rarely effective. Officers should move out of the path of an approaching vehicle instead of discharging their firearm at the vehicle or any of its occupants. An officer should only discharge a firearm at a moving vehicle or its occupants when the officer reasonably believes there are no other reasonable means available to avert the threat of the vehicle, or if deadly force other than the vehicle is directed at the officer or others.

Officers should not shoot at any part of a vehicle in an attempt to disable the vehicle.

300.5 REPORTING THE USE OF FORCE
Any use of force by a member of this [department/office] shall be documented promptly, completely and accurately in an appropriate report, depending on the nature of the incident. The officer should articulate the factors perceived and why he/she believed the use of force was reasonable under the circumstances. To collect data for purposes of training, resource allocation, analysis and related purposes, the [Department/Office] may require the completion of additional report forms, as specified in [department/office] policy, procedure or law.
300.5.1 NOTIFICATION TO SUPERVISORS
Supervisory notification shall be made as soon as practicable following the application of force in any of the following circumstances:

(a) The application caused a visible injury.
(b) The application would lead a reasonable officer to conclude that the individual may have experienced more than momentary discomfort.
(c) The individual subjected to the force complained of injury or continuing pain.
(d) The individual indicates intent to pursue litigation.
(e) Any application of a TASER device or control device.
(f) Any application of a restraint device other than handcuffs, shackles or belly chains.
(g) The individual subjected to the force was rendered unconscious.
(h) An individual was struck or kicked.
(i) An individual alleges any of the above has occurred.

300.5.2 REPORTING TO CALIFORNIA DEPARTMENT OF JUSTICE
Statistical data regarding all officer-involved shootings and incidents involving use of force resulting in serious bodily injury is to be reported to the California Department of Justice as required by Government Code § 12525.2. See the Records Division policy.

300.6 MEDICAL CONSIDERATION
Prior to booking or release, medical assistance shall be obtained for any person who exhibits signs of physical distress, who has sustained visible injury, expresses a complaint of injury or continuing pain, or who was rendered unconscious. Any individual exhibiting signs of physical distress after an encounter should be continuously monitored until he/she can be medically assessed.

Based upon the officer’s initial assessment of the nature and extent of the subject’s injuries, medical assistance may consist of examination by fire personnel, paramedics, hospital staff or medical staff at the jail. If any such individual refuses medical attention, such a refusal shall be fully documented in related reports and, whenever practicable, should be witnessed by another officer and/or medical personnel. If a recording is made of the contact or an interview with the individual, any refusal should be included in the recording, if possible.

The on-scene supervisor or, if the on-scene supervisor is not available, the primary handling officer shall ensure that any person providing medical care or receiving custody of a person following any use of force is informed that the person was subjected to force. This notification shall include a description of the force used and any other circumstances the officer reasonably believes would be potential safety or medical risks to the subject (e.g., prolonged struggle, extreme agitation, impaired respiration).

Persons who exhibit extreme agitation, violent irrational behavior accompanied by profuse sweating, extraordinary strength beyond their physical characteristics and imperviousness to pain (sometimes called “excited delirium”), or who require a protracted physical encounter with multiple
Use of Force

officers to be brought under control, may be at an increased risk of sudden death. Calls involving these persons should be considered medical emergencies. Officers who reasonably suspect a medical emergency should request medical assistance as soon as practicable and have medical personnel stage away if appropriate.

300.7 SUPERVISOR RESPONSIBILITY
When a supervisor is able to respond to an incident in which there has been a reported application of force, the supervisor is expected to:

(a) Obtain the basic facts from the involved officers. Absent an allegation of misconduct or excessive force, this will be considered a routine contact in the normal course of duties.

(b) Ensure that any injured parties are examined and treated.

(c) When possible, separately obtain a recorded interview with the subject upon whom force was applied. If this interview is conducted without the person having voluntarily waived his/her Miranda rights, the following shall apply:
   1. The content of the interview should not be summarized or included in any related criminal charges.
   2. The fact that a recorded interview was conducted should be documented in a property or other report.
   3. The recording of the interview should be distinctly marked for retention until all potential for civil litigation has expired.

(d) Once any initial medical assessment has been completed or first aid has been rendered, ensure that photographs have been taken of any areas involving visible injury or complaint of pain, as well as overall photographs of uninjured areas. These photographs should be retained until all potential for civil litigation has expired.

(e) Identify any witnesses not already included in related reports.

(f) Review and approve all related reports.

(g) Determine if there is any indication that the subject may pursue civil litigation.
   1. If there is an indication of potential civil litigation, the supervisor should complete and route a notification of a potential claim through the appropriate channels.

(h) Evaluate the circumstances surrounding the incident and initiate an administrative investigation if there is a question of policy non-compliance or if for any reason further investigation may be appropriate.

In the event that a supervisor is unable to respond to the scene of an incident involving the reported application of force, the supervisor is still expected to complete as many of the above items as circumstances permit.
300.7.1 OPERATIONS COMMANDER RESPONSIBILITY
The Operations Commander shall review each use of force by any personnel within his/her command to ensure compliance with this policy and to address any training issues.

300.8 USE OF FORCE ANALYSIS
At least annually, the Operations Division Commander should prepare an analysis report on use of force incidents. The report should be submitted to the Chief of Police. The report should not contain the names of officers, suspects or case numbers, and should include:

(a) The identification of any trends in the use of force by members.
(b) Training needs recommendations.
(c) Equipment needs recommendations.
(d) Policy revision recommendations.
Use of Force Review Boards

302.1 PURPOSE AND SCOPE
This policy establishes a process for the Brawley Police Department to review the use of force by its employees.

This review process shall be in addition to any other review or investigation that may be conducted by any outside or multi-agency entity having jurisdiction over the investigation or evaluation of the use of deadly force.

302.2 POLICY
The Brawley Police Department will objectively evaluate the use of force by its members to ensure that their authority is used lawfully, appropriately and is consistent with training and policy.

302.3 REMOVAL FROM LINE DUTY ASSIGNMENT
Generally, whenever an employee's actions or use of force in an official capacity, or while using department equipment, results in death or very serious injury to another, that employee will be placed in a temporary administrative assignment pending an administrative review. The Chief of Police may exercise discretion and choose not to place an employee in an administrative assignment in any case.

302.4 REVIEW BOARD
The Use of Force Review Board will be convened when the use of force by a member results in very serious injury or death to another.

The Use of Force Review Board will also investigate and review the circumstances surrounding every discharge of a firearm, whether the employee was on- or off-duty, excluding training or recreational use.

The Operations Commander may request the Use of Force Review Board to investigate the circumstances surrounding any use of force incident.

The Division Commander will convene the Use of Force Review Board as necessary. It will be the responsibility of the Division Commander or supervisor of the involved employee to notify the Division Commander of any incidents requiring board review. The involved employee's Division Commander or supervisor will also ensure that all relevant reports, documents and materials are available for consideration and review by the board.

302.4.1 COMPOSITION OF THE BOARD
The Division Commander should select a minimum of three Use of Force Review Board members from the following, as appropriate:

- Representatives of each division
Use of Force Review Boards

- Commanding officer in the involved member's chain of command
- Administrative Sergeant
- Administrative Agent
- Non-administrative supervisor
- A peer officer
- A sworn peace officer from an outside law enforcement agency
- Department instructor for the type of weapon, device or technique used

The designee of the division Commander will serve as chairperson of the review board.

302.4.2 RESPONSIBILITIES OF THE BOARD

The Use of Force Review Board is empowered to conduct an administrative review and inquiry into the circumstances of an incident.

The board members may request further investigation, request reports be submitted for the board's review, call persons to present information and request the involved employee to appear. The involved employee will be notified of the meeting of the board and may choose to have a representative through all phases of the review process.

The board does not have the authority to recommend discipline.

The Chief of Police will determine whether the board should delay its review until after completion of any criminal investigation, review by any prosecutorial body, filing of criminal charges the decision not to file criminal charges, or any other action. The board should be provided all relevant available material from these proceedings for its consideration.

Absent an express waiver from the employee, no more than two members of the board may ask questions of the involved employee (Government Code § 3303). Other members may provide questions to these members.

The review shall be based upon those facts which were reasonably believed or known by the officer at the time of the incident, applying any legal requirements, department policies, procedures and approved training to those facts. Facts later discovered but unknown to the officer at the time shall neither justify nor call into question an officer's decision regarding the use of force.

Any questioning of the involved employee conducted by the board will be in accordance with the department's disciplinary procedures, the Personnel Complaints Policy, the current collective bargaining agreement and any applicable state or federal law.

The board shall make one of the following recommended findings:

(a) The employee's actions were within department policy and procedure.
(b) The employee's actions were in violation of department policy and procedure.
Use of Force Review Boards

A recommended finding requires a majority vote of the board. The board may also recommend additional investigations or reviews, such as disciplinary investigations, training reviews to consider whether training should be developed or revised, and policy reviews, as may be appropriate. The board chairperson will submit the written recommendation to the Chief of Police.

The Chief of Police shall review the recommendation, make a final determination as to whether the employee’s actions were within policy and procedure and will determine whether any additional actions, investigations or reviews are appropriate. The Chief of Police’s final findings will be forwarded to the involved employee’s Division Commander for review and appropriate action. If the Chief of Police concludes that discipline should be considered, a disciplinary process will be initiated.

At the conclusion of any additional reviews, copies of all relevant reports and information will be filed with the Chief of Police.
Handcuffing and Restraints

306.1 PURPOSE AND SCOPE
This policy provides guidelines for the use of handcuffs and other restraints during detentions and arrests.

306.2 POLICY
The Brawley Police Department authorizes the use of restraint devices in accordance with this policy, the Use of Force Policy, and [department/office] training. Restraint devices shall not be used to punish, to display authority, or as a show of force.

306.3 USE OF RERAINTS
Only members who have successfully completed Brawley Police Department-approved training on the use of restraint devices described in this policy are authorized to use these devices.

When deciding whether to use any restraint, officers should carefully balance officer safety concerns with factors that include but are not limited to:

• The circumstances or crime leading to the arrest.
• The demeanor and behavior of the arrested person.
• The age and health of the person.
• Whether the person is known to be pregnant.
• Whether the person has a hearing or speaking disability. In such cases, consideration should be given, safety permitting, to handcuffing to the front in order to allow the person to sign or write notes.
• Whether the person has any other apparent disability.

306.3.1 RESTRAINT OF DETAINEES
Situations may arise where it may be reasonable to restrain a person who may, after brief investigation, be released without arrest. Unless arrested, the use of restraints on detainees should continue only for as long as is reasonably necessary to ensure the safety of officers and others. When deciding whether to remove restraints from a detainee, officers should continuously weigh the safety interests at hand against the continuing intrusion upon the detainee.

306.3.2 RESTRAINT OF PREGNANT PERSONS
Persons who are known to be pregnant should be restrained in the least restrictive manner that is effective for officer safety. Leg irons, waist chains, or handcuffs behind the body should not be used unless the officer has a reasonable suspicion that the person may resist, attempt escape, injure self or others, or damage property.

No person who is in labor, delivery, or recovery after delivery shall be handcuffed or restrained except in extraordinary circumstances and only when a supervisor makes an individualized
determination that such restraints are necessary for the safety of the arrestee, officers, or others (Penal Code § 3407; Penal Code § 6030).

306.3.3 RESTRAINT OF JUVENILES
A juvenile under 14 years of age should not be restrained unless he/she is suspected of a dangerous felony or when the officer has a reasonable suspicion that the juvenile may resist, attempt escape, injure him/herself, injure the officer, or damage property.

306.3.4 NOTIFICATIONS
Whenever an officer transports a person with the use of restraints other than handcuffs, the officer shall inform the jail staff upon arrival at the jail that restraints were used. This notification should include information regarding any other circumstances the officer reasonably believes would be potential safety concerns or medical risks to the person (e.g., prolonged struggle, extreme agitation, impaired respiration) that may have occurred prior to, or during, transportation to the jail.

306.4 APPLICATION OF HANDCUFFS OR PLASTIC CUFFS
Handcuffs, including temporary nylon or plastic cuffs, may be used only to restrain a person’s hands to ensure officer safety.

Although recommended for most arrest situations, handcuffing is discretionary and not an absolute requirement of the [Department/Office]. Officers should consider handcuffing any person they reasonably believe warrants that degree of restraint. However, officers should not conclude that in order to avoid risk every person should be handcuffed, regardless of the circumstances.

In most situations, handcuffs should be applied with the hands behind the person’s back. When feasible, handcuffs should be double-locked to prevent tightening, which may cause undue discomfort or injury to the hands or wrists.

In situations where one pair of handcuffs does not appear sufficient to restrain the person or may cause unreasonable discomfort due to the person’s size, officers should consider alternatives, such as using an additional set of handcuffs or multiple plastic cuffs.

Handcuffs should be removed as soon as it is reasonable or after the person has been searched and is safely confined within a detention facility.

306.5 APPLICATION OF SPIT HOODS
Spit hoods are temporary protective devices designed to prevent the wearer from biting and/or transferring or transmitting fluids (saliva and mucous) to others.

Spit hoods may be placed upon persons in custody when the officer reasonably believes the person will bite or spit, either on a person or in an inappropriate place. They are generally used during application of a physical restraint, while the person is restrained, or during or after transport.

Officers utilizing spit hoods should ensure that the spit hood is fastened properly to allow for adequate ventilation and so that the restrained person can breathe normally. Officers should provide assistance during the movement of a restrained person due to the potential for impairing or
Handcuffing and Restraints

distorting that person’s vision. Officers should avoid comingling those wearing spit hoods with other detainees.

Spit hoods should not be used in situations where the restrained person is bleeding profusely from the area around the mouth or nose, or if there are indications that the person has a medical condition, such as difficulty breathing or vomiting. In such cases, prompt medical care should be obtained. If the person vomits while wearing a spit hood, the spit hood should be promptly removed and discarded. Persons who have been sprayed with oleoresin capsicum (OC) spray should be thoroughly decontaminated, including hair, head, and clothing, prior to application of a spit hood.

Those who have been placed in a spit hood should be continually monitored and shall not be left unattended until the spit hood is removed. Spit hoods shall be discarded after each use.

306.6 APPLICATION OF AUXILIARY RESTRAINT Devices
Auxiliary restraint devices include transport belts, waist or belly chains, transportation chains, leg irons, and other similar devices. Auxiliary restraint devices are intended for use during long-term restraint or transportation. They provide additional security and safety without impeding breathing, while permitting adequate movement, comfort, and mobility.

Only [department/office]-authorized devices may be used. Any person in auxiliary restraints should be monitored as reasonably appears necessary.

306.7 APPLICATION OF LEG RESTRAINT DEVICES
Leg restraints may be used to restrain the legs of a violent or potentially violent person when it is reasonable to do so during the course of detention, arrest, or transportation. Only restraint devices approved by the [Department/Office] shall be used.

In determining whether to use the leg restraint, officers should consider:

(a) Whether the officer or others could be exposed to injury due to the assaultive or resistant behavior of a person.

(b) Whether it is reasonably necessary to protect the person from his/her own actions (e.g., hitting his/her head against the interior of the patrol vehicle, running away from the arresting officer while handcuffed, kicking at objects or officers).

(c) Whether it is reasonably necessary to avoid damage to property (e.g., kicking at windows of the patrol vehicle).

306.7.1 GUIDELINES FOR USE OF LEG RESTRAINTS
When applying leg restraints, the following guidelines should be followed:

(a) If practicable, officers should notify a supervisor of the intent to apply the leg restraint device. In all cases, a supervisor shall be notified as soon as practicable after the application of the leg restraint device.

(b) Once applied, absent a medical or other emergency, restraints should remain in place until the officer arrives at the jail or other facility or the person no longer reasonably appears to pose a threat.
(c) Once secured, the person should be placed in a seated or upright position, secured with a seat belt, and shall not be placed on his/her stomach for an extended period, as this could reduce the person’s ability to breathe.

(d) The restrained person should be continually monitored by an officer while in the leg restraint. The officer should ensure that the person does not roll onto and remain on his/her stomach.

(e) The officer should look for signs of labored breathing and take appropriate steps to relieve and minimize any obvious factors contributing to this condition.

(f) When transported by emergency medical services, the restrained person should be accompanied by an officer when requested by medical personnel. The transporting officer should describe to medical personnel any unusual behaviors or other circumstances the officer reasonably believes would be potential safety or medical risks to the person (e.g., prolonged struggle, extreme agitation, impaired respiration).

306.8 REQUIRED DOCUMENTATION
If a person is restrained and released without an arrest, the officer shall document the details of the detention and the need for handcuffs or other restraints.

If a person is arrested, the use of handcuffs or other restraints shall be documented in the related report.

Officers should document the following information in reports, as appropriate, when restraints other than handcuffs are used on a person:

(a) The factors that led to the decision to use restraints.
(b) Supervisor notification and approval of restraint use.
(c) The types of restraint used.
(d) The amount of time the person was restrained.
(e) How the person was transported and the position of the person during transport.
(f) Observations of the person’s behavior and any signs of physiological problems.
(g) Any known or suspected drug use or other medical problems.

306.9 TRAINING
Subject to available resources, the Administrative Agent should ensure that officers receive periodic training on the proper use of handcuffs and other restraints, including:

(a) Proper placement and fit of handcuffs and other restraint devices approved for use by the [Department/Office].
(b) Response to complaints of pain by restrained persons.
(c) Options for restraining those who may be pregnant without the use of leg irons, waist chains, or handcuffs behind the body.
(d) Options for restraining amputees or those with medical conditions or other physical conditions that may be aggravated by being restrained.
Control Devices and Techniques

308.1 PURPOSE AND SCOPE
This policy provides guidelines for the use and maintenance of control devices that are described in this policy.

308.2 POLICY
In order to control subjects who are violent or who demonstrate the intent to be violent, the Brawley Police Department authorizes officers to use control devices in accordance with the guidelines in this policy and the Use of Force Policy.

308.3 ISSUING, CARRYING AND USING CONTROL DEVICES
Control devices described in this policy may be carried and used by members of this [department/office] only if the device has been issued by the [Department/Office] or approved by the Chief of Police or the authorized designee.

Only officers who have successfully completed [department/office]-approved training in the use of any control device are authorized to carry and use the device.

Control devices may be used when a decision has been made to control, restrain or arrest a subject who is violent or who demonstrates the intent to be violent, and the use of the device appears reasonable under the circumstances. When reasonable, a verbal warning and opportunity to comply should precede the use of these devices.

When using control devices, officers should carefully consider potential impact areas in order to minimize injuries and unintentional targets.

308.4 RESPONSIBILITIES

308.4.1 WATCH COMMANDER RESPONSIBILITIES
The Watch Commander may authorize the use of a control device by selected personnel or members of specialized units who have successfully completed the required training.

308.4.2 QUARTERMASTER RESPONSIBILITIES
The Quartermaster shall control the inventory and issuance of all control devices and shall ensure that all damaged, inoperative, outdated or expended control devices or munitions are properly disposed of, repaired or replaced.

Every control device will be periodically inspected by the designated instructor for a particular control device. The inspection shall be documented.

308.4.3 USER RESPONSIBILITIES
All normal maintenance, charging or cleaning shall remain the responsibility of personnel using the various devices.
**Control Devices and Techniques**

Any damaged, inoperative, outdated or expended control devices or munitions, along with documentation explaining the cause of the damage, shall be returned to the Rangemaster for disposition. Damage to City property forms shall also be prepared and forwarded through the chain of command, when appropriate, explaining the cause of damage.

### 308.5 BATON GUIDELINES

The need to immediately control a suspect must be weighed against the risk of causing serious injury. The head, neck, throat, spine, heart, kidneys and groin should not be intentionally targeted except when the officer reasonably believes the suspect poses an imminent threat of serious bodily injury or death to the officer or others.

When carrying a baton, uniformed personnel shall carry the baton in its authorized holder on the equipment belt. Plainclothes and non-field personnel may carry the baton as authorized and in accordance with the needs of their assignment or at the direction of their supervisor.

### 308.6 TEAR GAS GUIDELINES

Tear gas may be used for crowd control, crowd dispersal or against barricaded suspects based on the circumstances. Only the Watch Commander, Incident Commander or Crisis Response Unit Commander may authorize the delivery and use of tear gas, and only after evaluating all conditions known at the time and determining that such force reasonably appears justified and necessary.

When practicable, fire personnel should be alerted or summoned to the scene prior to the deployment of tear gas to control any fires and to assist in providing medical aid or gas evacuation if needed.

### 308.7 OLEORESIN CAPSICUM (OC) GUIDELINES

As with other control devices, oleoresin capsicum (OC) spray and pepper projectiles may be considered for use to bring under control an individual or groups of individuals who are engaging in, or are about to engage in violent behavior. Pepper projectiles and OC spray should not, however, be used against individuals or groups who merely fail to disperse or do not reasonably appear to present a risk to the safety of officers or the public.

#### 308.7.1 OC SPRAY

Uniformed personnel carrying OC spray shall carry the device in its holster on the equipment belt. Plainclothes and non-field personnel may carry OC spray as authorized, in accordance with the needs of their assignment or at the direction of their supervisor.

#### 308.7.2 PEPPER PROJECTILE SYSTEMS

Pepper projectiles are plastic spheres that are filled with a derivative of OC powder. Because the compressed gas launcher delivers the projectiles with enough force to burst the projectiles on impact and release the OC powder, the potential exists for the projectiles to inflict injury if they strike the head, neck, spine or groin. Therefore, personnel using a pepper projectile system should not intentionally target those areas, except when the officer reasonably believes the suspect poses an imminent threat of serious bodily injury or death to the officer or others.
Control Devices and Techniques

Officers encountering a situation that warrants the use of a pepper projectile system shall notify a supervisor as soon as practicable. A supervisor shall respond to all pepper projectile system incidents where the suspect has been hit or exposed to the chemical agent. The supervisor shall ensure that all notifications and reports are completed as required by the Use of Force Policy.

Each deployment of a pepper projectile system shall be documented. This includes situations where the launcher was directed toward the suspect, whether or not the launcher was used. Unintentional discharges shall be promptly reported to a supervisor and documented on the appropriate report form. Only non-incident use of a pepper projectile system, such as training and product demonstrations, is exempt from the reporting requirement.

308.7.3 TREATMENT FOR OC SPRAY EXPOSURE
Persons who have been sprayed with or otherwise affected by the use of OC should be promptly provided with clean water to cleanse the affected areas. Those persons who complain of further severe effects shall be examined by appropriate medical personnel.

308.8 POST-APPLICATION NOTICE
Whenever tear gas or OC has been introduced into a residence, building interior, vehicle or other enclosed area, officers should provide the owners or available occupants with notice of the possible presence of residue that could result in irritation or injury if the area is not properly cleaned. Such notice should include advisement that clean up will be at the owner’s expense. Information regarding the method of notice and the individuals notified should be included in related reports.

308.9 KINETIC ENERGY PROJECTILE GUIDELINES
This [department/office] is committed to reducing the potential for violent confrontations. Kinetic energy projectiles, when used properly, are less likely to result in death or serious physical injury and can be used in an attempt to de-escalate a potentially deadly situation.

308.9.1 DEPLOYMENT AND USE
Only [department/office]-approved kinetic energy munitions shall be carried and deployed. Approved munitions may be used to compel an individual to cease his/her actions when such munitions present a reasonable option.

Officers are not required or compelled to use approved munitions in lieu of other reasonable tactics if the involved officer determines that deployment of these munitions cannot be done safely. The safety of hostages, innocent persons and officers takes priority over the safety of subjects engaged in criminal or suicidal behavior.

Circumstances appropriate for deployment include, but are not limited to, situations in which:

(a) The suspect is armed with a weapon and the tactical circumstances allow for the safe application of approved munitions.

(b) The suspect has made credible threats to harm him/herself or others.
(c) The suspect is engaged in riotous behavior or is throwing rocks, bottles or other dangerous projectiles at people and/or officers.

(d) There is probable cause to believe that the suspect has already committed a crime of violence and is refusing to comply with lawful orders.

308.9.2 DEPLOYMENT CONSIDERATIONS
Before discharging projectiles, the officer should consider such factors as:

(a) Distance and angle to target.
(b) Type of munitions employed.
(c) Type and thickness of subject’s clothing.
(d) The subject’s proximity to others.
(e) The location of the subject.
(f) Whether the subject’s actions dictate the need for an immediate response and the use of control devices appears appropriate.

A verbal warning of the intended use of the device should precede its application, unless it would otherwise endanger the safety of officers or when it is not practicable due to the circumstances. The purpose of the warning is to give the individual a reasonable opportunity to voluntarily comply and to warn other officers and individuals that the device is being deployed.

Officers should keep in mind the manufacturer’s recommendations and their training regarding effective distances and target areas. However, officers are not restricted solely to use according to manufacturer recommendations. Each situation must be evaluated on the totality of circumstances at the time of deployment.

The need to immediately incapacitate the subject must be weighed against the risk of causing serious injury or death. The head and neck should not be intentionally targeted, except when the officer reasonably believes the suspect poses an imminent threat of serious bodily injury or death to the officer or others.

308.9.3 SAFETY PROCEDURES
Shotguns specifically designated for use with kinetic energy projectiles will be specially marked in a manner that makes them readily identifiable as such.

Officers will inspect the shotgun and projectiles at the beginning of each shift to ensure that the shotgun is in proper working order and the projectiles are of the approved type and appear to be free from defects.

When it is not deployed, the shotgun will be unloaded and properly and securely stored in the vehicle. When deploying the kinetic energy projectile shotgun, the officer shall visually inspect the kinetic energy projectiles to ensure that conventional ammunition is not being loaded into the shotgun.
Absent compelling circumstances, officers who must transition from conventional ammunition to kinetic energy projectiles will employ the two-person rule for loading. The two-person rule is a safety measure in which a second officer watches the unloading and loading process to ensure that the weapon is completely emptied of conventional ammunition.

308.10 TRAINING FOR CONTROL DEVICES
The Administrative Sergeant shall ensure that all personnel who are authorized to carry a control device have been properly trained and certified to carry the specific control device and are retrained or recertified as necessary.

(a) Proficiency training shall be monitored and documented by a certified, control-device weapons or tactics instructor.

(b) All training and proficiency for control devices will be documented in the officer’s training file.

(c) Officers who fail to demonstrate proficiency with the control device or knowledge of this agency’s Use of Force Policy will be provided remedial training. If an officer cannot demonstrate proficiency with a control device or knowledge of this agency’s Use of Force Policy after remedial training, the officer will be restricted from carrying the control device and may be subject to discipline.

308.11 REPORTING USE OF CONTROL DEVICES AND TECHNIQUES
Any application of a control device or technique listed in this policy shall be documented in the related incident report and reported pursuant to the Use of Force Policy.
Conducted Energy Device

309.1 PURPOSE AND SCOPE
This policy provides guidelines for the issuance and use of TASER devices.

309.2 POLICY
The TASER® device is intended to control a violent or potentially violent individual, while minimizing the risk of serious injury. The appropriate use of such a device should result in fewer serious injuries to officers and suspects.

309.3 ISSUANCE AND CARRYING TASER DEVICES
Only members who have successfully completed [department/office]-approved training may be issued and carry the TASER device.

TASER devices are issued for use during a member’s current assignment. Those leaving a particular assignment may be required to return the device to the [department/office]’s inventory.

Officers shall only use the TASER device and cartridges that have been issued by the [Department/Office]. Uniformed officers who have been issued the TASER device shall wear the device in an approved holster on their person. Non-uniformed officers may secure the TASER device in the driver’s compartment of their vehicle.

Members carrying the TASER device should perform a spark test on the unit prior to every shift.

When carried while in uniform officers shall carry the TASER device in a weak-side holster on the side opposite the duty weapon.

(a) All TASER devices shall be clearly and distinctly marked to differentiate them from the duty weapon and any other device.

(b) Whenever practicable, officers should carry two or more cartridges on their person when carrying the TASER device.

(c) Officers shall be responsible for ensuring that their issued TASER device is properly maintained and in good working order.

(d) Officers should not hold both a firearm and the TASER device at the same time.

309.4 VERBAL AND VISUAL WARNINGS
A verbal warning of the intended use of the TASER device should precede its application, unless it would otherwise endanger the safety of officers or when it is not practicable due to the circumstances. The purpose of the warning is to:

(a) Provide the individual with a reasonable opportunity to voluntarily comply.

(b) Provide other officers and individuals with a warning that the TASER device may be deployed.
Conducted Energy Device

If, after a verbal warning, an individual is unwilling to voluntarily comply with an officer’s lawful orders and it appears both reasonable and feasible under the circumstances, the officer may, but is not required to, display the electrical arc (provided that a cartridge has not been loaded into the device), or the laser in a further attempt to gain compliance prior to the application of the TASER device. The aiming laser should never be intentionally directed into the eyes of another as it may permanently impair his/her vision.

The fact that a verbal or other warning was given or the reasons it was not given shall be documented by the officer deploying the TASER device in the related report.

309.5 USE OF THE TASER DEVICE

The TASER device has limitations and restrictions requiring consideration before its use. The TASER device should only be used when its operator can safely approach the subject within the operational range of the device. Although the TASER device is generally effective in controlling most individuals, officers should be aware that the device may not achieve the intended results and be prepared with other options.

309.5.1 APPLICATION OF THE TASER DEVICE

The TASER device may be used in any of the following circumstances, when the circumstances perceived by the officer at the time indicate that such application is reasonably necessary to control a person:

(a) The subject is violent or is physically resisting.

(b) The subject has demonstrated, by words or action, an intention to be violent or to physically resist, and reasonably appears to present the potential to harm officers, him/herself or others.

Mere flight from a pursuing officer, without other known circumstances or factors, is not good cause for the use of the TASER device to apprehend an individual.

309.5.2 SPECIAL DEPLOYMENT CONSIDERATIONS

The use of the TASER device on certain individuals should generally be avoided unless the totality of the circumstances indicates that other available options reasonably appear ineffective or would present a greater danger to the officer, the subject or others, and the officer reasonably believes that the need to control the individual outweighs the risk of using the device. This includes:

(a) Individuals who are known to be pregnant.

(b) Elderly individuals or obvious juveniles.

(c) Individuals with obviously low body mass.

(d) Individuals who are handcuffed or otherwise restrained.
Conducted Energy Device

(e) Individuals who have been recently sprayed with a flammable chemical agent or who are otherwise in close proximity to any known combustible vapor or flammable material, including alcohol-based oleoresin capsicum (OC) spray.

(f) Individuals whose position or activity may result in collateral injury (e.g., falls from height, operating vehicles).

Because the application of the TASER device in the drive-stun mode (i.e., direct contact without probes) relies primarily on pain compliance, the use of the drive-stun mode generally should be limited to supplementing the probe-mode to complete the circuit, or as a distraction technique to gain separation between officers and the subject, thereby giving officers time and distance to consider other force options or actions.

The TASER device shall not be used to psychologically torment, elicit statements or to punish any individual.

309.5.3 TARGETING CONSIDERATIONS
Reasonable efforts should be made to target lower center mass and avoid the head, neck, chest and groin. If the dynamics of a situation or officer safety do not permit the officer to limit the application of the TASER device probes to a precise target area, officers should monitor the condition of the subject if one or more probes strikes the head, neck, chest or groin until the subject is examined by paramedics or other medical personnel.

309.5.4 MULTIPLE APPLICATIONS OF THE TASER DEVICE
Officers should apply the TASER device for only one standard cycle and then evaluate the situation before applying any subsequent cycles. Multiple applications of the TASER device against a single individual are generally not recommended and should be avoided unless the officer reasonably believes that the need to control the individual outweighs the potentially increased risk posed by multiple applications.

If the first application of the TASER device appears to be ineffective in gaining control of an individual, the officer should consider certain factors before additional applications of the TASER device, including:

(a) Whether the probes are making proper contact.

(b) Whether the individual has the ability and has been given a reasonable opportunity to comply.

(c) Whether verbal commands, other options or tactics may be more effective.

Officers should generally not intentionally apply more than one TASER device at a time against a single subject.

309.5.5 ACTIONS FOLLOWING DEPLOYMENTS
Officers shall notify a supervisor of all TASER device discharges. Confetti tags should be collected and the expended cartridge, along with both probes and wire, should be submitted into evidence.
Conducted Energy Device

The cartridge serial number should be noted and documented on the evidence paperwork. The evidence packaging should be marked "Biohazard" if the probes penetrated the subject’s skin.

309.5.6 DANGEROUS ANIMALS
The TASER device may be deployed against an animal as part of a plan to deal with a potentially dangerous animal, such as a dog, if the animal reasonably appears to pose an imminent threat to human safety and alternative methods are not reasonably available or would likely be ineffective.

309.5.7 OFF-DUTY CONSIDERATIONS
Officers are not authorized to carry [department/office] TASER devices while off-duty.

Officers shall ensure that TASER devices are secured while in their homes, vehicles or any other area under their control, in a manner that will keep the device inaccessible to others.

309.6 DOCUMENTATION
Officers shall document all TASER device discharges in the related arrest/crime report and the TASER device report form. Notification shall also be made to a supervisor in compliance with the Use of Force Policy. Unintentional discharges, pointing the device at a person, laser activation and arcing the device will also be documented on the report form.

309.6.1 TASER DEVICE FORM
Items that shall be included in the TASER device report form are:

(a) The type and brand of TASER device and cartridge and cartridge serial number.
(b) Date, time and location of the incident.
(c) Whether any display, laser or arc deterred a subject and gained compliance.
(d) The number of TASER device activations, the duration of each cycle, the duration between activations, and (as best as can be determined) the duration that the subject received applications.
(e) The range at which the TASER device was used.
(f) The type of mode used (probe or drive-stun).
(g) Location of any probe impact.
(h) Location of contact in drive-stun mode.
(i) Description of where missed probes went.
(j) Whether medical care was provided to the subject.
(k) Whether the subject sustained any injuries.
(l) Whether any officers sustained any injuries.

The Department Taser instructor should periodically analyze the report forms to identify trends, including deterrence and effectiveness. The Department Taser instructor should also conduct
Conducted Energy Device

audits of data downloads and reconcile TASER device report forms with recorded activations. TASER device information and statistics, with identifying information removed, should periodically be made available to the public.

309.6.2 REPORTS
The officer should include the following in the arrest/crime report:

(a) Identification of all personnel firing TASER devices
(b) Identification of all witnesses
(c) Medical care provided to the subject
(d) Observations of the subject’s physical and physiological actions
(e) Any known or suspected drug use, intoxication or other medical problems

309.7 MEDICAL TREATMENT
Consistent with local medical personnel protocols and absent extenuating circumstances, only appropriate medical personnel should remove TASER device probes from a person’s body. Used TASER device probes shall be treated as a sharps biohazard, similar to a used hypodermic needle, and handled appropriately. Universal precautions should be taken.

All persons who have been struck by TASER device probes or who have been subjected to the electric discharge of the device shall be medically assessed prior to booking. Additionally, any such individual who falls under any of the following categories should, as soon as practicable, be examined by paramedics or other qualified medical personnel:

(a) The person is suspected of being under the influence of controlled substances and/or alcohol.
(b) The person may be pregnant.
(c) The person reasonably appears to be in need of medical attention.
(d) The TASER device probes are lodged in a sensitive area (e.g., groin, female breast, head, face, neck).
(e) The person requests medical treatment.

Any individual exposed to a Taser application shall be transported to a medical facility for examination or medically evaluated prior to booking. If any individual refuses medical attention, such a refusal should be witnessed by another officer and/or medical personnel and shall be fully documented in related reports. If an audio recording is made of the contact or an interview with the individual, any refusal should be included, if possible.

The transporting officer shall inform any person providing medical care or receiving custody that the individual has been subjected to the application of the TASER device.
309.8 SUPERVISOR RESPONSIBILITIES
When possible, supervisors should respond to calls when they reasonably believe there is a likelihood the TASER device may be used. A supervisor should respond to all incidents where the TASER device was activated.

A supervisor should review each incident where a person has been exposed to an activation of the TASER device. The device’s onboard memory should be downloaded through the data port by a supervisor or Rangemaster and saved with the related arrest/crime report. Photographs of probe sites should be taken and witnesses interviewed.

309.9 TRAINING
Personnel who are authorized to carry the TASER device shall be permitted to do so only after successfully completing the initial [department/office]-approved training. Any personnel who have not carried the TASER device as a part of their assignment for a period of six months or more shall be recertified by a [department/office]-approved TASER device instructor prior to again carrying or using the device.

Proficiency training for personnel who have been issued TASER devices should occur every two years. A reassessment of an officer’s knowledge and/or practical skill may be required at any time if deemed appropriate by the Division Commander. All training and proficiency for TASER devices will be documented in the officer’s training file.

Command staff, supervisors and investigators should receive TASER device training as appropriate for the investigations they conduct and review.

Officers who do not carry TASER devices should receive training that is sufficient to familiarize them with the device and with working with officers who use the device.

The Administrative Division Commander is responsible for ensuring that all members who carry TASER devices have received initial and annual proficiency training. Periodic audits should be used for verification.

Application of TASER devices during training could result in injury to personnel and should not be mandatory for certification.

The Administrative Division Commander should ensure that all training includes:

(a) A review of this policy.
(b) A review of the Use of Force Policy.
(c) Performing weak-hand draws or cross-draws to reduce the possibility of unintentionally drawing and firing a firearm.
(d) Target area considerations, to include techniques or options to reduce the unintentional application of probes near the head, neck, chest and groin.
(e) Handcuffing a subject during the application of the TASER device and transitioning to other force options.
Conducted Energy Device

(f) De-escalation techniques.

(g) Restraint techniques that do not impair respiration following the application of the TASER device.
Officer-Involved Shootings and Deaths

310.1 PURPOSE AND SCOPE
The purpose of this policy is to establish policy and procedures for the investigation of an incident in which a person is injured or dies as the result of an officer-involved shooting or dies as a result of other action of an officer.

In other incidents not covered by this policy, the Chief of Police may decide that the investigation will follow the process provided in this policy.

310.2 POLICY
The policy of the Brawley Police Department is to ensure that officer-involved shootings and deaths are investigated in a thorough, fair and impartial manner.

310.3 TYPES OF INVESTIGATIONS
Officer-involved shootings and deaths involve several separate investigations. The investigations may include:

- A criminal investigation of the suspect's actions.
- A criminal investigation of the involved officer’s actions.
- An administrative investigation as to policy compliance by involved officers.
- A civil investigation to determine potential liability.

310.4 CONTROL OF INVESTIGATIONS
Investigators from surrounding agencies may be assigned to work on the criminal investigation of officer-involved shootings and deaths. This may include at least one investigator from the agency that employs the involved officer.

Jurisdiction is determined by the location of the shooting or death and the agency employing the involved officer. The following scenarios outline the jurisdictional responsibilities for investigating officer-involved shootings and deaths.

310.4.1 CRIMINAL INVESTIGATION OF SUSPECT ACTIONS
The investigation of any possible criminal conduct by the suspect is controlled by the agency in whose jurisdiction the suspect’s crime occurred. For example, the Brawley Police Department would control the investigation if the suspect’s crime occurred in Brawley.

If multiple crimes have been committed in multiple jurisdictions, identification of the agency that will control the investigation may be reached in the same way as with any other crime. The investigation may be conducted by the agency in control of the criminal investigation of the involved officer, at the discretion of the Chief of Police and with concurrence from the other agency.
310.4.2 CRIMINAL INVESTIGATION OF OFFICER ACTIONS
The control of the criminal investigation into the involved officer’s conduct during the incident will be determined by the employing agency’s protocol. When an officer from this [department/office] is involved, the criminal investigation will be handled according to the Criminal Investigation section of this policy.

Requests made of this [department/office] to investigate a shooting or death involving an outside agency’s officer shall be referred to the Chief of Police or the authorized designee for approval.

310.4.3 ADMINISTRATIVE AND CIVIL INVESTIGATION
Regardless of where the incident occurs, the administrative and civil investigation of each involved officer is controlled by the respective employing agency.

310.4.4 INVESTIGATION RESPONSIBILITY MATRIX
The following table identifies the possible scenarios and responsibilities for the investigation of officer-involved shootings:

310.5 INVESTIGATION PROCESS
The following procedures are guidelines used in the investigation of an officer-involved shooting or death.

310.5.1 UNINVOLVED OFFICER RESPONSIBILITIES
Upon arrival at the scene of an officer-involved shooting, the first uninvolved BPD officer will be the officer-in-charge and will assume the responsibilities of a supervisor until properly relieved. This officer should, as appropriate:

(a) Secure the scene and identify and eliminate hazards for all those involved.
(b) Take reasonable steps to obtain emergency medical attention for injured individuals.
(c) Request additional resources from the [Department/Office] or other agencies.
(d) Coordinate a perimeter or pursuit of suspects.
(e) Check for injured persons and evacuate as needed.
(f) Brief the supervisor upon arrival.
310.5.2 WATCH COMMANDER RESPONSIBILITIES
Upon learning of an officer-involved shooting or death, the Watch Commander shall be responsible for coordinating all aspects of the incident until he/she is relieved by the Chief of Police or a Division Commander.

All outside inquiries about the incident shall be directed to the Watch Commander.

310.5.3 NOTIFICATIONS
The following person(s) shall be notified as soon as practicable:

- Chief of Police
- Investigation Division Commander
- Imperial County Officer Involved Shooting Protocol rollout team
- Outside agency investigator (if appropriate)
- Professional Standards Unit supervisor
- Civil liability response team
- Psychological/peer support personnel
- Chaplain
- Coroner (if necessary)
- Involved officer’s agency representative (if requested)
- Public Information Officer

310.5.4 SUPERVISOR RESPONSIBILITIES
Upon arrival at the scene, the first uninvolved BPD supervisor should ensure completion of the duties as outlined above, plus:

(a) Attempt to obtain a brief overview of the situation from any uninvolved officers.
   1. In the event that there are no uninvolved officers who can supply adequate overview, the supervisor should attempt to obtain a brief voluntary overview from one involved officer.

(b) If necessary, the supervisor may administratively order any BPD officer to immediately provide public safety information necessary to secure the scene, identify injured parties and pursue suspects.
   1. Public safety information shall be limited to such things as outstanding suspect information, number and direction of any shots fired, perimeter of the incident scene, identity of known or potential witnesses and any other pertinent information.
   2. The initial on-scene supervisor should not attempt to order any involved officer to provide any information other than public safety information.
(c) Provide all available information to the Watch Commander and the Communications Center. If feasible, sensitive information should be communicated over secure networks.

(d) Take command of and secure the incident scene with additional BPD members until properly relieved by another supervisor or other assigned personnel or investigator.

(e) As soon as practicable, ensure that involved officers are transported (separately, if feasible) to a suitable location for further direction.

1. Each involved BPD officer should be given an administrative order not to discuss the incident with other involved officers or BPD members pending further direction from a supervisor.

2. When an involved officer’s weapon is taken or left at the scene for other than officer-safety reasons (e.g., evidence), ensure that he/she is provided with a comparable replacement weapon or transported by other officers.

310.5.5 INVOLVED OFFICERS
The following shall be considered for the involved officer:

(a) Any request for legal or union representation will be accommodated.

1. Involved BPD officers shall not be permitted to meet collectively or in a group with an attorney or any representative prior to providing a formal interview or report.

2. Requests from involved non-BPD officers should be referred to their employing agency.

(b) Discussions with licensed attorneys will be considered privileged as attorney-client communications.

(c) Discussions with agency representatives/employee groups will be privileged only as to the discussion of non-criminal information (Government Code § 3303(i)).

(d) A licensed psychotherapist shall be provided by the [Department/Office] to each involved BPD officer. A licensed psychotherapist may also be provided to any other affected BPD members, upon request.

1. Interviews with a licensed psychotherapist will be considered privileged.

2. An interview or session with a licensed psychotherapist may take place prior to the member providing a formal interview or report. However, involved members shall not be permitted to consult or meet collectively or in a group with a licensed psychotherapist prior to providing a formal interview or report.

3. A separate fitness-for-duty exam may also be required (see the Fitness for Duty Policy).

(e) Although the [Department/Office] will honor the sensitivity of communications with peer counselors, there is no legal privilege to such communications. Peer counselors are cautioned against discussing the facts of any incident with an involved or witness officer.
Officer-Involved Shootings and Deaths

Care should be taken to preserve the integrity of any physical evidence present on the involved officer's equipment or clothing, such as blood or fingerprints, until investigators or lab personnel can properly retrieve it.

Each involved BPD officer shall be given reasonable paid administrative leave following an officer-involved shooting or death. It shall be the responsibility of the Watch Commander to make schedule adjustments to accommodate such leave.

310.6 CRIMINAL INVESTIGATION
The District Attorney's Office is responsible for the criminal investigation into the circumstances of any officer-involved shooting or death.

If available, investigative personnel from this [department/office] may be assigned to partner with investigators from outside agencies or the District Attorney's Office to avoid duplicating efforts in related criminal investigations.

Once public safety issues have been addressed, criminal investigators should be given the opportunity to obtain a voluntary statement from involved officers and to complete their interviews.

The following shall be considered for the involved officer:

(a) BPD supervisors and Professional Standards Unit personnel should not participate directly in any voluntary interview of BPD officers. This will not prohibit such personnel from monitoring interviews or providing the criminal investigators with topics for inquiry.

(b) If requested, any involved officer will be afforded the opportunity to consult individually with a representative of his/her choosing or an attorney prior to speaking with criminal investigators (Government Code § 3303(i)). However, in order to maintain the integrity of each involved officer’s statement, involved officers shall not consult or meet with a representative or an attorney collectively or in groups prior to being interviewed.

(c) If any involved officer is physically, emotionally or otherwise not in a position to provide a voluntary statement when interviewed by criminal investigators, consideration should be given to allowing a reasonable period for the officer to schedule an alternate time for the interview.

(d) Any voluntary statement provided by an involved officer will be made available for inclusion in any related investigation, including administrative investigations. However, no administratively coerced statement will be provided to any criminal investigators unless the officer consents.

310.6.1 REPORTS BY INVOLVED BPD OFFICERS
In the event that suspects remain outstanding or subject to prosecution for related offenses, this [department/office] shall retain the authority to require involved BPD officers to provide sufficient information for related criminal reports to facilitate the apprehension and prosecution of those individuals (Government Code § 3304(a)).

While the involved BPD officer may write the report, it is generally recommended that such reports be completed by assigned investigators, who should interview all involved officers as victims/witnesses. Since the purpose of these reports will be to facilitate criminal prosecution, statements
Officer-Involved Shootings and Deaths

of involved officers should focus on evidence to establish the elements of criminal activities by suspects. Care should be taken not to duplicate information provided by involved officers in other reports.

Nothing in this section shall be construed to deprive an involved BPD officer of the right to consult with legal counsel prior to completing any such criminal report.

Reports related to the prosecution of criminal suspects will be processed according to normal procedures but should also be included for reference in the investigation of the officer-involved shooting or death.

310.6.2 WITNESS IDENTIFICATION AND INTERVIEWS
Because potential witnesses to an officer-involved shooting or death may become unavailable or the integrity of their statements compromised with the passage of time, a supervisor should take reasonable steps to promptly coordinate with criminal investigators to utilize available personnel for the following:

(a) Identification of all persons present at the scene and in the immediate area.

1. When feasible, a recorded statement should be obtained from those persons who claim not to have witnessed the incident but who were present at the time it occurred.

2. Any potential witness who is unwilling or unable to remain available for a formal interview should not be detained absent reasonable suspicion to detain or probable cause to arrest. Without detaining the individual for the sole purpose of identification, officers should attempt to identify the witness prior to his/her departure.

(b) Witnesses who are willing to provide a formal interview should be asked to meet at a suitable location where criminal investigators may obtain a recorded statement. Such witnesses, if willing, may be transported by a member of the [Department/Office].

1. A written, verbal or recorded statement of consent should be obtained prior to transporting a witness. When the witness is a minor, consent should be obtained from the parent or guardian, if available, prior to transportation.

(c) Promptly contacting the suspect’s known family and associates to obtain any available and untainted background information about the suspect’s activities and state of mind prior to the incident.

310.6.3 INVESTIGATIVE PERSONNEL
Once notified of an officer-involved shooting or death, it shall be the responsibility of the designated Detective Division supervisor to assign appropriate investigative personnel to handle the investigation of related crimes. [Department/Office] investigators will be assigned to work with investigators from the District Attorney's Office and may be assigned to separately handle the investigation of any related crimes not being investigated by the District Attorney's Office.
All related [department/office] reports, except administrative and/or privileged reports, will be forwarded to the designated Detective Division supervisor for approval. Privileged reports shall be maintained exclusively by members who are authorized such access. Administrative reports will be forwarded to the appropriate Division Commander.

**310.7 ADMINISTRATIVE INVESTIGATION**

In addition to all other investigations associated with an officer-involved shooting or death, this [department/office] will conduct an internal administrative investigation of BPD officers to determine conformance with [department/office] policy. The investigation will be conducted under the supervision of the Administrative Commander and will be considered a confidential officer personnel file.

Interviews of members shall be subject to [department/office] policies and applicable laws (see the Personnel Complaints Policy).

(a) Any officer involved in a shooting or death may be requested or administratively compelled to provide a blood sample for alcohol/drug screening. Absent consent from the officer, such compelled samples and the results of any such testing shall not be disclosed to any criminal investigative agency.

(b) If any officer has voluntarily elected to provide a statement to criminal investigators, the assigned administrative investigator should review that statement before proceeding with any further interview of that involved officer.

1. If a further interview of the officer is deemed necessary to determine policy compliance, care should be taken to limit the inquiry to new areas with minimal, if any, duplication of questions addressed in the voluntary statement. The involved officer shall be provided with a copy of his/her prior statement before proceeding with any subsequent interviews.

(c) In the event that an involved officer has elected to not provide criminal investigators with a voluntary statement, the assigned administrative investigator shall conduct an administrative interview to determine all relevant information.

1. Although this interview should not be unreasonably delayed, care should be taken to ensure that the officer’s physical and psychological needs have been addressed before commencing the interview.

2. If requested, the officer shall have the opportunity to select an uninvolved representative to be present during the interview. However, in order to maintain the integrity of each individual officer’s statement, involved officers shall not consult or meet with a representative or attorney collectively or in groups prior to being interviewed (Government Code § 3303(i)).

3. Administrative interviews should be recorded by the investigator. The officer may also record the interview (Government Code § 3303(g)).

4. The officer shall be informed of the nature of the investigation. If an officer refuses to answer questions, he/she should be given his/her Lybarger or Garrity rights and ordered to provide full and truthful answers
to all questions. The officer shall be informed that the interview will be for administrative purposes only and that the statement cannot be used criminally.

5. The assigned investigator shall compile all relevant information and reports necessary for the [Department/Office] to determine compliance with applicable policies.

6. Regardless of whether the use of force is an issue in the case, the completed administrative investigation shall be submitted to the Use of Force Review Board, which will restrict its findings as to whether there was compliance with the Use of Force Policy.

7. Any other indications of potential policy violations shall be determined in accordance with standard disciplinary procedures.

310.8 AUDIO AND VIDEO RECORDINGS
Any officer involved in a shooting or death may be permitted to review available Mobile Audio/Video (MAV), body-worn video, or other video or audio recordings prior to providing a recorded statement or completing reports.

Upon request, non-law enforcement witnesses who are able to verify their presence and their ability to contemporaneously perceive events at the scene of an incident may also be permitted to review available MAV, body-worn video, or other video or audio recordings with approval of assigned investigators or a supervisor.

Any MAV, body-worn and other known video or audio recordings of an incident should not be publicly released during an ongoing investigation without consulting the prosecuting attorney or City Attorney’s Office, as appropriate.

310.9 CIVIL LIABILITY RESPONSE
A member of this [department/office] may be assigned to work exclusively under the direction of the legal counsel for the [Department/Office] to assist in the preparation of materials deemed necessary in anticipation of potential civil litigation.

All materials generated in this capacity shall be considered attorney work product and may not be used for any other purpose. The civil liability response is not intended to interfere with any other investigation but shall be given reasonable access to all other investigations.

310.10 DEBRIEFING
Following an officer-involved shooting or death, the Brawley Police Department should conduct both a critical incident/stress debriefing and a tactical debriefing.

310.10.1 CRITICAL INCIDENT/STRESS DEBRIEFING
A critical incident/stress debriefing should occur as soon as practicable. The Administrative Services Division Commander is responsible for organizing the debriefing. Notes and recorded statements should not be taken because the sole purpose of the debriefing is to help mitigate the stress-related effects of a traumatic event.
The debriefing is not part of any investigative process. Care should be taken not to release or repeat any communication made during a debriefing unless otherwise authorized by policy, law or a valid court order.

Attendance at the debriefing shall only include those members of the [Department/Office] directly involved in the incident, which can include support personnel (e.g., dispatchers, other non-sworn personnel). Family or other support personnel may attend with the concurrence of those involved in the incident. The debriefing shall be closed to the public and should be closed to all other members of the [Department/Office], including supervisory and Professional Standards Unit personnel.

310.10.2 TACTICAL DEBRIEFING
A tactical debriefing should take place to identify any training or areas of policy that need improvement. The Chief of Police should identify the appropriate participants. This debriefing should not be conducted until all involved members have provided recorded or formal statements to criminal and/or administrative investigators.

310.11 MEDIA RELATIONS
Any media release shall be prepared with input and concurrence from the supervisor and [department/office] representative responsible for each phase of the investigation. Releases will be available to the Watch Commander, Investigation Division Commander and Public Information Officer in the event of inquiries from the media.

The [Department/Office] shall not subject any involved BPD officer to visits by the media (Government Code § 3303(e)). No involved BPD officer shall make any comment to the media unless he/she is authorized by the Chief of Police or a Division Commander. [Department/Office] members receiving inquiries regarding officer-involved shootings or deaths occurring in other jurisdictions shall refrain from public comment and will direct those inquiries to the agency having jurisdiction and primary responsibility for the investigation.

310.12 REPORTING
If the death of an individual occurs in the Brawley Police Department jurisdiction and qualifies to be reported to the state as a justifiable homicide or an in-custody death, the Operations Division Commander will ensure that the Records Supervisor is provided with enough information to meet the reporting requirements (Penal Code § 196; Penal Code § 13022; Government Code § 12525).
Firearms

312.1 PURPOSE AND SCOPE
This policy establishes guidelines for the safe and legal carrying of firearms, firearms maintenance, and firearms training. This policy does not apply to issues related to the use of firearms that are addressed in the Use of Force or Officer-Involved Shootings and Deaths policies. The Chief of Police or his designee shall approve all firearms before they are deployed for use by members of this department.

312.2 POLICY
The Brawley Police Department will equip its members with firearms to address the risks posed to the public and department members by violent and sometimes well-armed persons. The Department will ensure firearms are appropriate and in good working order and that relevant training is provided as resources allow.

312.3 AUTHORIZED FIREARMS, AMMUNITION AND OTHER WEAPONS
Members shall only use firearms that are issued or approved by the Department and have been thoroughly inspected by the Rangemaster. Except in an emergency or as directed by a supervisor, no firearm shall be carried by a member who has not qualified with that firearm at an authorized department range.

All other weapons not provided by the Department, including but not limited to edged weapons, chemical or electronic weapons, impact weapons or any weapon prohibited or restricted by law or that is not covered elsewhere by department policy, may not be carried by members in the performance of their official duties without the express written authorization of the member’s Division Commander. This exclusion does not apply to the carrying of a single folding pocketknife that is not otherwise prohibited by law.

312.3.1 HANDGUNS
The authorized department-issued handgun is the Glock Model 21 chambered in .45 Auto. Personally owned handguns chambered in .40 S&W, 9mm Parabellum and .45 Auto may be carried by officers in the performance of their law enforcement duties, but only upon the following conditions:

(a) The firearm shall be in good working order and approved by the Chief of Police or his designee.
(b) The purchase of the firearm shall be the responsibility of the individual officer.
(c) The firearm will be inspected by the Department Range Master prior to being carried and will be subject to inspection by the Range Master whenever deemed necessary.
(d) Only department authorized ammunition shall be carried while on duty.
(e) Officers must qualify with the firearm under the supervision of the Department Range Master prior to carrying the firearm, whether on or off duty.
312.3.2 PATROL RIFLES
The authorized [department/office]-issued patrol rifle is the Windham Weaponry WW-15

No other rifles are approved for duty use

Members may deploy the patrol rifle in any circumstance where the member can articulate a reasonable expectation that the rifle may be needed. Examples of some general guidelines for deploying the patrol rifle may include but are not limited to:

(a) Situations where the member reasonably anticipates an armed encounter.
(b) When a member is faced with a situation that may require accurate and effective fire at long range.
(c) Situations where a member reasonably expects the need to meet or exceed a suspect's firepower.
(d) When a member reasonably believes that there may be a need to fire on a barricaded person or a person with a hostage.
(e) When a member reasonably believes that a suspect may be wearing body armor.
(f) When authorized or requested by a supervisor.
(g) When needed to euthanize an animal.

When not deployed, the patrol rifle shall be properly secured consistent with [department/office] training in a locking weapons rack in the patrol vehicle.

312.3.3 AUTHORIZED SECONDARY HANDGUN
Members desiring to carry [department/office] or personally owned secondary handguns are subject to the following restrictions:

(a) The handgun shall be in good working order and on the [department/office] list of approved firearms.
(b) Only one secondary handgun may be carried at a time.
(c) The purchase of the handgun and ammunition shall be the responsibility of the member unless the handgun and ammunition are provided by the [Department/Office].
(d) The handgun shall be carried concealed at all times and in such a manner as to prevent unintentional cocking, discharge or loss of physical control.
(e) The handgun shall be inspected by the Rangemaster prior to being carried and thereafter shall be subject to inspection whenever it is deemed necessary.
(f) Ammunition shall be the same as [department/office] issue. If the caliber of the handgun is other than [department/office] issue, the Chief of Police or the authorized designee shall approve the ammunition.

(g) Prior to carrying the secondary handgun, members shall qualify under range supervision and thereafter shall qualify in accordance with the [department/office] qualification schedule. Members must demonstrate proficiency and safe handling, and that the handgun functions properly.

(h) Members shall provide written notice of the make, model, color, serial number and caliber of a secondary handgun to the Rangemaster, who will maintain a list of the information.

312.3.4 AUTHORIZED OFF-DUTY FIREARMS
The carrying of firearms by members while off-duty is permitted by the Chief of Police but may be rescinded should circumstances dictate (e.g., administrative leave). Members who choose to carry a firearm while off-duty, based on their authority as peace officers, will be required to meet the following guidelines:

(a) The member may use his/her duty firearm or may use a personally owned firearm that is carried and inspected in accordance with the Personally Owned Duty Firearms requirements in this policy. A member carrying his/her duty firearm will be deemed to have complied with (c), (d) and (e) of this section.

1. The purchase of the personally owned firearm and ammunition shall be the responsibility of the member.

(b) The firearm shall be carried concealed at all times and in such a manner as to prevent accidental unintentional cocking, discharge or loss of physical control.

(c) It will be the responsibility of the member to submit the firearm to the Rangemaster for inspection prior to being personally carried. Thereafter the firearm shall be subject to periodic inspection by the Rangemaster.

(d) Prior to carrying any off-duty firearm, the member shall demonstrate to the Rangemaster that he/she is proficient in handling and firing the firearm and that it will be carried in a safe manner.

(e) The member will successfully qualify with the firearm prior to it being carried.

(f) Members shall provide written notice of the make, model, color, serial number and caliber of the firearm to the Rangemaster, who will maintain a list of the information.

(g) If a member desires to use more than one firearm while off-duty, he/she may do so, as long as all requirements set forth in this policy for each firearm are met.

(h) Members shall only carry [department/office]-authorized ammunition.

(i) When armed, officers shall carry their badges and Brawley Police Department identification cards under circumstances requiring possession of such identification.
312.3.5 AMMUNITION
Members shall carry only [department/office]-authorized ammunition. Members shall be issued fresh duty ammunition on an annual basis. Replacements for unserviceable or depleted ammunition issued by the [Department/Office] shall be dispensed by the Rangemaster when needed, in accordance with established policy.

312.4 EQUIPMENT
Firearms carried on- or off-duty shall be maintained in a clean, serviceable condition. Maintenance and repair of authorized personally owned firearms are the responsibility of the individual member.

312.4.1 REPAIRS OR MODIFICATIONS
Each member shall be responsible for promptly reporting any damage or malfunction of an assigned firearm to a supervisor or the Rangemaster.

Firearms that are the property of the [Department/Office] or personally owned firearms that are approved for [department/office] use may be repaired or modified only by a person who is [department/office]-approved and certified as an armorer or gunsmith in the repair of the specific firearm. Such modification or repair must be authorized in advance by the Rangemaster.

Any repairs or modifications to the member’s personally owned firearm shall be done at his/her expense and must be approved by the Rangemaster.

312.4.2 HOLSTERS
Only [department/office]-approved holsters shall be used and worn by members. Members shall periodically inspect their holsters to make sure they are serviceable and provide the proper security and retention of the handgun.

312.4.3 TACTICAL LIGHTS
Tactical lights may only be installed on a firearm carried on- or off-duty after they have been examined and approved by the Rangemaster. Once the approved tactical lights have been properly installed on any firearm, the member shall qualify with the firearm to ensure proper functionality and sighting of the firearm prior to carrying it.

312.4.4 OPTICS OR LASER SIGHTS
Optics or laser sights may only be installed on a firearm carried on- or off-duty after they have been examined and approved by the Rangemaster. Any approved sight shall only be installed in strict accordance with manufacturer specifications. Once approved sights have been properly installed on any firearm, the member shall qualify with the firearm to ensure proper functionality and sighting of the firearm prior to carrying it.

Except in an approved training situation, a member may only sight in on a target when the member would otherwise be justified in pointing a firearm at the target.
**Firearms**

312.4.5 LIGHTS MOUNTED ON WEAPONS

(a) The Department has authorized light-mounted weapons. Light-mounted weapons can be used in patrol, or during any special assignment position that could expose the officer to low-light or other hazardous entry situations. Lights may be mounted on rifles, shotguns and handguns, and may be carried and deployed when the use of the light-mount will enhance the officer's ability to safely perform their duties. Lights may only be installed on a weapon after they have been examined and approved by the Department Rangemaster/Armorer.

(b) The light-mount is not intended to replace the officer's hand held flashlight. A light mounted on a weapon is a tool to be used as an aid during high-risk situations. For officer safety reasons, handguns with a light attachment must be carried in a hard-frame holster, molded for the specific weapon system. The holster must be designed to carry the weapon with the light still mounted/attached to the weapon. Soft framed holsters made solely of nylon material are not authorized. These types of holsters tend to collapse once the weapon is removed, making it difficult to re-holster the weapon.

(c) A light-mounted weapon is not authorized if the light-mount must be removed from the weapon prior to holstering.

(d) Holsters with leg straps are not authorized while wearing a Class-A uniform at a ceremonial event.

(e) Officers who are on-duty and in the field, may wear a Class-A uniform and a holster with leg straps.

312.5 SAFE HANDLING, INSPECTION AND STORAGE

Members shall maintain the highest level of safety when handling firearms and shall consider the following:

(a) Members shall not unnecessarily display or handle any firearm.

(b) Members shall be governed by all rules and regulations pertaining to the use of the range and shall obey all orders issued by the Rangemaster. Members shall not dry fire or practice quick draws except as instructed by the Rangemaster or other firearms training staff.

(c) Members shall not clean, repair, load or unload a firearm anywhere in the [Department/Office], except where clearing barrels are present.

(d) Shotguns or rifles removed from vehicles or the equipment storage room shall be loaded and unloaded in the parking lot and outside of the vehicle, using clearing barrels.

(e) Members shall not place or store any firearm or other weapon on [department/office] premises except where the place of storage is locked. No one shall carry firearms into the jail section or any part thereof when securing or processing an arrestee, but shall place all firearms in a secured location. Members providing access to the jail section to persons from outside agencies are responsible for ensuring firearms are not brought into the jail section.
(f) Members shall not use any automatic firearm, heavy caliber rifle, gas or other type of chemical weapon or firearm from the armory, except with approval of a supervisor.

(g) Any firearm authorized by the [Department/Office] to be carried on- or off-duty that is determined by a member to be malfunctioning or in need of service or repair shall not be carried. It shall be promptly presented to the [Department/Office] or a Rangemaster approved by the [Department/Office] for inspection and repair. Any firearm deemed in need of repair or service by the Rangemaster will be immediately removed from service. If the firearm is the member's primary duty firearm, a replacement firearm will be issued to the member until the duty firearm is serviceable.

312.5.1 STORAGE AT HOME
Members shall ensure that all firearms and ammunition are locked and secured while in their homes, vehicles or any other area under their control, and in a manner that will keep them inaccessible to children and others who should not have access. Members shall not permit [department/office]-issued firearms to be handled by anyone not authorized by the [Department/Office] to do so. Members should be aware that negligent storage of a firearm could result in civil and criminal liability (Penal Code § 25100).

312.5.2 STORAGE IN VEHICLES
When leaving a handgun in an unattended vehicle, members shall ensure that it is locked in the trunk, or in a locked container that is placed out of view, or in a locked container that is permanently affixed to the vehicle’s interior and not in plain view, or in a locked toolbox or utility box permanently affixed to the vehicle (Penal Code § 16850; Penal Code § 25140; Penal Code § 25452).

If the vehicle does not have a trunk or a locked container, then the firearm should be locked within the center utility console that can be locked with a padlock, keylock, combination lock, or other similar locking device (Penal Code § 25140).

Officers are exempt from these requirements during circumstances requiring immediate aid or action in the course of official duties (Penal Code § 25140).

312.5.3 INSPECTION AND STORAGE
Handguns shall be inspected regularly and upon access or possession by another person. Shotguns and rifles shall be inspected at the beginning of the shift by the member to whom the weapon is issued. The member shall ensure that the firearm is carried in the proper condition and loaded with approved ammunition. Inspection of the shotgun and rifle shall be done while standing outside of the patrol vehicle. All firearms shall be pointed in a safe direction or into clearing barrels.

Personally owned firearms may be safely stored in lockers at the end of the shift. [Department/Office]-owned firearms shall be stored in the appropriate equipment storage room. Handguns may remain loaded if they are secured in an appropriate holster. Shotguns and rifles shall be unloaded in a safe manner outside the building and then stored in the appropriate equipment storage room.
312.5.4 ALCOHOL AND DRUGS
Firearms shall not be carried by any member, either on- or off-duty, who has consumed an amount of an alcoholic beverage, taken any drugs or medication, or has taken any combination thereof that would tend to adversely affect the member’s senses or judgment.

312.6 FIREARMS TRAINING AND QUALIFICATIONS
All members who carry a firearm while on-duty are required to successfully complete training quarterly with their duty firearms. In addition to quarterly training, all members will qualify at least annually with their duty firearms. Members will qualify with off-duty and secondary firearms at least twice a year. Training and qualifications must be on an approved range course.

At least annually, all members carrying a firearm should receive practical training designed to simulate field situations including low-light shooting.

312.6.1 NON-CERTIFICATION OR NON-QUALIFICATION
If any member fails to meet minimum standards for firearms training or qualification for any reason, including injury, illness, duty status or scheduling conflict, that member shall submit a memorandum to his/her immediate supervisor prior to the end of the required training or qualification period.

Those who fail to meet minimum standards or qualify on their first shooting attempt shall be provided remedial training and will be subject to the following requirements:

   (a) Additional range assignments may be scheduled to assist the member in demonstrating consistent firearm proficiency.
   (b) Members shall be given credit for a range training or qualification when obtaining a qualifying score or meeting standards after remedial training.
   (c) No range credit will be given for the following:

           1. Unauthorized range make-up
           2. Failure to meet minimum standards or qualify after remedial training

Members who repeatedly fail to meet minimum standards will be removed from field assignment and may be subject to disciplinary action.

312.7 FIREARM DISCHARGE
Except during training or recreational use, any member who discharges a firearm intentionally or unintentionally, on- or off-duty, shall make a verbal report to his/her supervisor as soon as circumstances permit. If the discharge results in injury or death to another person, additional statements and reports shall be made in accordance with the Officer-Involved Shootings and Deaths Policy. If a firearm was discharged as a use of force, the involved member shall adhere to the additional reporting requirements set forth in the Use of Force Policy.

In all other cases, written reports shall be made as follows:
(a) If on-duty at the time of the incident, the member shall file a written report with his/her Division Commander or provide a recorded statement to investigators prior to the end of shift, unless otherwise directed.

(b) If off-duty at the time of the incident, the member shall file a written report or provide a recorded statement no later than the end of the next regularly scheduled shift, unless otherwise directed by a supervisor.

312.7.1 INJURED ANIMALS

With the approval of a supervisor, a member may euthanize an animal that is so badly injured that human compassion requires its removal from further suffering and where other dispositions are impractical.

Stray or abandoned injured animals that may be moved or taken to an available veterinarian should not be euthanized. With supervisor approval, abandoned injured animals (with the exception of dogs and cats) may only be euthanized after a reasonable search to locate the owner has been made. Injured dogs and cats found without their owners shall be taken to an appropriate veterinarian for determination of whether they should be treated or humanely destroyed (Penal Code § 597.1).

312.7.2 DESTRUCTION OF ANIMALS

Members are authorized to use firearms to stop an animal in circumstances where the animal reasonably appears to pose an imminent threat to human safety and alternative methods are not reasonably available or would likely be ineffective.

In circumstances where there is sufficient advance notice that a potentially dangerous animal may be encountered, [department/office] members should develop reasonable contingency plans for dealing with the animal (e.g., fire extinguisher, TASER® device, oleoresin capsicum (OC) spray, animal control officer). Nothing in this policy shall prohibit any member from shooting a dangerous animal if circumstances reasonably dictate that a contingency plan has failed or becomes impractical.

312.7.3 WARNING AND OTHER SHOTS

Generally, warning shots or shots fired for the purpose of summoning aid are discouraged and may not be discharged unless the member reasonably believes that they appear necessary, effective and reasonably safe.

312.8 RANGEMASTER DUTIES

The range will be under the exclusive control of the Rangemaster. All members attending will follow the directions of the Rangemaster. The Rangemaster will maintain a roster of all members attending the range and will submit the roster to the Administrative Sergeant after each range date. Failure of any member to sign in and out with the Rangemaster may result in non-qualification.

The range shall remain operational and accessible to [department/office] members during hours established by the [Department/Office].
Firearms

The Rangemaster has the responsibility of making periodic inspection, at least once a year, of all duty firearms carried by members of this [department/office] to verify proper operation. The Rangemaster has the authority to deem any [department/office]-issued or personally owned firearm unfit for service. The member will be responsible for all repairs to his/her personally owned firearm and it will not be returned to service until inspected by the Rangemaster.

The Rangemaster has the responsibility for insuring each member meets the minimum requirements during training shoots and, on at least a yearly basis, can demonstrate proficiency in the care, cleaning and safety of all firearms the member is authorized to carry.

The Rangemaster shall complete and submit to the Administrative Sergeant documentation of the training courses provided. Documentation shall include the qualifications of each instructor who provides the training, a description of the training provided and, on a form that has been approved by the [Department/Office], a list of each member who completes the training. The Rangemaster should keep accurate records of all training shoots, qualifications, repairs, maintenance or other records as directed by the Administrative Sergeant.

312.9 FLYING WHILE ARMED
The Transportation Security Administration (TSA) has imposed rules governing law enforcement officers flying armed on commercial aircraft. The following requirements apply to officers who intend to be armed while flying on a commercial air carrier or flights where screening is conducted (49 CFR 1544.219):

(a) Officers wishing to fly while armed must be flying in an official capacity, not for vacation or pleasure, and must have a need to have the firearm accessible, as determined by the [Department/Office] based on the law and published TSA rules.

(b) Officers must carry their Brawley Police Department identification card, bearing the officer’s name, a full-face photograph, identification number, the officer’s signature and the signature of the Chief of Police or the official seal of the [Department/Office] and must present this identification to airline officials when requested. The officer should also carry the standard photo identification needed for passenger screening by airline and TSA officials (e.g., driver license, passport).

(c) The Brawley Police Department must submit a National Law Enforcement Telecommunications System (NLETS) message prior to the officer’s travel. If approved, TSA will send the Brawley Police Department an NLETS message containing a unique alphanumeric identifier. The officer must present the message on the day of travel to airport personnel as authorization to travel while armed.

(d) An official letter signed by the Chief of Police authorizing armed travel may also accompany the officer. The letter should outline the officer’s need to fly armed, detail his/her itinerary, and include that the officer has completed the mandatory TSA training for a law enforcement officer flying while armed.
Firearms

(e) Officers must have completed the mandated TSA security training covering officers flying while armed. The training shall be given by the [department/office]-appointed instructor.

(f) It is the officer’s responsibility to notify the air carrier in advance of the intended armed travel. This notification should be accomplished by early check-in at the carrier’s check-in counter.

(g) Any officer flying while armed should discreetly contact the flight crew prior to take-off and notify them of his/her assigned seat.

(h) Discretion must be used to avoid alarming passengers or crew by displaying a firearm. The officer must keep the firearm concealed on his/her person at all times. Firearms are not permitted in carry-on luggage and may not be stored in an overhead compartment.

(i) Officers should try to resolve any problems associated with flying armed through the flight captain, ground security manager, TSA representative or other management representative of the air carrier.

(j) Officers shall not consume alcoholic beverages while aboard an aircraft, or within eight hours prior to boarding an aircraft.

312.10 CARRYING FIREARMS OUT OF STATE
Qualified, active, full-time officers of this [department/office] are authorized to carry a concealed firearm in all other states subject to the following conditions (18 USC § 926B):

(a) The officer shall carry his/her Brawley Police Department identification card whenever carrying such firearm.

(b) The officer is not the subject of any current disciplinary action.

(c) The officer may not be under the influence of alcohol or any other intoxicating or hallucinatory drug.

(d) The officer will remain subject to this and all other [department/office] policies (including qualifying and training).

Officers are cautioned that individual states may enact local regulations that permit private persons or entities to prohibit or restrict the possession of concealed firearms on their property, or that prohibit or restrict the possession of firearms on any state or local government property, installation, building, base or park. Federal authority may not shield an officer from arrest and prosecution in such locally restricted areas.

Active law enforcement officers from other states are subject to all requirements set forth in 18 USC § 926B.
Vehicle Pursuits

314.1 PURPOSE AND SCOPE
Vehicle pursuits expose innocent citizens, law enforcement officers and fleeing violators to the risk of serious injury or death. The primary purpose of this policy is to provide officers with guidance in balancing the safety of the public and themselves against law enforcement's duty to apprehend violators of the law. Another purpose of this policy is to reduce the potential for pursuit-related collisions. Vehicular pursuits require officers to exhibit a high degree of common sense and sound judgment. Officers must not forget that the immediate apprehension of a suspect is generally not more important than the safety of the public and pursuing officers.

Deciding whether to pursue a motor vehicle is a critical decision that must be made quickly and under difficult and unpredictable circumstances. In recognizing the potential risk to public safety created by vehicular pursuits, no officer or supervisor shall be criticized or disciplined for deciding not to engage in a vehicular pursuit because of the risk involved. This includes circumstances where [department/office] policy would permit the initiation or continuation of the pursuit. It is recognized that vehicular pursuits are not always predictable and decisions made pursuant to this policy will be evaluated according to the totality of the circumstances reasonably available at the time of the pursuit.

Officers must remember that the most important factors to the successful conclusion of a pursuit are proper self-discipline and sound professional judgment. Officer's conduct during the course of a pursuit must be objectively reasonable; that is, what a reasonable officer would do under the circumstances. An unreasonable individual's desire to apprehend a fleeing suspect at all costs has no place in professional law enforcement.

314.1.1 VEHICLE PURSUIT DEFINED
A vehicle pursuit is an event involving one or more law enforcement officers attempting to apprehend a suspect, who is attempting to avoid arrest while operating a motor vehicle by using high-speed driving or other evasive tactics, such as driving off a highway, turning suddenly, or driving in a legal manner but willfully failing to yield to an officer's signal to stop.

314.2 OFFICER RESPONSIBILITIES
It shall be the policy of this [department/office] that a vehicle pursuit shall be conducted only with red light and siren as required by Vehicle Code § 21055 for exemption from compliance with the rules of the road. The following policy is established to provide officers with guidelines for driving with due regard and caution for the safety of all persons using the highway as required by Vehicle Code § 21056.

314.2.1 WHEN TO INITIATE A PURSUIT
Officers are authorized to initiate a pursuit when it is reasonable to believe that a suspect is attempting to evade arrest or detention by fleeing in a vehicle.
The following factors individually and collectively shall be considered in deciding whether to initiate a pursuit:

(a) Seriousness of the known or reasonably suspected crime and its relationship to community safety.
(b) The importance of protecting the public and balancing the known or reasonably suspected offense and the apparent need for immediate capture against the risks to officers, innocent motorists and others.
(c) Apparent nature of the fleeing suspects (e.g., whether the suspects represent a serious threat to public safety).
(d) The identity of the suspects has been verified and there is comparatively minimal risk in allowing the suspects to be apprehended at a later time.
(e) Safety of the public in the area of the pursuit, including the type of area, time of day, the amount of vehicular and pedestrian traffic and the speed of the pursuit relative to these factors.
(f) Pursuing officers familiarity with the area of the pursuit, the quality of radio communications between the pursuing units and the dispatcher/supervisor and the driving capabilities of the pursuing officers under the conditions of the pursuit.
(g) Weather, traffic and road conditions that substantially increase the danger of the pursuit beyond the worth of apprehending the suspect.
(h) Performance capabilities of the vehicles used in the pursuit in relation to the speeds and other conditions of the pursuit.
(i) Vehicle speeds.
(j) Other persons in or on the pursued vehicle (e.g., passengers, co-offenders and hostages).
(k) Availability of other resources such as helicopter assistance.
(l) The police unit is carrying passengers other than police officers. Pursuits should not be undertaken with a prisoner in the police vehicle.

314.2.2 WHEN TO TERMINATE A PURSUIT
Pursuits should be discontinued whenever the totality of objective circumstances known or which reasonably ought to be known to the officer or supervisor during the pursuit indicates that the present risks of continuing the pursuit reasonably appear to outweigh the risks resulting from the suspect’s escape.

The factors listed in When to Initiate a Pursuit of this policy are expressly included herein and will apply equally to the decision to discontinue as well as the decision to initiate a pursuit. Officers and supervisors must objectively and continuously weigh the seriousness of the offense against the potential danger to innocent motorists and themselves when electing to continue a pursuit. In
Vehicle Pursuits

In the context of this policy, the term “terminate” shall be construed to mean discontinue or to stop chasing the fleeing vehicle.

In addition to the factors listed in When to Initiate a Pursuit of this policy, the following factors should also be considered in deciding whether to terminate a pursuit:

(a) Distance between the pursuing officers and the fleeing vehicle is so great that further pursuit would be futile or require the pursuit to continue for an unreasonable time and/or distance.

(b) Pursued vehicle’s location is no longer definitely known.

(c) Officer’s pursuit vehicle sustains any type of damage that renders it unsafe to drive.

(d) Extended pursuits of violators for misdemeanors not involving violence or risk of serious harm (independent of the pursuit) are discouraged.

(e) There are hazards to uninvolved bystanders or motorists.

(f) If the identity of the offender is known and it does not reasonably appear that the need for immediate capture outweighs the risks associated with continuing the pursuit, officers should strongly consider discontinuing the pursuit and apprehending the offender at a later time.

(g) Pursuit is terminated by a supervisor.

314.2.3 SPEED LIMITS

The speed of a pursuit is a factor that should be evaluated on a continuing basis by the officer and supervisor. Evaluation of vehicle speeds shall take into consideration public safety, officer safety and the safety of the occupants of the fleeing vehicle.

Should high vehicle speeds be reached during a pursuit, officers and supervisors shall also consider these factors when determining the reasonableness of the speed of the pursuit:

(a) Pursuit speeds have become unreasonably unsafe for the surrounding conditions.

(b) Pursuit speeds have exceeded the driving ability of the officer.

(c) Pursuit speeds are beyond the capabilities of the pursuit vehicle thus making its operation unsafe.

314.3 PURSUIT UNITS

Pursuit units should be limited to three vehicles (two units and a supervisor); however, the number of units involved will vary with the circumstances. An officer or supervisor may request additional units to join a pursuit if, after assessing the factors outlined above, it appears that the number of officers involved would be insufficient to safely arrest the suspects. All other officers should stay out of the pursuit, but should remain alert to its progress and location. Any officer who drops out of a pursuit may then, if necessary, proceed to the termination point at legal speeds, following the appropriate rules of the road.
314.3.1 MOTORCYCLE OFFICERS AND UNMARKED EMERGENCY VEHICLES
A distinctively marked patrol vehicle equipped with emergency overhead lighting should replace a police motorcycle or unmarked emergency vehicle as primary and/or secondary pursuit unit as soon as practical.

314.3.2 VEHICLES WITHOUT EMERGENCY EQUIPMENT
Vehicles not equipped with red light and siren are generally prohibited from initiating or joining in any pursuit. Officers in such vehicles, however, may become involved in emergency activities involving serious crimes or life threatening situations. Those officers should terminate their involvement in any pursuit immediately upon arrival of a sufficient number of emergency police vehicles or any police helicopter. The exemptions provided by Vehicle Code § 21055 do not apply to officers using vehicles without emergency equipment.

314.3.3 PRIMARY UNIT RESPONSIBILITIES
The initial pursuing unit will be designated as the primary pursuit unit and will be responsible for the conduct of the pursuit unless it is unable to remain reasonably close enough to the violator’s vehicle. The primary responsibility of the officer initiating the pursuit is the apprehension of the suspects without unreasonable danger to him/herself or other persons.

Notify the Communications Center that a vehicle pursuit has been initiated and as soon as practicable provide information including, but not limited to:

(a) Reason for the pursuit.
(b) Location and direction of travel.
(c) Speed of the fleeing vehicle.
(d) Description of the fleeing vehicle and license number, if known.
(e) Number of known occupants.
(f) The identity or description of the known occupants.
(g) Information concerning the use of firearms, threat of force, injuries, hostages or other unusual hazards.

Unless relieved by a supervisor or secondary unit, the officer in the primary unit shall be responsible for the broadcasting of the progress of the pursuit. Unless practical circumstances indicate otherwise, and in order to concentrate on pursuit driving, the primary officer should relinquish the responsibility of broadcasting the progress of the pursuit to a secondary unit or aircraft joining the pursuit.

314.3.4 SECONDARY UNITS RESPONSIBILITIES
The second officer in the pursuit is responsible for the following:

(a) The officer in the secondary unit should immediately notify the dispatcher of entry into the pursuit.
Vehicle Pursuits

(b) Remain a safe distance behind the primary unit unless directed to assume the role of primary officer, or if the primary unit is unable to continue the pursuit.

(c) The secondary officer should be responsible for broadcasting the progress of the pursuit unless the situation indicates otherwise.

314.3.5 PURSUIT DRIVING TACTICS
The decision to use specific driving tactics requires the same assessment of considerations outlined in the factors to be considered concerning pursuit initiation and termination. The following are tactics for units involved in the pursuit:

(a) Officers, considering their driving skills and vehicle performance capabilities, will space themselves from other involved vehicles such that they are able to see and avoid hazards or react safely to maneuvers by the fleeing vehicle.

(b) Because intersections can present increased risks, the following tactics should be considered:
   1. Available units not directly involved in the pursuit may proceed safely to controlled intersections ahead of the pursuit in an effort to warn cross traffic.
   2. Pursuing units should exercise due caution when proceeding through controlled intersections.

(c) As a general rule, officers should not pursue a vehicle driving left of center (wrong way) on a freeway. In the event that the pursued vehicle does so, the following tactics should be considered:
   1. Requesting assistance from an air unit.
   2. Maintaining visual contact with the pursued vehicle by paralleling it on the correct side of the roadway.
   3. Requesting other units to observe exits available to the suspects.

(d) Notifying the California Highway Patrol (CHP) and/or other jurisdictional agency if it appears that the pursuit may enter their jurisdiction.

(e) Officers involved in a pursuit should not attempt to pass other units unless the situation indicates otherwise or they are requested to do so by the primary unit.

314.3.6 TACTICS/PROCEDURES FOR UNITS NOT INVOLVED IN THE PURSUIT
There should be no paralleling of the pursuit route. Officers are authorized to use emergency equipment at intersections along the pursuit path to clear intersections of vehicular and pedestrian traffic to protect the public. Officers should remain in their assigned area and should not become involved with the pursuit unless directed otherwise by a supervisor.

Non-pursuing personnel needed at the termination of the pursuit should respond in a non-emergency manner, observing the rules of the road.
Vehicle Pursuits

The primary and secondary units should be the only units operating under emergency conditions (red light and siren) unless other units are assigned to the pursuit.

314.3.7 PURSUIT TRAILING
In the event the initiating unit from this agency either relinquishes control of the pursuit to another unit or jurisdiction, that initiating unit may, with permission of a supervisor, trail the pursuit to the termination point in order to provide necessary information and assistance for the arrest of the suspects.

The term trail means to follow the path of the pursuit at a safe speed while obeying all traffic laws and without activating emergency equipment. If the pursuit is at a slow rate of speed, the trailing unit will maintain sufficient distance from the pursuit units so as to clearly indicate an absence of participation in the pursuit.

314.3.8 AIRCRAFT ASSISTANCE
When available, aircraft assistance should be requested. Once the air unit has established visual contact with the pursued vehicle, it should assume control over the pursuit. The primary and secondary ground units should consider the participation of aircraft assistance when determining whether to continue the pursuit.

The air unit should coordinate the activities of resources on the ground, report progress of the pursuit and provide officers and supervisors with details of upcoming traffic congestion, road hazards, or other pertinent information to evaluate whether or not to continue the pursuit. If ground units are not within visual contact and the air unit determines that it is unsafe to continue the pursuit, the air unit should advise the field supervisor to determine whether or not to continue the pursuit.

314.4 SUPERVISORY CONTROL AND RESPONSIBILITY
It is the policy of this [department/office] that available supervisory and management control will be exercised over all vehicle pursuits involving officers from this [department/office].

The field supervisor of the officer initiating the pursuit, or if unavailable, the nearest field supervisor will be responsible for the following:

(a) Upon becoming aware of a pursuit, immediately ascertaining all reasonably available information to continuously assess the situation and risk factors associated with the pursuit in order to ensure that the pursuit is conducted within established [department/office] guidelines.

(b) Engaging in the pursuit, when appropriate, to provide on-scene supervision.

(c) Exercising management and control of the pursuit even if not engaged in it.

(d) Ensuring that no more than the number of required police units needed are involved in the pursuit under the guidelines set forth in this policy.
Vehicle Pursuits

(e) Directing that the pursuit be terminated if, in his/her judgment, it is unjustified to continue the pursuit under the guidelines of this policy.

(f) Ensuring that aircraft are requested if available.

(g) Ensuring that the proper radio channel is being used.

(h) Ensuring the notification and/or coordination of outside agencies if the pursuit either leaves or is likely to leave the jurisdiction of this agency.

(i) Controlling and managing BPD units when a pursuit enters another jurisdiction.

(j) Preparing post-pursuit critique and analysis of the pursuit for training purposes.

314.4.1 WATCH COMMANDER RESPONSIBILITY
Upon becoming aware that a pursuit has been initiated, the Watch Commander should monitor and continually assess the situation and ensure the pursuit is conducted within the guidelines and requirements of this policy. The Watch Commander has the final responsibility for the coordination, control and termination of a vehicle pursuit and shall be in overall command.

The Watch Commander shall review all pertinent reports for content and forward to the Division Commander.

314.5 COMMUNICATIONS
If the pursuit is confined within the City limits, radio communications will be conducted on the primary channel unless instructed otherwise by a supervisor or communications dispatcher. If the pursuit leaves the jurisdiction of this [department/office] or such is imminent, involved units should, whenever available, switch radio communications to an emergency channel most accessible by participating agencies and units.

314.5.1 COMMUNICATION CENTER RESPONSIBILITIES
Upon notification that a pursuit has been initiated, the Communications Center will:

(a) Coordinate pursuit communications of the involved units and personnel.

(b) Notify and coordinate with other involved or affected agencies as practicable.

(c) Ensure that a field supervisor is notified of the pursuit.

(d) Assign an incident number and log all pursuit activities.

(e) Broadcast pursuit updates as well as other pertinent information as necessary.

(f) Notify the Watch Commander as soon as practicable.

314.5.2 LOSS OF PURSUED VEHICLE
When the pursued vehicle is lost, the primary unit should broadcast pertinent information to assist other units in locating suspects. The primary unit will be responsible for coordinating any further search for either the pursued vehicle or suspects fleeing on foot.
314.6 INTER-JURISDICTIONAL CONSIDERATIONS
When a pursuit enters another agency's jurisdiction, the primary officer or supervisor, taking into consideration distance traveled, unfamiliarity with the area and other pertinent facts, should determine whether to request the other agency to assume the pursuit. Unless entry into another jurisdiction is expected to be brief, it is generally recommended that the primary officer or supervisor ensure that notification is provided to each outside jurisdiction into which the pursuit is reasonably expected to enter, regardless of whether such jurisdiction is expected to assist.

314.6.1 ASSUMPTION OF PURSUIT BY ANOTHER AGENCY
Units originally involved will discontinue the pursuit when advised that another agency has assumed the pursuit and assistance of the Brawley Police Department is no longer needed. Upon discontinuing the pursuit, the primary unit may proceed upon request, with or at the direction of a supervisor, to the termination point to assist in the investigation.

The role and responsibilities of officers at the termination of a pursuit initiated by this [department/office] shall be coordinated with appropriate consideration of the units from the agency assuming the pursuit.

Notification of a pursuit in progress should not be construed as a request to join the pursuit. Requests to or from another agency to assume a pursuit should be specific. Because of communication limitations between local agencies and CHP units, a request for CHP assistance will mean that they will assume responsibilities for the pursuit. For the same reasons, when a pursuit leaves the freeway and a request for assistance is made to this [department/office], the CHP should relinquish control.

314.6.2 PURSUITS EXTENDING INTO THIS JURISDICTION
The agency that initiates a pursuit shall be responsible for conducting the pursuit. Units from this [department/office] should not join a pursuit unless specifically requested to do so by the agency whose officers are in pursuit. The exception to this is when a single unit from the initiating agency is in pursuit. Under this circumstance, a unit from this [department/office] may join the pursuit until sufficient units from the initiating agency join the pursuit.

When a request is made for this [department/office] to assist or take over a pursuit from another agency that has entered this jurisdiction, the supervisor should consider these additional following factors:

(a) Ability to maintain the pursuit
(b) Circumstances serious enough to continue the pursuit
(c) Adequate staffing to continue the pursuit
(d) The public's safety within this jurisdiction
(e) Safety of the pursuing officers
Vehicle Pursuits

As soon as practicable, a supervisor or the Watch Commander should review a request for assistance from another agency. The Watch Commander or supervisor, after consideration of the above factors, may decline to assist in, or assume the other agency’s pursuit.

Assistance to a pursuing allied agency by officers of this department will terminate at the City limits provided that the pursuing officers have sufficient assistance from other sources. Ongoing participation from this department may continue only until sufficient assistance is present.

In the event that a pursuit from another agency terminates within this jurisdiction, officers shall provide appropriate assistance to officers from the allied agency including, but not limited to, scene control, coordination and completion of supplemental reports and any other assistance requested or needed.

314.7 PURSUIT INTERVENTION

Pursuit intervention is an attempt to terminate the ability of a suspect to continue to flee in a motor vehicle through tactical application of technology, road spikes, blocking, boxing, PIT (Pursuit Intervention Technique), ramming or roadblock procedures. In this context, ramming shall be construed to mean maneuvering the police unit into contact with the pursued vehicle to mechanically disable or forcibly position it such that further flight is not possible or practicable.

314.7.1 WHEN USE IS AUTHORIZED

Use of pursuit intervention tactics should be employed only after approval of a supervisor. In deciding whether to use intervention tactics, officers/supervisors should balance the risks of allowing the pursuit to continue with the potential hazards arising from the use of each tactic to the public, the officers and persons in or on the pursued vehicle. With these risks in mind, the decision to use any intervention tactic should be reasonable in light of the circumstances confronting the officer at the time of the decision.

It is imperative that officers act within the bounds of legality, good judgment and accepted practices.

314.7.2 DEFINITIONS

Blocking or vehicle intercept - A slow-speed coordinated maneuver where two or more patrol vehicles simultaneously intercept and block the movement of a suspect vehicle, the driver of which may be unaware of the impending enforcement stop, with the goal of containment and preventing a pursuit. Blocking is not a moving or stationary road block.

Boxing-in - A tactic designed to stop a violator’s vehicle by surrounding it with law enforcement vehicles and then slowing all vehicles to a stop.

Pursuit Intervention Technique (PIT) - A low-speed maneuver designed to cause the suspect vehicle to spin out and terminate the pursuit.
Vehicle Pursuits

**Ramming** - The deliberate act of impacting a violator’s vehicle with another vehicle to functionally damage or otherwise force the violator’s vehicle to stop.

**Roadblocks** - A tactic designed to stop a violator’s vehicle by intentionally placing an emergency vehicle or other immovable object in the path of the violator’s vehicle.

**Spikes or tack strips** - A device that extends across the roadway designed to puncture the tires of the pursued vehicle.

314.7.3 USE OF FIREARMS
The use of firearms to disable a pursued vehicle is not generally an effective tactic and involves all the dangers associated with discharging firearms. Officers should not utilize firearms during an ongoing pursuit unless the conditions and circumstances dictate that such use reasonably appears necessary to protect life. Nothing in this section shall be construed to prohibit any officer from using a firearm to stop a suspect from using a vehicle as a deadly weapon.

314.7.4 INTERVENTION STANDARDS
Any pursuit intervention tactic, depending upon the conditions and circumstances under which it is used, may present dangers to the officers, the public or anyone in or on the vehicle being pursued. Certain applications of intervention tactics may be construed to be a use of deadly force and subject to the requirements for such use. Officers shall consider these facts and requirements prior to deciding how, when, where and if an intervention tactic should be employed.

(a) Blocking or vehicle intercept should only be considered in cases involving felony suspects or impaired drivers who pose a threat to public safety when officers reasonably believe that attempting a conventional enforcement stop will likely result in the driver attempting to flee in the vehicle. Because of the potential risks involved, this technique should only be employed by officers who have received training in such tactics after giving consideration to the following:

1. The need to immediately stop the suspect vehicle or prevent it from leaving substantially outweighs the risks of injury or death to occupants of the suspect vehicle, officers, or other members of the public.
2. All other reasonable intervention techniques have failed or reasonably appear ineffective.
3. Employing the blocking maneuver does not unreasonably increase the risk to officer safety.
4. The target vehicle is stopped or traveling at a low speed.
5. At no time should civilian vehicles be used to deploy this technique.

(b) Only those officers trained in the use of the Pursuit Intervention Technique (PIT) will be authorized to use this procedure and only then with approval of a supervisor upon consideration of the circumstances and conditions presented at the time, including the potential for risk of injury to officers, the public and occupants of the pursued vehicle.
Vehicle Pursuits

(c) Ramming a fleeing vehicle should be done only after other reasonable tactical means at the officer’s disposal have been exhausted. This tactic should be reserved for situations where there does not appear to be another reasonable alternative method. This policy is an administrative guide to direct officers in their decision-making process before ramming another vehicle. When ramming is used as a means to stop a fleeing vehicle, one or more of the following factors should be present:

1. The suspect is an actual or suspected felon who reasonably appears to represent a serious threat to the public if not apprehended.

2. The suspect is driving with willful or wanton disregard for the safety of other persons or is driving in a reckless and life-endangering manner.

3. If there does not reasonably appear to be a present or immediately foreseeable serious threat to the public, the use of ramming is not authorized.

(d) As with all intervention techniques, pursuing officers should obtain supervisor approval before attempting to box a suspect vehicle during a pursuit. The use of such a technique must be carefully coordinated with all involved units, taking into consideration the circumstances and conditions presented at the time as well as the potential risk of injury to officers, the public and occupants of the pursued vehicle.

(e) The use of spike strips should be approved in advance by a supervisor and deployed only when it is reasonably certain that only the pursued vehicle will be affected by their use. Officers should carefully consider the limitations of such devices as well as the potential risks to officers, the public and occupants of the pursued vehicle. If the pursued vehicle is a motorcycle, a vehicle transporting hazardous materials, or a school bus transporting children, officers and supervisors should weigh the potential consequences against the need to immediately stop the vehicle.

(f) Because roadblocks involve a potential for serious injury or death to occupants of the pursued vehicle if the suspect does not stop, the intentional placement of roadblocks in the direct path of a pursued vehicle is generally discouraged and should not be deployed without prior approval of a supervisor and only then under extraordinary conditions when all other reasonable intervention techniques have failed or reasonably appear ineffective and the need to immediately stop the pursued vehicle substantially outweighs the risks of injury or death to occupants of the pursued vehicle, officers or other members of the public.

314.7.5 CAPTURE OF SUSPECTS
Proper self-discipline and sound professional judgment are the keys to a successful conclusion of a pursuit and apprehension of evading suspects. Officers shall use only that amount of force, which reasonably appears necessary under the circumstances, to properly perform their lawful duties.
Vehicle Pursuits

Unless relieved by a supervisor, the primary officer should coordinate efforts to apprehend the suspects following the pursuit. Officers should consider safety of the public and the involved officers when formulating plans to contain and capture the suspects.

314.8 REPORTING REQUIREMENTS
The following reports should be completed upon conclusion of all pursuits:

(a) The primary officer should complete appropriate crime/arrest reports.

(b) The Watch Commander shall ensure that an Allied Agency Vehicle Pursuit Report (form CHP 187A) is filed with the CHP not later than 30 days following the pursuit (Vehicle Code § 14602.1). The primary officer should complete as much of the required information on the form as is known and forward the report to the Watch Commander for review and distribution.

(c) After first obtaining the available information, a field supervisor shall promptly complete a Watch Commander's Log, briefly summarizing the pursuit, and submit it to his/her Division Commander. This log should minimally contain the following information:

1. Date and time of pursuit
2. Length of pursuit
3. Involved units and officers
4. Initial reason for pursuit
5. Starting and termination points
6. Disposition (arrest, citation), including arrestee information if applicable
7. Injuries and/or property damage
8. Medical treatment
9. Name of supervisor at scene
10. A preliminary determination whether the pursuit appears to be in compliance with this policy and whether additional review or follow-up is warranted

314.8.1 REGULAR AND PERIODIC PURSUIT TRAINING
In addition to initial and supplementary Police Officer Standard Training (POST) training on pursuits required by Penal Code § 13519.8, all sworn members of this [department/office] will participate no less than annually in regular and periodic [department/office] training addressing this policy and the importance of vehicle safety and protecting the public at all times, including a recognition of the need to balance the known offense and the need for immediate capture against the risks to officers and others (Vehicle Code § 17004.7(d)).
Vehicle Pursuits

314.8.2 POLICY REVIEW
Each sworn member of this [department/office] shall certify in writing that they have received, read and understand this policy initially and upon any amendments. The POST attestation form, or an equivalent form, may be used to document the compliance and should be retained in the member’s training file.

314.9 APPLICATION OF VEHICLE PURSUIT POLICY
This policy is expressly written and adopted pursuant to the provisions of Vehicle Code § 17004.7, with additional input from the POST Vehicle Pursuit Guidelines.
Officer Response to Calls

316.1 PURPOSE AND SCOPE
This policy provides for the safe and appropriate response to emergency and non-emergency situations whether dispatched or self-initiated.

316.2 RESPONSE TO CALLS
Officers dispatched "Code-3" shall consider the call an emergency response and proceed immediately. Officers responding Code-3 shall continuously operate emergency lighting equipment, including at minimum a steady forward facing red light, and shall sound the siren as reasonably necessary pursuant to Vehicle Code § 21055.

Responding with emergency light(s) and siren does not relieve the officer of the duty to continue to drive with due regard for the safety of all persons. The use of any other warning equipment without a red light and siren does not provide any exemption from the Vehicle Code.

Officers should only respond Code-3 when so dispatched or when circumstances reasonably indicate an emergency response is required. Officers not authorized to respond Code-3 shall observe all traffic laws and proceed without the use of emergency lights and siren.

316.3 REQUESTING EMERGENCY ASSISTANCE
Requests for emergency assistance should be limited to those situations where the involved personnel reasonably believe that there is an immediate threat to the safety of officers, or assistance is needed to prevent imminent serious harm to a citizen. In any event, where a situation has stabilized and emergency response is not required, the requesting officer shall immediately notify the Communications Center.

If circumstances permit, the requesting officer should give the following information:

- The unit number
- The location
- The reason for the request and type of emergency
- The number of units required

316.3.1 NUMBER OF UNITS ASSIGNED
Normally, only one unit should respond to an emergency call Code-3 unless the Watch Commander or the field supervisor authorizes an additional unit(s).

316.4 INITIATING CODE 3 RESPONSE
If an officer believes a Code-3 response to any call is appropriate, the officer shall immediately notify the Communications Center. Generally, only one unit should respond Code-3 to any situation. Should another officer believe a Code-3 response is appropriate, the Communications
Center shall be notified and the Watch Commander or field supervisor will make a determination as to whether one or more officers driving Code-3 is appropriate.

316.5 RESPONSIBILITIES OF RESPONDING OFFICERS
Officers shall exercise sound judgment and care with due regard for life and property when responding to an emergency call. Officers shall reduce speed at all street intersections to such a degree that they shall have complete control of the vehicle.

The decision to continue a Code-3 response is at the discretion of the officer. If, in the officer’s judgment, the roadway conditions or traffic congestion does not permit such a response without unreasonable risk, the officer may elect to respond to the call without the use of red lights and siren at the legal speed limit. In such an event, the officer should immediately notify the Communications Center. An officer shall also discontinue the Code-3 response when directed by a supervisor.

Upon receiving authorization or determining a Code-3 response is appropriate, an officer shall immediately give the location from which he/she is responding.

316.6 COMMUNICATIONS RESPONSIBILITIES
A dispatcher may assign a Code-3 response when an officer requests emergency assistance or available information reasonably indicates that the public is threatened with serious injury or death and immediate police response is needed. In all other circumstances, the dispatcher shall obtain authorization from the Watch Commander or a field supervisor prior to assigning units Code-3. The dispatcher shall:

(a) Attempt to assign the closest available unit to the location requiring assistance
(b) Immediately notify the Watch Commander
(c) Confirm the location from which the unit is responding
(d) Notify and coordinate allied emergency services (e.g., fire and ambulance)
(e) Continue to obtain and broadcast information as necessary concerning the response and monitor the situation until it is stabilized or terminated
(f) Control all radio communications during the emergency and coordinate assistance under the direction of the Watch Commander or field supervisor

316.7 SUPERVISORY RESPONSIBILITIES
Upon being notified that a Code-3 response has been initiated, the Watch Commander or the field supervisor shall verify the following:

(a) The proper response has been initiated
(b) No more than those units reasonably necessary under the circumstances are involved in the response

(c) Affected outside jurisdictions are being notified as practical

The field supervisor shall monitor the response until it has been stabilized or terminated and assert control by directing units into or out of the response if necessary. If, in the supervisor's judgment, the circumstances require additional units to be assigned a Code-3 response, the supervisor may do so.

It is the supervisor's responsibility to terminate a Code-3 response that, in his/her judgment is inappropriate due to the circumstances.

When making the decision to authorize a Code-3 response, the Watch Commander or the field supervisor should consider the following:

- The type of call
- The necessity of a timely response
- Traffic and roadway conditions
- The location of the responding units

### 316.8 FAILURE OF EMERGENCY EQUIPMENT

If the emergency equipment on the vehicle should fail to operate, the officer must terminate the Code-3 response and respond accordingly. In all cases, the officer shall notify the Watch Commander, field supervisor, or the Communications Center of the equipment failure so that another unit may be assigned to the emergency response.
Canines

318.1 PURPOSE AND SCOPE
This policy establishes guidelines for the use of canines to augment police services in the community, including but not limited to locating individuals and contraband and apprehending criminal offenders.

318.2 POLICY
It is the policy of the Brawley Police Department that teams of handlers and Police Service Dogs meet and maintain the appropriate proficiency to effectively and reasonably carry out legitimate law enforcement objectives.

318.3 ASSIGNMENT
Canine teams should be assigned to assist and supplement the Operations Division to function primarily in assist or cover assignments. However, they may be assigned by the Watch Commander to other functions, such as routine calls for service, based on the current operational needs.

Canine teams should generally not be assigned to handle routine matters that will take them out of service for extended periods of time. If such assignment is necessary, it should only be made with the approval of the Watch Commander.

318.4 CANINE COORDINATOR
The canine coordinator shall be appointed by and directly responsible to the Operations Division or the authorized designee.

The responsibilities of the coordinator include but are not limited to:

(a) Reviewing all canine use reports to ensure compliance with policy and to identify training issues and other needs of the program.
(b) Maintaining a liaison with the vendor kennel.
(c) Maintaining a liaison with command staff and functional supervisors.
(d) Maintaining a liaison with other agency canine coordinators.
(e) Maintaining accurate records to document canine activities.
(f) Recommending and overseeing the procurement of equipment and services for the teams of handlers and canines.
(g) Scheduling all canine-related activities.
(h) Ensuring the canine teams are scheduled for regular training to maximize their capabilities.
Canines

318.4.1 CANINE UNIT SERGEANT
The Canine Unit Sergeant will coordinate the Canine Unit. He/she will be subordinate and responsible to the Operations Commander on all issues involving the Canine Unit. The Canine Unit Sergeant assumes the duties and responsibilities of the assignment in addition to his/her assigned duties as a police supervisor. The responsibilities of the Canine Unit Sergeant include, but are not limited to:

(a) Staying current on police service dog related issues.
(b) Making recommendations for officers wanting to enter the Canine Unit.
(c) Maintaining and scheduling training programs that are consistent, beneficial, and well documented. The Canine Unit Sergeant is responsible for the evaluation and performance of the Canine Unit.
(d) Maintaining liaison with the vendor kennel.
(e) Maintaining accurate records and statistics to document police service dog activities in coordination with the Training Section, preparing an annual budget, and submitting reports as required.
(f) Reviewing all police service dog use reports to ensure compliance with policy and to identify training issues and other needs of the program.
(g) Maintaining liaison with command staff and functional supervisors.
(h) Maintaining liaison with other agency police service dog coordinators and supervisors.
(i) Scheduling public appearances and demonstrations.
(j) Act as a liaison officer to the public regarding Canine Unit Information.

318.4.2 CANINE UNIT TRAINER
The canine unit trainer is a person who is recognized by the Brawley Police Department as an experienced assistant trainer, trainer, or master trainer. He/she can be selected from within the ranks of the Brawley Police Department or from outside the agency. He/she is under the direct supervision of the Operations Commander. The trainer is responsible for maintaining the weekly training program and insuring the canine team minimally meets performance standards set forth by California Peace Officers Standards and Training (POST) and the Brawley Police Department.

318.4.3 CANINE HANDLER
Canine officers are required to be capable of performing all duties of a patrol officer with the added responsibility of working a police service dog. This is commonly referred to as a canine team.

318.5 REQUESTS FOR CANINE TEAMS
Operations Division members are encouraged to request the use of a Police Service Dog. Requests for a canine team from [department/office] units outside of the Operations Division shall be reviewed by the Canine Sergeant or Watch Commander.
318.5.1 OUTSIDE AGENCY REQUEST
The Canine Unit will assist other law enforcement agencies when resources permit and the nature of the request falls within the capabilities of the canine teams. Canine teams are allowed to self-deploy to assist other agencies with approval of the Canine Unit Sergeant or Operations Commander. Canine handlers shall notify the Watch Commander when responding to these requests. All requests from outside agencies are subject to the following:

(a) Canine teams shall not be used for any assignment that is not consistent with this policy.
(b) The canine handler shall have the authority to decline a request for any specific assignment that he/she deems unsuitable.
(c) Calling out off-duty canine teams is discouraged.
(d) It shall be the responsibility of the canine handler to coordinate operations with agency personnel in order to minimize the risk of unintended injury.
(e) It shall be the responsibility of the canine handler to complete all necessary reports or as directed.

318.5.2 PUBLIC DEMONSTRATION
All public requests for a canine team shall be reviewed and, if appropriate, approved by the canine coordinator prior to making any resource commitment. The canine coordinator is responsible for obtaining resources and coordinating involvement in the demonstration to include proper safety protocols. Canine handlers shall not demonstrate any apprehension work unless authorized to do so by the canine coordinator.

318.6 APPREHENSION GUIDELINES
A canine may be used to locate and apprehend a suspect if the canine handler reasonably believes that the individual has committed, is committing, or is threatening to commit any serious offense and if any of the following conditions exist:

(a) There is a reasonable belief the suspect poses an imminent threat of violence or serious harm to the public, any officer, or the handler.
(b) The suspect is physically resisting or threatening to resist arrest and the use of a canine reasonably appears to be necessary to overcome such resistance.
(c) The suspect is believed to be concealed in an area where entry by other than the canine would pose a threat to the safety of officers or the public.

It is recognized that situations may arise that do not fall within the provisions set forth in this policy. Such events require consideration of the totality of the circumstances and the use of an objective reasonableness standard applied to the decision to use a canine.

Absent a reasonable belief that a suspect has committed, is committing, or is threatening to commit a serious offense, mere flight from a pursuing officer, without any of the above conditions, shall not serve as the basis for the use of a canine to apprehend a suspect.
Use of a canine to locate and apprehend a suspect wanted for a lesser criminal offense than those identified above requires approval from the Watch Commander. Absent a change in circumstances that presents an imminent threat to officers, the canine or the public, such canine use should be conducted on-leash or under conditions that minimize the likelihood the canine will bite or otherwise injure the individual.

In all applications, once the suspect has been located and no longer reasonably appears to present a threat or risk of escape, the handler should secure the canine as soon as it becomes reasonably practicable.

If the canine has apprehended the suspect with a secure bite, and the handler believes that the suspect no longer poses a threat, the handler should promptly command the canine to release the suspect.

318.6.1 PREPARATION FOR DEPLOYMENT
Prior to the use of a canine to search for or apprehend any suspect, the canine handler and/or the supervisor on-scene should carefully consider all pertinent information reasonably available at the time. The information should include but is not limited to:

(a) The nature and seriousness of the suspected offense.
(b) Whether violence or weapons were used or are anticipated.
(c) The degree of resistance or threatened resistance, if any, the suspect has shown.
(d) The suspect’s known or perceived age.
(e) The potential for injury to officers or the public caused by the suspect if the canine is not utilized.
(f) Any potential danger to the public and/or other officers at the scene if the canine is released.
(g) The potential for the suspect to escape or flee if the canine is not utilized.

As circumstances permit, the canine handler should make every reasonable effort to communicate and coordinate with other involved members to minimize the risk of unintended injury.

It is the canine handler’s responsibility to evaluate each situation and determine whether the use of a canine is appropriate and reasonable. The canine handler shall have the authority to decline the use of the canine whenever he/she deems deployment is unsuitable.

A supervisor who is sufficiently apprised of the situation may prohibit deploying the canine.

Unless otherwise directed by a supervisor, assisting members should take direction from the handler in order to minimize interference with the canine.

318.6.2 WARNINGS AND ANNOUNCEMENTS
Unless it would increase the risk of injury or escape, a clearly audible warning announcing that a Police Service Dog will be used if the suspect does not surrender should be made prior to releasing a Police Service Dog. The canine handler should allow a reasonable time for a suspect
Canines

to surrender and should quiet the Police Service Dog momentarily to listen for any verbal response to the warning. If feasible, other officers should be in a location opposite the warning to verify that the announcement could be heard. If available, warnings given in other languages should be used as necessary.

If a warning is not to be given, the canine handler, when practicable, should first advise the supervisor of his/her decision before releasing the Police Service Dog. In the event of an apprehension, the canine handler shall document in any related report how the warning was given and, if none was given, the reasons why.

318.6.3 REPORTING DEPLOYMENTS, BITES, AND INJURIES
Handlers should document canine deployments in a canine use report. Whenever a canine deployment results in a bite or causes injury to an intended suspect, a supervisor should be promptly notified and the injuries documented in the canine use report. The injured person shall be promptly treated by Emergency Medical Services personnel and, if appropriate, transported to an appropriate medical facility for further treatment. The deployment and injuries should also be included in any related incident or arrest report.

Any unintended bite or injury caused by a canine, whether on- or off-duty, shall be promptly reported to the canine coordinator. Unintended bites or injuries caused by a canine should be documented in an administrative report, not in a canine use report.

If an individual alleges an injury, either visible or not visible, a supervisor shall be notified and both the individual’s injured and uninjured areas shall be photographed as soon as practicable after first tending to the immediate needs of the injured party. Photographs shall be retained as evidence in accordance with current [department/office] evidence procedures. The photographs shall be retained until the criminal proceeding is completed and the time for any related civil proceeding has expired.

Canines used by law enforcement agencies are generally exempt from impoundment and reporting requirements. However, the canine shall be made available for examination at any reasonable time if requested by the local health department. The canine handler shall also notify the local health department if the canine exhibits any abnormal behavior after a bite (Health and Safety Code § 121685).

318.7 NON-APPREHENSION GUIDELINES
Properly trained canines may be used to track or search for non-criminals (e.g., lost children, individuals who may be disoriented or in need of medical attention). The canine handler is responsible for determining the canine’s suitability for such assignments based on the conditions and the particular abilities of the canine. When the canine is deployed in a search or other non-apprehension operation, the following guidelines apply:

(a) Absent a change in circumstances that presents an imminent threat to officers, the canine, or the public, such applications should be conducted on-leash or under conditions that minimize the likelihood the canine will bite or otherwise injure the individual, if located.
(b) Unless otherwise directed by a supervisor, assisting members should take direction from the handler in order to minimize interference with the canine.

(c) Throughout the deployment, the handler should periodically give verbal assurances that the canine will not bite or hurt the individual and encourage the individual to make him/herself known.

(d) Once the individual has been located, the handler should place the canine in a down-stay or otherwise secure it as soon as reasonably practicable.

318.7.1 ARTICLE DETECTION
A Police Service Dog trained to find objects or property related to a person or crime may be used to locate or identify articles. All article searches should be conducted in a manner that minimizes the likelihood of unintended bites or injuries.

318.7.2 NARCOTICS DETECTION
A canine trained in narcotics detection may be used in accordance with current law and under certain circumstances, including:

(a) The search of vehicles, buildings, bags, and other articles.

(b) Assisting in the search for narcotics during a search warrant service.

(c) Obtaining a search warrant by using the narcotics-detection trained canine in support of probable cause.

A narcotics-detection trained canine will not be used to search a person for narcotics unless the canine is trained to passively indicate the presence of narcotics.

318.7.3 BOMB/EXPLOSIVE DETECTION
Because of the high risk of danger to the public and officers when a bomb or other explosive device is suspected, the use of a canine team trained in explosive detection may be considered. When available, an explosive-detection canine team may be used in accordance with current law and under certain circumstances, including:

(a) Assisting in the search of a building, structure, area, vehicle, or article where an actual or suspected explosive device has been reported or located.

(b) Assisting with searches at transportation facilities and vehicles (e.g., buses, airplanes, trains).

(c) Preventive searches at special events, VIP visits, official buildings, and other restricted areas. Searches of individuals should remain minimally intrusive and shall be strictly limited to the purpose of detecting explosives.

(d) Assisting in the search of scenes where an explosion has occurred and an explosive device or secondary explosive device is suspected.

At no time will an explosive-detection trained canine be used to render a suspected device safe or clear.
318.8 HANDLER SELECTION
The minimum qualifications for the assignment of canine handler include:

(a) An officer who is currently off probation.
(b) Residing in an adequately fenced single-family residence (minimum 5-foot-high fence with locking gates).
(c) A garage that can be secured and can accommodate a canine vehicle.
(d) Living within 30 minutes travel time from the Brawley City limits.
(e) Agreeing to be assigned to the position for a minimum of three years.

318.9 HANDLER RESPONSIBILITIES
The canine handler shall ultimately be responsible for the health and welfare of the canine and shall ensure that the canine receives proper nutrition, grooming, training, medical care, affection, and living conditions.

The canine handler will be responsible for the following:

(a) Except as required during appropriate deployment, the handler shall not expose the canine to any foreseeable and unreasonable risk of harm.
(b) The handler shall maintain all [department/office] equipment under his/her control in a clean and serviceable condition.
(c) When not in service, the handler shall maintain the canine vehicle in a locked garage, away from public view.
(d) When a handler is off-duty for an extended number of days, the assigned canine vehicle should be stored at the Brawley Police Department facility.
(e) Handlers shall permit the canine coordinator to conduct spontaneous on-site inspections of affected areas of their homes as well as their canine vehicles to verify that conditions and equipment conform to this policy.
(f) Any changes in the living status of the handler that may affect the lodging or environment of the canine shall be reported to the canine coordinator as soon as possible.
(g) When off-duty, the canine shall be in a kennel provided by the City at the home of the handler. When a canine is kenneled at the handler’s home, the gate shall be secured with a lock. When off-duty, the canine may be let out of the kennel while under the direct control of the handler.
(h) The canine should be permitted to socialize in the home with the handler’s family for short periods of time and under the direct supervision of the handler.
(i) Under no circumstances will the canine be lodged at another location unless approved by the canine coordinator or Watch Commander.
(j) When off-duty, the handler shall not involve the canine in any law enforcement activity or official conduct unless approved in advance by the canine coordinator or Watch Commander.
Canines

(k) Whenever a canine handler is off-duty for an extended number of days, it may be necessary to temporarily relocate the canine. In those situations, the handler shall give reasonable notice to the canine coordinator so that appropriate arrangements can be made.

318.9.1 CANINE IN PUBLIC AREAS
The canine should be kept on a leash when in areas that allow access to the public. Exceptions to this rule would include specific law enforcement operations for which the canine is trained.

(a) A canine shall not be left unattended in any area to which the public may have access.

(b) When the canine vehicle is left unattended, all windows and doors shall be secured in such a manner as to prevent unauthorized access to the canine. The handler shall also ensure that the unattended vehicle remains inhabitable for the canine.

318.10 HANDLER COMPENSATION
The canine handler shall be available for call-out under conditions specified by the canine coordinator.

The canine handler shall be compensated for time spent in the care, feeding, grooming, and other needs of the canine in accordance with the Fair Labor Standards Act (FLSA), and according to the terms of the collective bargaining agreement (29 USC § 207).

318.11 POLICE SERVICE DOG INJURY AND MEDICAL CARE
In the event that a Police Service Dog is injured, or there is an indication the Police Service Dog is not in good physical condition, the injury or condition will be reported to the Canine Unit Sergeant or Operations Commander as soon as practicable and appropriately documented.

All medical attention shall be rendered by the designated Police Service Dog veterinarian, except during an emergency where treatment should be obtained from the nearest available veterinarian. All records of medical treatment shall be maintained in the Police Service Dog’s personnel file.

318.12 TRAINING
Before assignment in the field, each canine team shall be trained and certified to meet current POST guidelines or other recognized and approved certification standards. Cross-trained canine teams or those canine teams trained exclusively for the detection of narcotics and/or explosives also shall be trained and certified by the California Narcotic Canine Association (CNCA) or other recognized and approved certification standards established for their particular skills.

The canine coordinator shall be responsible for scheduling periodic training for all [department/office] members in order to familiarize them with how to conduct themselves in the presence of [department/office] canines. Because canines may be exposed to dangerous substances such as opioids, as resources are available, the canine coordinator should also schedule periodic training for the canine handlers about the risks of exposure and treatment for it.

All canine training shall be conducted while on-duty unless otherwise approved by the canine coordinator or Watch Commander.
Canines

318.12.1 CONTINUED TRAINING
Each canine team shall thereafter be recertified to a current POST, CNCA, or other recognized and approved certification standards on an annual basis. Additional training considerations are as follows:

(a) Canine teams should receive training as defined in the current contract with the Brawley Police Department canine training provider.

(b) Canine handlers are encouraged to engage in additional training with approval of the canine coordinator.

(c) To ensure that all training is consistent, no handler, trainer, or outside vendor is authorized to train to a standard that is not reviewed and approved by the [Department/Office].

318.12.2 FAILURE TO SUCCESSFULLY COMPLETE TRAINING
Any canine team failing to graduate or obtain certification shall not be deployed in the field for tasks the team is not certified to perform until graduation or certification is achieved. When reasonably practicable, pending successful certification, the canine handler shall be temporarily reassigned to regular patrol duties.

318.12.3 TRAINING RECORDS
All canine training records shall be maintained in the canine handler's and the canine's training file and documented in the Brawley Police Department electronic training database.

318.12.4 TRAINING AIDS
Training aids are required to effectively train and maintain the skills of canines. Officers possessing, using or transporting controlled substances or explosives for canine training purposes must comply with federal and state requirements. Alternatively, the Brawley Police Department may work with outside trainers with the applicable licenses or permits.

318.12.5 CONTROLLED SUBSTANCE TRAINING AIDS
Officers acting in the performance of their official duties may possess or transfer controlled substances for the purpose of narcotics-detection canine training in compliance with state and federal laws (Health & Safety Code § 11367.5; 21 USC § 823(f)).

The Chief of Police or the authorized designee may authorize a member to seek a court order to allow controlled substances seized by the Brawley Police Department to be possessed by the member or a narcotics-detection canine trainer who is working under the direction of this [department/office] for training purposes, provided the controlled substances are no longer needed as criminal evidence.

As an alternative, the Chief of Police or the authorized designee may request narcotics training aids from the Drug Enforcement Administration (DEA).

These procedures are not required if the canine handler uses commercially available synthetic substances that are not controlled narcotics.
318.12.6 CONTROLLED SUBSTANCE PROCEDURES
Due to the responsibilities and liabilities involved with possessing readily usable amounts of controlled substances and the ever-present danger of the canine’s accidental ingestion of these controlled substances, the following procedures shall be strictly followed:

(a) All controlled substance training samples shall be weighed and tested prior to dispensing to the individual canine handler or trainer.

(b) The weight and test results shall be recorded and maintained by this [department/office].

(c) Any person possessing controlled substance training samples pursuant to court order or DEA registration shall maintain custody and control of the controlled substances and shall keep records regarding any loss of, or damage to, those controlled substances.

(d) All controlled substance training samples will be inspected, weighed, and tested quarterly. The results of the quarterly testing shall be recorded and maintained by the canine coordinator with a copy forwarded to the dispensing agency.

(e) All controlled substance training samples will be stored in locked, airtight, and watertight cases at all times, except during training. The locked cases shall be secured in the trunk of the canine handler’s assigned patrol vehicle during transport and stored in an appropriate locked container. There are no exceptions to this procedure.

(f) The canine coordinator shall periodically inspect every controlled substance training sample for damage or tampering and take any appropriate action.

(g) Any unusable controlled substance training samples shall be returned to the Property and Evidence Office or to the dispensing agency.

(h) All controlled substance training samples shall be returned to the dispensing agency upon the conclusion of the training or upon demand by the dispensing agency.

318.12.7 EXPLOSIVE TRAINING AIDS
Officers may possess, transport, store, or use explosives or destructive devices in compliance with state and federal laws (Penal Code § 18800; 18 USC § 842; 27 CFR 555.41).

Explosive training aids designed specifically for canine teams should be used whenever feasible. Due to the safety concerns in the handling and transportation of explosives, inert or non-hazardous training aids should be employed whenever feasible. The use of explosives or destructive devices for training aids by canine teams is subject to the following:

(a) All explosive training aids, when not in use, shall be properly stored in a secure facility appropriate for the type of materials.

(b) An inventory ledger shall be maintained to document the type and quantity of explosive training aids that are stored.

(c) The canine coordinator shall be responsible for verifying the explosive training aids on hand against the inventory ledger once each quarter.

(d) Only members of the canine team shall have access to the explosive training aids storage facility.
Canines

(e) A primary and secondary custodian will be designated to minimize the possibility of loss of explosive training aids during and after the training. Generally, the handler will be designated as the primary custodian while the trainer or authorized second person on-scene will be designated as the secondary custodian.

(f) Any lost or damaged explosive training aids shall be promptly reported to the canine coordinator, who will determine if any further action will be necessary. Any loss of explosives will be reported to the Bureau of Alcohol, Tobacco, Firearms and Explosives (ATF).
Domestic Violence

320.1 PURPOSE AND SCOPE
The purpose of this policy is to provide the guidelines necessary to deter, prevent and reduce domestic violence through vigorous enforcement and to address domestic violence as a serious crime against society. The policy specifically addresses the commitment of this [department/office] to take enforcement action when appropriate, to provide assistance to victims and to guide officers in the investigation of domestic violence.

320.1.1 DEFINITIONS
Definitions related to this policy include:

Court order - All forms of orders related to domestic violence that have been issued by a court of this state or another, whether civil or criminal, regardless of whether service has been made.

320.2 POLICY
The Brawley Police Department’s response to incidents of domestic violence and violations of related court orders shall stress enforcement of the law to protect the victim and shall communicate the philosophy that domestic violence is criminal behavior. It is also the policy of this [department/office] to facilitate victims’ and offenders’ access to appropriate civil remedies and community resources whenever feasible.

320.3 OFFICER SAFETY
The investigation of domestic violence cases often places officers in emotionally charged and sometimes highly dangerous environments. No provision of this policy is intended to supersede the responsibility of all officers to exercise due caution and reasonable care in providing for the safety of any officers and parties involved.

320.4 INVESTIGATIONS
The following guidelines should be followed by officers when investigating domestic violence cases:

(a) Calls of reported, threatened, imminent or ongoing domestic violence and the violation of any court order are of extreme importance and should be considered among the highest response priorities. This includes incomplete 9-1-1 calls.

(b) When practicable, officers should obtain and document statements from the victim, the suspect and any witnesses, including children, in or around the household or location of occurrence.

(c) Officers should list the full name and date of birth (and school if available) of each child who was present in the household at the time of the offense. The names of other children who may not have been in the house at that particular time should also be obtained for follow-up.
(d) When practicable and legally permitted, video or audio record all significant statements and observations.

(e) All injuries should be photographed, regardless of severity, taking care to preserve the victim’s personal privacy. Where practicable, photographs should be taken by a person of the same sex. Victims whose injuries are not visible at the time of the incident should be asked to contact the Detective Division in the event that the injuries later become visible.

(f) Officers should request that the victim complete and sign an authorization for release of medical records related to the incident when applicable.

(g) If the suspect is no longer at the scene, officers should make reasonable efforts to locate the suspect to further the investigation, provide the suspect with an opportunity to make a statement and make an arrest or seek an arrest warrant if appropriate.

(h) Seize any firearms or other dangerous weapons in the home, if appropriate and legally permitted, for safekeeping or as evidence. If the domestic violence involved threats of bodily harm, any firearm discovered in plain view or pursuant to consent or other lawful search must be taken into temporary custody (Penal Code § 18250).

(i) When completing an incident or arrest report for violation of a court order, officers should include specific information that establishes that the offender has been served, including the date the offender was served, the name of the agency that served the order and the provision of the order that the subject is alleged to have violated. When reasonably available, the arresting officer should attach a copy of the order to the incident or arrest report.

(j) Officers should take appropriate enforcement action when there is probable cause to believe an offense has occurred. Factors that should not be used as sole justification for declining to take enforcement action include:

1. Marital status of suspect and victim.
2. Whether the suspect lives on the premises with the victim.
3. Claims by the suspect that the victim provoked or perpetuated the violence.
4. The potential financial or child custody consequences of arrest.
5. The physical or emotional state of either party.
6. Use of drugs or alcohol by either party.
7. Denial that the abuse occurred where evidence indicates otherwise.
8. A request by the victim not to arrest the suspect.
9. Location of the incident (public/private).
10. Speculation that the complainant may not follow through with the prosecution.
11. The racial, cultural, social, professional position or sexual orientation of the victim or suspect.
320.4.1 IF A SUSPECT IS ARRESTED
If a suspect is arrested, officers should:

(a) Advise the victim that there is no guarantee the suspect will remain in custody.
(b) Provide the victim’s contact information to the jail staff to enable notification of the victim upon the suspect's release from jail.
(c) Advise the victim whether any type of court order will be in effect when the suspect is released from jail.

320.4.2 IF NO ARREST IS MADE
If no arrest is made, the officer should:

(a) Advise the parties of any options, including but not limited to:
   1. Voluntary separation of the parties.
   2. Appropriate resource referrals (e.g., counselors, friends, relatives, shelter homes, victim witness unit).
(b) Document the resolution in a report.

320.5 VICTIM ASSISTANCE
Victims may be traumatized or confused. Officers should:

(a) Recognize that a victim’s behavior and actions may be affected.
(b) Provide the victim with the [department/office]’s domestic violence information handout, even if the incident may not rise to the level of a crime.
(c) Alert the victim to any available victim advocates, shelters and community resources.
(d) Stand by for a reasonable amount of time when an involved person requests law enforcement assistance while removing essential items of personal property.
(e) Seek medical assistance as soon as practicable for the victim if he/she has sustained injury or complains of pain.
(f) Ask the victim whether he/she has a safe place to stay. Assist in arranging to transport the victim to an alternate shelter if the victim expresses a concern for his/her safety or if the officer determines that a need exists.
(g) Make reasonable efforts to ensure that children or dependent adults who are under the supervision of the suspect or victim are being properly cared for.
(h) Seek or assist the victim in obtaining an emergency order if appropriate.

An officer shall advise an individual protected by a Canadian domestic violence protection order of available local victim services (Family Code § 6452).

320.6 DISPATCH ASSISTANCE
All calls of domestic violence, including incomplete 9-1-1 calls, should be dispatched as soon as practicable.
Domestic Violence

Dispatchers are not required to verify the validity of a court order before responding to a request for assistance. Officers should request that dispatchers check whether any of the involved persons are subject to the terms of a court order.

320.7 FOREIGN COURT ORDERS
Various types of orders may be issued in domestic violence cases. Any foreign court order properly issued by a court of another state, Indian tribe, or territory shall be enforced by officers as if it were the order of a court in this state. An order should be considered properly issued when it reasonably appears that the issuing court has jurisdiction over the parties and reasonable notice and opportunity to respond was given to the party against whom the order was issued (18 USC § 2265). An otherwise valid out-of-state court or foreign order shall be enforced, regardless of whether the order has been properly registered with this state (Family Code § 6403).

Canadian domestic violence protection orders shall also be enforced in the same manner as if issued in this state (Family Code § 6452).

320.8 VERIFICATION OF COURT ORDERS
Determining the validity of a court order, particularly an order from another jurisdiction, can be challenging. Therefore, in determining whether there is probable cause to make an arrest for a violation of any court order, officers should carefully review the actual order when available, and where appropriate and practicable:

(a) Ask the subject of the order about his/her notice or receipt of the order, his/her knowledge of its terms and efforts to respond to the order.
   1. If a determination is made that a valid foreign order cannot be enforced because the subject has not been notified or served the order, the officer shall inform the subject of the order, make a reasonable effort to serve the order upon the subject, and allow the subject a reasonable opportunity to comply with the order before enforcing the order. Verbal notice of the terms of the order is sufficient notice (Family Code § 6403).

(b) Check available records or databases that may show the status or conditions of the order.
   1. Registration or filing of an order in California is not required for the enforcement of a valid foreign order (Family Code § 6403).

(c) Contact the issuing court to verify the validity of the order.

(d) Contact a law enforcement official from the jurisdiction where the order was issued to verify information.

Officers should document in an appropriate report their efforts to verify the validity of an order, regardless of whether an arrest is made. Officers should contact a supervisor for clarification when needed.
Domestic Violence

320.9 LEGAL MANDATES AND RELEVANT LAWS
California law provides for the following:

320.9.1 STANDARDS FOR ARRESTS
Officers investigating a domestic violence report should consider the following:

(a) An arrest should be made when there is probable cause to believe that a felony or misdemeanor domestic violence offense has been committed (Penal Code § 13701). Any decision to not arrest an adult when there is probable cause to do so requires supervisor approval.

1. Officers are only authorized to make an arrest without a warrant for a misdemeanor domestic violence offense if the officer makes the arrest as soon as probable cause arises (Penal Code § 836).

(b) An officer responding to a domestic violence call who cannot make an arrest will advise the victim of his/her right to make a private person’s arrest. The advisement should be made out of the presence of the suspect and shall include advising the victim how to safely execute the arrest. Officers shall not dissuade victims from making a lawful private person’s arrest. Officers should refer to the provisions in the Private Persons Arrests Policy for options regarding the disposition of private person’s arrests (Penal Code § 836(b)).

(c) Officers shall not cite and release a person for the following offenses (Penal Code § 853.6(a)(3)):

1. Penal Code § 243(e)(1) (battery against spouse, cohabitant)
2. Penal Code § 273.5 (corporal injury on spouse, cohabitant, fiancé/fiancée, person of a previous dating or engagement relationship, mother/father of the offender’s child)
3. Penal Code § 273.6 (violation of protective order) if violence or threats of violence have occurred or the suspect has gone to the workplace or residence of the protected party
4. Penal Code § 646.9 (stalking)
5. Other serious or violent felonies specified in Penal Code § 1270.1

(d) In responding to domestic violence incidents, including mutual protective order violations, officers should generally be reluctant to make dual arrests. Officers shall make reasonable efforts to identify the dominant aggressor in any incident. The dominant aggressor is the person who has been determined to be the most significant, rather than the first, aggressor (Penal Code § 13701). In identifying the dominant aggressor, an officer shall consider:

1. The intent of the law to protect victims of domestic violence from continuing abuse.
2. The threats creating fear of physical injury.
3. The history of domestic violence between the persons involved.
4. Whether either person acted in self-defense.
Domestic Violence

(e) An arrest shall be made when there is probable cause to believe that a violation of a domestic violence court order has been committed (Penal Code § 13701; Penal Code § 836), regardless of whether the offense was committed in the officer’s presence. After arrest, the officer shall confirm that a copy of the order has been registered, unless the victim provides a copy (Penal Code § 836).

320.9.2 COURT ORDERS

(a) An officer who obtains an emergency protective order from the court shall serve it on the restrained person if the person can be reasonably located, and shall provide the person protected or the person’s parent/guardian with a copy of the order. The officer shall file a copy with the court as soon as practicable and shall have the order entered into the computer database system for protective and restraining orders maintained by the Department of Justice (Family Code § 6271; Penal Code § 646.91).

(b) At the request of the petitioner, an officer at the scene of a reported domestic violence incident shall serve a court order on a restrained person (Family Code § 6383; Penal Code § 13710).

(c) Any officer serving a protective order that indicates that the respondent possesses weapons or ammunition shall request that the firearm/ammunition be immediately surrendered (Family Code § 6389(c)(2)).

(d) During the service of a protective order any firearm discovered in plain view or pursuant to consent or other lawful search shall be taken into temporary custody (Penal Code § 18250).

(e) If a valid Canadian order cannot be enforced because the person subject to the order has not been notified or served with the order, the officer shall notify the protected individual that reasonable efforts shall be made to contact the person subject to the order. The officer shall make a reasonable effort to inform the person subject to the order of the existence and terms of the order and provide him/her with a record of the order, if available, and shall allow the person a reasonable opportunity to comply with the order before taking enforcement action (Family Code § 6452).

320.9.3 PUBLIC ACCESS TO POLICY
A copy of this domestic violence policy will be provided to members of the public upon request (Penal Code § 13701).

320.9.4 REPORTS AND RECORDS

(a) A written report shall be completed on all incidents of domestic violence. All such reports should be documented on the appropriate form, which includes information and notations specific to domestic violence incidents as required by Penal Code § 13730.

(b) Reporting officers should provide the victim with the case number of the report. The case number may be placed in the space provided on the domestic violence victim information handout provided to the victim. If the case number is not immediately available, an explanation should be given regarding how the victim can obtain the information at a later time.
(c) Officers who seize any firearm or other deadly weapon in a domestic violence incident shall issue the individual possessing such weapon a receipt that includes the name and residential mailing address of the owner or person who possessed the weapon and notice of where the weapon may be recovered, along with the applicable time limit for recovery (Penal Code § 18250; Penal Code § 18255; Penal Code § 33800; Family Code § 6389(c)(2)).

320.9.5 RECORD-KEEPING AND DATA COLLECTION
This [department/office] shall maintain records of court orders related to domestic violence and the service status of each (Penal Code § 13710), as well as records on the number of domestic violence related calls reported to the [Department/Office], including whether weapons were used in the incident or whether the incident involved strangulation or suffocation (Penal Code § 13730). This information is to be reported to the Attorney General monthly. It shall be the responsibility of the Records Supervisor to maintain and report this information as required.

320.9.6 DECLARATION IN SUPPORT OF BAIL INCREASE
Any officer who makes a warrantless arrest for a felony or misdemeanor violation of a domestic violence restraining order shall evaluate the totality of the circumstances to determine whether reasonable cause exists to seek an increased bail amount. If there is reasonable cause to believe that the scheduled bail amount is insufficient to assure the arrestee’s appearance or to protect the victim or family member of a victim, the officer shall prepare a declaration in support of increased bail (Penal Code § 1269c).
Search and Seizure

322.1 PURPOSE AND SCOPE
Both the federal and state Constitutions provide every individual with the right to be free from unreasonable searches and seizures. This policy provides general guidelines for Brawley Police Department personnel to consider when dealing with search and seizure issues.

322.2 POLICY
It is the policy of the Brawley Police Department to respect the fundamental privacy rights of individuals. Members of this [department/office] will conduct searches in strict observance of the constitutional rights of persons being searched. All seizures by this [department/office] will comply with relevant federal and state law governing the seizure of persons and property.

The [Department/Office] will provide relevant and current training to officers as guidance for the application of current law, local community standards and prosecutorial considerations regarding specific search and seizure situations, as appropriate.

322.3 SEARCHES
The U.S. Constitution generally provides that a valid warrant is required in order for a search to be valid. There are, however, several exceptions that permit a warrantless search.

Examples of law enforcement activities that are exceptions to the general warrant requirement include, but are not limited to, searches pursuant to the following:

- Valid consent
- Incident to a lawful arrest
- Legitimate community caretaking interests
- Vehicle searches under certain circumstances
- Exigent circumstances

Certain other activities are recognized by federal and state courts and by certain statutes as legitimate law enforcement activities that also do not require a warrant. Such activities may include seizure and examination of abandoned property, and observations of activities and property located on open public areas.

Because case law regarding search and seizure is constantly changing and subject to interpretation by the courts, each member of this [department/office] is expected to act in each situation according to current training and his/her familiarity with clearly established rights as determined by case law.

Whenever practicable, officers are encouraged to contact a supervisor to resolve questions regarding search and seizure issues prior to electing a course of action.
322.4 SEARCH PROTOCOL
Although conditions will vary and officer safety and other exigencies must be considered in every search situation, the following guidelines should be followed whenever circumstances permit:

(a) Members of this [department/office] will strive to conduct searches with dignity and courtesy.

(b) Officers should explain to the person being searched the reason for the search and how the search will be conducted.

(c) Searches should be carried out with due regard and respect for private property interests and in a manner that minimizes damage. Property should be left in a condition as close as reasonably possible to its pre-search condition.

(d) In order to minimize the need for forcible entry, an attempt should be made to obtain keys, combinations or access codes when a search of locked property is anticipated.

(e) When the person to be searched is of the opposite sex as the searching officer, a reasonable effort should be made to summon an officer of the same sex as the subject to conduct the search. When it is not practicable to summon an officer of the same sex as the subject, the following guidelines should be followed:

1. Another officer or a supervisor should witness the search.

2. The officer should not search areas of the body covered by tight-fitting clothing, sheer clothing or clothing that could not reasonably conceal a weapon.

322.5 DOCUMENTATION
Officers are responsible to document any search and to ensure that any required reports are sufficient including, at minimum, documentation of the following:

- Reason for the search
- Any efforts used to minimize the intrusiveness of any search (e.g., asking for consent or keys)
- What, if any, injuries or damage occurred
- All steps taken to secure property
- The results of the search, including a description of any property or contraband seized
- If the person searched is the opposite sex, any efforts to summon an officer of the same sex as the person being searched and the identification of any witness officer

Supervisors shall review reports to ensure the reports are accurate, that actions are properly documented and that current legal requirements and [department/office] policy have been met.
Temporary Custody of Juveniles

324.1 PURPOSE AND SCOPE
This policy provides guidelines consistent with the Juvenile Justice and Delinquency Prevention Act for juveniles taken into temporary custody by members of the Brawley Police Department (34 USC § 11133).

Guidance regarding contacting juveniles at schools or who may be victims is provided in the Child Abuse Policy.

324.1.1 DEFINITIONS
Definitions related to this policy include:

**Juvenile non-offender** - An abused, neglected, dependent, or alien juvenile who may be legally held for his/her own safety or welfare. This also includes any juvenile who may have initially been contacted for an offense that would not subject an adult to arrest (e.g., fine-only offense) but was taken into custody for his/her protection or for purposes of reuniting the juvenile with a parent, guardian, or other responsible person. Juveniles 11 years of age or younger are considered juvenile non-offenders even if they have committed an offense that would subject an adult to arrest.

**Juvenile offender** - A juvenile 12 to 17 years of age who is alleged to have committed an offense that would subject an adult to arrest (a non-status offense) (Welfare and Institutions Code § 602). It also includes an offense under Penal Code § 29610 for underage possession of a handgun or concealable firearm (28 CFR 31.303).

**Non-secure custody** - When a juvenile is held in the presence of an officer or other custody employee at all times and is not placed in a locked room, cell, or behind any locked doors. Juveniles in non-secure custody may be handcuffed but not to a stationary or secure object. Personal supervision, through direct visual monitoring and audio two-way communication is maintained. Monitoring through electronic devices, such as video, does not replace direct visual observation (Welfare and Institutions Code § 207.1(d); 15 CCR 1150).

**Safety checks** - Direct, visual observation personally by a member of this [department/office] performed at random intervals within time frames prescribed in this policy to provide for the health and welfare of juveniles in temporary custody.

**Secure custody** - When a juvenile offender is held in a locked room, a set of rooms, or a cell. Secure custody also includes being physically secured to a stationary object (15 CCR 1146).

Examples of secure custody include:

(a) A juvenile left alone in an unlocked room within the secure perimeter of the adult temporary holding area.

(b) A juvenile handcuffed to a rail.

(c) A juvenile placed in a room that contains doors with delayed egress devices that have a delay of more than 30 seconds.
Temporary Custody of Juveniles

(d) A juvenile being processed in a secure booking area when a non-secure booking area is available.
(e) A juvenile left alone in a secure booking area after being photographed and fingerprinted.
(f) A juvenile placed in a cell within the adult temporary holding area, whether or not the cell door is locked.
(g) A juvenile placed in a room that is capable of being locked or contains a fixed object designed for cuffing or restricting movement.

Sight and sound separation - Located or arranged to prevent physical, visual, or auditory contact.

Status offender - A juvenile suspected of committing a criminal violation of the law that would not be a criminal violation but for the age of the offender. Examples may include running away, underage possession of tobacco, curfew violation, and truancy. A juvenile in custody on a court order or warrant based upon a status offense is also a status offender. This includes the habitually disobedient or truant juvenile under Welfare and Institutions Code § 601 and any juvenile suspected of an offense that would not subject an adult to arrest (e.g., fine-only offense).

324.2 POLICY
The Brawley Police Department is committed to releasing juveniles from temporary custody as soon as reasonably practicable and keeping juveniles safe while they are in temporary custody at the Brawley Police Department. Juveniles should be held in temporary custody only for as long as reasonably necessary for processing, transfer, or release.

324.3 JUVENILES WHO SHOULD NOT BE HELD
Juveniles who exhibit any of the following conditions should not be held at the Brawley Police Department:

(a) Unconscious
(b) Seriously injured
(c) A known suicide risk or obviously severely emotionally disturbed
(d) Significantly intoxicated except when approved by the Watch Commander. A medical clearance shall be obtained for minors who are under the influence of drugs, alcohol, or any other intoxicating substance to the extent that they are unable to care for themselves (15 CCR 1151).
(e) Extremely violent or continuously violent

Officers taking custody of a juvenile who exhibits any of the above conditions should take reasonable steps to provide medical attention or mental health assistance and notify a supervisor of the situation (15 CCR 1142; 15 CCR 1151).

These juveniles should not be held at the Brawley Police Department unless they have been evaluated by a qualified medical and/or mental health professional (15 CCR 1142).
Temporary Custody of Juveniles

If the officer taking custody of the juvenile believes the juvenile may be a suicide risk, the juvenile shall be under continuous direct supervision until evaluation, release, or a transfer is completed (15 CCR 1142).

324.3.1 EMERGENCY MEDICAL CARE OF JUVENILES IN CUSTODY
When emergency medical attention is required for a juvenile, medical assistance will be called immediately. The Watch Commander shall be notified of the need for medical attention for the juvenile. [Department/Office] members should administer first aid as applicable (15 CCR 1142).

324.3.2 SUICIDE PREVENTION OF JUVENILES IN CUSTODY
[Department/Office] members should be alert to potential symptoms based upon exhibited behavior that may indicate the juvenile is a suicide risk. These symptoms may include depression, refusal to communicate, verbally threatening to kill him/herself, or any unusual behavior which may indicate the juvenile may harm him/herself while in either secure or non-secure custody (15 CCR 1142).

324.4 CUSTODY OF JUVENILES
Officers should take custody of a juvenile and temporarily hold the juvenile at the Brawley Police Department when there is no other lawful and practicable alternative to temporary custody. Refer to the Child Abuse Policy for additional information regarding detaining a juvenile that is suspected of being a victim.

No juvenile should be held in temporary custody at the Brawley Police Department without authorization of the arresting officer's supervisor or the Watch Commander. Juveniles taken into custody shall be held in non-secure custody unless otherwise authorized by this policy.

Any juvenile taken into custody shall be released to the care of the juvenile’s parent or other responsible adult or transferred to a juvenile custody facility or to other authority as soon as practicable and in no event shall a juvenile be held beyond six hours from the time of his/her entry into the Brawley Police Department (34 USC § 11133; Welfare and Institutions Code § 207.1(d)).

324.4.1 CUSTODY OF JUVENILE NON-OFFENDERS
Non-offenders taken into protective custody in compliance with the Child Abuse Policy should generally not be held at the Brawley Police Department. Custodial arrangements should be made for non-offenders as soon as reasonably possible. Juvenile non-offenders shall not be held in secure custody (34 USC § 11133; Welfare and Institutions Code § 206).

Juveniles 11 years of age or younger who have committed an offense that would subject an adult to arrest may be held in non-secure custody for the offenses listed in Welfare and Institutions Code § 602(b) (murder and the sexual assault offenses) and should be referred to a probation officer for a placement determination.

324.4.2 CUSTODY OF JUVENILE STATUS OFFENDERS
Status offenders should generally be released by citation or with a warning rather than taken into temporary custody. However, officers may take custody of a status offender if requested to do
Temporary Custody of Juveniles

so by a parent or legal guardian in order to facilitate reunification (e.g., transported home or to the station to await a parent). Juvenile status offenders shall not be held in secure custody (34 USC § 11133).

324.4.3 CUSTODY OF JUVENILE OFFENDERS
Juvenile offenders should be held in non-secure custody while at the Brawley Police Department unless another form of custody is authorized by this policy or is necessary due to exigent circumstances.

Generally, a juvenile offender may be taken into custody when authorized by a court order or when there is probable cause to believe the juvenile has committed an offense that would subject an adult to arrest (Welfare and Institutions Code § 625).

A juvenile offender who is 14 years of age or older and suspected of using a firearm in violation of Welfare and Institutions Code § 625.3 shall be transported to a juvenile facility.

A juvenile offender suspected of committing murder or a sex offense that may subject a juvenile to criminal jurisdiction under Welfare and Institutions Code § 602(b), or a serious or violent felony should be referred to a probation officer for a decision on further detention.

In all other cases the juvenile offender may be:

(a) Released upon warning or citation.
(b) Released to a parent or other responsible adult after processing at the [Department/Office].
(c) Referred to a probation officer for a decision regarding whether to transport the juvenile offender to a juvenile facility.
(d) Transported to his/her home or to the place where the juvenile offender was taken into custody (Welfare and Institutions Code § 207.2).

In determining which disposition is appropriate, the investigating officer or supervisor shall prefer the alternative that least restricts the juvenile’s freedom of movement, provided that alternative is compatible with the best interests of the juvenile and the community (Welfare and Institutions Code § 626).

Whenever a juvenile offender under the age of 14 is taken into custody, the officer should take reasonable steps to verify and document the child's ability to differentiate between right and wrong, particularly in relation to the alleged offense (Penal Code § 26).

324.5 ADVISEMENTS
Officers shall take immediate steps to notify the juvenile’s parent, guardian, or a responsible relative that the juvenile is in custody, the location where the juvenile is being held, and the intended disposition (Welfare and Institutions Code § 627).

Whenever a juvenile is taken into temporary custody, he/she shall be given the Miranda rights advisement regardless of whether questioning is intended (Welfare and Institutions Code § 625).
Temporary Custody of Juveniles

Anytime a juvenile offender is placed in secure custody, he/she shall be informed of the purpose of the secure custody, the length of time the secure custody is expected to last, and of the maximum six-hour limitation (Welfare and Institutions Code § 207.1(d)).

Juveniles taken into custody for an offense shall immediately be advised (or at least within one hour from being taken into custody, if possible) that they may make three telephone calls: one call completed to his/her parent or guardian; one to a responsible relative or his/her employer; and another call completed to an attorney. The calls shall be at no expense to the juvenile when completed to telephone numbers within the local calling area. Juveniles should be asked whether they are a caregiver and provided two more phone calls in the same manner as provided to adults in the Temporary Custody of Adults Policy (Welfare and Institutions Code § 627; Penal Code § 851.5).

324.6 JUVENILE CUSTODY LOGS
Any time a juvenile is held in custody at the [Department/Office], the custody shall be promptly and properly documented in the juvenile custody log, including:

(a) Identifying information about the juvenile.
(b) Date and time of arrival and release from the Brawley Police Department (15 CCR 1150).
(c) Watch Commander notification and approval to temporarily hold the juvenile.
(d) Any charges for which the juvenile is being held and classification of the juvenile as a juvenile offender, status offender, or non-offender.
(e) Any changes in status (e.g., emergency situations, unusual incidents).
(f) Time of all safety checks.
(g) Any medical and other screening requested and completed (15 CCR 1142).
(h) Circumstances that justify any secure custody (Welfare and Institutions Code § 207.1(d); 15 CCR 1145).
(i) Any other information that may be required by other authorities, such as compliance inspectors or a local juvenile court authority.

The Watch Commander shall initial the log to approve the custody, including any secure custody, and shall also initial the log when the juvenile is released.

324.7 NO-CONTACT REQUIREMENTS
Sight and sound separation shall be maintained between all juveniles and adults while in custody at the [Department/Office] (34 USC § 11133; Welfare and Institutions Code § 207.1(d); Welfare and Institutions Code § 208; 15 CCR 1144). There should also be sight and sound separation between non-offenders and juvenile and status offenders.

In situations where brief or accidental contact may occur (e.g., during the brief time a juvenile is being fingerprinted and/or photographed in booking), a member of the Brawley Police Department
Temporary Custody of Juveniles

(trained in the supervision of persons in custody) shall maintain a constant, immediate, side-by-side presence with the juvenile or the adult to minimize any contact. If inadvertent or accidental contact does occur, reasonable efforts shall be taken to end the contact (15 CCR 1144).

324.8 TEMPORARY CUSTODY REQUIREMENTS

Members and supervisors assigned to monitor or process any juvenile at the Brawley Police Department shall ensure the following:

(a) The Watch Commander should be notified if it is anticipated that a juvenile may need to remain at the Brawley Police Department more than four hours. This will enable the Watch Commander to ensure no juvenile is held at the Brawley Police Department more than six hours.

(b) A staff member of the same sex shall supervise personal hygiene activities and care, such as changing clothing or using the restroom, without direct observation to allow for privacy.

(c) Personal safety checks and significant incidents/activities shall be noted on the log.

(d) Juveniles in custody are informed that they will be monitored at all times, except when using the toilet.

1. There shall be no viewing devices, such as peep holes or mirrors, of which the juvenile is not aware.

2. This does not apply to surreptitious and legally obtained recorded interrogations.

(e) Juveniles shall have reasonable access to toilets and wash basins (15 CCR 1143).

(f) Food shall be provided if a juvenile has not eaten within the past four hours or is otherwise in need of nourishment, including any special diet required for the health of the juvenile (15 CCR 1143).

(g) Juveniles shall have reasonable access to a drinking fountain or water (15 CCR 1143).

(h) Juveniles shall have reasonable opportunities to stand and stretch, particularly if handcuffed or restrained in any way.

(i) Juveniles shall have privacy during family, guardian, and/or lawyer visits (15 CCR 1143).

(j) Juveniles shall be permitted to remain in their personal clothing unless the clothing is taken as evidence or is otherwise unsuitable or inadequate for continued wear while in custody (15 CCR 1143).

(k) Blankets shall be provided as reasonably necessary (15 CCR 1143).

1. The supervisor should ensure that there is an adequate supply of clean blankets.

(l) Adequate shelter, heat, light, and ventilation should be provided without compromising security or enabling escape.

(m) Juveniles shall have adequate furnishings, including suitable chairs or benches.
Temporary Custody of Juveniles

(n) Juveniles shall have the right to the same number of telephone calls as an adult in temporary custody.

(o) No discipline may be administered to any juvenile, nor may juveniles be subjected to corporal or unusual punishment, humiliation, or mental abuse (15 CCR 1142).

324.9 USE OF RESTRAINT DEVICES
Juvenile offenders may be handcuffed in accordance with the Handcuffing and Restraints Policy. A juvenile offender may be handcuffed at the Brawley Police Department when the juvenile presents a heightened risk. However, non-offenders and status offenders should not be handcuffed unless they are combative or threatening (15 CCR 1142).

Other restraints shall only be used after less restrictive measures have failed and with the approval of the Watch Commander. Restraints shall only be used so long as it reasonably appears necessary for the juvenile’s protection or the protection of others (15 CCR 1142).

Juveniles in restraints shall be kept away from other unrestrained juveniles or monitored in such a way as to protect the juvenile from abuse (15 CCR 1142).

324.10 PERSONAL PROPERTY
The officer taking custody of a juvenile offender or status offender at the Brawley Police Department shall ensure a thorough search of the juvenile’s property is made and all property is removed from the juvenile, especially those items that could compromise safety, such as pens, pencils, and belts.

The personal property of a juvenile should be placed in a property bag. The property should be inventoried in the juvenile’s presence and sealed into the bag. The property should be kept in a monitored or secure location until the juvenile is released from the custody of the Brawley Police Department.

324.11 SECURE CUSTODY
Only juvenile offenders 14 years of age or older may be placed in secure custody (Welfare and Institutions Code § 207; 15 CCR 1145). Watch Commander approval is required before placing a juvenile offender in secure custody.

Secure custody should only be used for juvenile offenders when there is a reasonable belief that the juvenile is a serious risk of harm to him/herself or others. Factors to be considered when determining if the juvenile offender presents a serious security risk to him/herself or others include the following (15 CCR 1145):

(a) Age, maturity, and delinquent history
(b) Severity of offense for which the juvenile was taken into custody
(c) The juvenile offender’s behavior
(d) Availability of staff to provide adequate supervision or protection of the juvenile offender
Temporary Custody of Juveniles

(e) Age, type, and number of other individuals in custody at the facility

Members of this [department/office] shall not use secure custody for convenience when non-secure custody is, or later becomes, a reasonable option (15 CCR 1145).

When practicable and when no locked enclosure is available, handcuffing one hand of a juvenile offender to a fixed object while otherwise maintaining the juvenile in non-secure custody should be considered as the method of secure custody. An employee must be present at all times to ensure the juvenile’s safety while secured to a stationary object (15 CCR 1148).

Juveniles shall not be secured to a stationary object for more than 60 minutes. Supervisor approval is required to secure a juvenile to a stationary object for longer than 60 minutes and every 30 minutes thereafter (15 CCR 1148). Supervisor approval should be documented.

The decision for securing a minor to a stationary object for longer than 60 minutes and every 30 minutes thereafter shall be based upon the best interests of the juvenile offender (15 CCR 1148).

324.11.1 LOCKED ENCLOSURES

A thorough inspection of the area shall be conducted before placing a juvenile into the enclosure. A second inspection shall be conducted after removing the juvenile. Any damage noted to the room should be photographed and documented in the crime report.

The following requirements shall apply to a juvenile offender who is held inside a locked enclosure:

(a) The juvenile shall constantly be monitored by an audio/video system during the entire custody.

(b) Juveniles shall have constant auditory access to [department/office] members (15 CCR 1147).

(c) Initial placement into and removal from a locked enclosure shall be logged (Welfare and Institutions Code § 207.1(d)).

(d) Unscheduled safety checks to provide for the health and welfare of the juvenile by a staff member, no less than once every 15 minutes, shall occur (15 CCR 1147; 15 CCR 1151).

1. All safety checks shall be logged.

2. The safety check should involve questioning the juvenile as to his/her well-being (sleeping juveniles or apparently sleeping juveniles should be awakened).

3. Requests or concerns of the juvenile should be logged.

(e) Males and females shall not be placed in the same locked room (15 CCR 1147).

(f) Juvenile offenders should be separated according to severity of the crime (e.g., felony or misdemeanor).

(g) Restrained juveniles shall not be mixed in a cell or room with unrestrained juveniles.
324.12 SUICIDE ATTEMPT, DEATH, OR SERIOUS INJURY OF A JUVENILE

The Watch Commander will ensure procedures are in place to address the suicide attempt, death, or serious injury of any juvenile held at the Brawley Police Department (15 CCR 1142; 15 CCR 1047). The procedures will address:

(a) Immediate notification of the on-duty supervisor, Chief of Police, and Investigation Division Supervisor.
(b) Notification of the parent, guardian, or person standing in loco parentis of the juvenile.
(c) Notification of the appropriate prosecutor.
(d) Notification of the City attorney.
(e) Notification to the coroner.
(f) Notification of the juvenile court.
(g) In the case of a death, providing a report to the Attorney General under Government Code § 12525 within 10 calendar days of the death, and forwarding the same report to the Board of State and Community Corrections within the same time frame (15 CCR 1046).
(h) A medical and operational review of deaths and suicide attempts pursuant to 15 CCR 1046.
(i) Evidence preservation.

324.13 INTERVIEWING OR INTERROGATING JUVENILE SUSPECTS

No interview or interrogation of a juvenile should occur unless the juvenile has the apparent capacity to consent, and does consent to an interview or interrogation.

Prior to conducting a custodial interrogation, including the waiver of *Miranda* rights, an officer shall permit a juvenile 15 years of age or younger to consult with legal counsel in person, by telephone, or by video conference. The consultation may not be waived by the juvenile. The requirement to consult with legal counsel does not apply when (Welfare and Institutions Code § 625.6):

(a) Information is necessary to protect life or property from an imminent threat.
(b) The questions are limited to what is reasonably necessary to obtain the information relating to the threat.

324.13.1 MANDATORY RECORDINGS OF JUVENILES

Any interrogation of an individual under 18 years of age who is in custody and suspected of committing murder shall be audio and video recorded when the interview takes place at a [department/office] facility, jail, detention facility, or other fixed place of detention. The recording shall include the entire interview and a *Miranda* advisement preceding the interrogation (Penal Code § 859.5).

This recording is not mandatory when (Penal Code § 859.5):

(a) Recording is not feasible because of exigent circumstances that are later documented in a report.
Temporary Custody of Juveniles

(b) The individual refuses to have the interrogation recorded, including a refusal any time during the interrogation, and the refusal is documented in a report. If feasible, the refusal shall be electronically recorded.

(c) The custodial interrogation occurred in another state by law enforcement officers of that state, unless the interrogation was conducted with the intent to avoid the requirements of Penal Code § 859.5.

(d) The interrogation occurs when no member conducting the interrogation has a reason to believe that the individual may have committed murder. Continued custodial interrogation concerning that offense shall be electronically recorded if the interrogating member develops a reason to believe the individual committed murder.

(e) The interrogation would disclose the identity of a confidential informant or would jeopardize the safety of an officer, the individual being interrogated, or another individual. Such circumstances shall be documented in a report.

(f) A recording device fails despite reasonable maintenance and the timely repair or replacement is not feasible.

(g) The questions are part of a routine processing or booking, and are not an interrogation.

(h) The suspect is in custody for murder and the interrogation is unrelated to a murder. However, if any information concerning a murder is mentioned during the interrogation, the remainder of the interrogation shall be recorded.

These recordings shall be retained until a conviction is final and all direct and habeas corpus appeals are exhausted, a court no longer has any jurisdiction over the individual, or the prosecution for that offense is barred (Penal Code § 859.5; Welfare and Institutions Code § 626.8).

324.14 FORMAL BOOKING
No juvenile offender shall be formally booked without the authorization of the arresting officer's supervisor, or in his/her absence, the Watch Commander.

Any juvenile 14 years of age or older who is taken into custody for a felony, or any juvenile whose acts amount to a sex crime, shall be booked, fingerprinted, and photographed.

For all other acts defined as crimes, juveniles may be booked, fingerprinted or photographed upon the approval from the Watch Commander or Detective Division supervisor, giving due consideration to the following:

(a) The gravity of the offense
(b) The past record of the offender
(c) The age of the offender

324.15 RELEASE OF INFORMATION CONCERNING JUVENILES
Court decisions and legislation have combined to carefully specify situations in which information may be given out or exchanged when a case involves a juvenile. Members of this department/office shall not divulge any information regarding juveniles unless they are certain of the legal authority to do so.
Temporary Custody of Juveniles

A copy of the current policy of the juvenile court concerning authorized release of information and appropriate acknowledgment forms shall be kept with copies of this procedure in the Brawley Police Department Policy Manual. Such releases are authorized by Welfare and Institutions Code § 827.

Welfare and Institutions Code § 828 authorizes the release of certain information to other agencies. It shall be the responsibility of the Records Supervisor and the appropriate Detective Division supervisors to ensure that personnel of those bureaus act within legal guidelines.

324.16  BOARD OF STATE AND COMMUNITY CORRECTIONS CERTIFICATION
The Operations Division Commander shall coordinate the procedures related to the custody of juveniles held at the Brawley Police Department and ensure any required certification is maintained (Welfare and Institution Code § 210.2).

324.17  RELIGIOUS ACCOMMODATION
Juveniles have the right to the same religious accommodation as adults in temporary custody (see the Temporary Custody of Adults Policy).

Adult Abuse

326.1 PURPOSE AND SCOPE
The purpose of this policy is to provide guidelines for the investigation and reporting of suspected abuse of certain adults who may be more vulnerable than others. This policy also addresses mandatory notification for Brawley Police Department members as required by law.

326.1.1 DEFINITIONS
Definitions related to this policy include:

**Adult abuse** - Any offense or attempted offense involving violence or neglect of an adult victim when committed by a person responsible for the adult’s care, or any other act that would mandate reporting or notification to a social service agency or law enforcement (Penal Code § 368).

**Abuse of an elder (age 65 or older) or dependent adult** - Physical abuse, neglect, financial abuse, abandonment, isolation, abduction, or other treatment with resulting physical harm or pain or mental suffering; or the deprivation by a care custodian of goods or services that are necessary to avoid physical harm or mental suffering. Neglect includes self-neglect (Welfare and Institutions Code § 15610.07; Penal Code § 368.5).

326.2 POLICY
The Brawley Police Department will investigate all reported incidents of alleged adult abuse and ensure proper reporting and notification as required by law.

326.3 INVESTIGATIONS AND REPORTING
All reported or suspected cases of adult abuse require investigation and a report, even if the allegations appear unfounded or unsubstantiated.

Investigations and reports related to suspected cases of adult abuse should address, as applicable:

(a) The overall basis for the contact. This should be done by the investigating officer in all circumstances where a suspected adult abuse victim is contacted.

(b) Any relevant statements the victim may have made and to whom he/she made the statements.

(c) If a person is taken into protective custody, the reasons, the name and title of the person making the decision, and why other alternatives were not appropriate.

(d) Documentation of any visible injuries or any injuries identified by the victim. This should include photographs of such injuries, if practicable.

(e) Whether the victim was transported for medical treatment or a medical examination.

(f) Whether the victim identified a household member as the alleged perpetrator, and a list of the names of any other potential victims or witnesses who may reside in the residence.
(g) Identification of any prior related reports or allegations of abuse, including other jurisdictions, as reasonably known.

(h) Previous addresses of the victim and suspect.

(i) Other potential witnesses who have not yet been interviewed, such as relatives or others close to the victim’s environment.

(j) Results of investigations shall be provided to those agencies (Adult Protective Services (APS), long-term ombudsman) that referred or reported the adult abuse (Welfare and Institutions Code § 15640(f)).

(k) Whether a death involved the End of Life Option Act:

1. Whether or not assistance was provided to the person beyond that allowed by law (Health and Safety Code § 443.14)

2. Whether an individual knowingly altered or forged a request for an aid-in-dying drug to end a person’s life without his/her authorization, or concealed or destroyed a withdrawal or rescission of a request for an aid-in-dying drug (Health and Safety Code § 443.17)

3. Whether coercion or undue influence was exerted on the person to request or ingest an aid-in-dying drug or to destroy a withdrawal or rescission of a request for such medication (Health and Safety Code § 443.17)

4. Whether an aid-in-dying drug was administered to a person without his/her knowledge or consent (Health and Safety Code § 443.17).

Any unexplained death of an adult who was in the care of a guardian or caretaker should be considered as potential adult abuse and investigated similarly.

326.4 QUALIFIED INVESTIGATORS

 Qualified investigators should be available to investigate cases of adult abuse. These investigators should:

(a) Conduct interviews in appropriate interview facilities.

(b) Be familiar with forensic interview techniques specific to adult abuse investigations.

(c) Present all cases of alleged adult abuse to the prosecutor for review.

(d) Coordinate with other enforcement agencies, social service agencies and facility administrators as needed.

(e) Provide referrals to therapy services, victim advocates, guardians and support for the victim and family as appropriate.

(f) Participate in or coordinate with multidisciplinary investigative teams as applicable (Welfare and Institutions Code § 15610.55).

326.5 MANDATORY NOTIFICATION

Members of the Brawley Police Department shall notify the local office of the California Department of Social Services (CDSS) APS agency when they reasonably suspect, have observed, or have
knowledge of an incident that reasonably appears to be abuse of an elder (age 65 or older) or dependent adult, or are told by an elder or dependent adult that he/she has experienced abuse (Welfare and Institutions Code § 15630(b)).

Notification shall be made by telephone as soon as practicable and a written report shall be provided within two working days as provided in Welfare and Institutions Code § 15630(b)(c)).

A dependent adult is an individual, regardless of whether the individual lives independently, between 18 and 64 years of age who has physical or mental limitations that restrict his/her ability to carry out normal activities or to protect his/her rights, including but not limited to persons who have physical or developmental disabilities or whose physical or mental abilities have diminished because of age. This also includes those admitted as inpatients to a 24-hour health facility, as defined in state law (Welfare and Institutions Code § 15610.23).

Notification shall also be made to the following agencies as soon as practicable or as provided below (Welfare and Institutions Code § 15630):

Adult Abuse

326.6 PROTECTIVE CUSTODY
Before taking an adult abuse victim into protective custody when facts indicate the adult may not be able to care for him/herself, the officer should make reasonable attempts to contact APS. Generally, removal of an adult abuse victim from his/her family, guardian or other responsible adult should be left to the welfare authorities when they are present or have become involved in an investigation.

Generally, members of this [department/office] should remove an adult abuse victim from his/her family or guardian without a court order only when no other effective alternative is reasonably available and immediate action reasonably appears necessary to protect the victim. Prior to taking an adult abuse victim into protective custody, the officer should take reasonable steps to deliver the adult to another qualified legal guardian, unless it reasonably appears that the release would endanger the victim or result in abduction. If this is not a reasonable option, the officer shall ensure that the adult is delivered to APS.

Whenever practicable, the officer should inform a supervisor of the circumstances prior to taking an adult abuse victim into protective custody. If prior notification is not practicable, officers should contact a supervisor promptly after taking the adult into protective custody.

When adult abuse victims are under state control, have a state-appointed guardian or there are other legal holdings for guardianship, it may be necessary or reasonable to seek a court order on behalf of the adult victim to either remove the adult from a dangerous environment (protective custody) or restrain a person from contact with the adult.

326.6.1 EMERGENCY PROTECTIVE ORDERS
In any situation which an officer reasonably believes that an elder or dependent adult is in immediate and present danger of abuse based on an allegation of a recent incident of abuse or threat of abuse (other than financial abuse alone), the officer may seek an emergency protective order against the person alleged to have committed or threatened such abuse (Family Code § 6250(d)).

326.7 MEDICAL EXAMINATIONS
When an adult abuse investigation requires a medical examination, the investigating officer should obtain consent for such examination from the victim, guardian, agency or entity having legal custody of the adult. The officer should also arrange for the adult’s transportation to the appropriate medical facility.

In cases where the alleged offender is a family member, guardian, agency or entity having legal custody and is refusing to give consent for the medical examination, officers should notify a supervisor before proceeding. If exigent circumstances do not exist or if state law does not provide for officers to take the adult for a medical examination, the supervisor should consider other government agencies or services that may obtain a court order for such an examination.
326.8 DRUG-ENDANGERED VICTIMS
A coordinated response by law enforcement and social services agencies is appropriate to meet the immediate and longer-term medical and safety needs of an adult abuse victim who has been exposed to the manufacturing, trafficking or use of narcotics.

326.8.1 OFFICER RESPONSIBILITIES
Officers responding to a drug lab or other narcotics crime scene where an adult abuse victim is present or where there is evidence that an adult abuse victim lives should:

(a) Document the environmental, medical, social and other conditions of the adult, using photography as appropriate and the checklist or form developed for this purpose.

(b) Notify the Detective Division supervisor so an interagency response can begin.

326.8.2 SUPERVISOR RESPONSIBILITIES
The Detective Division supervisor should:

(a) Work with professionals from the appropriate agencies, including APS, other law enforcement agencies, medical service providers and local prosecutors, to develop community specific procedures for responding to situations where there are adult abuse victims endangered by exposure to methamphetamine labs or the manufacture and trafficking of other drugs.

(b) Activate any available interagency response when an officer notifies the Detective Division supervisor that he/she has responded to a drug lab or other narcotics crime scene where an adult abuse victim is present or where evidence indicates that an adult abuse victim lives.

(c) Develop a report format or checklist for use when officers respond to drug labs or other narcotics crime scenes. The checklist will help officers document the environmental, medical, social and other conditions that may affect the adult.

326.9 TRAINING
The [Department/Office] should provide training on best practices in adult abuse investigations to members tasked with investigating these cases. The training should include:

(a) Participating in multidisciplinary investigations, as appropriate.

(b) Conducting interviews.

(c) Availability of therapy services for adults and families.

(d) Availability of specialized forensic medical exams.

(e) Cultural competence (including interpretive services) related to adult abuse investigations.

(f) Availability of victim advocates or other support.

326.10 RECORDS BUREAU RESPONSIBILITIES
The Records Division is responsible for:
Adult Abuse

(a) Providing a copy of the adult abuse report to the APS, ombudsman or other agency as applicable within two working days or as required by law (Welfare and Institutions Code § 15630; Welfare and Institutions Code § 15640(c)).

(b) Retaining the original adult abuse report with the initial case file.

326.11 JURISDICTION
The Brawley Police Department has concurrent jurisdiction with state law enforcement agencies when investigating elder and dependent adult abuse and all other crimes against elder victims and victims with disabilities (Penal Code § 368.5).

Adult protective services agencies and local long-term care ombudsman programs also have jurisdiction within their statutory authority to investigate elder and dependent adult abuse and criminal neglect and may assist in criminal investigations upon request in such cases. However, this [department/office] will retain responsibility for the criminal investigations (Penal Code § 368.5).

Discriminatory Harassment

328.1 PURPOSE AND SCOPE
The purpose of this policy is to prevent [department/office] members from being subjected to discriminatory harassment, including sexual harassment and retaliation. Nothing in this policy is intended to create a legal or employment right or duty that is not created by law.

328.2 POLICY
The Brawley Police Department is an equal opportunity employer and is committed to creating and maintaining a work environment that is free of all forms of discriminatory harassment, including sexual harassment and retaliation (Government Code § 12940(k); 2 CCR 11023). The [Department/Office] will not tolerate discrimination against a member in hiring, promotion, discharge, compensation, fringe benefits and other privileges of employment. The [Department/Office] will take preventive and corrective action to address any behavior that violates this policy or the rights it is designed to protect.

The nondiscrimination policies of the [Department/Office] may be more comprehensive than state or federal law. Conduct that violates this policy may not violate state or federal law but still could subject a member to discipline.

328.3 DEFINITIONS
Definitions related to this policy include:

328.3.1 DISCRIMINATION
The [Department/Office] prohibits all forms of discrimination, including any employment-related action by a member that adversely affects an applicant or member and is based on the actual or perceived race, ethnicity, national origin, religion, sex, sexual orientation, gender identity or expression, age, disability, pregnancy, genetic information, veteran status, marital status and other classifications protected by law.

Discriminatory harassment, including sexual harassment, is verbal or physical conduct that demeans or shows hostility or aversion toward an individual based upon that individual’s protected class. It has the effect of interfering with an individual’s work performance or creating a hostile or abusive work environment.

Conduct that may, under certain circumstances, constitute discriminatory harassment, can include making derogatory comments, crude and offensive statements or remarks; making slurs or off-color jokes, stereotyping; engaging in threatening acts; making indecent gestures, pictures, cartoons, posters or material; making inappropriate physical contact; or using written material or [department/office] equipment and/or systems to transmit or receive offensive material, statements or pictures. Such conduct is contrary to [department/office] policy and to a work environment that is free of discrimination.
Discriminatory Harassment

328.3.2 SEXUAL HARASSMENT
The [Department/Office] prohibits all forms of discrimination and discriminatory harassment, including sexual harassment. It is unlawful to harass an applicant or a member because of that person's sex.

Sexual harassment includes, but is not limited to, unwelcome sexual advances, requests for sexual favors or other verbal, visual or physical conduct of a sexual nature when:

(a) Submission to such conduct is made either explicitly or implicitly a term or condition of employment, position or compensation.
(b) Submission to, or rejection of, such conduct is used as the basis for any employment decisions affecting the member.
(c) Such conduct has the purpose or effect of substantially interfering with a member's work performance or creating an intimidating, hostile, or offensive work environment.

328.3.3 ADDITIONAL CONSIDERATIONS
Discrimination and discriminatory harassment do not include actions that are in accordance with established rules, principles or standards, including:

(a) Acts or omission of acts based solely upon bona fide occupational qualifications under the Equal Employment Opportunity Commission (EEOC) and the California Fair Employment and Housing Council guidelines.
(b) Bona fide requests or demands by a supervisor that a member improve his/her work quality or output, that the member report to the job site on time, that the member comply with City or [department/office] rules or regulations, or any other appropriate work-related communication between supervisor and member.

328.3.4 RETALIATION
Retaliation is treating a person differently or engaging in acts of reprisal or intimidation against the person because he/she has engaged in protected activity, filed a charge of discrimination, participated in an investigation or opposed a discriminatory practice. Retaliation will not be tolerated.

328.4 RESPONSIBILITIES
This policy applies to all [department/office] personnel. All members shall follow the intent of these guidelines in a manner that reflects [department/office] policy, professional law enforcement standards and the best interest of the [Department/Office] and its mission.

Members are encouraged to promptly report any discriminatory, retaliatory or harassing conduct or known violations of this policy to a supervisor. Any member who is not comfortable with reporting violations of this policy to his/her immediate supervisor may bypass the chain of command and make the report to a higher-ranking supervisor or manager. Complaints may also be filed with the Chief of Police, the Personnel and Risk Management Administrator or the City Manager.
Discriminatory Harassment

Any member who believes, in good faith, that he/she has been discriminated against, harassed or subjected to retaliation, or who has observed harassment or discrimination, is encouraged to promptly report such conduct in accordance with the procedures set forth in this policy.

Supervisors and managers receiving information regarding alleged violations of this policy shall determine if there is any basis for the allegation and shall proceed with resolution as stated below.

328.4.1 SUPERVISOR RESPONSIBILITIES
The responsibilities of each supervisor and manager shall include, but are not limited to:

(a) Continually monitoring the work environment and striving to ensure that it is free from all types of unlawful discrimination, including harassment or retaliation.

(b) Taking prompt, appropriate action within their work units to avoid and minimize the incidence of any form of discrimination, harassment or retaliation.

(c) Ensuring that his/her subordinates understand their responsibilities under this policy.

(d) Ensuring that members who make complaints or who oppose any unlawful employment practices are protected from retaliation and that such matters are kept confidential to the extent possible.

(e) Making a timely determination regarding the substance of any allegation based upon all available facts.

(f) Notifying the Chief of Police or Personnel and Risk Management Administrator in writing of the circumstances surrounding any reported allegations or observed acts of discrimination, harassment or retaliation no later than the next business day.

328.4.2 SUPERVISOR'S ROLE
Because of differences in individual values, supervisors and managers may find it difficult to recognize that their behavior or the behavior of others is discriminatory, harassing or retaliatory. Supervisors and managers shall be aware of the following considerations:

(a) Behavior of supervisors and managers should represent the values of the [Department/Office] and professional law enforcement standards.

(b) False or mistaken accusations of discrimination, harassment or retaliation can have negative effects on the careers of innocent members.

Nothing in this section shall be construed to prevent supervisors or managers from discharging supervisory or management responsibilities, such as determining duty assignments, evaluating or counseling members or issuing discipline, in a manner that is consistent with established procedures.

328.4.3 QUESTIONS OR CLARIFICATION
Members with questions regarding what constitutes discrimination, sexual harassment, or retaliation are encouraged to contact a supervisor, a manager, the Chief of Police, the Personnel and Risk Management Administrator, the City Manager, or the California Department of Fair

Discriminatory Harassment

Employment and Housing (DFEH) for further information, direction, or clarification (Government Code § 12950).

328.5 INVESTIGATION OF COMPLAINTS
Various methods of resolution exist. During the pendency of any such investigation, the supervisor of the involved member should take prompt and reasonable steps to mitigate or eliminate any continuing abusive or hostile work environment. It is the policy of the [Department/Office] that all complaints of discrimination, retaliation or harassment shall be fully documented and promptly and thoroughly investigated.

328.5.1 SUPERVISORY RESOLUTION
Members who believe they are experiencing discrimination, harassment or retaliation should be encouraged to inform the individual that his/her behavior is unwelcome, offensive, unprofessional or inappropriate. However, if the member feels uncomfortable or threatened or has difficulty expressing his/her concern, or if this does not resolve the concern, assistance should be sought from a supervisor or manager who is a rank higher than the alleged transgressor.

328.5.2 FORMAL INVESTIGATION
If the complaint cannot be satisfactorily resolved through the process described above, a formal investigation will be conducted.

The person assigned to investigate the complaint will have full authority to investigate all aspects of the complaint. Investigative authority includes access to records and the cooperation of any members involved. No influence will be used to suppress any complaint and no member will be subject to retaliation or reprisal for filing a complaint, encouraging others to file a complaint or for offering testimony or evidence in any investigation.

Formal investigation of the complaint will be confidential to the extent possible and will include, but is not limited to, details of the specific incident, frequency and dates of occurrences and names of any witnesses. Witnesses will be advised regarding the prohibition against retaliation, and that a disciplinary process, up to and including termination, may result if retaliation occurs.

Members who believe they have been discriminated against, harassed or retaliated against because of their protected status, are encouraged to follow the chain of command but may also file a complaint directly with the Chief of Police, Personnel and Risk Management Administrator or the City Manager.

328.5.3 ALTERNATIVE COMPLAINT PROCESS
No provision of this policy shall be construed to prevent any member from seeking legal redress outside the [Department/Office]. Members who believe that they have been harassed, discriminated or retaliated against are entitled to bring complaints of employment discrimination to federal, state and/or local agencies responsible for investigating such allegations. Specific time limitations apply to the filing of such charges. Members are advised that proceeding with complaints under the provisions of this policy does not in any way affect those filing requirements.
Discriminatory Harassment

328.6 DOCUMENTATION OF COMPLAINTS
All complaints or allegations shall be thoroughly documented on forms and in a manner designated by the Chief of Police. The outcome of all reports shall be:

- Approved by the Chief of Police, the City Manager or the Personnel and Risk Management Administrator, depending on the ranks of the involved parties.
- Maintained in accordance with the [department/office]’s established records retention schedule.

328.6.1 NOTIFICATION OF DISPOSITION
The complainant and/or victim will be notified in writing of the disposition of the investigation and the actions taken to remedy or address the circumstances giving rise to the complaint.

328.7 TRAINING
All new members shall be provided with a copy of this policy as part of their orientation. The policy shall be reviewed with each new member. The member shall certify by signing the prescribed form that he/she has been advised of this policy, is aware of and understands its contents and agrees to abide by its provisions during his/her term with the [Department/Office].

All members shall receive annual training on the requirements of this policy and shall certify by signing the prescribed form that they have reviewed the policy, understand its contents and agree that they will continue to abide by its provisions.

(c) Any relevant statements the child may have made and to whom he/she made the statements.

(d) If a child was taken into protective custody, the reasons, the name and title of the person making the decision, and why other alternatives were not appropriate.

(e) Documentation of any visible injuries or any injuries identified by the child. This should include photographs of such injuries, if practicable.

(f) Whether the child victim was transported for medical treatment or a medical examination.

(g) Whether the victim identified a household member as the alleged perpetrator, and a list of the names of any other children who may reside in the residence.

(h) Identification of any prior related reports or allegations of child abuse, including other jurisdictions, as reasonably known.

(i) Previous addresses of the victim and suspect.

(j) Other potential witnesses who have not yet been interviewed, such as relatives or others close to the victim’s environment.

All cases of the unexplained death of a child should be investigated as thoroughly as if it had been a case of suspected child abuse (e.g., a sudden or unexplained death of an infant).

### 330.5.1 EXTRA JURISDICTIONAL REPORTS

If a report of known or suspected child abuse or neglect that is alleged to have occurred outside this jurisdiction is received, [department/office] members shall ensure that the caller is immediately transferred to the agency with proper jurisdiction for the investigation of the case. If the caller cannot be successfully transferred to the appropriate agency, a report shall be taken and immediately referred by telephone, fax or electronic transfer to the agency with proper jurisdiction (Penal Code 11165.9).

### 330.6 PROTECTIVE CUSTODY

Before taking any child into protective custody, the officer should make reasonable attempts to contact CPS. Generally, removal of a child from his/her family, guardian or other responsible adult should be left to the child welfare authorities when they are present or have become involved in an investigation.

Generally, members of this [department/office] should remove a child from his/her parent or guardian without a court order only when no other effective alternative is reasonably available and immediate action reasonably appears necessary to protect the child. Prior to taking a child into protective custody, the officer should take reasonable steps to deliver the child to another qualified parent or legal guardian, unless it reasonably appears that the release would endanger the child or result in abduction. If this is not a reasonable option, the officer shall ensure that the child is delivered to CPS.
Child Abuse

Whenever practicable, the officer should inform a supervisor of the circumstances prior to taking a child into protective custody. If prior notification is not practicable, officers should contact a supervisor promptly after taking a child into protective custody.

Children may only be removed from a parent or guardian in the following situations when a court order cannot reasonably be obtained in a timely manner (Welfare and Institutions Code § 305):

(a) The officer reasonably believes the child is a person described in Welfare and Institutions Code § 300, or a commercially exploited child under Penal Code § 647 and Penal Code § 653.22, and further has good cause to believe that any of the following conditions exist:

   1. The child has an immediate need for medical care.
   2. The child is in immediate danger of physical or sexual abuse.
   3. The physical environment or the fact that the child is left unattended poses an immediate threat to the child’s health or safety. In the case of a child left unattended, the officer shall first attempt to locate and determine if a responsible parent or guardian is available and capable of assuming custody before taking the child into protective custody.

(b) The officer reasonably believes the child requires protective custody under the provisions of Penal Code § 279.6, in one of the following circumstances:

   1. It reasonably appears to the officer that a person is likely to conceal the child, flee the jurisdiction with the child or, by flight or concealment, evade the authority of the court.
   2. There is no lawful custodian available to take custody of the child.
   3. There are conflicting custody orders or conflicting claims to custody and the parties cannot agree which party should take custody of the child.
   4. The child is an abducted child.

(c) The child is in the company of, or under the control of, a person arrested for Penal Code § 278 (Detainment or concealment of child from legal custodian) or Penal Code § 278.5 (Deprivation of custody of a child or right to visitation) (Penal Code § 279.6).

A child taken into protective custody shall be delivered to CPS unless otherwise directed by court order.

330.6.1 CALIFORNIA SAFELY SURRENDERED BABY LAW

An individual having lawful custody of an infant less than 72 hours old is not guilty of abandonment if the individual voluntarily surrenders physical custody of the infant to personnel on-duty at a safe-surrender site, such as a hospital or fire department (Penal Code § 271.5). The law requires the surrender site to notify CPS.
330.6.2 NEWBORNS TESTING POSITIVE FOR DRUGS
Under certain circumstances, officers can be prohibited from taking a newborn who is the subject of a proposed adoption into protective custody, even when the newborn has tested positive for illegal drugs or the birth mother tested positive for illegal drugs.

Officers shall instead follow the provisions of Welfare and Institutions Code § 305.6 to ensure that the newborn is placed with the adoptive parents when it is appropriate.

330.7 INTERVIEWS

330.7.1 PRELIMINARY INTERVIEWS
Absent extenuating circumstances or impracticality, officers should, when possible, record the preliminary interview with suspected child abuse victims. Officers should avoid multiple interviews with a child victim and should attempt to gather only the information necessary to begin an investigation. When practicable, investigating officers should defer interviews until a person who is specially trained in such interviews is available. Generally, child victims should not be interviewed in the home or location where the alleged abuse occurred.

330.7.2 DETAINING SUSPECTED CHILD ABUSE VICTIMS FOR AN INTERVIEW
An officer should not detain a child involuntarily who is suspected of being a victim of child abuse solely for the purpose of an interview or physical exam without the consent of a parent or guardian unless one of the following applies:

(a) Exigent circumstances exist, such as:
   1. A reasonable belief that medical issues of the child need to be addressed immediately.
   2. A reasonable belief that the child is or will be in danger of harm if the interview or physical exam is not immediately completed.
   3. The alleged offender is the custodial parent or guardian and there is reason to believe the child may be in continued danger.

(b) A court order or warrant has been issued.

330.7.3 INTERVIEWS AT A SCHOOL
Any student at school who is a suspected victim of child abuse shall be afforded the option of being interviewed in private or selecting any qualified available adult member of the school staff to be present. The purpose of the staff member’s presence is to provide comfort and support. The staff member shall not participate in the interview. The selection of a staff member should be such that it does not burden the school with costs or hardship (Penal Code § 11174.3).
330.8 MEDICAL EXAMINATIONS
If the child has been the victim of abuse that requires a medical examination, the investigating officer should obtain consent for such examination from the appropriate parent, guardian or agency having legal custody of the child. The officer should also arrange for the child’s transportation to the appropriate medical facility.

In cases where the alleged offender is the custodial parent or guardian and is refusing consent for the medical examination, officers should notify a supervisor before proceeding. If exigent circumstances do not exist or if state law does not provide for officers to take the child for a medical examination, the notified supervisor should consider obtaining a court order for such an examination.

330.9 DRUG-ENDANGERED CHILDREN
A coordinated response by law enforcement and social services agencies is appropriate to meet the immediate and longer-term medical and safety needs of children exposed to the manufacturing, trafficking or use of narcotics.

330.9.1 SUPERVISOR RESPONSIBILITIES
The Detective Division supervisor should:

(a) Work with professionals from the appropriate agencies, including CPS, other law enforcement agencies, medical service providers and local prosecutors to develop community specific procedures for responding to situations where there are children endangered by exposure to methamphetamine labs or the manufacture and trafficking of other drugs.

(b) Activate any available interagency response when an officer notifies the Detective Division supervisor that the officer has responded to a drug lab or other narcotics crime scene where a child is present or where evidence indicates that a child lives there.

(c) Develop a report format or checklist for use when officers respond to drug labs or other narcotics crime scenes. The checklist will help officers document the environmental, medical, social and other conditions that may affect the child.

330.9.2 OFFICER RESPONSIBILITIES
Officers responding to a drug lab or other narcotics crime scene where a child is present or where there is evidence that a child lives should:

(a) Document the environmental, medical, social and other conditions of the child using photography as appropriate and the checklist or form developed for this purpose.

(b) Notify the Detective Division supervisor so an interagency response can begin.

330.10 STATE MANDATES AND OTHER RELEVANT LAWS
California requires or permits the following:
330.10.1 RELEASE OF REPORTS
Information related to incidents of child abuse or suspected child abuse shall be confidential and may only be disclosed pursuant to state law and the Records Maintenance and Release Policy (Penal Code 841.5; Penal Code § 11167.5).

330.10.2 REQUESTS FOR REMOVAL FROM THE CHILD ABUSE CENTRAL INDEX (CACI)
Any person whose name has been forwarded to the California Department of Justice (DOJ) for placement in California’s CACI, as a result of an investigation, may request that his/her name be removed from the CACI list. Requests shall not qualify for consideration if there is an active case, ongoing investigation or pending prosecution that precipitated the entry to CACI (Penal Code § 11169). All requests for removal shall be submitted in writing by the requesting person and promptly routed to the CACI hearing officer.

330.10.3 CACI HEARING OFFICER
The Detective Division supervisor will normally serve as the hearing officer but must not be actively connected with the case that resulted in the person’s name being submitted to CACI. Upon receiving a qualified request for removal, the hearing officer shall promptly schedule a hearing to take place during normal business hours and provide written notification of the time and place of the hearing to the requesting party.

330.10.4 CACI HEARING PROCEDURES
The hearing is an informal process where the person requesting removal from the CACI list will be permitted to present relevant evidence (e.g., certified copy of an acquittal, factual finding of innocence) as to why his/her name should be removed. The person requesting the hearing may record the hearing at his/her own expense.

Formal rules of evidence will not apply and the hearing officer may consider, in addition to evidence submitted by the person requesting the hearing, any relevant information including, but not limited to, the following:

(a) Case reports including any supplemental reports
(b) Statements by investigators
(c) Statements from representatives of the District Attorney’s Office
(d) Statements by representatives of a child protective agency who may be familiar with the case

After considering all information presented, the hearing officer shall make a determination as to whether the requesting party’s name should be removed from the CACI list. Such determination shall be based on a finding that the allegations in the investigation are not substantiated (Penal Code § 11169).

If, after considering the evidence, the hearing officer finds that the allegations are not substantiated, he/she shall cause a request to be completed and forwarded to the DOJ that the
person’s name be removed from the CACI list. A copy of the hearing results and the request for removal will be attached to the case reports.

The findings of the hearing officer shall be considered final and binding.

330.10.5   CHILD DEATH REVIEW TEAM
This [department/office] should cooperate with any interagency child death review team investigation. Written and oral information relating to the death of a child that would otherwise be subject to release restrictions may be disclosed to the child death review team upon written request and approval of a supervisor (Penal Code § 11174.32).

330.11   TRAINING
The [Department/Office] should provide training on best practices in child abuse investigations to members tasked with investigating these cases. The training should include:

(a) Participating in multidisciplinary investigations, as appropriate.
(b) Conducting forensic interviews.
(c) Availability of therapy services for children and families.
(d) Availability of specialized forensic medical exams.
(e) Cultural competence (including interpretive services) related to child abuse investigations.

- A missing person who may be the victim of parental abduction.
- A mentally impaired missing person, including cognitively impaired or developmentally disabled.

Missing person - Any person who is reported missing to law enforcement when the person’s location is unknown. Missing person networks - Databases or computer networks available to law enforcement and that are suitable for information related to missing persons investigations. These include the National Crime Information Center (NCIC), the California Law Enforcement Telecommunications System (CLETS), Missing Person System (MPS) and the Unidentified Persons System (UPS).

332.2 POLICY
The Brawley Police Department does not consider any report of a missing person to be routine and assumes that the missing person is in need of immediate assistance until an investigation reveals otherwise. The Brawley Police Department gives missing person cases priority over property-related cases and will not require any time frame to pass before beginning a missing person investigation (Penal Code § 14211).

332.3 REQUIRED FORMS AND BIOLOGICAL SAMPLE COLLECTION KITS
The Investigation supervisor should ensure the forms and kits are developed and available in accordance with this policy, state law, federal law and the California Peace Officer Standards and Training (POST) Missing Persons Investigations guidelines, including:

- [Department/Office] report form for use in missing person cases
- Missing person investigation checklist that provides investigation guidelines and resources that could be helpful in the early hours of a missing person investigation (Penal Code § 13519.07)
Missing Persons

- Medical records release form from the California Department of Justice
- California DOJ missing person forms as appropriate
- Biological sample collection kits

332.4 ACCEPTANCE OF REPORTS
Any member encountering a person who wishes to report a missing person or runaway shall render assistance without delay (Penal Code § 14211). This can be accomplished by accepting the report via telephone or in-person and initiating the investigation. Those members who do not take such reports or who are unable to render immediate assistance shall promptly dispatch or alert a member who can take the report.

A report shall be accepted in all cases and regardless of where the person was last seen, where the person resides or any other question of jurisdiction (Penal Code § 14211).

332.5 INITIAL INVESTIGATION
Officers or other members conducting the initial investigation of a missing person should take the following investigative actions, as applicable:

(a) Respond to a dispatched call for service as soon as practicable.
(b) Interview the reporting party and any witnesses to determine whether the person qualifies as a missing person and, if so, whether the person may be at risk.
(c) Notify a supervisor immediately if there is evidence that a missing person is either at risk or may qualify for a public alert, or both (see the Public Alerts Policy).
(d) Broadcast a "Be on the Look-Out" (BOLO) bulletin if the person is under 21 years of age or there is evidence that the missing person is at risk. The BOLO should be broadcast as soon as practicable but in no event more than one hour after determining the missing person is under 21 years of age or may be at risk (Penal Code § 14211).
(e) Ensure that entries are made into the appropriate missing person networks as follows:
   1. Immediately, when the missing person is at risk.

4. Any other evidence that may assist in the investigation, including personal electronic devices (e.g., cell phones, computers).

(h) When circumstances permit and if appropriate, attempt to determine the missing person’s location through his/her telecommunications carrier.

(i) Contact the appropriate agency if the report relates to a previously made missing person report and another agency is actively investigating that report. When this is not practical, the information should be documented in an appropriate report for transmission to the appropriate agency. If the information relates to an at-risk missing person, the member should notify a supervisor and proceed with reasonable steps to locate the missing person.

332.6 REPORT PROCEDURES AND ROUTING
Employees should complete all missing person reports and forms promptly and advise the appropriate supervisor as soon as a missing person report is ready for review.

332.6.1 SUPERVISOR RESPONSIBILITIES

In addition to completing or continuing any actions listed above, the investigator assigned to a missing person investigation:

(a) Shall ensure that the missing person’s school is notified within 10 days if the missing person is a juvenile.
   1. The notice shall be in writing and should also include a photograph (Education Code § 49068.6).
   2. The investigator should meet with school officials regarding the notice as appropriate to stress the importance of including the notice in the child’s student file, along with contact information if the school receives a call requesting the transfer of the missing child’s files to another school.

(b) Should recontact the reporting person and/or other witnesses within 30 days of the initial report and within 30 days thereafter to determine if any additional information has become available via the reporting party.

(a) Closure is appropriate when the missing person is confirmed returned or evidence has matched an unidentified person or body.

(b) If the missing person is a resident of Brawley or this [department/office] is the lead agency, the case should be kept under active investigation for as long as the person may still be alive. Exhaustion of leads in the investigation should not be a reason for closing a case.
Missing Persons

(c) If this department/office is not the lead agency, the case can be made inactivate if all investigative leads have been exhausted, the lead agency has been notified and entries are made in the applicable missing person networks as appropriate.

(d) A missing person case should not be closed or reclassified because the person would have reached a certain age or adulthood or because the person is now the subject of a criminal or civil warrant.

Hate Crimes

338.1 PURPOSE AND SCOPE
This department recognizes and places a high priority on the rights of all individuals guaranteed under the Constitution and the laws of this state. When such rights are infringed upon by violence, threats or other harassment, this department will utilize all available resources to see that justice is served under the law. This policy has been developed to meet or exceed the provisions of Penal Code § 13519.6(c) and provides members of this department with guidelines for identifying and investigating incidents and crimes that may be motivated by hatred or other bias.

338.2 DEFINITIONS
Hate crimes - Penal Code § 422.55(a) defines a hate crime as a criminal act committed in whole or in part, because of one or more of the following actual or perceived characteristics of the victim:

(a) Disability
(b) Sex
(c) Nationality
(d) Race or ethnicity
(e) Religion
(f) Sexual orientation
(g) Association with a person or group with one or more of these actual or perceived characteristics
(h) Examples of hate crimes include, but are not limited to:

338.3 PREVENTING AND PREPARING FOR LIKELY HATE CRIMES
While it is recognized that not all crime can be prevented, this department is committed to taking a proactive approach to preventing and preparing for likely hate crimes by, among other things:

(a) Officer(s) will be promptly assigned to contact the victim, witness, or reporting party to investigate the matter further as circumstances may dictate.

(b) A supervisor should be notified of the circumstances as soon as practical.

(c) Once "in progress" aspects of any such situation have been stabilized (e.g., treatment of victims, apprehension of present suspects, etc.), the assigned officer(s) will take all reasonable steps to preserve available evidence that may tend to establish that a hate crime was involved.

(d) The assigned officer(s) will interview available witnesses, victims and others to determine what circumstances, if any, indicate that the situation may involve a hate crime. No victim of or a witness to a hate crime who is not otherwise charged with or convicted of a crime under state law may be detained for or turned over to federal authorities exclusively for any actual or suspected immigration violation (Penal Code § 422.93(b)).

(e) Depending on the situation, the assigned officer(s) or supervisor may request additional assistance from detectives or other resources to further the investigation.

(f) The assigned officer(s) will include all available evidence indicating the likelihood of a hate crime in the relevant report(s). All related reports will be clearly marked as "Hate Crimes" and, absent prior approval of a supervisor, will be completed and submitted by the assigned officer(s) before the end of the shift.

(g) The assigned officer(s) will provide the victim(s) of any suspected hate crime with a brochure on hate crimes (Penal Code § 422.92). Such brochures will also be available to members of the general public upon request. The assigned officer(s) should also make reasonable efforts to assist the victim(s) by providing available information on local assistance programs and organizations.
(h) The assigned officer(s) and supervisor should take reasonable steps to ensure that any such situation does not escalate further (e.g., Possible Temporary Restraining Order through the District Attorney or City Attorney Penal Code § 136.2 or Civil Code § 52.1 as indicated).

Any other introduction of software requires prior authorization from IT staff and a full scan for malicious attachments.

Internet sites containing information that is not appropriate or applicable to [department/office] use and which shall not be intentionally accessed include but are not limited to adult forums, pornography, gambling, chat rooms, and similar or related internet sites. Certain exceptions may be permitted with the express approval of a supervisor as a function of a member’s assignment.

Downloaded information shall be limited to messages, mail, and data files.

342.4.4 OFF-DUTY USE
Members shall only use technology resources provided by the [Department/Office] while on-duty or in conjunction with specific on-call assignments unless specifically authorized by a supervisor. This includes the use of telephones, cell phones, texting, email or any other "off the clock" work-related activities. Report Preparation

344.1 PURPOSE AND SCOPE
Report preparation is a major part of each officer’s job. The purpose of reports is to document sufficient information to refresh the officer’s memory and to provide sufficient information for follow-up investigation and successful prosecution. Report writing is the subject of substantial formalized training and on-the-job training.

344.1.1 REPORT PREPARATION
Employees should insure that reports are sufficiently detailed for their purpose and free from errors prior to submission. It is the responsibility of the assigned employee to complete and submit all reports taken during the shift before going off-duty unless permission to hold the report has been approved by a supervisor. Generally, reports requiring prompt follow-up action on active leads, or arrest reports where the suspect remains in custody should not be held.

Reports should primarily be computer generated and entered into the department’s Record Management System (RMS). Handwritten reports and forms must be prepared legibly. If the form or report is not legible, the submitting employee will be required by the reviewing supervisor to promptly make corrections and resubmit the work product. Employees who dictate reports shall use appropriate grammar, as content is not the responsibility of the typist.

All reports shall accurately reflect the identity of the persons involved, current contact information for involved parties, all pertinent information seen, heard or assimilated by any other sense, and any actions taken. Employees shall not suppress, conceal or distort the facts of any reported incident, nor shall any employee make a false report orally or in writing. Generally, the reporting employee’s opinions should not be included in reports unless specifically identified as such.

Supervisors may require, with the foregoing general policy in mind, block printing or typing of reports of any nature for [department/office] consistency.

344.3.2 GENERAL USE OF OTHER HANDWRITTEN FORMS
County, state and federal agency forms may be block printed as appropriate. In general, the form itself may make the requirement for typing apparent.

If a correction is necessary, the reviewing supervisor should return the report electronically or complete the Report Correction form stating the reasons for rejection. The original report and the correction form should be returned to the reporting employee for correction as soon as practical. 346.1 PURPOSE AND SCOPE
This policy provides guidelines for media releases and media access to scenes of disasters, criminal investigations, emergencies and other law enforcement activities.

2. Whenever the presence of media or other aircraft pose a threat to public or officer safety or significantly hampers incident operations, the field supervisor should consider requesting a Temporary Flight Restriction (TFR). All requests for a TFR should be routed through the Watch Commander. 350.5.2 RESERVE OFFICER MEETINGS
All reserve officer meetings will be scheduled and conducted by the Reserve Coordinator. All reserve officers are required to attend scheduled meetings. Any absences must be satisfactorily explained to the Reserve Coordinator.

350.5.3 IDENTIFICATION OF RESERVE OFFICERS
All reserve officers will be issued a uniform badge and a [Department/Office] identification card. The uniform badge shall be the same as that worn by a regular full-time officer. The identification card will be the standard identification card with the exception that "Reserve" will be indicated on the card.

350.5.4 UNIFORM
Reserve officers shall conform to all uniform regulation and appearance standards of this [department/office].

350.5.5 INVESTIGATIONS AND COMPLAINTS
If a reserve officer has a complaint made against him/her or becomes involved in an internal investigation, that complaint or internal investigation may be investigated by the Reserve Coordinator, at the discretion of the Operations Division Commander.

Reserve officers are considered at-will employees. Government Code § 3300 et seq. applies to reserve officers with the exception that the right to hearing is limited to the opportunity to clear their name.

Any disciplinary action that may have to be administered to a reserve officer shall be accomplished as outlined in the Policy Manual.
350.5.6 RESERVE OFFICER EVALUATIONS
While in training reserves will be continuously evaluated using standardized daily and weekly observation reports. The reserve will be considered a trainee until all of the training phases have been completed. Reserves having completed their field training will be evaluated annually using performance dimensions applicable to the duties and authorities granted to that reserve.

350.6 FIREARMS REQUIREMENTS
Penal Code § 830.6(a)(1) designates a reserve officer as having peace officer powers during his/her assigned tour of duty, provided the reserve officer qualifies or falls within the provisions of Penal Code § 832.6.

350.6.1 CARRYING WEAPON ON DUTY
Penal Code § 830.6(a)(1) permits qualified reserve officers to carry a loaded firearm while on-duty. It is the policy of this [department/office] to allow reserves to carry firearms only while on-duty or to and from duty.

350.6.2 CONCEALED FIREARMS PROHIBITED
No reserve officer will be permitted to carry a concealed firearm while in an off-duty capacity, other than to and from work, except those reserve officers who possess a valid CCW permit. An instance may arise where a reserve officer is assigned to a plainclothes detail for his/her assigned tour of duty. Under these circumstances, the reserve officer may be permitted to carry a weapon more suited to the assignment with the knowledge and approval of the supervisor in charge of the detail.

Any reserve officer who is permitted to carry a firearm other than the assigned duty weapon may do so only after verifying that the weapon conforms to [department/office] standards. The weapon must be registered by the reserve officer and be inspected and certified as fit for service by a [department/office] armorer.

Before being allowed to carry any optional firearm during an assigned tour of duty, the reserve officer shall have demonstrated his/her proficiency with said weapon.

When a reserve officer has satisfactorily completed all three phases of training (as outlined in the Field Training section), he/she may be issued a permit to carry a concealed weapon. The decision to issue a concealed weapon permit will be made by the Chief of Police with input from the Reserve Program Coordinator and administrative staff. In issuing a concealed weapon permit a reserve officer's qualification will be individually judged. A reserve officer's dedication to the program and demonstrated maturity, among other factors, will be considered before a concealed weapon permit will be issued. Once issued, the concealed weapon permit will be valid only for as long as the reserve officer remains in good standing as a Reserve Officer with the Brawley Police Department.

350.6.3 RESERVE OFFICER FIREARM TRAINING
All reserve officers are required to maintain proficiency with firearms used in the course of their assignments. Reserve officers shall comply with all areas of the firearms training section of the Policy Manual,

(b) officers [department/office]

350.7 EMERGENCY CALL-OUT FOR RESERVE PERSONNEL
The Reserve Coordinator shall develop a plan outlining an emergency call-out procedure for reserve personnel.
Outside Agency Assistance

352.1 PURPOSE AND SCOPE
The purpose of this policy is to provide guidance to members when requesting or responding to a request for mutual aid or when assisting another law enforcement agency.

352.2 POLICY
It is the policy of the Brawley Police Department to promptly respond to requests for assistance by other law enforcement agencies, subject to available resources and consistent with the applicable laws and policies of this [department/office].

352.3 ASSISTING OUTSIDE AGENCIES
Generally, requests for any type of assistance from another agency should be routed to the Watch Commander’s office for approval. In some instances, a memorandum of understanding or other established protocol may exist that eliminates the need for approval of individual requests.

When another law enforcement agency requests assistance from this [department/office], the Watch Commander may authorize, if available, an appropriate number of personnel to assist. Members are reminded that their actions when rendering assistance must conform with applicable laws and be consistent with the policies of this [department/office].

Officers may respond to a request for emergency assistance, however, they shall notify a supervisor of their activity as soon as practicable.

Arrestees may be temporarily detained by this [department/office] until arrangements for transportation are made by the outside agency. Probation violators who are temporarily detained by this [department/office] will not ordinarily be booked at this [department/office]. Only in exceptional circumstances, and subject to supervisor approval, will this [department/office] provide transportation of arrestees to other facilities on behalf of another agency.

352.3.1 INITIATED ACTIVITY
Any on-duty officer who engages in law enforcement activities of any type that are not part of a mutual aid request and take place outside the jurisdiction of the Brawley Police Department shall notify his/her supervisor or the Watch Commander and the Communications Center as soon as practicable. This requirement does not apply to special enforcement details or multi-agency units that regularly work in multiple jurisdictions.

352.4 REQUESTING OUTSIDE ASSISTANCE
If assistance is needed from another agency, the member requesting assistance should, if practicable, first notify a supervisor. The handling member or supervisor should direct assisting personnel to where they are needed and to whom they should report when they arrive.
The requesting member should arrange for appropriate radio communication capabilities, if necessary and available, so that communication can be coordinated between assisting personnel.

352.5 REPORTING REQUIREMENTS
Incidents of outside assistance or law enforcement activities that are not documented in a crime report shall be documented in a general case report or as directed by the Watch Commander.

352.6 MANDATORY SHARING
Equipment and supplies purchased with federal funds or grants that require such equipment and supplies be shared with other agencies should be documented and updated as necessary by the Administrative Services Division Commander or the authorized designee.

The documentation should include:

(a) The conditions relative to sharing.
(b) The training requirements for:
   (a) The use of the supplies and equipment.
   (b) The members trained in the use of the supplies and equipment.
   (c) Any other requirements for use of the equipment and supplies.

Copies of the documentation should be provided to the Communications Center and the Watch Commander to ensure use of the equipment and supplies is in compliance with the applicable sharing agreements.

The Administrative Sergeant should maintain documentation that the appropriate members have received the required training.
Registered Offender Information

356.1 PURPOSE AND SCOPE
This policy establishes guidelines by which the Brawley Police Department will address issues associated with certain offenders who are residing in the jurisdiction and how the Department will disseminate information and respond to public inquiries for information about registered sex, arson and drug offenders.

356.2 POLICY
It is the policy of the Brawley Police Department to identify and monitor registered offenders living within this jurisdiction and to take reasonable steps to address the risks those persons may pose.

356.3 REGISTRATION
The Detective Division Supervisor shall establish a process to reasonably accommodate registration of certain offenders. The process should rebut any allegation on the part of the offender that the registration process was too confusing, burdensome or difficult for compliance. If it is reasonable to do so, an investigator assigned to related investigations should conduct the registration in order to best evaluate any threat the person may pose to the community. Employees assigned to register offenders should receive appropriate training regarding the registration process.

Upon conclusion of the registration process, the investigator shall ensure that the registration information is provided to the California Department of Justice (DOJ) in accordance with applicable law (Health and Safety Code § 11594; Penal Code § 457.1; Penal Code § 290 et seq).

The refusal of a registrant to provide any of the required information or complete the process should initiate a criminal investigation for failure to register.

356.3.1 CONTENTS OF REGISTRATION
The information collected from the registering offenders shall include a signed statement as required by the California DOJ, fingerprints and a photograph and any other information required by applicable law (Health and Safety Code § 11594; Penal Code § 457.1; Penal Code § 290 et seq.).

356.4 MONITORING OF REGISTERED OFFENDERS
The Detective Division Supervisor should establish a system to periodically, and at least once annually, verify that a registrant remains in compliance with his/her registration requirements after the initial registration. This verification should include:

(a) Efforts to confirm residence using an unobtrusive method, such as an Internet search or drive-by of the declared residence.

(b) Review of information on the California DOJ website for sex offenders.

(c) Contact with a registrant's parole or probation officer.
Any discrepancies should be reported to the California DOJ.

The Detective Division Supervisor should also establish a procedure to routinely disseminate information regarding registered offenders to Brawley Police Department personnel, including timely updates regarding new or relocated registrants.

### 356.5 DISSEMINATION OF PUBLIC INFORMATION

Employees will not unilaterally make a public notification advising the community of a particular registrant's presence in the community. Employees who identify a significant risk or other public safety issue associated with a registrant should promptly advise their supervisor. The supervisor should evaluate the request and forward the information to the Chief of Police if warranted. A determination will be made by the Chief of Police, with the assistance of legal counsel as necessary, whether such a public alert should be made.

Members of the public requesting information on sex registrants should be provided the Megan's Law website or the Brawley Police Department's website.

The Records Supervisor may release local registered offender information to residents only in accordance with applicable law (Penal Code § 290.45; Penal Code § 290.46; Penal Code § 457.1; Health and Safety Code § 11594), and in compliance with a California Public Records Act (Government Code § 6250-6276.48) request.

### 356.5.1 LIMITED RELEASE WITHIN COLLEGE CAMPUS COMMUNITY

California law allows the following additional information regarding a registered sex offender on campus, whose information is not available to the public via the Internet website, to be released to a campus community (Penal Code § 290.01(d)):

- (a) The offender's full name
- (b) The offender's known aliases
- (c) The offender's sex
- (d) The offender's race
- (e) The offender's physical description
- (f) The offender's photograph
- (g) The offender's date of birth
- (h) Crimes resulting in the registration of the offender under Penal Code § 290
- (i) The date of last registration

For purposes of this section, campus community shall be defined as those persons present at or regularly frequenting any place constituting campus property, satellite facilities, laboratories, public areas contiguous to the campus and other areas set forth in Penal Code § 290.01(d).
356.5.2 RELEASE NOTIFICATIONS

Registrant information that is released should include notification that:

(a) The offender registry includes only those persons who have been required by law to register and who are in compliance with the offender registration laws.

(b) The information is provided as a public service and may not be current or accurate.

(c) Persons should not rely solely on the offender registry as a safeguard against offenses in their communities.

(d) The crime for which a person is convicted may not accurately reflect the level of risk.

(e) Anyone who uses information contained in the registry to harass registrants or commit any crime may be subject to criminal prosecution.

(f) The purpose of the release of information is to allow members of the public to protect themselves and their children from sex offenders (Penal Code 290.45).
Major Incident Notification

358.1 PURPOSE AND SCOPE
The purpose of this policy is to provide guidance to members of this department in determining when, how and to whom notification of major incidents should be made.

358.2 POLICY
The Brawley Police Department recognizes that certain incidents should be brought to the attention of supervisors or other specified personnel of this department to facilitate the coordination of activities and ensure that inquiries from the media and the public may be properly addressed.

358.3 MINIMUM CRITERIA FOR NOTIFICATION
Most situations where the media show a strong interest are also of interest to the Chief of Police and the affected Division Commander. The following list of incident types is provided as a guide for notification and is not intended to be all inclusive:

The Watch Commander shall attempt to make the notifications as soon as practicable. Notification should be made by calling the home telephone number first and then by any other available contact numbers.

358.4.1 STAFF NOTIFICATION
In the event an incident occurs described in Policy Manual § 358.2, the Chief of Police shall be notified along with the affected Division Commander and the Detective Lieutenant if that division is affected.
Major Incident Notification

358.4.2 DETECTIVE NOTIFICATION
If the incident requires that a detective respond from home, the immediate supervisor of the appropriate detail shall be contacted who will then contact the appropriate detective.

358.4.3 TRAFFIC BUREAU NOTIFICATION
In the event of a traffic fatality or major injury, the Traffic Sergeant shall be notified who will then contact the appropriate accident investigator. The Traffic Sergeant will notify the Traffic Lieutenant.

358.4.4 PUBLIC INFORMATION OFFICER (PIO)
The Public Information Officer shall be called after members of staff have been notified that it appears the media may have a significant interest in the incident.
Death Investigation

360.1 PURPOSE AND SCOPE
The investigations of cases involving death include those ranging from natural cause to homicide. Some causes of death may not be readily apparent and some cases differ substantially from what they appeared to be initially. The thoroughness of death investigations cannot be emphasized enough.

360.2 INVESTIGATION CONSIDERATIONS
Death investigation cases require certain actions be taken. Paramedics shall be called in all suspected death cases unless the death is obvious (decapitated, decomposed, etc.). A supervisor shall be notified in all death investigations.

360.2.1 CORONER REQUEST
Government Code § 27491 and Health & Safety Code § 102850 direct the Coroner to inquire into and determine the circumstances, manner and cause of certain deaths. The Coroner shall be called in any of the following cases:

(a) Unattended deaths (No physician in attendance or during the continued absence of the attending physician. Also, includes all deaths outside hospitals and nursing care facilities.).

(b) Deaths where the deceased has not been attended by either a physician or a registered nurse, who is a member of a hospice care interdisciplinary team, as defined by subdivision (e) of Section 1746 of the Health and Safety Code in the 20 days prior to death.

(c) Physician unable to state the cause of death. Unwillingness does not apply. Includes all sudden, unexpected and unusual deaths and fetal deaths when the underlying cause is unknown.

(d) Known or suspected homicide.

(e) Known or suspected suicide.

(f) Involving any criminal action or suspicion of a criminal act. Includes child and dependent adult negligence and abuse.

(g) Related to or following known or suspected self-induced or criminal abortion.

(h) Associated with a known or alleged rape or crime against nature.

(i) Following an accident or injury (primary or contributory). Deaths known or suspected as resulting (in whole or in part) from or related to accident or injury, either old or recent.

(j) Drowning, fire, hanging, gunshot, stabbing, cutting, starvation, exposure, alcoholism, drug addiction, strangulation or aspiration.

The body shall not be disturbed or moved from the position or place of death without permission of the coroner.

360.2.2 SEARCHING DEAD BODIES
The Coroner or Deputy Coroner is generally the only person permitted to search a body known to be dead from any of the circumstances set forth in Government Code § 27491. The only exception is that an officer is permitted to search the body of a person killed in a traffic collision for the limited purpose of locating an anatomical donor card (Government Code § 27491.3). If such a donor card is located, the Coroner or a designee shall be promptly notified. Should exigent circumstances indicate to an officer that any search of a known dead body is warranted prior to the arrival of the Coroner or a designee; the investigating officer shall first obtain verbal consent from the Coroner or a designee (Government Code § 27491.2).

Whenever possible, a witness, preferably a relative to the deceased or a member of the household, should be requested to remain at the scene with the officer pending the arrival of the Coroner or a designee. The name and address of this person shall be included in the narrative of the death report. Whenever personal effects are removed from the body of the deceased by the Coroner or a designee, a receipt shall be obtained. This receipt shall be attached to the death report.

360.2.3 DEATH NOTIFICATION
When practical, and if not handled by the Coroner's Office, notification to the next-of-kin of the deceased person shall be made, in person, by the officer assigned to the incident. If the next-of-kin lives in another jurisdiction, a law enforcement official from that jurisdiction shall be requested to make the personal notification. If the relatives live outside this county, the Coroner may be requested to make the notification. The Coroner needs to know if notification has been made. Assigned detectives may need to talk to the next-of-kin.
360.2.4 UNIDENTIFIED DEAD BODIES
If the identity of a dead body cannot be established after the Coroner arrives, the Coroner's office will issue a "John Doe" or "Jane Doe" number for the report.

360.2.5 DEATH INVESTIGATION REPORTING
All incidents involving a death shall be documented on the appropriate form.

360.2.6 SUSPECTED HOMICIDE
If the initially assigned officer suspects that the death involves a homicide or other suspicious circumstances, the Investigations Division shall be notified and a detective shall respond to the scene for further immediate investigation. In the unlikely event that a Detective is unable to respond the Watch Commander shall maintain the integrity of the scene and notify the Operations Division Commander as soon as practical.

360.2.7 EMPLOYMENT RELATED DEATHS OR INJURIES
Any member of this agency who responds to and determines that a death, serious illness, or serious injury has occurred as a result of an accident at or in connection with the victim's employment shall ensure that the nearest office of Cal-OSHA is notified by telephone or teletype with all pertinent information (8 CCR 342(b)).
Identity Theft

362.1 PURPOSE AND SCOPE
Identity theft is a growing trend that frequently involves related crimes in multiple jurisdictions. This policy is intended to provide guidelines for the reporting and investigation of such crimes.

362.2 REPORTING
(a) In an effort to maintain uniformity in reporting, officers presented with the crime of identity theft (Penal Code § 530.6) shall initiate a report and provide a Brawley Police Department Identity Theft Victim's Packet (Exhibit A, 362.2.1) noting the report Incident number on page one of the packet, for victims residing within the jurisdiction of this department when the crime occurred. Victims shall be instructed to complete the packet and return it to the Department as soon as possible. For incidents of identity theft occurring outside this jurisdiction, officers should observe the following:

1. For any victim not residing within this jurisdiction, the officer may either take a courtesy report to be forwarded to the victim's residence agency or the victim should be encouraged to promptly report the identity theft to the law enforcement agency where he or she resides.

(b) While the crime of identity theft should be reported to the law enforcement agency where the victim resides, officers of this department should investigate and report crimes occurring within this jurisdiction which have resulted from the original identity theft (e.g., the identity theft occurred elsewhere, but the credit card fraud occurred and is reported in this jurisdiction).

(c) Officers should include all known incidents of fraudulent activity (e.g., credit card number applied for in victim's name when the victim has never made such an application).

(d) Officers should also cross-reference all known reports made by the victim (e.g., U.S. Secret Service, credit reporting bureaus, U.S. Postal Service and DMV) with all known report numbers.

(e) The reporting officer should inform victims of identity theft that the California Identity Theft Registry is available to help those who are wrongly linked to crimes. The registry can be checked by law enforcement and other authorized persons to investigate whether a criminal history or want was created in the victim's name (Penal Code § 530.7). Information regarding the California Identity Theft Registry can be obtained by calling toll free (888) 880-0240.

(f) Following supervisory review and departmental processing, the initial report should be forwarded to the appropriate detective for follow up investigation, coordination with other agencies and prosecution as circumstances dictate.
Identity Theft

362.2.1 EXHIBIT A: BRAWLEY POLICE DEPARTMENT IDENTITY THEFT VICTIM PACKET
Private Persons Arrests

364.1 PURPOSE AND SCOPE
The purpose of this policy is to provide guidance for the handling of private person's arrests made pursuant to Penal Code § 837.

364.2 ADVISING PRIVATE PERSONS OF THE ARREST PROCESS
Penal Code § 836(b) expressly mandates that all officers shall advise victims of domestic violence of the right to make a private person's arrest, including advice on how to safely execute such an arrest. In all other situations, officers should use sound discretion in determining whether or not to advise an individual of the arrest process.

(a) When advising any individual regarding the right to make a private person's arrest, officers should refrain from encouraging or dissuading any individual from making such an arrest and should instead limit advice to the legal requirements for such an arrest as listed below.

(b) Private individuals should be discouraged from using force to effect a private person's arrest, and absent immediate threat to their own safety or the safety of others, private individuals should be encouraged to refer matters to law enforcement officials for further investigation or arrest.

364.3 ARRESTS BY PRIVATE PERSONS
Penal Code § 837 provides that a private person may arrest another:

(a) For a public offense committed or attempted in his or her presence;

(b) When the person arrested has committed a felony, although not in his or her presence;

(c) When a felony has been in fact committed, and he or she has reasonable cause for believing the person arrested has committed it.

Unlike peace officers, private persons may not make an arrest on suspicion that a felony has been committed - the felony must in fact have taken place.

364.4 OFFICER RESPONSIBILITIES
Any officer presented with a private person wishing to make an arrest must determine whether or not there is reasonable cause to believe that such an arrest would be lawful (Penal Code § 847).

(a) Should any officer determine that there is no reasonable cause to believe that a private person's arrest is lawful, the officer should take no action to further detain or restrain the individual beyond that which reasonably appears necessary to investigate the matter, determine the lawfulness of the arrest and protect the public safety.
Private Persons Arrests

1. Any officer who determines that a private person's arrest appears to be unlawful should promptly release the arrested individual pursuant to Penal Code § 849(b) (1). The officer must include the basis of such a determination in a related report.

2. Absent reasonable cause to support a private person's arrest or other lawful grounds to support an independent arrest by the officer, the officer should advise the parties that no arrest will be made and that the circumstances will be documented in a related report.

(b) Whenever an officer determines that there is reasonable cause to believe that a private person's arrest is lawful, the officer may exercise any of the following options:

1. Take the individual into physical custody for booking
2. Release the individual pursuant to a Notice to Appear
3. Release the individual pursuant to Penal Code § 849

364.5 REPORTING REQUIREMENTS

In all circumstances in which a private person is claiming to have made an arrest, the individual must complete and sign a department Private Person's Arrest form under penalty of perjury.

In addition to the Private Person's Arrest Form (and any other related documents such as citations, booking forms, etc.), officers shall complete a narrative report regarding the circumstances and disposition of the incident.
Anti-Reproductive Rights Crimes Reporting

366.1 PURPOSE AND SCOPE
This policy shall establish a procedure for the mandated reporting of Anti-Reproductive Rights Crimes (ARRC) to the Attorney General pursuant to the Reproductive Rights Law Enforcement Act (Penal Code § 13775 et seq.).

366.2 DEFINITIONS
Penal Code § 423.2 provides that the following acts shall be considered Anti-Reproductive Rights Crimes (ARRC) when committed by any person, except a parent or guardian acting towards his or her minor child or ward:

(a) By force, threat of force, or physical obstruction that is a crime of violence, intentionally injures, intimidates, interferes with, or attempts to injure, intimidate, or interfere with any person or entity because that person or entity is a reproductive health services client, provider, or assistant, or in order to intimidate any person or entity, or any class of persons or entities, from becoming or remaining a reproductive health services client, provider, or assistant

(b) By non-violent physical obstruction, intentionally injures, intimidates, or interferes with, or attempts to injure, intimidate, or interfere with, any person or entity because that person or entity is a reproductive health services client, provider, or assistant, or in order to intimidate any person or entity, or any class of persons or entities, from becoming or remaining a reproductive health services client, provider or assistant

(c) Intentionally damages or destroys the property of a person, entity, or facility, or attempts to do so, because the person, entity, or facility is a reproductive health services client, provider, assistant, or facility

366.3 REPORTING REQUIREMENTS TO THE ATTORNEY GENERAL

(a) Upon the receipt of the report of an ARRC, it shall be the responsibility of the employee taking such a report to also complete an ARRC Data Collection Worksheet (BCIA 8371) in accordance with the instructions contained on such forms.

(b) The ARRC Data Collection Worksheet shall be processed with all related reports and forwarded to the Investigation Division Commander.

(c) By the tenth day of each month, it shall be the responsibility of the Investigation Division Commander to ensure that a Summary Worksheet (BCIA 8370) is submitted to the Department of Justice Criminal Justice Statistics Center.

1. In the event that no ARRC(s) were reported during the previous month, a Summary Worksheet shall be submitted to Department of Justice with an indication that no such crimes were reported.
2. Any ARRC(s) reported in the Summary Worksheet shall be accompanied by a copy of the related Data Collection Worksheet(s).
Limited English Proficiency Services

368.1 PURPOSE AND SCOPE
This policy provides guidance to members when communicating with individuals with limited English proficiency (LEP) (42 USC § 2000d).

368.1.1 DEFINITIONS
Definitions related to this policy include:

**Authorized interpreter** - A person who has been screened and authorized by the Department to act as an interpreter and/or translator for others.

**Interpret or interpretation** - The act of listening to a communication in one language (source language) and orally converting it to another language (target language), while retaining the same meaning.

**Limited English proficient (LEP)** - Any individual whose primary language is not English and who has a limited ability to read, write, speak or understand English. These individuals may be competent in certain types of communication (e.g., speaking or understanding) but still be LEP for other purposes (e.g., reading or writing). Similarly, LEP designations are context-specific; an individual may possess sufficient English language skills to function in one setting but these skills may be insufficient in other situations.

**Qualified bilingual member** - A member of the Brawley Police Department, designated by the Department, who has the ability to communicate fluently, directly and accurately in both English and another language. Bilingual members may be fluent enough to communicate in a non-English language but may not be sufficiently fluent to interpret or translate from one language into another.

**Translate or translation** - The replacement of written text from one language (source language) into an equivalent written text (target language).

368.2 POLICY
It is the policy of the Brawley Police Department to reasonably ensure that LEP individuals have meaningful access to law enforcement services, programs and activities, while not imposing undue burdens on its members.

The Department will not discriminate against or deny any individual access to services, rights or programs based upon national origin or any other protected interest or right.

368.3 LEP COORDINATOR
The Chief of Police shall delegate certain responsibilities to an LEP Coordinator. The LEP Coordinator shall be appointed by, and directly responsible to, the Operations Division Commander or the authorized designee.

The responsibilities of the LEP Coordinator include, but are not limited to:
Limited English Proficiency Services

(a) Coordinating and implementing all aspects of the Brawley Police Department’s LEP services to LEP individuals.

(b) Developing procedures that will enable members to access LEP services, including telephonic interpreters, and ensuring the procedures are available to all members.

(c) Ensuring that a list of all qualified bilingual members and authorized interpreters is maintained and available to each Watch Commander and Dispatch Supervisor. The list should include information regarding the following:
   1. Languages spoken
   2. Contact information
   3. Availability

(d) Ensuring signage stating that interpreters are available free of charge to LEP individuals is posted in appropriate areas and in the most commonly spoken languages.

(e) Reviewing existing and newly developed documents to determine which are vital documents and should be translated, and into which languages the documents should be translated.

(f) Annually assessing demographic data and other resources, including contracted language services utilization data and community-based organizations, to determine if there are additional documents or languages that are appropriate for translation.

(g) Identifying standards and assessments to be used by the Department to qualify individuals as qualified bilingual members or authorized interpreters.

(h) Periodically reviewing efforts of the Department in providing meaningful access to LEP individuals, and, as appropriate, developing reports, new procedures or recommending modifications to this policy.

(i) Receiving and responding to complaints regarding department LEP services.

(j) Ensuring appropriate processes are in place to provide for the prompt and equitable resolution of complaints and inquiries regarding discrimination in access to department services, programs and activities.

368.4 FOUR-FACTOR ANALYSIS
Since there are many different languages that members could encounter, the Department will utilize the four-factor analysis outlined in the U.S. Department of Justice (DOJ) Guidance to Federal Financial Assistance Recipients, available at the DOJ website, to determine which measures will provide meaningful access to its services and programs. It is recognized that law enforcement contacts and circumstances will vary considerably. This analysis, therefore, must remain flexible and will require an ongoing balance of four factors, which are:
Limited English Proficiency Services

(a) The number or proportion of LEP individuals eligible to be served or likely to be encountered by department members, or who may benefit from programs or services within the jurisdiction of the Department or a particular geographic area.

(b) The frequency with which LEP individuals are likely to come in contact with department members, programs or services.

(c) The nature and importance of the contact, program, information or service provided.

(d) The cost of providing LEP assistance and the resources available.

368.5 TYPES OF LEP ASSISTANCE AVAILABLE

Brawley Police Department members should never refuse service to an LEP individual who is requesting assistance, nor should they require an LEP individual to furnish an interpreter as a condition for receiving assistance. The Department will make every reasonable effort to provide meaningful and timely assistance to LEP individuals through a variety of services.

The Department will utilize all reasonably available tools, such as language identification cards, when attempting to determine an LEP individual's primary language.

LEP individuals may choose to accept department-provided LEP services at no cost or they may choose to provide their own.

Department-provided LEP services may include, but are not limited to, the assistance methods described in this policy.

368.6 WRITTEN FORMS AND GUIDELINES

Vital documents or those that are frequently used should be translated into languages most likely to be encountered. The LEP Coordinator will arrange to make these translated documents available to members and other appropriate individuals, as necessary.

368.7 AUDIO RECORDINGS

The Department may develop audio recordings of important or frequently requested information in a language most likely to be understood by those LEP individuals who are representative of the community being served.

368.8 QUALIFIED BILINGUAL MEMBERS

Bilingual members may be qualified to provide LEP services when they have demonstrated through established department procedures a sufficient level of skill and competence to fluently communicate in both English and a non-English language. Members utilized for LEP services must demonstrate knowledge of the functions of an interpreter/translator and the ethical issues involved when acting as a language conduit. Additionally, bilingual members must be able to communicate technical and law enforcement terminology, and be sufficiently proficient in the non-English language to perform complicated tasks, such as conducting interrogations, taking statements, collecting evidence or conveying rights or responsibilities.
Limited English Proficiency Services

When a qualified bilingual member from this department is not available, personnel from other City departments, who have been identified by the Department as having the requisite skills and competence, may be requested.

368.9  AUTHORIZED INTERPRETERS
Any person designated by the Department to act as an authorized interpreter and/or translator must have demonstrated competence in both English and the involved non-English language, must have an understanding of the functions of an interpreter that allows for correct and effective translation, and should not be a person with an interest in the department case or investigation involving the LEP individual. A person providing interpretation or translation services may be required to establish the accuracy and trustworthiness of the interpretation or translation in a court proceeding.

Authorized interpreters must pass a screening process established by the LEP Coordinator which demonstrates that their skills and abilities include:

(a) The competence and ability to communicate information accurately in both English and in the target language.

(b) Knowledge, in both languages, of any specialized terms or concepts peculiar to this department and of any particularized vocabulary or phraseology used by the LEP individual.

(c) The ability to understand and adhere to the interpreter role without deviating into other roles, such as counselor or legal adviser.

(d) Knowledge of the ethical issues involved when acting as a language conduit.

368.9.1  SOURCES OF AUTHORIZED INTERPRETERS
The Department may contract with authorized interpreters who are available over the telephone. Members may use these services with the approval of a supervisor and in compliance with established procedures.

Other sources may include:

• Qualified bilingual members of this department or personnel from other City departments.
• Individuals employed exclusively to perform interpretation services.
• Contracted in-person interpreters, such as state or federal court interpreters, among others.
• Interpreters from other agencies who have been qualified as interpreters by this department, and with whom the Department has a resource-sharing or other arrangement that they will interpret according to department guidelines.
Limited English Proficiency Services

368.9.2 COMMUNITY VOLUNTEERS AND OTHER SOURCES OF LANGUAGE ASSISTANCE
Language assistance may be available from community volunteers who have demonstrated competence in either monolingual (direct) communication and/or in interpretation or translation (as noted in above), and have been approved by the Department to communicate with LEP individuals.

Where qualified bilingual members or other authorized interpreters are unavailable to assist, approved community volunteers who have demonstrated competence may be called upon when appropriate. However, department members must carefully consider the nature of the contact and the relationship between the LEP individual and the volunteer to ensure that the volunteer can provide neutral and unbiased assistance.

While family or friends of an LEP individual may offer to assist with communication or interpretation, members should carefully consider the circumstances before relying on such individuals. For example, children should not be relied upon except in exigent or very informal and non-confrontational situations.

368.10 CONTACT AND REPORTING
While all law enforcement contacts, services and individual rights are important, this department will utilize the four-factor analysis to prioritize service to LEP individuals so that such services may be targeted where they are most needed, according to the nature and importance of the particular law enforcement activity involved.

Whenever any member of this department is required to complete a report or other documentation, and interpretation services are provided to any involved LEP individual, such services should be noted in the related report. Members should document the type of interpretation services utilized and whether the individual elected to use services provided by the Department or some other identified source.

368.11 RECEIVING AND RESPONDING TO REQUESTS FOR ASSISTANCE
The Brawley Police Department will take reasonable steps and will work with the Personnel Department to develop in-house language capacity by hiring or appointing qualified members proficient in languages representative of the community being served.

368.11.1 EMERGENCY CALLS TO 9-1-1
Department members will make every reasonable effort to promptly accommodate LEP individuals utilizing 9-1-1 lines. When a 9-1-1 call-taker receives a call and determines that the caller is an LEP individual, the call-taker shall quickly determine whether sufficient information can be obtained to initiate an appropriate emergency response. If language assistance is still needed, the language is known and a qualified bilingual member is available in the Communications Center, the call shall immediately be handled by the qualified bilingual member.

If a qualified bilingual member is not available or the call-taker is unable to identify the caller's language, the call-taker will contact the contracted telephone interpretation service and establish a three-way call between the call-taker, the LEP individual and the interpreter.
Limited English Proficiency Services

Dispatchers will make every reasonable effort to dispatch a qualified bilingual member to the assignment, if available and appropriate.

While 9-1-1 calls shall receive top priority, reasonable efforts should also be made to accommodate LEP individuals seeking routine access to services and information by utilizing the resources listed in this policy.

368.12 FIELD ENFORCEMENT
Field enforcement will generally include such contacts as traffic stops, pedestrian stops, serving warrants and restraining orders, crowd/traffic control and other routine field contacts that may involve LEP individuals. The scope and nature of these activities and contacts will inevitably vary. Members and/or supervisors must assess each situation to determine the need and availability of language assistance to all involved LEP individuals and utilize the methods outlined in this policy to provide such assistance.

Although not every situation can be addressed in this policy, it is important that members are able to effectively communicate the reason for a contact, the need for information and the meaning or consequences of any enforcement action. For example, it would be meaningless to request consent to search if the officer is unable to effectively communicate with an LEP individual.

If available, officers should obtain the assistance of a qualified bilingual member or an authorized interpreter before placing an LEP individual under arrest.

368.13 INVESTIGATIVE FIELD INTERVIEWS
In any situation where an interview may reveal information that could be used as the basis for arrest or prosecution of an LEP individual and a qualified bilingual member is unavailable or lacks the skills to directly communicate with the LEP individual, an authorized interpreter should be used. This includes interviews conducted during an investigation with victims, witnesses and suspects. In such situations, audio recordings of the interviews should be made when reasonably possible. Identification and contact information for the interpreter (e.g., name, address) should be documented so that the person can be subpoenaed for trial if necessary.

If an authorized interpreter is needed, officers should consider calling for an authorized interpreter in the following order:
  • An authorized department member or allied agency interpreter
  • An authorized telephone interpreter
  • Any other authorized interpreter

Any Miranda warnings shall be provided to suspects in their primary language by an authorized interpreter or, if the suspect is literate, by providing a translated Miranda warning card.

The use of an LEP individual's bilingual friends, family members, children, neighbors or bystanders may be used only when a qualified bilingual member or authorized interpreter is unavailable and there is an immediate need to interview an LEP individual.
368.14 CUSTODIAL INTERROGATIONS
Miscommunication during custodial interrogations may have a substantial impact on the evidence presented in a criminal prosecution. Only qualified bilingual members or, if none is available or appropriate, authorized interpreters shall be used during custodial interrogations. *Miranda* warnings shall be provided to suspects in their primary language by the qualified bilingual member or an authorized interpreter.

In order to ensure that translations during custodial interrogations are accurately documented and are admissible as evidence, interrogations should be recorded whenever reasonably possible. See guidance on recording custodial interrogations in the Investigation and Prosecution Policy.

368.15 BOOKINGS
When gathering information during the booking process, members should remain alert to the impediments that language barriers can create. In the interest of the arrestee's health and welfare, the safety and security of the facility, and to protect individual rights, it is important that accurate medical screening and booking information be obtained. Members should seek the assistance of a qualified bilingual member whenever there is concern that accurate information cannot be obtained or that booking instructions may not be properly understood by an LEP individual.

368.16 COMPLAINTS
The Department shall ensure that LEP individuals who wish to file a complaint regarding members of this department are able to do so. The Department may provide an authorized interpreter or translated forms, as appropriate. Complaints will be referred to the LEP Coordinator.

Investigations into such complaints shall be handled in accordance with the Personnel Complaints Policy. Authorized interpreters used for any interview with an LEP individual during an investigation should not be members of this department.

Any notice required to be sent to an LEP individual as a complaining party pursuant to the Personnel Complaints Policy should be translated or otherwise communicated in a language-accessible manner.

368.17 COMMUNITY OUTREACH
Community outreach programs and other such services offered by this department are important to the ultimate success of more traditional law enforcement duties. This department will continue to work with community groups, local businesses and neighborhoods to provide equal access to such programs and services.

368.18 TRAINING
To ensure that all members who may have contact with LEP individuals are properly trained, the Department will provide periodic training on this policy and related procedures, including how to access department-authorized telephonic and in-person interpreters and other available resources.
Limited English Proficiency Services

The Administrative Sergeant shall be responsible for ensuring new members receive LEP training. Those who may have contact with LEP individuals should receive refresher training at least once every two years thereafter. The Administrative Sergeant shall maintain records of all LEP training provided, and will retain a copy in each member's training file in accordance with established records retention schedules.

368.18.1 TRAINING FOR AUTHORIZED INTERPRETERS
All members on the authorized interpreter list must successfully complete prescribed interpreter training. To complete interpreter training successfully, an interpreter must demonstrate proficiency in and ability to communicate information accurately in both English and in the target language, demonstrate knowledge in both languages of any specialized terms or phraseology, and understand and adhere to the interpreter role without deviating into other roles, such as counselor or legal adviser.

Members on the authorized interpreter list must receive refresher training annually or they will be removed from the authorized interpreter list. This annual training should include language skills competency (including specialized terminology) and ethical considerations.

The Administrative Sergeant shall be responsible for coordinating the annual refresher training and will maintain a record of all training the interpreters have received.
Hearing Impaired/Disabled Communications

370.1 PURPOSE AND SCOPE
This policy provides guidance to members when communicating with individuals with disabilities, including those who are deaf or hard of hearing, have impaired speech or vision, or are blind.

370.1.1 DEFINITIONS
Definitions related to this policy include:

Auxiliary aids - These are used to communicate with people who are deaf, hard of hearing or have impaired speech. They include, but are not limited to, the use of gestures or visual aids to supplement oral communication; use of a notepad and pen or pencil to exchange written notes; use of a computer or typewriter; use of an assistive listening system or device to amplify sound; use of a teletypewriter (TTY), videophones (video relay service or VRS); or use of a qualified interpreter.

Deaf or hard of hearing - An individual who has or is regarded as having substantially limited hearing with or without assistance.

Qualified interpreter - A person who is able to interpret effectively, accurately and impartially, both receptively and expressively, using any necessary specialized vocabulary. Qualified interpreters include oral interpreters, translators, sign language interpreters and intermediary interpreters.

370.2 POLICY
It is the policy of the Brawley Police Department to reasonably ensure that people with disabilities, including victims, witnesses, suspects and arrestees have equal access to law enforcement services, programs and activities. Members must make efforts to communicate effectively with individuals with disabilities.

The Department will not discriminate against or deny any individual access to services, rights or programs based upon disabilities.

370.3 AMERICANS WITH DISABILITIES (ADA) COORDINATOR
The Chief of Police shall delegate certain responsibilities to an ADA Coordinator (28 CFR 35.107). The ADA Coordinator shall be appointed by, and directly responsible, to the Operations Division Commander or the authorized designee.

The responsibilities of the ADA Coordinator shall include, but not be limited to:

(a) Working with the City ADA coordinator regarding the Brawley Police Department's efforts to ensure equal access to services, programs and activities.

(b) Developing reports, new procedures, or recommending modifications to this policy.

(c) Acting as a liaison with local disability advocacy groups or other disability groups regarding access to department services, programs and activities.
Hearing Impaired/Disabled Communications

(d) Ensuring that a list of qualified interpreter services is maintained and available to each Watch Commander and Dispatch Supervisor. The list should include information regarding the following:

1. Contact information
2. Availability

(e) Developing procedures that will enable members to access auxiliary aids or services, including qualified interpreters, and ensure the procedures are available to all members.

(f) Ensuring signage is posted in appropriate areas, indicating that auxiliary aids are available free of charge to people with disabilities.

(g) Ensuring appropriate processes are in place to provide for the prompt and equitable resolution of complaints and inquiries regarding discrimination in access to department services, programs and activities.

370.4 FACTORS TO CONSIDER
Because the nature of any law enforcement contact may vary substantially from one situation to the next, members of this department should consider all information reasonably available to them when determining how to communicate with an individual with a disability. Members should carefully balance all known factors in an effort to reasonably ensure people who are disabled have equal access to services, programs and activities. These factors may include, but are not limited to:

(a) Members should not always assume that effective communication is being achieved. The fact that an individual appears to be nodding in agreement does not always mean he/she completely understands the message. When there is any doubt, members should ask the individual to communicate back or otherwise demonstrate their understanding.

(b) The nature of the disability (e.g., deafness or blindness vs. hard of hearing or low vision).

(c) The nature of the law enforcement contact (e.g., emergency vs. non-emergency, custodial vs. consensual contact).

(d) The availability of auxiliary aids. The fact that a particular aid is not available does not eliminate the obligation to reasonably ensure access. However, in an emergency, availability may factor into the type of aid used.

370.5 INITIAL AND IMMEDIATE CONSIDERATIONS
Recognizing that various law enforcement encounters may be potentially volatile and/or emotionally charged, members should remain alert to the possibility of communication problems.
Hearing Impaired/Disabled Communications

Members should exercise special care in the use of all gestures, and verbal and written communication to minimize initial confusion and misunderstanding when dealing with any individual with known or suspected disabilities.

In a non-emergency situation, when a member knows or suspects an individual requires assistance to effectively communicate, the member shall identify the individual's choice of auxiliary aid or service.

The individual's preferred communication method must be honored unless another effective method of communication exists under the circumstances (28 CFR 35.160).

Factors to consider when determining whether an alternative method is effective include:

(a) The methods of communication usually used by the individual.
(b) The nature, length and complexity of the communication involved.
(c) The context of the communication.

In emergency situations involving an imminent threat to the safety or welfare of any person, members may use whatever auxiliary aids and services that reasonably appear effective under the circumstances. This may include, for example, exchanging written notes or using the services of a person who knows sign language but is not a qualified interpreter, even if the person who is deaf or hard of hearing would prefer a qualified sign language interpreter or another appropriate auxiliary aid or service. Once the emergency has ended, the continued method of communication should be reconsidered. The member should inquire as to the individual's preference and give primary consideration to that preference.

If an individual who is deaf, hard of hearing or has impaired speech must be handcuffed while in the custody of the Brawley Police Department, consideration should be given, safety permitting, to placing the handcuffs in the front of the body to facilitate communication using sign language or writing.

370.6 TYPES OF ASSISTANCE AVAILABLE

Brawley Police Department members shall never refuse to assist an individual with disabilities who is requesting assistance. The Department will not charge anyone to receive auxiliary aids, nor shall they require anyone to furnish their own auxiliary aid or service as a condition for receiving assistance. The Department will make every reasonable effort to provide equal access and timely assistance to individuals who are disabled through a variety of services.

A person who is disabled may choose to accept department-provided auxiliary aids or services or they may choose to provide their own.

Department-provided auxiliary aids or services may include, but are not limited to, the assistance methods described in this policy.
Hearing Impaired/Disabled Communications

370.7 AUDIO RECORDINGS AND ENLARGED PRINT
The Department may develop audio recordings to assist people who are blind or have a visual impairment with accessing important information. If such a recording is not available, members may read aloud from the appropriate form, for example a personnel complaint form, or provide forms with enlarged print.

370.8 QUALIFIED INTERPRETERS
A qualified interpreter may be needed in lengthy or complex transactions (e.g., interviewing a victim, witness, suspect or arrestee), if the individual to be interviewed normally relies on sign language or speechreading (lip-reading) to understand what others are saying. The qualified interpreter should not be a person with an interest in the case or investigation involving the disabled individual. A person providing interpretation services may be required to establish the accuracy and trustworthiness of the interpretation in a court proceeding.

Qualified interpreters should be:

(a) Available within a reasonable amount of time but in no event longer than one hour if requested.
(b) Experienced in providing interpretation services related to law enforcement matters.
(c) Familiar with the use of VRS and/or video remote interpreting services.
(d) Certified in either American Sign Language (ASL) or Signed English (SE).
(e) Able to understand and adhere to the interpreter role without deviating into other roles, such as counselor or legal adviser.
(f) Knowledgeable of the ethical issues involved when providing interpreter services.

Members should use department-approved procedures to request a qualified interpreter at the earliest reasonable opportunity, and generally not more than 15 minutes after a request for an interpreter has been made or it is reasonably apparent that an interpreter is needed. No individual who is disabled shall be required to provide his/her own interpreter (28 CFR 35.160).

370.9 TTY AND RELAY SERVICES
In situations where an individual without a disability would have access to a telephone (e.g., booking or attorney contacts), members must also provide those who are deaf, hard of hearing or have impaired speech the opportunity to place calls using an available TTY (also known as a telecommunications device for deaf people, or TDD). Members shall provide additional time, as needed, for effective communication due to the slower nature of TTY and TDD communications.

The Department will accept all TTY or TDD calls placed by those who are deaf or hard of hearing and received via a telecommunications relay service (28 CFR 35.162).

Note that relay services translate verbatim, so the conversation must be conducted as if speaking directly to the caller.
370.10 COMMUNITY VOLUNTEERS
Interpreter services may be available from community volunteers who have demonstrated competence in communication services, such as ASL or SE, and have been approved by the Department to provide interpreter services.

Where qualified interpreters are unavailable to assist, approved community volunteers who have demonstrated competence may be called upon when appropriate. However, department members must carefully consider the nature of the contact and the relationship between the individual with the disability and the volunteer to ensure that the volunteer can provide neutral and unbiased assistance.

370.11 FAMILY AND FRIENDS
While family or friends may offer to assist with interpretation, members should carefully consider the circumstances before relying on such individuals. The nature of the contact and relationship between the individual with the disability and the person offering services must be carefully considered (e.g., victim/suspect).

Children shall not be relied upon except in emergency or critical situations when there is no qualified interpreter reasonably available.

Adults may be relied upon when (28 CFR 35.160):
(a) There is an emergency or critical situation and there is no qualified interpreter reasonably available.
(b) The person with the disability requests that the adult interpret or facilitate communication and the adult agrees to provide such assistance, and reliance on that adult for such assistance is reasonable under the circumstances.

370.12 REPORTING
Whenever any member of this department is required to complete a report or other documentation, and communication assistance has been provided, such services should be noted in the related report. Members should document the type of communication services utilized and whether the individual elected to use services provided by the Department or some other identified source. If the individual's express preference is not honored, the member must document why another method of communication was used.

All written communications exchanged in a criminal case shall be attached to the report or placed into evidence.

370.13 FIELD ENFORCEMENT
Field enforcement will generally include such contacts as traffic stops, pedestrian stops, serving warrants and restraining orders, crowd/traffic control and other routine field contacts that may involve individuals with disabilities. The scope and nature of these activities and contacts will inevitably vary.
Hearing Impaired/Disabled Communications

The Department recognizes that it would be virtually impossible to provide immediate access to complete communication services to every member of this department. Members and/or supervisors must assess each situation and consider the length, complexity and importance of the communication, as well as the individual's preferred method of communication, when determining the type of resources to use and whether a qualified interpreter is needed.

Although not every situation can be addressed in this policy, it is important that members are able to effectively communicate the reason for a contact, the need for information and the meaning or consequences of any enforcement action. For example, it would be meaningless to verbally request consent to search if the officer is unable to effectively communicate with an individual who is deaf or hard of hearing and requires communications assistance.

If available, officers should obtain the assistance of a qualified interpreter before placing an individual with a disability under arrest. Individuals who are arrested and are assisted by service animals should be permitted to make arrangements for the care of such animals prior to transport.

370.13.1 FIELD RESOURCES
Examples of methods that may be sufficient for transactions, such as checking a license or giving directions to a location or for urgent situations such as responding to a violent crime in progress, may, depending on the circumstances, include such simple things as:

(a) Hand gestures or visual aids with an individual who is deaf, hard of hearing or has impaired speech.

(b) Exchange of written notes or communications.

(c) Verbal communication with an individual who can speechread by facing the individual and speaking slowly and clearly.

(d) Use of computer, word processing, personal communication device or similar device to exchange texts or notes.

(e) Slowly and clearly speaking or reading simple terms to individuals who have a visual or mental impairment.

Members should be aware that these techniques may not provide effective communication as required by law and this policy depending on the circumstances.

370.14 CUSTODIAL INTERROGATIONS
In an effort to ensure that the rights of individuals who are deaf, hard of hearing or have speech impairment are protected during a custodial interrogation, this department will provide interpreter services before beginning an interrogation, unless exigent circumstances exist or the individual has made a clear indication that he/she understands the process and desires to proceed without an interpreter. The use of a video remote interpreting service should be considered, where appropriate, if a live interpreter is not available. Miranda warnings shall be provided to suspects who are deaf or hard of hearing by a qualified interpreter or by providing a written Miranda warning card.
Hearing Impaired/Disabled Communications

In order to ensure that communications during custodial investigations are accurately documented and are admissible as evidence, interrogations should be recorded whenever reasonably possible. See guidance on recording custodial interrogations in the Investigation and Prosecution Policy.

370.15 ARREST AND BOOKINGS
If an individual with speech or hearing disabilities is arrested, the arresting officer shall use department-approved procedures to provide a qualified interpreter at the place of arrest or booking as soon as reasonably practicable, unless the individual indicates that he/she prefers a different auxiliary aid or service or the officer reasonably determines another effective method of communication exists under the circumstances.

When gathering information during the booking process, members should remain alert to the impediments that often exist when communicating with those who are deaf, hard of hearing, who have impaired speech or vision, are blind, or have other disabilities. In the interest of the arrestee's health and welfare, the safety and security of the facility and to protect individual rights, it is important that accurate medical screening and booking information be obtained. If necessary, members should seek the assistance of a qualified interpreter whenever there is concern that accurate information cannot be obtained or that booking instructions may not be properly understood by the individual.

Individuals who require and possess personally owned communication aids (e.g., hearing aids, cochlear processors) should be permitted to retain them while in custody.

370.16 COMPLAINTS
The Department shall ensure that individuals with disabilities who wish to file a complaint regarding members of this department are able to do so. The Department may provide a qualified interpreter or forms in enlarged print, as appropriate. Complaints will be referred to the department ADA Coordinator.

Investigations into such complaints shall be handled in accordance with the Personnel Complaints Policy. Qualified interpreters used during the investigation of a complaint should not be members of this Department.

370.17 COMMUNITY OUTREACH
Community outreach programs and other such services offered by this department are important to the ultimate success of more traditional law enforcement duties. This department will continue to work with community groups, local businesses and neighborhoods to provide equal access to such programs and services.

370.18 TRAINING
To ensure that all members who may have contact with individuals who are disabled are properly trained, the Department will provide periodic training that should include:
Hearing Impaired/Disabled Communications

(a) Awareness and understanding of this policy and related procedures, related forms and available resources.

(b) Procedures for accessing qualified interpreters and other available resources.

(c) Working with in-person and telephone interpreters and related equipment.

The Administrative Sergeant shall be responsible for ensuring new members receive training related to interacting with individuals who have disabilities, including individuals who are deaf, hard of hearing, who have impaired speech or vision, or are blind. Those who may have contact with such individuals should receive refresher training at least once every two years thereafter. The Administrative Sergeant shall maintain records of all training provided, and will retain a copy in each member's training file in accordance with established records retention schedules.

370.18.1 CALL-TAKER TRAINING

Emergency call-takers shall be trained in the use of TTY equipment protocols for communicating with individuals who are deaf, hard of hearing or who have speech impairments. Such training and information should include:

(a) The requirements of the ADA and Section 504 of the Rehabilitation Act for telephone emergency service providers.

(b) ASL syntax and accepted abbreviations.

(c) Practical instruction on identifying and processing TTY or TDD calls, including the importance of recognizing silent TTY or TDD calls, using proper syntax, abbreviations and protocol when responding to TTY or TDD calls.

(d) Hands-on experience in TTY and TDD communications, including identification of TTY or TDD tones.

Training should be mandatory for all the Communications Center members who may have contact with individuals from the public who are deaf, hard of hearing or have impaired speech. Refresher training should occur every six months.
Mandatory School Employee Reporting

372.1 PURPOSE AND SCOPE
The purpose of this policy is to describe the requirements and procedures to follow when a public or private school employee (teacher and non-teacher) has been arrested under certain circumstances.

372.2 MANDATORY SCHOOL EMPLOYEE ARREST REPORTING
In the event a school employee is arrested for any controlled substance offense enumerated in Health & Safety Code § 11590, 11364, in so far as that section relates to paragraph (12) of subdivision (d) of Health and Safety Code § 11054, or for any of the offenses enumerated in Penal Code § 290 or in subdivision 1 of Penal Code § 291 or Education Code § 44010, the Chief of Police or his/her designee is required to immediately report the arrest as follows:

372.2.1 ARREST OF PUBLIC SCHOOL TEACHER
Upon arrest for one of the above sections, the Chief of Police or his/her designee is mandated to immediately notify by telephone the superintendent of the school district employing the teacher and to immediately give written notice of the arrest to the Commission on Teacher Credentialing and to the superintendent of schools in the county where the person is employed.

372.2.2 ARREST OF PUBLIC SCHOOL NON-TEACHER EMPLOYEE
Upon arrest for one of the above sections, the Chief of Police or his/her designee is mandated to immediately notify by telephone the superintendent of the school district employing the non-teacher and to immediately give written notice of the arrest to the governing board of the school district employing the person.

372.2.3 ARREST OF PRIVATE SCHOOL TEACHER
Upon arrest for one of the above sections, the Chief of Police or his/her designee is mandated to immediately notify by telephone the private school authority employing the teacher and to immediately give written notice of the arrest to the private school authority employing the teacher.
Biological Samples

374.1 PURPOSE AND SCOPE
This policy provides guidelines for the collection of biological samples from those individuals required to provide samples upon conviction or arrest for certain offenses. This policy does not apply to biological samples collected at a crime scene or taken from a person in conjunction with a criminal investigation. Nor does it apply to biological samples from those required to register, for example, sex offenders.

374.2 POLICY
The Brawley Police Department will assist in the expeditious collection of required biological samples from offenders in accordance with the laws of this state and with as little reliance on force as practicable.

374.3 PERSONS SUBJECT TO DNA COLLECTION
Those who must submit a biological sample include (Penal Code § 296):

(a) A person, including a juvenile, upon conviction or other adjudication of any felony offense.

(b) A person, including a juvenile, upon conviction or other adjudication of any offense if the person has a prior felony on record.

(c) An adult arrested or charged with any felony.

374.4 PROCEDURE
When an individual is required to provide a biological sample, a trained employee shall obtain the sample in accordance with this policy.

374.4.1 COLLECTION
The following steps should be taken to collect a sample:

(a) Verify that the individual is required to provide a sample pursuant to Penal Code § 296; Penal Code § 296.1.

(b) Verify that a biological sample has not been previously collected from the offender by querying the individual's criminal history record for a DNA collection flag or, during regular business hours, calling the California Department of Justice (DOJ) designated DNA laboratory. There is no need to obtain a biological sample if one has been previously obtained.

(c) Use a DNA buccal swab collection kit provided by the California DOJ to perform the collection and take steps to avoid cross contamination.
374.5 USE OF FORCE TO OBTAIN SAMPLES
If a person refuses to cooperate with the sample collection process, officers should attempt to identify the reason for refusal and seek voluntary compliance without resorting to using force. Force will not be used in the collection of samples except as authorized by court order and only with the approval of a supervisor. Methods to consider when seeking voluntary compliance include contacting:

(a) The person's parole or probation officer when applicable.
(b) The prosecuting attorney to seek additional charges against the person for failure to comply or to otherwise bring the refusal before a judge.
(c) The judge at the person's next court appearance.
(d) The person's attorney.
(e) A chaplain.
(f) Another custody facility with additional resources, where an arrestee can be transferred to better facilitate sample collection.
(g) A supervisor who may be able to authorize custodial disciplinary actions to compel compliance, if any are available.

The supervisor shall review and approve any plan to use force and be present to document the process.

374.5.1 VIDEO RECORDING
A video recording should be made anytime force is used to obtain a biological sample. The recording should document all staff participating in the process, in addition to the methods and all force used during the collection. The recording should be part of the investigation file, if any, or otherwise retained in accordance with the department's records retention schedule (15 CCR § 1059).

374.5.2 CELL EXTRACTIONS
If the use of force includes a cell extraction, the extraction shall be video recorded, including audio. Video shall be directed at the cell extraction event. The video recording shall be retained by the Department for the length of time required by statute. Notwithstanding the use of the video as evidence in a criminal proceeding, the tape shall be retained administratively (15 CCR § 1059).

374.6 LEGAL MANDATES AND RELEVANT LAWS
California law provides for the following:

374.6.1 DOCUMENTATION RELATED TO FORCE
Supervisors shall prepare prior written authorization for the use of any force (15 CCR § 1059). The written authorization shall include information that the subject was asked to provide the requisite specimen, sample or impression and refused, as well as the related court order authorizing the force.
Biological Samples

374.6.2 BLOOD SAMPLES
A blood sample should only be obtained under this policy when:

(a) The California DOJ requests a blood sample and the subject consents, or
(b) A court orders a blood sample following a refusal.

The withdrawal of blood may only be performed in a medically approved manner by health care providers trained and qualified to draw blood. A California DOJ collection kit shall be used for this purpose (Penal Code § 298(a); Penal Code § 298(b)(2)).

374.6.3 LITIGATION
The Chief of Police or authorized designee should notify the California DOJ’s DNA Legal Unit in the event this department is named in a lawsuit involving the DNA Data Bank sample collection, sample use or any aspect of the state’s DNA Data Bank Program.
Chaplains

376.1 PURPOSE AND SCOPE
The Brawley Police Department Chaplain Program is established for the purposes of providing spiritual and emotional support to all members of the Department, their families and members of the public.

376.2 POLICY
It is the policy of this department that the Chaplain Program shall be a non-denominational, ecumenical ministry provided by volunteer clergy without financial compensation.

376.3 GOALS
Members of the Chaplain Program shall fulfill the program's purpose in the following manner:

1. By serving as a resource for department personnel when dealing with the public in such incidents as accidental deaths, suicides, suicidal subjects, serious accidents, drug and alcohol abuse, and other such situations that may arise
2. By providing an additional link between the community, other chaplain programs and the Department
3. By providing counseling, spiritual guidance and insight for department personnel and their families
4. By being alert to the spiritual and emotional needs of department personnel and their families
5. By familiarizing themselves with the role of law enforcement in the community

376.4 REQUIREMENTS
Candidates for the Chaplain Program shall meet the following requirements:

Chaplains may not accept gratuities for any service or follow-up contacts that was provided while functioning as a chaplain for the Brawley Police Department.

376.8 CLERGY-PENITENT CONFIDENTIALITY
No person who provides chaplain services to members of the department may work or volunteer for the Brawley Police Department in any capacity other than that of chaplain.

Department chaplains shall be familiar with state evidentiary laws and rules pertaining to the limits of the clergy-penitent privilege and shall inform department members when it appears reasonably likely that the member is discussing matters that are not subject to the clergy-penitent privilege. In such cases, the chaplain should consider referring the member to a non-department counseling resource.

No chaplain shall provide counsel to or receive confidential communications from any Brawley Police Department employees concerning an incident personally witnessed by the chaplain or concerning an incident involving the chaplain.

376.9 TRAINING
The Department will establish a minimum number of training hours and standards for department chaplains. The training may include stress management, death notifications, post-traumatic stress syndrome, burnout for officers and chaplains, legal liability and confidentiality, ethics, responding to crisis situations, the law enforcement family, substance abuse, suicide, officer injury or death, and sensitivity and diversity, as approved by the Training Manager.
Public Safety Camera System

378.1 PURPOSE AND SCOPE
The City of Brawley operates a public safety camera system for the purpose of creating a safer environment for all those who live, work and visit the City. This policy explains the purpose of the cameras and provides guidelines for their operation and for the storage of captured images.

378.2 POLICY
Cameras may be placed in strategic locations throughout the City at the direction or with the approval of the Chief of Police. These cameras can be used for detecting and deterring crime, to help safeguard against potential threats to the public, to help manage emergency response situations during natural and man-made disasters and to assist City officials in providing services to the community.

378.3 PROCEDURE
The following procedures have been established for the effective operation of the public safety camera system.

378.3.1 MONITORING
Images from each camera will be recorded on a 24-hour basis every day of the week. These images will be transmitted to monitors installed in the Watch Commander's Office and the Communications Center. When activity warranting further investigation is reported or detected at any camera location, the dispatcher may selectively view the appropriate camera and relay any available information to responding units. The Watch Commander or the Communications Center personnel are authorized to adjust the cameras to more effectively view a particular area for any legitimate public safety purpose.

The Chief of Police may authorize video feeds from the public safety camera system to be set up at a location other than the Communications Center for monitoring by other than police personnel when the provision of such access is in furtherance of this policy.

The cameras only record images and do not record sound. Recorded images may be used for a variety of purposes, including criminal investigations and monitoring of activity around high value or high threat areas. In addition, the public safety camera system may be useful for the following purposes:

(a) To assist in identifying, apprehending and prosecuting offenders.
(b) To assist in gathering evidence for criminal and civil court actions.
(c) To help emergency services personnel maintain public order.
(d) To monitor pedestrian and vehicle traffic activity.
(e) To help improve the general environment on the public streets.
Public Safety Camera System

(f) To assist in providing effective public services.

378.3.2 TRAINING
Personnel involved in video monitoring will be appropriately trained and supervised.

378.3.3 PROHIBITED ACTIVITY
Video monitoring will be conducted in a professional, ethical and legal manner. The public safety camera system will not be used to invade the privacy of individuals, to look into private areas or areas where the reasonable expectation of privacy exists. All reasonable efforts will be taken to protect these rights. Video monitoring shall not be used to harass, intimidate or discriminate against any individual or group.

378.3.4 CAMERA MARKINGS
Except in the case of covert operations or confidential investigations, all public areas that are monitored by public safety cameras shall be marked in a conspicuous manner with appropriate signs to inform the public that the area is under police surveillance.

378.4 MEDIA STORAGE
All media will be stored in a secure area with access restricted to authorized persons.

Recordings not otherwise needed for official reasons shall be retained for a period of not less than one year and thereafter should be erased with the written consent of the City Attorney. Any recordings needed as evidence in a criminal or civil proceeding shall be copied to a suitable medium and booked into evidence in accordance with current evidence procedures (Government Code § 34090.6).

378.5 REVIEW OR RELEASE OR OF VIDEO IMAGES
The review or the release of video images shall be done only with the authorization of the Chief of Police or his/her designee and only with a properly completed written request. Video images needed for a criminal investigation or other official reason shall be collected and booked in accordance with current departmental evidence procedures.

378.5.1 PUBLIC AND OTHER AGENCY REQUESTS
Requests for recorded video images from other government agencies or by the submission of a court order or subpoena shall be promptly submitted to the Dispatch Supervisor, who will promptly research the request and submit the results of such search through the Chief of Police to the City Attorney's office for further handling. Every reasonable effort should be made to preserve the data requested until the request has been fully processed by the City Attorney's office.

Video images captured by public safety cameras that are requested by the public or media will be made available only to the extent required by law. Except as required by a valid court order or other lawful process, video images requested under the Public Records Act will generally not be disclosed to the public when such video images are evidence in an ongoing criminal investigation in which a disposition has not been reached.
Public Safety Camera System

378.6 ANNUAL REVIEW OF THE PUBLIC SAFETY CAMERA SYSTEM

The Chief of Police or his/her designee will conduct an annual review of the public safety camera system. The annual review will include an inventory of video monitoring installations, date of installation, summary of the purpose, adherence to this policy and any proposed policy changes. The results of each review will be documented and maintained by the Chief of Police or his/her designee and other applicable advisory bodies. Any concerns or deviations from this policy will be addressed promptly and effectively.
Child and Dependent Adult Safety

380.1 PURPOSE AND SCOPE
This policy provides guidelines to ensure that children and dependent adults are not left without appropriate care in the event their caregiver or guardian is arrested or otherwise prevented from providing care due to actions taken by members of this [department/office] (Penal Code § 833.2(a)).

This policy does not address the actions to be taken during the course of a child abuse or dependent adult investigation. These are covered in the Child Abuse and Adult Abuse policies.

380.2 POLICY
It is the policy of this [department/office] to mitigate, to the extent reasonably possible, the stressful experience individuals may have when their parent or caregiver is arrested. The Brawley Police Department will endeavor to create a strong, cooperative relationship with local, state and community-based social services to ensure an effective, collaborative response that addresses the needs of those affected, including call-out availability and follow-up responsibilities.

380.3 PROCEDURES DURING AN ARREST
When encountering an arrest or prolonged detention situation, officers should make reasonable attempts to determine if the arrestee is responsible for children or dependent adults. In some cases this may be obvious, such as when children or dependent adults are present. However, officers should inquire if the arrestee has caregiver responsibilities for any children or dependent adults who are without appropriate supervision. The following steps should be taken (Penal Code § 13517.7(b)(1)):

(a) Inquire about and confirm the location of any children or dependent adults.

(b) Look for evidence of children and dependent adults. Officers should be mindful that some arrestees may conceal the fact that they have a dependent for fear the individual may be taken from them.

(c) Consider inquiring of witnesses, neighbors, friends and relatives of the arrestee as to whether the person is responsible for a child or dependent adult.

Whenever reasonably possible, officers should take reasonable steps to accomplish the arrest of a parent, guardian or caregiver out of the presence of his/her child or dependent adult. Removing children or dependent adults from the scene in advance of the arrest will generally ensure the best outcome for the individual.

Whenever it is safe to do so, officers should allow the parent or caregiver to assure children or dependent adults that they will be provided care. If this is not safe or if the demeanor of the parent or caregiver suggests this conversation would be non-productive, the officer at the scene should explain the reason for the arrest in age-appropriate language and offer reassurance to the child or dependent adult that he/she will receive appropriate care.
380.3.1 AFTER AN ARREST
Whenever an arrest is made, the officer should take all reasonable steps to ensure the safety of the arrestee’s disclosed or discovered children or dependent adults.

Officers should allow the arrestee reasonable time to arrange for care of children and dependent adults. Temporary placement with family or friends may be appropriate. However, any decision should give priority to a care solution that is in the best interest of the child or dependent adult. In such cases the following guidelines should be followed:

(a) Allow the person reasonable time to arrange for the care of children and dependent adults with a responsible party, as appropriate.

1. Officers should consider allowing the person to use his/her cell phone to facilitate arrangements through access to contact phone numbers, and to lessen the likelihood of call screening by the recipients due to calls from unknown sources.

(b) Unless there is evidence to the contrary (e.g., signs of abuse, drug use, unsafe environment), officers should respect the parent or caregiver’s judgment regarding arrangements for care. It is generally best if the child or dependent adult remains with relatives or family friends that he/she knows and trusts because familiarity with surroundings and consideration for comfort, emotional state and safety are important.

1. Except when a court order exists limiting contact, the officer should attempt to locate and place children or dependent adults with the non-arrested parent, guardian or caregiver.

(c) Provide for the immediate supervision of children or dependent adults until an appropriate caregiver arrives.

(d) Notify Child Protective Services or the Division of Aging and Adult Services, if appropriate.

(e) Notify the field supervisor or Watch Commander of the disposition of children or dependent adults.

If children or dependent adults are at school or another known location outside the household at the time of arrest, the arresting officer should attempt to contact the school or other known location and inform the principal or appropriate responsible adult of the caregiver’s arrest and of the arrangements being made for the care of the arrestee’s dependent. The result of such actions should be documented in the associated report.

380.3.2 DURING THE BOOKING PROCESS
During the booking process the arrestee shall be allowed to make additional telephone calls to relatives or other responsible individuals as is reasonably necessary to arrange for the care of any child or dependent adult. These telephone calls should be given as soon as practicable and are in addition to any other telephone calls allowed by law (Penal Code § 851.5(c)).
If an arrestee is unable to resolve the care of any child or dependent adult through this process, a supervisor should be contacted to determine the appropriate steps to arrange for care. These steps may include additional telephone calls or contacting a local, county or state services agency.

380.3.3 REPORTING

(a) For all arrests where children are present or living in the household, the reporting member will document the following information:

1. Name
2. Sex
3. Age
4. Special needs (e.g., medical, mental health)
5. How, where and with whom or which agency the child was placed
6. Identities and contact information for other potential caregivers
7. Notifications made to other adults (e.g., schools, relatives)

(b) For all arrests where dependent adults are present or living in the household, the reporting member will document the following information:

1. Name
2. Sex
3. Age
4. Whether he/she reasonably appears able to care for him/herself
5. Disposition or placement information if he/she is unable to care for him/herself

380.3.4 SUPPORT AND COUNSELING REFERRAL

If, in the judgment of the handling officers, the child or dependent adult would benefit from additional assistance, such as counseling services, contact with a victim advocate or a crisis telephone number, the appropriate referral information may be provided.

380.4 DEPENDENT WELFARE SERVICES

Whenever an arrestee is unwilling or incapable of arranging for the appropriate care of any child or dependent adult, the handling officer should contact the appropriate welfare service or other department-approved social service to determine whether protective custody is appropriate (Welfare and Institutions Code § 305).

Only when other reasonable options are exhausted should a child or dependent adult be transported to the police facility, transported in a marked patrol car, or taken into formal protective custody.
Child and Dependent Adult Safety

Under no circumstances should a child or dependent adult be left unattended or without appropriate care.

380.5 TRAINING
The Administrative Sergeant is responsible to ensure that all personnel of this [department/office] who may be involved in arrests affecting children or dependent adults receive approved POST-approved training on effective safety measures when a parent, guardian or caregiver is arrested (Penal Code § 13517.7).
Service Animals

382.1 PURPOSE AND SCOPE
Service animals play an important role in helping to overcome the limitations often faced by people with disabilities. The Brawley Police Department recognizes this need and is committed to making reasonable modifications to its policies, practices, and procedures in accordance with Title II of the Americans with Disabilities Act of 1990 (ADA) to permit the use of service animals that are individually trained to assist a person with a disability.

382.2 SERVICE ANIMALS
The ADA defines a service animal as any dog or miniature horse that is individually trained to do work or perform tasks for the benefit of an individual with a disability, including a physical, sensory, psychiatric, intellectual or other mental disability. The work or tasks performed by a service animal must be directly related to the owner's disability (28 CFR 35.104).

California expands the definition of a service animal to include other animals that are individually trained to provide assistance to an individual with a disability (Healthy and Safety Code § 113903).

382.2.1 USE OF SERVICE ANIMALS
Some service animals may be readily identifiable. However, many do not have a distinctive symbol, harness or collar. Service animals are not pets and may be trained by an individual or organization to assist people with disabilities.

The following examples are some of the ways service animals may be used to provide assistance:

- Guiding people who are blind or have low vision.
- Alerting people who are deaf or hard of hearing.
- Retrieving or picking up items, opening doors or flipping switches for people who have limited use of their hands, arms or legs.
- Pulling wheelchairs.
- Providing physical support and assisting with stability and balance.
- Doing work or performing tasks for persons with traumatic brain injury, intellectual disabilities or psychiatric disabilities, such as reminding a person with depression to take medication.
- Alerting a person with anxiety to the onset of panic attacks, providing tactile stimulation to calm a person with post-traumatic stress disorder, assisting people with schizophrenia to distinguish between hallucinations and reality, and helping people with traumatic brain injury to locate misplaced items or follow daily routines.
Service Animals

382.3 MEMBER RESPONSIBILITIES
Service animals that are assisting individuals with disabilities are permitted in all public facilities and areas where the general public is allowed. Department members are expected to treat individuals with service animals with the same courtesy and respect that the Brawley Police Department affords to all members of the public.

If an animal exhibits vicious behavior, poses a direct threat to the health of others or unreasonably disrupts or interferes with normal business operations, an officer may direct the owner to remove the animal from the premises. Barking alone is not a threat nor does a direct threat exist if the person takes prompt, effective action to control the animal. Each incident must be considered individually and past incidents alone are not cause for excluding a service animal. Removal of a service animal may not be used as a reason to refuse service to an individual with disabilities. Members of this department are expected to provide all services as are reasonably available to an individual with the disability.

If it is apparent or if an officer is aware the animal is a service animal, the owner should not be asked any questions as to the status of the animal. If it is unclear whether an animal meets the definition of a service animal, the officer should ask the individual only the following questions:

- Is the animal required because of a disability?
- What task or service has the service animal been trained to perform?

If the individual explains that the animal is required because of a disability and has been trained to work or perform at least one task, the animal meets the definition of a service animal and no further questions as to the animal's status should be asked. The person should not be questioned about his/her disabilities nor should the person be asked to provide any license, certification or identification card for the service animal.

Service animals are not pets. Department members should not interfere with the important work performed by a service animal by talking to, petting or otherwise initiating contact with a service animal.

When handling calls of a complaint regarding a service animal, members of this department should remain neutral and should be prepared to explain the ADA requirements concerning service animals to the concerned parties. Businesses are required to allow service animals to accompany their owner into all areas that other customers or members of the public are allowed.

Absent a violation of law independent of the ADA, officers should take no enforcement action beyond keeping the peace. Individuals who believe they have been discriminated against as a result of a disability should be referred to the Civil Rights Division of the U.S. Department of Justice.
Volunteer Program

384.1 PURPOSE AND SCOPE
It is the policy of this department to use qualified volunteers for specified tasks and duties in order to create efficiencies for the Department and improve services to the community. Volunteers are intended to supplement and support, rather than supplant, sworn officers and civilian personnel. Volunteers can be an important part of any organization and are proven to be a valuable asset to law enforcement agencies. Volunteers help to increase departmental responsiveness, delivery of services and information input, and provide new program opportunities. In addition, volunteers bring new skills and expertise to the Department and prompt new enthusiasm.

384.1.1 DEFINITION OF VOLUNTEER
An individual who performs a service for the Department without promise, expectation or receipt of compensation for services rendered. This may include unpaid chaplains, unpaid reserve officers, interns, persons providing administrative support and youth involved in a law enforcement Explorer Post, among others.

384.2 VOLUNTEER MANAGEMENT

384.2.1 VOLUNTEER COORDINATOR
The Volunteer Coordinator shall be appointed by the Administrative Services Division Commander. The function of the Volunteer Coordinator is to provide a central coordinating point for effective volunteer management within the Department, and to direct and assist staff and volunteer efforts to jointly provide more productive services. The Volunteer Coordinator should work with other Department staff on an ongoing basis to assist in the development and implementation of volunteer-staffed positions.

The Volunteer Coordinator, or his/her designee, shall be responsible for the following:

(a) Recruiting, selecting and training qualified volunteers for various positions.
(b) Facilitating the implementation of new volunteer activities and assignments.
(c) Maintaining records for each volunteer.
(d) Tracking and evaluating the contribution of volunteers.
(e) Maintaining the volunteer handbook and outlining expectations, policies and responsibilities for all volunteers.
(f) Maintaining a record of volunteer schedules and work hours.
(g) Completion and dissemination as appropriate of all necessary paperwork and information.
(h) Planning periodic recognition events.
(i) Administering discipline when warranted.
Volunteer Program

(j) Maintaining liaison with other volunteer-utilizing programs in the community and assisting in community-wide efforts to recognize and promote volunteering.

384.2.2 RECRUITMENT
Volunteers should be recruited on a continuous and ongoing basis consistent with department policy on equal opportunity nondiscriminatory employment. A primary qualification for participation in the application process should be an interest in, and an ability to assist the Department in serving the public.

Requests for volunteers should be submitted in writing by interested staff to the Volunteer Coordinator through the requester's immediate supervisor. A complete position description and a requested time-frame should be included in the request. All parties should understand that the recruitment of volunteers is enhanced by creative and interesting assignments. The Volunteer Coordinator may withhold assignment of any volunteer until such time as the requesting unit is prepared to make effective use of volunteer resources.

384.2.3 SCREENING
All prospective volunteers should complete the volunteer application form. The Volunteer Coordinator or designee should conduct a face-to-face interview with an applicant under consideration.

A documented background investigation shall be completed on each volunteer applicant and shall include, but not necessarily be limited to, the following:

(a) Traffic and criminal background check. Fingerprints shall be obtained from all applicants and processed through the California Criminal Information Index.
(b) Employment
(c) References
(d) Credit check

A polygraph exam may be required of each applicant depending on the type of assignment.

384.2.4 SELECTION AND PLACEMENT
Service as a volunteer with the Department shall begin with an official notice of acceptance or appointment to a volunteer position. Notice may only be given by an authorized representative of the Department, who will normally be the Volunteer Coordinator. No volunteer should begin any assignment until they have been officially accepted for that position and completed all required screening and paperwork. At the time of final acceptance, each volunteer should complete all required enrollment paperwork and will receive a copy of their position description and agreement of service with the Department. All volunteers shall receive a copy of the volunteer handbook and shall be required to sign a volunteer agreement.

Volunteers should be placed only in assignments or programs that are consistent with their knowledge, skills, abilities and the needs of the Department.
Volunteer Program

384.2.5 TRAINING
Volunteers will be provided with an orientation program to acquaint them with the Department, personnel, policies and procedures that have a direct impact on their work assignment.

Volunteers should receive position-specific training to ensure they have adequate knowledge and skills to complete tasks required by the position and should receive periodic ongoing training as deemed appropriate by their supervisor or the Volunteer Coordinator.

Training should reinforce to volunteers that they may not intentionally represent themselves as, or by omission infer that they are sworn officers or other full-time members of the Department. They shall always represent themselves as volunteers.

All volunteers shall comply with the rules of conduct and with all orders and directives, either oral or written, issued by the Department.

384.2.6 FITNESS FOR DUTY
No volunteer shall report to work or be on-duty when his/her judgment or physical condition has been impaired by alcohol, medication, other substances, illness or injury.

Volunteers shall report to their supervisor any changes in status that may affect their ability to fulfill their duties. This includes, but is not limited to, the following:

(a) Driver license
(b) Medical condition
(c) Arrests
(d) Criminal investigations

All volunteers shall adhere to the guidelines set forth by this department regarding drug and alcohol use.

384.2.7 DRESS CODE
As representatives of the Department, volunteers are responsible for presenting a professional image to the community. Volunteers shall dress appropriately for the conditions and performance of their duties.

Volunteers shall conform to department-approved dress consistent with their duty assignment. Uniforms authorized for volunteers should be readily distinguishable from those worn by sworn officers. The uniform or identifiable parts of the uniform shall not be worn while off-duty except volunteers may choose to wear the uniform while in transit to or from official department assignments or functions provided an outer garment is worn over the uniform shirt so as not to bring attention to the volunteer while he/she is off duty.

Volunteers shall be required to return any issued uniform or department property at the termination of service.

384.3 SUPERVISION OF VOLUNTEERS
Each volunteer who is accepted to a position with the Department must have a clearly identified supervisor who is responsible for direct management of that volunteer. This supervisor will be responsible for day-to-day management and guidance of the work of the volunteer and should be available to the volunteer for consultation and assistance.

A volunteer may be assigned as and act as a supervisor of other volunteers provided that the supervising volunteer is under the direct supervision of a paid staff member.

Functional supervision of volunteers is the responsibility of the supervisor in charge of the unit where the volunteer is assigned. Following are some considerations to keep in mind while supervising volunteers:

(a) Take the time to introduce volunteers to employees on all levels.
(b) Ensure volunteers have work space and necessary office supplies.
(c) Make sure the work is challenging. Do not hesitate to give them an assignment or task that will tap these valuable resources.

384.4 CONFIDENTIALITY
With appropriate security clearance, volunteers may have access to confidential information such as criminal histories or investigative files. Unless otherwise directed by a supervisor or departmental policy, all information shall be considered confidential. Only that information specifically identified and approved by authorized personnel shall be released. Confidential information shall be given only to persons who have a need and a right to know as determined by departmental policy and supervisory personnel.

Each volunteer will be required to sign a nondisclosure agreement before being given an assignment with the Department. Subsequent unauthorized disclosure of any confidential information, verbally, in writing or by any other means, by the volunteer is grounds for immediate dismissal and possible criminal prosecution.

Volunteers shall not address public gatherings, appear on radio or television, prepare any article for publication, act as correspondents to a newspaper or other periodical, release or divulge any information concerning the activities of the Department, or maintain that they represent the Department in such matters without permission from the proper department personnel.

384.5 PROPERTY AND EQUIPMENT
Volunteers will be issued an identification card that must be worn at all times while on-duty. Any fixed and portable equipment issued by the Department shall be for official and authorized use only. Any property or equipment issued to a volunteer shall remain the property of the Department and shall be returned at the termination of service.
Volunteer Program

384.5.1 VEHICLE USE
Volunteers assigned to duties such as vacation house checks or other assignments that require the use of a vehicle must first complete the following:

(a) A driving safety briefing and department approved driver safety course.
(b) Verification that the volunteer possesses a valid California Driver License.
(c) Verification that the volunteer carries current vehicle insurance.

The Volunteer Coordinator should insure that all volunteers receive safety briefing updates and license and insurance verification at least once a year.

When operating a Department vehicle, volunteers shall obey all rules of the road, including seat belt requirements. Smoking is prohibited in all Department vehicles.

Volunteers should not operate a marked patrol car unless there is a prominently placed sign indicating that it is out of service and are not authorized to operate a Department vehicle Code-3.

384.5.2 RADIO AND MDT USAGE
Volunteers shall successfully complete CLETS and radio procedures training prior to using the police radio or MDT and comply with all related provisions. The Volunteer Coordinator should ensure that radio and CLETS training is provided for volunteers whenever necessary.

384.6 DISCIPLINARY PROCEDURES/TERMINATION
A volunteer may be removed from the volunteer program at the discretion of the Chief of Police or the Volunteer Coordinator. Volunteers shall have no property interests in their continued appointment. However, if a volunteer is removed for alleged misconduct, the volunteer will be afforded an opportunity solely to clear his/her name through a liberty interest hearing which shall be limited to a single appearance before the Chief of Police or authorized designee.

Volunteers may resign from volunteer service with the Department at any time. It is requested that volunteers who intend to resign provide advance notice of their departure and a reason for their decision.

384.6.1 EXIT INTERVIEWS
Exit interviews, where possible, should be conducted with volunteers who are leaving their positions. The interview should ascertain why the volunteer is leaving the position and solicit the volunteer's suggestions on improving the position. When appropriate, the interview should also include a discussion on the possibility of involvement in some other capacity with the Department.

384.7 EVALUATION
An evaluation of the overall volunteer program will be conducted on an annual basis by the Volunteer Coordinator. Regular evaluations should be conducted with volunteers to ensure the best use of human resources available, to ensure personnel problems can be identified and dealt with promptly and fairly, and to ensure optimum satisfaction on the part of volunteers.
Off-Duty Law Enforcement Actions

386.1 PURPOSE AND SCOPE
The decision to become involved in a law enforcement action when off-duty can place an officer as well as others at great risk and must be done with careful consideration. This policy is intended to provide guidelines for officers of the Brawley Police Department with respect to taking law enforcement action while off-duty.

386.2 POLICY
Initiating law enforcement action while off-duty is generally discouraged. Officers should not attempt to initiate enforcement action when witnessing minor crimes, such as suspected intoxicated drivers, reckless driving or minor property crimes. Such incidents should be promptly reported to the appropriate law enforcement agency.

Officers are not expected to place themselves in unreasonable peril. However, any sworn member of this department who becomes aware of an incident or circumstance that he/she reasonably believes poses an imminent threat of serious bodily injury or death, or significant property damage may take reasonable action to minimize the threat.

When public safety or the prevention of major property damage requires immediate action, officers should first consider reporting and monitoring the activity and only take direct action as a last resort.

386.3 FIREARMS
Officers of this department may carry firearms while off-duty in accordance with federal regulations and department policy. All firearms and ammunition must meet guidelines as described in the department Firearms and Qualification Policy. When carrying firearms while off-duty officers shall also carry their department-issued badge and identification.

Officers should refrain from carrying firearms when the consumption of alcohol is likely or when the need to carry a firearm is outweighed by safety considerations. Firearms shall not be carried by any officer who has consumed an amount of an alcoholic beverage or taken any drugs that would tend to adversely affect the officer’s senses or judgment.

386.4 DECISION TO INTERVENE
There is no legal requirement for off-duty officers to take law enforcement action. However, should officers decide to intervene, they must evaluate whether the action is necessary or desirable, and should take into consideration the following:

(a) The tactical disadvantage of being alone and the fact there may be multiple or hidden suspects.

(b) The inability to communicate with responding units.

(c) The lack of equipment, such as handcuffs, OC or baton.
Off-Duty Law Enforcement Actions

(d) The lack of cover.
(e) The potential for increased risk to bystanders if the off-duty officer were to intervene.
(f) Unfamiliarity with the surroundings.
(g) The potential for the off-duty officer to be misidentified by other peace officers or members of the public.

Officers should consider waiting for on-duty uniformed officers to arrive, and gather as much accurate intelligence as possible instead of immediately intervening.

386.4.1 INTERVENTION PROCEDURE
If involvement is reasonably necessary the officer should attempt to call or have someone else call 9-1-1 to request immediate assistance. The dispatcher should be informed that an off-duty officer is on-scene and should be provided a description of the officer if possible.

Whenever practicable, the officer should loudly and repeatedly identify him/herself as a Brawley Police Department officer until acknowledged. Official identification should also be displayed.

386.4.2 INCIDENTS OF PERSONAL INTEREST
Officers should refrain from handling incidents of personal interest, (e.g., family or neighbor disputes) and should remain neutral. In such circumstances officers should call the responsible agency to handle the matter.

386.4.3 NON-SWORN RESPONSIBILITIES
Non-sworn personnel should not become involved in any law enforcement actions while off-duty except to notify the local law enforcement authority and remain at the scene, if safe and practicable.

386.4.4 OTHER CONSIDERATIONS
When encountering a non-uniformed officer in public, uniformed officers should wait for acknowledgement by the non-uniformed officer in case he/she needs to maintain an undercover capability.

386.5 REPORTING
Any off-duty officer who engages in any law enforcement activity, regardless of jurisdiction, shall notify the Watch Commander as soon as practicable. The Watch Commander shall determine whether a report should be filed by the employee.

Officers should cooperate fully with the agency having jurisdiction in providing statements or reports as requested or as appropriate.
Illness and Injury Prevention

388.1 PURPOSE AND SCOPE
The health and safety of the employees of the Brawley Police Department is important to executive and management staff, and critical to the operation of this department and the delivery of services to the community.

The purpose of this policy is to establish an ongoing and effective Injury and Illness Prevention Program (IIPP) for the Brawley Police Department, in accordance with the requirements of 8 CCR § 3203. This policy specifically applies to illnesses and injuries that result in lost time beyond the date of the incident or that require medical treatment beyond first aid. Though this policy provides the essential framework required for an IIPP, it may be supplemented by procedures outside the Policy Manual.

The IIPP guidelines are to be followed and adopted by all personnel. Supervisory and management personnel are charged with ensuring that these guidelines and directives are implemented.

388.2 RESPONSIBILITY
The Administrative Services Supervisor, acting as the Department's IIPP administrator, has the authority and responsibility for implementing the provisions of this policy and the IIPP. Supervisors are responsible for implementing and maintaining the IIPP in their work areas and for answering questions from employees about the IIPP.

388.3 COMPLIANCE
The Administrative Services Supervisor is responsible for ensuring that all safety and health policies and procedures are clearly communicated and understood by all employees. The Administrative Services Supervisor should take reasonable steps to ensure that all workers comply with safety rules and maintain a safe work environment, including, but not limited to:

(a) Informing workers of the provisions of the IIPP.
(b) Recognizing employees who perform safe work practices.
(c) Ensuring that the employee evaluation process includes the employee's safety performance.
(d) Ensuring the Department's compliance with mandates regarding:
   1. Bloodborne pathogens (8 CCR § 5193).
   2. Airborne transmissible diseases (8 CCR § 5199).
   3. Heat illness (8 CCR § 3395).
   4. Respiratory protection (8 CCR § 5144).
Illness and Injury Prevention

Supervisors are responsible for training, counseling, instructing or making informal verbal admonishments anytime safety performance is deficient. Supervisors may also initiate discipline when it is reasonable and appropriate under the Conduct Policy.

All employees should use safe work practices, follow all directives and policies and assist in maintaining a safe work environment.

388.4 COMMUNICATION
Supervisors shall establish and maintain communication with employees on health and safety issues. This is essential for an injury-free, productive workplace.

(a) The Administrative Services Supervisor will ensure that a system of communication is in place which facilitates a continuous flow of safety and health information between supervisors and employees. This system shall include:

1. New worker orientation, including a discussion of safety and health policies and procedures.
2. Regular employee review of the IIPP.
3. Workplace safety and health training programs.
4. Regularly scheduled safety meetings.
5. Posted or distributed safety information.
6. A system for workers to anonymously inform management about workplace hazards.
7. Establishment of a labor/management safety and health committee, which will:
   (a) Meet regularly.
   (b) Prepare a written record of the safety and health committee meeting.
   (c) Review the results of periodic scheduled inspections.
   (d) Review investigations of accidents and exposures.
   (e) Make suggestions to management for the prevention of future incidents.
   (f) Review investigations of alleged hazardous conditions.
   (g) Submit recommendations to assist in the evaluation of employee safety suggestions.
   (h) Assess the effectiveness of the Department's efforts to meet the following mandates:
       1. Bloodborne pathogens (8 CCR § 5193)
       2. Airborne transmissible diseases (8 CCR § 5199)
3. Heat illness prevention (8 CCR § 3395).

388.5 HAZARD ASSESSMENT
Safety inspections are crucial to a safe work environment. These inspections identify and evaluate workplace hazards utilizing the applicable sections of the Hazard Assessment Checklist to ensure a thorough inspection. These checklists can be found at http://www.dir.ca.gov/DOSH/etools/09-031/tools.htm.

388.5.1 ADMINISTRATIVE SERVICES SUPERVISOR INSPECTION DUTIES
The Administrative Services Supervisor shall ensure an Identified Hazard and Correction Record (http://www.dir.ca.gov/DOSH/etools/09-031/IndHazCorRec.pdf) is completed for each inspection.

388.5.2 PATROL OFFICERS INSPECTION DUTIES
Officers are charged with daily vehicle inspection of an assigned vehicle and of personal protective equipment prior to working in the field. Officers shall complete an Identified Hazard and Correction Form if an unsafe condition cannot be immediately corrected. Officers should forward this report to their supervisor.

388.5.3 SUPERVISOR ASSESSMENT DUTIES
Supervisors should inform the Administrative Services Supervisor when the following occurs:

- New substances, processes, procedures or equipment that present potential new hazards are introduced into the work environment.
- New, previously unidentified hazards are recognized.
- Occupational injuries and illnesses occur.
- New and/or permanent or intermittent workers are hired or reassigned to processes, operations or tasks for which a hazard evaluation has not been previously conducted.
- Whenever workplace conditions warrant an inspection.

The Administrative Services Supervisor will take appropriate action to ensure the IIPP addresses potential hazards upon such notification.

388.6 ACCIDENT/EXPOSURE INVESTIGATIONS
Employees must report all injuries that are a result of a workplace accident and any hazardous substance exposure to a supervisor. A supervisor receiving such a report should personally investigate the incident or ensure that an investigation is conducted. Investigative procedures for workplace accidents and hazardous substance exposures should include:

- A visit to the accident scene as soon as possible.
- An interview of the injured worker and witnesses.
- An examination of the workplace for factors associated with the accident/exposure.
Illness and Injury Prevention

- Determination of the cause of the accident/exposure.
- Corrective action to prevent the accident/exposure from reoccurring.

388.7 HAZARD CORRECTION
All employees should report and/or take reasonable steps to correct unsafe or unhealthy work conditions, practices or procedures in a timely manner. Employees should make their reports to a supervisor (as a general rule, their own supervisor).

Supervisors should make reasonable efforts to correct unsafe or unhealthy work conditions in a timely manner based on the severity of the hazards. Hazards should be corrected when observed or discovered, when it is reasonable to do so. When a hazard exists that cannot be immediately abated without endangering employees or property, supervisors should protect or remove all exposed workers from the area or item, except those necessary to correct the existing condition.

Employees who are necessary to correct the hazardous condition shall be provided with the necessary protection.

All significant actions taken and dates they are completed shall be documented on an Identified Hazard and Correction Form. This should be forwarded to the Administrative Services Supervisor via the chain of command.

388.8 TRAINING AND INSTRUCTION
The Administrative Services Supervisor shall work with the Administrative Sergeant to ensure that all workers, including supervisors, are trained on general and job-specific, workplace safety and health practices. Training shall be provided as follows:

- To all new employees for those tasks that were not sufficiently covered by previous training from an academy or another training provider.
- To all workers given new job assignments for which training has not previously been provided.
- Whenever new substances, processes, procedures or equipment are introduced to the workplace and represent a new hazard.
- Whenever the department is made aware of a new or previously unrecognized hazard.
- To supervisors to familiarize them with the safety and health hazards to which workers under their immediate direction and control may be exposed.
- To all workers with respect to hazards that are specific to each employee's job assignment.
Illness and Injury Prevention

- An explanation of the department's IIPP, emergency action plan and fire prevention plan; measures for reporting any unsafe conditions, work practices and injuries; and informing a supervisor when additional instruction is needed.
- The use of appropriate clothing, including gloves, footwear and personal protective equipment.
- Information about chemical hazards to which employees could be exposed.
- The availability of toilet, hand-washing and drinking-water facilities.
- Provisions for medical services and first aid, including emergency procedures.
- Steps to prevent heat illness (8 CCR § 3395).

388.9 RECORDKEEPING
The Administrative Services Supervisor will do the following to implement and maintain IIPP records:

(a) Make available the Identified Hazards and Correction Record Form to document inspections, any unsafe condition or work practice, and actions taken to correct unsafe conditions and work practices.

(b) Make available the Investigation/Corrective Action Report (http://www.dir.ca.gov/DOSH/etools/09-031/InvestigationReport.pdf) to document individual incidents or accidents.

(c) Develop a Worker Training and Instruction Form to document the safety and health training of each employee. This form will include the employee's name or other identifier, training dates, type of training, and training providers.

(d) Retain inspection records and training documentation for a minimum of one year.

388.10 TRAINING SUBJECTS
The Administrative Services Supervisor should work with the Administrative Sergeant to ensure training is provided on the following topics:

- Driver safety
- Safe procedures for handling, cleaning and/or storing weapons
- Good housekeeping and fire prevention
- Back exercises/stretches and proper lifting techniques
- Lock-out/tag-out procedures

- Bloodborne pathogens and other biological hazards
- Other job-specific hazards
Chapter 4 - Patrol Operations
Patrol Function

400.1 PURPOSE AND SCOPE
The purpose of this policy is to define the patrol function and address intraorganizational cooperation and information sharing.

400.2 INFORMATION SHARING
To the extent feasible, all information relevant to the mission of the [Department/Office] should be shared among all divisions and specialized units on a timely basis. Members should be provided with opportunities on a regular basis to share information during the daily [briefing]s and to attend [briefing]s of other divisions or specialized units.

Additionally, information should be shared with outside agencies and the public in conformance with [department/office] policies and applicable laws. Members are encouraged to share information with other units and divisions.

400.3 CROWDS, EVENTS AND GATHERINGS
Officers may encounter gatherings of people, including but not limited to, civil demonstrations, civic, social and business events, public displays, parades and sporting events. Officers should monitor such events as time permits in an effort to keep the peace and protect the safety and rights of those present. A patrol supervisor should be notified when it becomes reasonably foreseeable that such an event may require increased monitoring, contact or intervention.

Officers responding to an event or gathering that warrants law enforcement involvement should carefully balance the speech and association rights of those present with applicable public safety concerns before taking enforcement action.

Generally, officers should consider seeking compliance through advisements and warnings for minor violations and should reserve greater enforcement options for more serious violations or when voluntary compliance with the law is not achieved.

Officers are encouraged to contact organizers or responsible persons to seek voluntary compliance that may address relevant public safety/order concerns.

Officers should consider enforcement of applicable state and local laws, such as Penal Code 602.1 (obstructing or intimidating business operators), when the activity blocks the entrance or egress of a facility or location and when voluntary compliance with the law is not achieved.

400.4 POLICY
The Brawley Police Department provides patrol services 24 hours a day, seven days a week and will prioritize responses to requests for emergency services using available resources to enhance the safety of the public and [department/office] members.
400.5 FUNCTION

Patrol will generally be conducted by uniformed officers in clearly marked law enforcement vehicles in assigned jurisdictional areas of Brawley. The function of patrol is to respond to calls for assistance and reports of criminal activity, act as a deterrent to crime, enforce state and local laws, identify community needs, provide support and assistance to the community and respond to emergencies.

Patrol services include, but are not limited to:

(a) Responding to emergency calls for service.
(b) Apprehending criminal offenders.
(c) Providing mutual aid and assistance to other agencies for emergency and law enforcement-related activities.
(d) Preventing criminal acts, traffic violations and collisions, maintaining public order and discovering hazardous situations or conditions.
(e) Responding to reports of criminal and non-criminal acts.
(f) Responding to routine calls for service, such as public assistance or public safety.
(g) Carrying out crime prevention activities such as residential inspections, business inspections and community presentations.
(h) Carrying out community oriented policing and problem-solving activities including the application of resources to improve or resolve specific problems or situations and contacting or assisting members of the public in a positive way.
(i) Directing and controlling traffic.
Racial- or Bias-Based Profiling

402.1 PURPOSE AND SCOPE
This policy provides guidance to department members and establishes appropriate controls to ensure that employees of the Brawley Police Department do not engage in racial- or bias-based profiling or violate any related laws while serving the community.

402.1.1 DEFINITION
Definitions related to this policy include:

Racial- or bias-based profiling - An inappropriate reliance on factors such as race, ethnicity, national origin, religion, sex, sexual orientation, economic status, age, cultural group, disability or affiliation with any other similar identifiable group as a factor in deciding whether to take law enforcement action or to provide service.

402.2 POLICY
The Brawley Police Department is committed to providing law enforcement services to the community with due regard for the racial, cultural or other differences of those served. It is the policy of this department to provide law enforcement services and to enforce the law equally, fairly and without discrimination toward any individual or group.

Race, ethnicity or nationality, religion, sex, sexual orientation, economic status, age, cultural group, disability or affiliation with any other similar identifiable group shall not be used as the basis for providing differing levels of law enforcement service or the enforcement of the law.

402.3 RACIAL- OR BIAS-BASED PROFILING PROHIBITED
Racial- or bias-based profiling is strictly prohibited. However, nothing in this policy is intended to prohibit an officer from considering factors such as race or ethnicity in combination with other legitimate factors to establish reasonable suspicion or probable cause (e.g., suspect description is limited to a specific race or group).

402.4 MEMBER RESPONSIBILITY
Every member of this department shall perform his/her duties in a fair and objective manner and is responsible for promptly reporting any known instances of racial- or bias-based profiling to a supervisor.

402.4.1 REASON FOR DETENTION
Officers detaining a person shall be prepared to articulate sufficient reasonable suspicion to justify a detention, independent of the individual's membership in a protected class.

To the extent that written documentation would otherwise be completed (e.g., arrest report, Field Interview (FI) card), the involved officer should include those facts giving rise to the officer's reasonable suspicion or probable cause for the detention, as applicable.
Nothing in this policy shall require any officer to document a contact that would not otherwise require reporting.

402.4.2 REPORTING TRAFFIC STOPS
Each time an officer makes a traffic stop, the officer shall report any information required in the Traffic Function and Responsibility Policy.

402.5 SUPERVISOR RESPONSIBILITY
Supervisors shall monitor those individuals under their command for any behavior that may conflict with the purpose of this policy and shall handle any alleged or observed violation of this policy in accordance with the Personnel Complaints Policy.

(a) Supervisors should discuss any issues with the involved officer and his/her supervisor in a timely manner.

(b) Supervisors should periodically review MAV recordings, MDT data and any other available resource used to document contact between officers and the public to ensure compliance with the policy.

1. Supervisors should document these periodic reviews.

2. Recordings that capture a potential instance of racial- or bias-based profiling should be appropriately retained for administrative investigation purposes.

(c) Supervisors shall initiate investigations of any actual or alleged violations of this policy.

(d) Supervisors should ensure that no retaliatory action is taken against any member of this department who discloses information concerning racial- or bias-based profiling.

402.6 ADMINISTRATION
Each year, the Operations Division Commander shall review the efforts of the Department to prevent racial- or bias-based profiling and submit an overview, including public concerns and complaints, to the Chief of Police.

This report should not contain any identifying information regarding any specific complaint, citizen or officers. It should be reviewed by the Chief of Police to identify any changes in training or operations that should be made to improve service.

Supervisors shall review the annual report and discuss the results with those they are assigned to supervise.

402.7 TRAINING
Training on racial- or bias-based profiling and review of this policy should be conducted as directed by the Professional Standards and Training.
(a) All sworn members of this department will be scheduled to attend Peace Officer Standards and Training (POST)-approved training on the subject of racial- or bias-based profiling.

(b) Pending participation in such POST-approved training and at all times, all members of this department are encouraged to familiarize themselves with and consider racial and cultural differences among members of this community.

(c) Each sworn member of this department who received initial racial- or bias-based profiling training will thereafter be required to complete an approved refresher course every five years, or sooner if deemed necessary, in order to keep current with changing racial and cultural trends (Penal Code § 13519.4(i)).
Roll Call Briefing Training

404.1 PURPOSE AND SCOPE
Roll Call Briefing training is generally conducted at the beginning of the officer’s assigned shift. Roll Call Briefing provides an opportunity for important exchange between employees and supervisors. A supervisor generally will conduct Roll Call Briefing; however officers may conduct Roll Call Briefing for training purposes with supervisor approval.

Roll Call Briefing should accomplish, at a minimum, the following basic tasks:

(a) Briefing officers with information regarding daily patrol activity, with particular attention given to unusual situations and changes in the status of wanted persons, stolen vehicles, and major investigations

(b) Notifying officers of changes in schedules and assignments

(c) Notifying officers of new General Orders or changes in General Orders

(d) Reviewing recent incidents for training purposes

(e) Providing training on a variety of subjects

404.2 PREPARATION OF MATERIALS
The supervisor conducting Roll Call Briefing is responsible for preparation of the materials necessary for a constructive briefing. Supervisors may delegate this responsibility to a subordinate officer in his or her absence or for training purposes.
Crime And Disaster Scene Integrity

406.1 PURPOSE AND SCOPE
The protection and integrity of a crime scene is of the utmost importance for the successful apprehension of criminals and successful prosecution. The integrity of a disaster scene is equally as critical for the protection of life and property and investigation by proper authorities.

406.2 CRIME SCENE RESPONSIBILITY
The first officer at the scene of a crime or major incident is generally responsible for taking reasonable efforts to preserve the scene. Officers shall also consider officer safety and public safety, including reasonable efforts to render medical aid to any obviously injured parties. Once an officer has assumed or been assigned to maintain the integrity of the crime/disaster scene, the officer shall continue to do so until he/she is relieved by a supervisor.

406.2.1 FIRST RESPONDER CONSIDERATIONS
The following list generally describes the functions which the first responder should reasonably attempt to take at a crime or disaster scene. This list is not intended to be all-inclusive, is not necessarily in order and may be altered according to the demands of each situation, the availability of resources, capacity of personnel and totality of each circumstance:

(a) Ensure no suspects are still in the area.
(b) Broadcast emergency information, including all requests for additional assistance.
(c) Provide first aid to injured parties if it can be done safely.
(d) Evacuate the location as required.
(e) Secure the inner and outer perimeter if needed.
(f) Protect items of apparent evidentiary value.
(g) Identify potential witnesses.
(h) Start a chronological log noting critical times and personnel allowed access.

406.2.2 EXECUTION OF HEALTH ORDERS
Any sworn member of this department is authorized to enforce all orders of the local health officer that have been issued for the purpose of preventing the spread of any contagious, infectious or communicable disease (Health and Safety Code § 120155).

406.3 SEARCHES AT CRIME OR DISASTER SCENES
Officers arriving at crime or disaster scenes are often faced with the immediate need to search for and render aid to victims and determine if suspects are present and continue to pose a threat. Once officers are satisfied that no additional suspects are present and/or there are no injured persons to be treated, those exigent circumstances will likely no longer exist. Officers should thereafter secure the scene and conduct no further search until proper authority for the search is obtained.
406.3.1  CONSENT
Officers should seek consent to search from authorized individuals where possible. However, in the case of serious crimes or major investigations, it may be prudent to obtain a search warrant. Consent may be sought even in cases where a search warrant has been granted.
Crisis Response Unit

408.1 PURPOSE AND SCOPE
The Crisis Response Unit (CRU) is comprised of two specialized teams: the Crisis Negotiation Team (CNT) and the Special Weapons and Tactics Team (SWAT). The unit has been established to provide specialized support in handling critical field operations where intense negotiations and/or special tactical deployment methods beyond the capacity of field officers appear to be necessary. This policy is written to comply with the guidelines established in the Attorney General's Commission on Special Weapons and Tactics Report (September 2002) and the POST 2005 SWAT Operational Guidelines and Standardized Training Recommendations (Penal Code § 13514.1).

408.1.1 OPERATIONAL AND ADMINISTRATIVE POLICY
The Policy Manual sections pertaining to the Crisis Response Unit are divided into Administrative and Operational Policy and Procedures. Since situations that necessitate the need for such a police response vary greatly from incident to incident and such events often demand on-the-scene evaluation, the Operational Policy outlined in this manual section serves as a guideline to department personnel allowing for appropriate on-scene decision making as required. The Administrative Procedures, however, are more restrictive and few exceptions should be taken.

408.1.2 SWAT TEAM DEFINED
A SWAT team is a designated unit of law enforcement officers that is specifically trained and equipped to work as a coordinated team to resolve critical incidents that are so hazardous, complex, or unusual that they may exceed the capabilities of first responders or investigative units including, but not limited to, hostage taking, barricaded suspects, snipers, terrorist acts and other high-risk incidents. As a matter of department policy, such a unit may also be used to serve high-risk warrants, both search and arrest, where public and officer safety issues warrant the use of such a unit.

408.2 LEVELS OF CAPABILITY/TRAINING

408.2.1 LEVEL I
A level I SWAT team is a basic team capable of providing containment and intervention with critical incidents that exceed the training and resources available to line-level officers. This does not include ad hoc teams of officers that are formed around a specific mission, detail or incident (e.g. active shooter response). Generally 5% of the basic team's on-duty time should be devoted to training.

408.2.2 LEVEL II
A level II, Intermediate level SWAT team is capable of providing containment and intervention. Additionally, these teams possess tactical capabilities above the Level I teams. These teams may or may not work together on a daily basis, but are intended to respond to incidents as a team. At
least 5% of their on-duty time should be devoted to training with supplemental training for tactical capabilities above the Level I team.

408.2.3 LEVEL III
A Level III, Advanced level SWAT team is a SWAT team whose personnel function as a full-time unit. Generally 25% of their on-duty time is devoted to training. Level III teams operate in accordance with contemporary best practices. Such units possess both skills and equipment to utilize tactics beyond the capabilities of Level I and Level II teams.

408.3 POLICY
It shall be the policy of this department to maintain a SWAT team and to provide the equipment, manpower, and training necessary to maintain a SWAT team. The SWAT team should develop sufficient resources to perform three basic operational functions:

(a) Command and Control
(b) Containment
(c) Entry/Apprehension/Rescue

It is understood it is difficult to categorize specific capabilities for critical incidents. Training needs may vary based on the experience level of the team personnel, team administrators and potential incident commanders. Nothing in this policy shall prohibit individual teams from responding to a situation that exceeds their training levels due to the exigency of the circumstances. The preservation of innocent human life is paramount.

408.3.1 POLICY CONSIDERATIONS
A needs assessment should be conducted to determine the type and extent of SWAT missions and operations appropriate to this department. The assessment should consider the team's capabilities and limitations and should be reviewed annually by the SWAT Commander or his/her designee.

408.3.2 ORGANIZATIONAL PROCEDURES
This department shall develop a separate written set of organizational procedures which should address, at minimum, the following:

(a) Locally identified specific missions the team is capable of performing.
(b) Team organization and function.
(c) Personnel selection and retention criteria.
(d) Training and required competencies.
(e) Procedures for activation and deployment.
(f) Command and control issues, including a clearly defined command structure.
(g) Multi-agency response.
(h) Out-of-jurisdiction response.
408.3.3 OPERATIONAL PROCEDURES

This department shall develop a separate written set of operational procedures in accordance with the determination of their level of capability, using sound risk reduction practices. The operational procedures should be patterned after the National Tactical Officers Association Suggested SWAT Best Practices. Because such procedures are specific to CRU members and will outline tactical and officer safety issues, they are not included within this policy. The operational procedures should include, at minimum, the following:

(a) Designated personnel responsible for developing an operational or tactical plan prior to, and/or during SWAT operations (time permitting).
   1. All SWAT team members should have an understanding of operational planning.
   2. SWAT team training should consider planning for both spontaneous and planned events.
   3. SWAT teams should incorporate medical emergency contingency planning as part of the SWAT operational plan.

(b) Plans for mission briefings conducted prior to an operation, unless circumstances require immediate deployment.
   1. When possible, briefings should include the specialized units and supporting resources.

(c) Protocols for a sustained operation should be developed which may include relief, rotation of personnel and augmentation of resources.

(d) A generic checklist to be worked through prior to initiating a tactical action as a means of conducting a threat assessment to determine the appropriate response and resources necessary, including the use of SWAT.

(e) The appropriate role for a trained negotiator.

(f) A standard method of determining whether or not a warrant should be regarded as high-risk.

(g) A method for deciding how best to serve a high-risk warrant with all reasonably foreseeable alternatives being reviewed in accordance with risk/benefit criteria prior to selecting the method of response.

(h) Post incident scene management including:
   1. Documentation of the incident.
   2. Transition to investigations and/or other units.
   3. Debriefing after every deployment of the SWAT team.
(a) After-action team debriefing provides evaluation and analysis of critical incidents and affords the opportunity for individual and team assessments, helps to identify training needs, and reinforces sound risk management practices.

(b) Such debriefing should not be conducted until involved officers have had the opportunity to individually complete necessary reports or provide formal statements.

(c) In order to maintain candor and a meaningful exchange, debriefing will generally not be recorded.

(d) When appropriate, debriefing should include specialized units and resources.

(i) Sound risk management analysis.

(j) Standardization of equipment deployed.

408.4 TRAINING NEEDS ASSESSMENT

Hazardous materials present a potential harm to employees resulting from their exposure. To comply with Title 8, California Code of Regulations, § 5194, the following is to be the policy of this department.

412.1.1 HAZARDOUS MATERIAL DEFINED
A hazardous material is a substance which by its nature, containment and reactivity, has the capability of inflicting harm during exposure; characterized as being toxic, corrosive, flammable, reactive, an irritant or strong sensitizer and thereby posing a threat to health when improperly managed.

412.2 HAZARDOUS MATERIAL RESPONSE
Employees may encounter situations involving suspected hazardous materials, such as at the scene of a traffic accident, chemical spill or fire. When employees come into contact with a suspected hazardous material, certain steps should be taken to protect themselves and citizens.

The following steps should be considered at any scene involving suspected hazardous materials:

(a) Attempt to identify the type of hazardous substance. (Identification can be determined by placard, driver’s manifest or statements from the person transporting).

(b) Notify the Fire Department.

To ensure the safety of employees, safety equipment is available through supervisory personnel. Safety items not maintained by the Department will be obtained through the Fire Department.
Hostage and Barricade Incidents

414.1 PURPOSE AND SCOPE
The purpose of this policy is to provide guidelines for situations where officers have legal cause to contact, detain or arrest a person, and the person refuses to submit to the lawful requests of the officers by remaining in a structure or vehicle and/or by taking a hostage.

The scope of this policy is not intended to address all variables that officers encounter during their initial response or when a hostage or barricade situation has developed. This policy does not require or purport to recommend specific strategies or tactics for resolution as each incident is a dynamic and rapidly evolving event.

414.1.1 DEFINITIONS
Definitions related to this policy include:

Barricade situation - An incident where a person maintains a position of cover or concealment and ignores or resists law enforcement personnel, and it is reasonable to believe the subject is armed with a dangerous or deadly weapon.

414.2 POLICY
It is the policy of the Brawley Police Department to address hostage and barricade situations with due regard for the preservation of life and balancing the risk of injury, while obtaining the safe release of hostages, apprehending offenders and securing available evidence.

414.3 COMMUNICATION
When circumstances permit, initial responding officers should try to establish and maintain lines of communication with a barricaded person or hostage-taker. Officers should attempt to identify any additional subjects, inquire about victims and injuries, seek the release of hostages, gather intelligence information, identify time-sensitive demands or conditions and obtain the suspect's surrender.

When available, department-authorized negotiators should respond to the scene as soon as practicable and assume communication responsibilities. Negotiators are permitted to exercise flexibility in each situation based upon their training, the circumstances presented, suspect actions or demands and the available resources.

414.3.1 EMERGENCY COMMUNICATIONS
Only an officer who has been designated by the District Attorney or Attorney General may use or authorize the use of an electronic amplifying or recording device to eavesdrop on or record, or both, oral communication in response to an emergency situation involving a hostage or the barricading of a location, and only when (Penal Code § 633.8(b)):

The first responding officer should immediately request a supervisor's response as soon as it is determined that a hostage or barricade situation exists. The first responding officer shall assume the duties of the supervisor until relieved by a supervisor or a more qualified responder. The officer shall continually evaluate the situation, including the level of risk to officers, to the persons involved and to bystanders, and the resources currently available.

414.4.1 BARRICADE SITUATION
Unless circumstances require otherwise, officers handling a barricade situation should attempt to avoid a forceful confrontation in favor of stabilizing the incident by establishing and maintaining lines of communication while awaiting the arrival of specialized personnel and trained negotiators. During the interim the following options, while not all-inclusive or in any particular order, should be considered:

(a) Ensure injured persons are evacuated from the immediate threat area if it is reasonably safe to do so. Request medical assistance.

(b) Assign personnel to a contact team to control the subject should he/she attempt to exit the building, structure or vehicle, and attack, use deadly force, attempt to escape or surrender prior to additional resources arriving.

(j) If necessary and available, establish a tactical or exclusive radio frequency for the incident.

(k) Establish a command post.

414.4.2 HOSTAGE SITUATION

Officers presented with a hostage situation should attempt to avoid a forceful confrontation in favor of controlling the incident in anticipation of the arrival of specialized personnel and trained hostage negotiators. However, it is understood that hostage situations are dynamic and can require that officers react quickly to developing or changing threats. The following options while not all-inclusive or in any particular order, should be considered:

(a) Ensure injured persons are evacuated from the immediate threat area if it is reasonably safe to do so. Request medical assistance.

(b) Assign personnel to a contact team to control the subject should he/she attempt to exit the building, structure or vehicle, and attack, use deadly force, attempt to escape or surrender prior to additional resources arriving.

(c) Establish a rapid response team in the event it becomes necessary to rapidly enter a building, structure or vehicle, such as when the suspect is using deadly force against any hostages (see the Rapid Response and Deployment Policy).

(d) Assist hostages or potential hostages to escape if it is reasonably safe to do so. Hostages should be kept separated if practicable pending further interview.

(e) Request additional personnel, resources and equipment as needed (e.g., canine team, air support).

(f) Provide responding emergency personnel with a safe arrival route to the location.
(g) Evacuate non-injured persons in the immediate threat area if it is reasonably safe to do so.

(m) If necessary and available, establish a tactical or exclusive radio frequency for the incident.

414.5 SUPERVISOR RESPONSIBILITIES

Upon being notified that a hostage or barricade situation exists, the supervisor should immediately respond to the scene, assess the risk level of the situation, establish a proper chain of command and assume the role of Incident Commander until properly relieved. This includes requesting a CRU response if appropriate and apprising the CRU Commander of the circumstances. In addition, the following options should be considered:

(a) Ensure injured persons are evacuated and treated by medical personnel.

(b) Ensure the completion of necessary first responder responsibilities or assignments.

(c) Request crisis negotiators, specialized units, additional personnel, resources or equipment as appropriate.

(d) Establish a command post location as resources and circumstances permit.

The Incident Commander shall continue supervision of the command post operation, outer perimeter security and evacuation, media access and support for the CRU. The Incident Commander and the CRU Commander or the authorized designee shall maintain communications at all times.

414.7 REPORTING
Unless otherwise relieved by a supervisor or Incident Commander, the handling officer at the scene is responsible for completion and/or coordination of incident reports.

416.1 PURPOSE AND SCOPE
The purpose of this policy is to provide guidelines to assist members of the Brawley Police Department in their initial response to incidents involving explosives, explosive devices, explosion/bombing incidents or threats of such incidents. Under no circumstances should these guidelines be interpreted as compromising the safety of first responders or the public. When confronted with an incident involving explosives, safety should always be the primary consideration.

416.2 POLICY
It is the policy of the Brawley Police Department to place a higher priority on the safety of persons and the public over damage or destruction to public or private property.

If the bomb threat is against the Brawley Police Department facility, the Watch Commander will direct and assign officers as required for coordinating a general building search or evacuation of the police [department/office], as he/she deems appropriate.

416.4.2 OTHER COUNTY OR MUNICIPAL FACILITY OR PROPERTY
If the bomb threat is against a county or municipal facility within the jurisdiction of the Brawley Police Department that is not the property of this [department/office], the appropriate agency will be promptly informed of the threat. Assistance to the other entity may be provided as the Watch Commander deems appropriate.
416.4.3   FEDERAL BUILDING OR PROPERTY
If the bomb threat is against a federal building or property, the Federal Protective Service should be immediately notified. The Federal Protective Service provides a uniformed law enforcement response for most facilities, which may include use of its Explosive Detector Dog teams.

If the bomb threat is against a federal government property where the Federal Protective Service is unable to provide a timely response, the appropriate facility’s security or command staff should be notified.

Bomb threats against a military installation should be reported to the military police or other military security responsible for the installation.

416.5   PRIVATE FACILITY OR PROPERTY
When a member of this [department/office] receives notification of a bomb threat at a location in the City of Brawley, the member receiving the notification should obtain as much information as reasonably possible from the notifying individual, including:

(a) The location of the facility.
(b) The nature of the threat.
(c) Whether the type and detonation time of the device is known.
(d) Whether the facility is occupied and, if so, the number of occupants currently on-scene.
(e) Whether the individual is requesting police assistance at the facility.
(f) Whether there are any internal facility procedures regarding bomb threats in place, such as:
   1. No evacuation of personnel and no search for a device.
   2. Search for a device without evacuation of personnel.
   3. Evacuation of personnel without a search for a device.
   4. Evacuation of personnel and a search for a device.

The member receiving the bomb threat information should ensure that the Watch Commander is immediately notified so that he/she can communicate with the person in charge of the threatened facility.

416.5.1   ASSISTANCE
The Watch Commander should be notified when police assistance is requested. The Watch Commander will make the decision whether the [Department/Office] will render assistance and at what level. Information and circumstances that indicate a reasonably apparent, imminent threat to the safety of either the facility or the public may require a more active approach, including police control over the facility.

Should the Watch Commander determine that the [Department/Office] will assist or control such an incident, he/she will determine:

(a) The appropriate level of assistance.
Response to Bomb Calls

(b) The plan for assistance.
(c) Whether to evacuate and/or search the facility.
(d) Whether to involve facility staff in the search or evacuation of the building.
   1. The person in charge of the facility should be made aware of the possibility of damage to the facility as a result of a search.
   2. The safety of all participants is the paramount concern.
(e) The need for additional resources, including:
   1. Notification and response, or standby notice, for fire and emergency medical services.

Even though a facility does not request police assistance to clear the interior of a building, based upon the circumstances and known threat, officers may be sent to the scene to evacuate other areas that could be affected by the type of threat, or for traffic and pedestrian control.

416.6 FOUND DEVICE
When handling an incident involving a suspected explosive device, the following guidelines, while not all inclusive, should be followed:

(a) No known or suspected explosive item should be considered safe regardless of its size or apparent packaging.
(b) The device should not be touched or moved except by the bomb squad or military explosive ordnance disposal team.
(c) Personnel should not transmit on any equipment that is capable of producing radio frequency energy within the evacuation area around the suspected device. This includes the following:
   1. Two-way radios
   2. Cell phones
   3. Other personal communication devices
(d) The appropriate bomb squad or military explosive ordnance disposal team should be summoned for assistance.
(e) The largest perimeter reasonably possible should initially be established around the device based upon available personnel and the anticipated danger zone.
(f) A safe access route should be provided for support personnel and equipment.
(g) Search the area for secondary devices as appropriate and based upon available resources.
(h) Consider evacuation of buildings and personnel near the device or inside the danger zone and the safest exit route.
(i) Promptly relay available information to the Watch Commander including:
   1. The time of discovery.
2. The exact location of the device.
3. A full description of the device (e.g., size, shape, markings, construction).
4. The anticipated danger zone and perimeter.
5. The areas to be evacuated or cleared.

416.7 EXPLOSION/BOMBING INCIDENTS
When an explosion has occurred, there are multitudes of considerations which may confront the responding officers. As in other catastrophic events, a rapid response may help to minimize injury to victims, minimize contamination of the scene by gathering crowds, or minimize any additional damage from fires or unstable structures.

416.7.1 CONSIDERATIONS
Officers responding to explosions, whether accidental or a criminal act, should consider the following actions:

(a) Assess the scope of the incident, including the number of victims and extent of injuries.
(b) Request additional personnel and resources, as appropriate.
(c) Assist with first aid.
(d) Identify and take appropriate precautions to mitigate scene hazards, such as collapsed structures, bloodborne pathogens and hazardous materials.
(e) Assist with the safe evacuation of victims, if possible.
(f) Establish an inner perimeter to include entry points and evacuation routes. Search for additional or secondary devices.
(g) Preserve evidence.
(h) Establish an outer perimeter and evacuate if necessary.
(i) Identify witnesses.

416.7.2 NOTIFICATIONS
When an explosion has occurred, the following people should be notified as appropriate:

- Fire department
- Bomb squad
- Additional [department/office] personnel, such as investigators and forensic services
- Field supervisor
- Watch Commander
- Other law enforcement agencies, including local, state or federal agencies, such as the FBI and the Bureau of Alcohol, Tobacco, Firearms and Explosives (ATF)
- Other government agencies, as appropriate
Response to Bomb Calls

416.7.3 CROWD CONTROL
Only authorized members with a legitimate need should be permitted access to the scene. Spectators and other unauthorized individuals should be restricted to a safe distance as is reasonably practicable given the available resources and personnel.

416.7.4 PRESERVATION OF EVIDENCE
As in any other crime scene, steps should immediately be taken to preserve the scene. The Watch Commander should assign officers to protect the crime scene area, which could extend over a long distance. Consideration should be given to the fact that evidence may be imbedded in nearby structures or hanging in trees and bushes.
Mental Illness Commitments

418.1 PURPOSE AND SCOPE
This policy provides guidelines for when officers may take a person into custody for psychiatric evaluation and treatment (5150 commitment) (Welfare and Institutions Code § 5150).

418.2 POLICY
It is the policy of the Brawley Police Department to protect the public and individuals through legal and appropriate use of the 72-hour treatment and evaluation commitment (5150 commitment) process.

418.3 AUTHORITY
An officer having probable cause may take a person into custody and place the person in an approved mental health facility for 72-hour treatment and evaluation when the officer believes that, as a result of a mental disorder, the person is a danger to him/herself or others or the person is gravely disabled (Welfare and Institutions Code § 5150; Welfare and Institutions Code § 5585.50).

When determining whether to take a person into custody, officers are not limited to determining the person is an imminent danger and shall consider reasonably available information about the historical course of the person's mental disorder, which may include evidence presented from any of the following (Welfare and Institutions Code § 5150; Welfare and Institutions Code § 5150.05):

(a) An individual who is providing or has provided mental health treatment or related support services to the person
(b) A family member
(c) The person subject to the determination or anyone designated by the person

418.3.1 VOLUNTARY EVALUATION
If an officer encounters an individual who may qualify for a 5150 commitment, he/she may inquire as to whether the person desires to voluntarily be evaluated at an appropriate facility. If the person so desires, the officers should:

(a) Transport the person to an appropriate facility that is able to conduct the evaluation and admit the person pursuant to a 5150 commitment.
(b) If at any point the person changes his/her mind regarding voluntary evaluation, officers should proceed with the 5150 commitment, if appropriate.
(c) Document the circumstances surrounding the individual's desire to pursue voluntary evaluation and/or admission.

418.3.2 RESTRAINTS
If the patient is violent or potentially violent, the officer will notify the staff of this concern. The staff member in charge will have discretion as to whether soft-restraints will be used. If these restraints
Mental Illness Commitments

are desired, the officer will wait while they are being applied to help provide physical control of
the patient, if needed.

418.3.3 MENTAL HEALTH DOCUMENTATION
The officer will complete an Application For 72-Hour Detention for Evaluation and Treatment form
(MH-302) and provide it to the staff member assigned to that patient. The officer will retain a copy
of the 72-hour evaluation for inclusion in the case report. The officer shall also provide a verbal
summary to an emergency department staff member regarding the circumstances leading to the
involuntary detention.

418.3.4 SECURING OF WEAPONS
If a receiving and secured facility prohibits weapons or if an extraordinary event occurs in the
treatment facility and officers determine a need to secure their firearms, the firearm shall be
secured in the appropriate gun locker at the facility or in the police unit.

418.4 CONSIDERATIONS AND RESPONSIBILITIES
Any officer handling a call involving an individual who may qualify for a 5150 commitment should
consider, as time and circumstances reasonably permit:

(a) Available information that might assist in determining the cause and nature of the
    person’s action or stated intentions.
(b) Community or neighborhood mediation services.
(c) Conflict resolution and de-escalation techniques.
(d) Community or other resources available to assist in dealing with mental health issues.

While these steps are encouraged, nothing in this section is intended to dissuade officers from
taking reasonable action to ensure the safety of the officers and others.

Officers should consider a 5150 commitment over arrest when mental health issues appear to
be a mitigating factor for people who are suspected of committing minor crimes or creating other
public safety issues.

418.4.1 SECURING OF PROPERTY
When a person is taken into custody for evaluation, or within a reasonable time thereafter, and
unless a responsible relative, guardian or conservator is in possession of the person's personal
property, the officer shall take reasonable precautions to safeguard the individual’s personal
property in his/her possession or on the premises occupied by the person (Welfare and Institutions
Code § 5150).

The officer taking the person into custody shall provide a report to the court that describes the
person’s property and its disposition in the format provided in Welfare and Institutions Code §
5211, unless a responsible person took possession of the property, in which case the officer shall
only include the name of the responsible person and the location of the property (Welfare and
Institutions Code § 5150).
418.5 TRANSPORTATION
When transporting any individual for a 5150 commitment, the transporting officer should have the Communications Center notify the receiving facility of the estimated time of arrival, the level of cooperation of the individual and whether any special medical care is needed.

Officers may transport individuals in a patrol unit and shall secure them in accordance with the Handcuffing and Restraints Policy. Should the detainee require transport in a medical transport vehicle and the safety of any person, including the detainee, requires the presence of an officer during the transport, Watch Commander approval is required before transport commences.

418.5.1 RETURN OF CONFISCATED FIREARMS AND WEAPONS
(a) Whenever the handling officer has cause to believe that the future return of any confiscated weapon(s) might endanger the person or others, the officer shall detail those facts and circumstances in a report. The report shall be forwarded to the Detective Division which shall be responsible for initiating a petition to the superior court for a hearing in accordance with Welfare and Institutions Code § 8102(b), to determine whether or not the weapon(s) will be returned.

(b) The petition to the Superior Court shall be initiated within 30 days of the release of the individual from whom such weapon(s) have been confiscated unless the Department makes an ex parte application to the court to extend the time to file such a petition, up to a maximum of 60 days. At the time any such petition is initiated, the Department shall send written notice to the individual informing him or her of the right to a hearing on the issue and that he or she has 30 days to confirm with the court clerk any desire for a hearing and that the failure to do so will result in the forfeiture of any confiscated weapon(s).

(c) If no petition is initiated within the above period, the Department shall make the weapon(s) available for return in accordance with subsection (d) below. If the person does not confirm a desire for a hearing within the prescribed 30 days, the Department may file a petition for an order of default.

(d) Under no circumstances shall any firearm be returned to any individual unless and until such person presents valid identification and written notification from the California Department of Justice which conforms to the provisions of Penal Code § 33865.

(e) In no case in which a firearm or other deadly weapon is not retained as evidence shall the Department be required to retain such firearms or other deadly weapon longer than 180 days after notice has been provided to the owner that such firearm or other deadly weapon is available for return. At the expiration of such period, the firearm or other deadly weapon may be processed for disposal in accordance with applicable law (Penal Code § 33875).
418.6 TRANSFER TO APPROPRIATE FACILITY
Upon arrival at the facility, the officer will escort the individual into a treatment area designated by a facility staff member. If the individual is not seeking treatment voluntarily, the officer should provide the staff member with the written application for a 5150 commitment and remain present to provide clarification of the grounds for detention, upon request.

Absent exigent circumstances, the transporting officer should not assist facility staff with the admission process, including restraint of the individual. However, if the individual is transported and delivered while restrained, the officer may assist with transferring the individual to facility restraints and will be available to assist during the admission process, if requested. Under normal circumstances, officers will not apply facility-ordered restraints.

418.7 DOCUMENTATION
The officer shall complete an application for a 72-Hour detention for evaluation and treatment, provide it to the facility staff member assigned to that patient and retain a copy of the application for inclusion in the case report.

The application shall include the circumstances for officer involvement; the probable cause to believe the person is, as a result of a mental health disorder, a danger to others or him/herself or gravely disabled; and all information used for the determination of probable cause (Welfare and Institutions Code § 5150; Welfare and Institutions Code § 5150.05).

The officer should also provide a verbal summary to any evaluating staff member regarding the circumstances leading to the involuntary detention.

418.7.1 ADVISEMENT
The officer taking a person into custody for evaluation shall advise the person of:

(a) The officer’s name and agency.
(b) The fact that the person is not under criminal arrest but is being taken for examination by mental health professionals and the mental health staff will advise him/her of their rights.
(c) The name of the facility to which the person is being taken.
(d) If the person is being taken into custody at his/her residence, he/she should also be advised that he/she may take a few personal items, which the officer must approve, and may make a telephone call or leave a note indicating where he/she is being taken. The officer should also ask if the person needs assistance turning off any appliance or water.

The advisement shall be given in a language the person understands. If the person cannot understand an oral advisement, the information shall be provided in writing (Welfare and Institutions Code § 5150).
418.8 CRIMINAL OFFENSES
Officers investigating an individual who is suspected of committing a minor criminal offense and who is being taken on a 5150 commitment should resolve the criminal matter by issuing a warning or a Notice to Appear as appropriate.

When an individual who may qualify for a 5150 commitment has committed a serious criminal offense that would normally result in an arrest and transfer to a jail facility, the officer should:

(a) Arrest the individual when there is probable cause to do so.

(b) Notify the appropriate supervisor of the facts supporting the arrest and the facts that would support the 5150 commitment.

(c) Facilitate the individual's transfer to jail.

(d) Thoroughly document in the related reports the circumstances that indicate the individual may qualify for a 5150 commitment.

In the supervisor’s judgment, the individual may instead be arrested or booked and transported to the appropriate mental health facility. The supervisor should consider the seriousness of the offense, the treatment options available, the ability of this [department/office] to regain custody of the individual, [department/office] resources (e.g., posting a guard) and other relevant factors in making this decision.

418.9 FIREARMS AND OTHER WEAPONS
Whenever a person is taken into custody for a 5150 commitment, the handling officers should seek to determine if the person owns or has access to any firearm or other deadly weapon defined in Welfare and Institutions Code § 8100. Officers should consider whether it is appropriate and consistent with current search and seizure law under the circumstances to seize any such firearms or other dangerous weapons (e.g., safekeeping, evidence, consent).

Officers are cautioned that a search warrant may be needed before entering a residence or other place to search, unless lawful, warrantless entry has already been made (e.g., exigent circumstances, consent). A search warrant may also be needed before searching for or seizing weapons.

The handling officers shall issue a receipt describing the deadly weapon or any firearm seized, and list any serial number or other identification that is on the firearm. Officers shall advise the person of the procedure for the return of any firearm or other weapon that has been taken into custody (Welfare and Institutions Code § 8102 (b)) (see Property and Evidence Policy).

418.9.1 PETITION FOR RETURN OF FIREARMS AND OTHER WEAPONS
Whenever the handling officer has cause to believe that the future return of any confiscated weapon might endanger the person or others, the officer shall detail those facts and circumstances in a report. The report shall be forwarded to the Detective Division, which shall be responsible for initiating a petition to the Superior Court for a hearing in accordance with Welfare and Institutions Code § 8102(c), to determine whether the weapon will be returned.
The petition to the Superior Court shall be initiated within 30 days of the release of the individual from whom such weapon has been confiscated, unless the [Department/Office] makes an ex parte application to the court to extend the time to file such a petition, up to a maximum of 60 days. At the time any such petition is initiated, the [Department/Office] shall send written notice to the individual informing him/her of the right to a hearing on the issue, that he/she has 30 days to confirm with the court clerk any desire for a hearing and that the failure to do so will result in the forfeiture of any confiscated weapon.

418.10 TRAINING
This [department/office] will endeavor to provide Peace Officer Standards and Training (POST)-approved advanced officer training on interaction with persons with mental disabilities, 5150 commitments and crisis intervention.
Cite & Release Policy

420.1 PURPOSE AND SCOPE
Penal Code § 853.6 requires law enforcement agencies to use citation release procedures in lieu of arrest for misdemeanor offenses with certain exceptions. The State Legislature has shown the intent to release all persons on misdemeanor citations, if qualified for such release.

420.2 STATUTORY REQUIREMENTS
Citation releases are authorized by Penal Code § 853.6. Release by citation for misdemeanor offenses can be accomplished in two separate ways:

(a) A field release is when the violator is released in the field without being transported to a jail facility.

(b) A jail release is when a violator is released after being transported to the jail and booked.

420.2.1 DISCRETION TO ARREST
While this department recognizes the statutory power of peace officers to make arrests throughout the state, officers are encouraged to use sound discretion in the enforcement of the law. On-duty arrests will not generally be made outside the jurisdiction of this department except in cases of hot and/or fresh pursuit, while following up on crimes committed within the City, or while assisting another agency. On-duty officers who discover criminal activity outside the jurisdiction of the City should, when circumstances permit, consider contacting the agency having primary jurisdiction before attempting an arrest.

Off-duty officers observing criminal activity should generally take enforcement action only when it reasonably appears that imminent risk to life or property exists and the reasonable opportunity does not exist to contact the law enforcement agency with primary jurisdiction. In such situations the involved officer shall clearly identify him/herself as a police officer.

Officers are authorized to use verbal or written warnings to resolve minor traffic and criminal violations when appropriate.

420.3 DEPARTMENT PROCEDURE
The following procedure will be followed to comply with this law.

420.3.1 FIELD CITATIONS
In most misdemeanor cases an arrestee 18 years or older may be released on citation provided the individual can be satisfactorily identified, there is no outstanding arrest warrant for the individual and none of the below described disqualifying circumstances are present (Penal Code § 853.6 and Penal Code § 1270.1).
420.3.2 JAIL RELEASE
In certain cases, it may be impractical to release a person arrested for misdemeanor offenses in the field. The person arrested may instead be released after booking at the jail, with Watch Commander approval.

Any person arrested for a misdemeanor offense shall be released on his/her written promise to appear after the booking procedure is completed, unless disqualified for reasons listed in Policy Manual § 420.3.3.

420.3.3 DISQUALIFYING CIRCUMSTANCES
A person arrested for a misdemeanor shall be released on a notice to appear unless one of the following situations is present (Penal Code § 853.6(i)):

(a) The person arrested is so intoxicated that he/she could be a danger to him/herself or to others. Release may occur as soon as this condition no longer exists.

(b) The person arrested requires medical examination or medical care or is otherwise unable to care for his/her own safety

   1. The Brawley Police Department shall not release an arrestee from custody for the purpose of allowing that person to seek medical care at a hospital, and then immediately re-arrest the same individual upon discharge from the hospital, unless the hospital determines this action will enable it to bill and collect from a third-party payment source (Penal Code § 4011.10).

(c) The person is arrested for one or more of the offenses listed in Vehicle Code §§ 40302, 40303 and 40305.

   1. Any person arrested for any offense listed in Vehicle Code § 40303(b) shall, in the judgment of the arresting officer, either be given a 10 day notice to appear or be taken without delay before a magistrate in the county of arrest.

   2. If a person under Vehicle Code §§ 40303 or 40305 does not have satisfactory identification, the officer may require the individual to provide a right thumbprint (or other finger). However such print may not be used for other than law enforcement purposes.

   3. Should any person arrested on a notice to appear claim under penalty of perjury not to be the person listed in the notice, such person may request that his/her thumbprint be taken for comparison at a fee not to exceed the actual cost of such service.

(d) There are one or more outstanding arrest warrants for the person.

(e) The person could not provide satisfactory evidence of personal identification.

(f) The prosecution of the offense or offenses for which the person was arrested or the prosecution of any other offense or offenses would be jeopardized by the immediate release of the person arrested.
(g) There is a reasonable likelihood that the offense or offenses would continue or resume, or that the safety of persons or property would be imminently endangered by the release of the person arrested.

(h) The person arrested demands to be taken before a magistrate or has refused to sign the notice to appear.

(i) There is reason to believe that the person would not appear at the time and place specified in the notice to appear. The basis for this determination shall be specifically documented.

(j) The charges fall under Penal Code § 1270.1 (serious or violent felonies, domestic violence, etc.)

When a person is arrested on a misdemeanor offense and is not released by criminal citation, the reason for non-release shall be noted on the booking form. This form shall be submitted to the Watch Commander for approval and included with the case file in the Records Division.

420.3.4 OTHER REASONS FOR NON-RELEASE
If the person arrested is not released for one or more of the reasons specified in Policy Manual § 420.33, the Watch Commander shall state specifically on the booking form the reason for non-release. Such reasons for non-release may include:

(a) Previous failure to appear is on record
(b) The person lacks ties to the area, such as a residence, job, or family
(c) Unusual circumstances lead the Watch Commander to conclude that the suspect should be held for further investigation

420.3.5 INSTRUCTIONS TO CITED PERSON
The citing officer shall, at the time he/she asks the defendant to sign the notice to appear, call attention to the time and place for appearance and take any other steps he/she deems necessary to ensure that the defendant understands his/her written promise to appear.

420.4 CITATION RELEASE ON MISDEMEANOR WARRANTS
Penal Code § 827.1 allows the release by citation of a person designated in a warrant of arrest unless one of the following conditions exist:

(a) The misdemeanor cited in the warrant involves violence
(b) The misdemeanor cited in the warrant involves a firearm
(c) The misdemeanor cited in the warrant involves resisting arrest
(d) The misdemeanor cited in the warrant involves giving false information to a peace officer
(e) The person arrested is a danger to himself or herself or others due to intoxication or being under the influence of drugs or narcotics
Cite & Release Policy

(f) The person requires medical examination or medical care or was otherwise unable to care for his or her own safety

(g) The person has other ineligible charges pending against him/her

(h) There is reasonable likelihood that the offense or offenses would continue or resume, or that the safety of persons or property would be immediately endangered by the release of the person

(i) The person refuses to sign the notice to appear

(j) The person cannot provide satisfactory evidence of personal identification

(k) The warrant of arrest indicates that the person is not eligible to be released on a notice to appear

Release under this section shall be done in accordance with the provisions of this section.

420.5 JUVENILE CITATIONS
Completion of criminal citations for juveniles is generally not appropriate with the following exceptions:

• Misdemeanor traffic violations of the Vehicle Code
• Violations of the Brawley City codes

All other misdemeanor violations for juveniles shall be documented with a case number and the case should be referred to the juvenile court or to the Detective Division for further action.

420.6 REQUESTING CASE NUMBERS
Officers shall enter the assigned "Incident Number" on all citations issued.
Foreign Diplomatic and Consular Representatives

422.1 PURPOSE AND SCOPE
This policy provides guidelines to ensure that members of the Brawley Police Department extend appropriate privileges and immunities to foreign diplomatic and consular representatives in accordance with international law.

422.2 POLICY
The Brawley Police Department respects international laws related to the special privileges and immunities afforded foreign diplomatic and consular representatives assigned to the United States.

All foreign diplomatic and consular representatives shall be treated with respect and courtesy, regardless of any privileges or immunities afforded them.

422.3 CLAIMS OF IMMUNITY
If a member comes into contact with a person where law enforcement action may be warranted and the person claims diplomatic or consular privileges and immunities, the member should, without delay:

(a) Notify a supervisor.

(b) Advise the person that his/her claim will be investigated and he/she may be released in accordance with the law upon confirmation of the person’s status.

(c) Request the person’s identification card, either issued by the U.S. Department of State (DOS), Office of the Chief of Protocol, or in the case of persons accredited to the United Nations, by the U.S. Mission to the United Nations. These are the only reliable documents for purposes of determining privileges and immunities.

(d) Contact the DOS Diplomatic Security Command Center at 571-345-3146 or toll free at 866-217-2089, or at another current telephone number and inform the center of the circumstances.

(e) Verify the immunity status with DOS and follow any instructions regarding further detention, arrest, prosecution and/or release, as indicated by the DOS representative. This may require immediate release, even if a crime has been committed.

Identity or immunity status should not be presumed from the type of license plates displayed on a vehicle. If there is a question as to the status or the legitimate possession of a Diplomat or Consul license plate, a query should be run via the National Law Enforcement Telecommunications System (NLETS), designating “US” as the state.
422.4 ENFORCEMENT
If the DOS is not immediately available for consultation regarding law enforcement action, members shall be aware of the following:

(a) Generally, all persons with diplomatic and consular privileges and immunities may be issued a citation or notice to appear. However, the person may not be compelled to sign the citation.

(b) All persons, even those with a valid privilege or immunity, may be reasonably restrained in exigent circumstances for purposes of self-defense, public safety or the prevention of serious criminal acts.

(c) An impaired foreign diplomatic or consular representative may be prevented from driving a vehicle, even if the person may not be arrested due to privileges and immunities.

1. Investigations, including the request for field sobriety tests, chemical tests and any other tests regarding impaired driving may proceed but they shall not be compelled.

(d) The following persons may not be detained or arrested, and any property or vehicle owned by these persons may not be searched or seized:

1. Diplomatic-level staff of missions to international organizations and recognized family members
2. Diplomatic agents and recognized family members
3. Members of administrative and technical staff of a diplomatic mission and recognized family members
4. Career consular officers, unless the person is the subject of a felony warrant

(e) The following persons may generally be detained and arrested:

1. International organization staff; however, some senior officers are entitled to the same treatment as diplomatic agents.
2. Support staff of missions to international organizations
3. Diplomatic service staff and consular employees; however, special bilateral agreements may exclude employees of certain foreign countries.
4. Honorary consular officers
5. Whenever an officer arrests and incarcerates, or detains for investigation for over two hours, a person with diplomatic and consular privileges and immunities, the officer shall promptly advise the person that he/she is entitled to have his/her government notified of the arrest or detention (Penal Code § 834c). If the individual wants his/her government notified, the officer shall begin the notification process.
422.5 DOCUMENTATION
All contacts with persons who have claimed privileges and immunities afforded foreign diplomatic and consular representatives should be thoroughly documented and the related reports forwarded to DOS.

Notes for diplomatic immunity table:

(a) This table presents general rules. The employees of certain foreign countries may enjoy higher levels of privileges and immunities on the basis of special bilateral agreements.

(b) Reasonable constraints, however, may be applied in emergency circumstances involving self-defense, public safety, or in the prevention of serious criminal acts.

(c) A small number of senior officers are entitled to be treated identically to diplomatic agents.

(d) Note that consul residences are sometimes located within the official consular premises. In such cases, only the official office space is protected from police entry.
Rapid Deployment Team Policy

424.1 PURPOSE AND SCOPE
Violence in schools, workplaces and other locations by any individual or group of individuals presents a difficult situation for law enforcement. The purpose of this policy is to identify guidelines and factors that will assist responding officers as they make decisions in these rapidly unfolding and tense situations.

424.2 POLICY
The policy of this department in dealing with the crisis situation shall be:

(a) To obtain and maintain complete operative control of the incident.
(b) To explore every reasonably available source of intelligence regarding the circumstances, location, and suspect(s) in the incident.
(c) To attempt, by every means available, to attain any tactical advantage over the responsible individual(s).
(d) To attempt, whenever feasible, a negotiated surrender of the suspect(s) and release of the hostages through the expertise of the members of this department and others.
(e) When an emergency situation exists, neutralize the threat as rapidly as reasonably possible to minimize injury and loss of life.

Nothing in this policy shall preclude the use of necessary force, deadly or otherwise, by members of this department in protecting themselves or others from death or serious injury.

424.3 PROCEDURE
If there is a reasonable belief that acts or threats by a suspect are placing lives in imminent danger, first responding officers should consider reasonable options to immediately eliminate the threat. Officers must decide, often under a multitude of difficult and rapidly evolving circumstances, whether to advance on the suspect, take other actions to deal with the threat or wait for additional resources.

When deciding on a course of action officers should consider:

(a) Whether sufficient personnel are available on-scene to advance on the suspect. Any advance on a suspect should be made using teams of two or more officers whenever reasonably possible.
(b) Whether individuals who are under imminent threat can be moved out of danger with reasonable safety.
(c) Whether the officers have the ability to effectively communicate with others in the field.
(d) Whether planned tactics can be effectively deployed.
(e) The availability of rifles, shotguns, shields, control devices and any other appropriate tools, and whether the deployment of these tools will provide a tactical advantage.

(f) In a case of a barricaded suspect with no hostages and no immediate threat to others, officers should consider summoning and waiting for additional assistance (special tactics and/or hostage negotiation team response).

(g) If a suspect is actively engaged in the infliction of serious bodily harm or other life-threatening activity toward others, the officer should take immediate action, if reasonably possible, to stop the threat presented by the suspect while calling for additional assistance.
Immigration Violations

428.1 PURPOSE AND SCOPE
The immigration status of individuals alone is generally not a matter for police action. It is incumbent upon all employees of this department to make a personal commitment to equal enforcement of the law and equal service to the public regardless of immigration status. Confidence in this commitment will increase the effectiveness of the Department in protecting and serving the entire community.

428.2 DEPARTMENT POLICY
The U.S. Immigration and Customs Enforcement (ICE) has primary jurisdiction for enforcement of the provisions of Title 8, United States Code dealing with illegal entry.

When assisting ICE at its specific request, or when suspected criminal violations are discovered as a result of inquiry or investigation based on probable cause originating from activities other than the isolated violations of 8 USC § 1304; 8 USC § 1324; 8 USC § 1325 and 8 USC § 1326, this department may assist in the enforcement of federal immigration laws.

428.3 PROCEDURES FOR IMMIGRATION COMPLAINTS
Persons wishing to report immigration violations should be referred to the local office of the U.S. Immigration and Customs Enforcement (ICE). The Employer Sanction Unit of ICE has primary jurisdiction for enforcement of Title 8, United States Code.

428.3.1 BASIS FOR CONTACT
Unless immigration status is relevant to another criminal offense or investigation (e.g., harboring, smuggling, terrorism), the fact that an individual is suspected of being an undocumented alien shall not be the sole basis for contact, detention, or arrest.

428.3.2 SWEEPS
The Brawley Police Department does not independently conduct sweeps or other concentrated efforts to detain suspected undocumented aliens.

When enforcement efforts are increased in a particular area, equal consideration should be given to all suspected violations and not just those affecting a particular race, ethnicity, age, gender, sexual orientation, religion, socioeconomic status or other group.

The disposition of each contact (e.g., warning, citation, arrest), while discretionary in each case, should not be affected by such factors as race, ethnicity, age, gender, sexual orientation, religion or socioeconomic status.

428.3.3 ICE REQUEST FOR ASSISTANCE
If a specific request is made by ICE or any other federal agency, this department will provide available support services, such as traffic control or peacekeeping efforts, during the federal operation.
Members of this department should not participate in such federal operations as part of any detention team unless it is in direct response to a request for assistance on a temporary basis or for officer safety. Any detention by a member of this department should be based upon the reasonable belief that an individual is involved in criminal activity.

428.3.4 IDENTIFICATION
Whenever any individual is reasonably suspected of a criminal violation (infraction, misdemeanor or felony), the investigating officer should take reasonable steps to determine the person’s identity through valid identification or other reliable sources.

If an individual would have otherwise been released for an infraction or misdemeanor on a citation, the person should be taken to the station and given a reasonable opportunity to verify his/her true identity (e.g., telephone calls). If the person’s identity is thereafter reasonably established, the original citation release should be completed without consideration of immigration status.

428.3.5 ARREST
If the officer intends to take enforcement action and the individual is unable to reasonably establish his/her true identity, the officer may take the person into custody on the suspected criminal violation (see Vehicle Code § 40302(a) and Penal Code § 836, if pertinent to the circumstances). A field supervisor shall approve all such arrests.

428.3.6 BOOKING
If the officer is unable to reasonably establish an arrestee's identity, the individual may, upon approval of a supervisor, be booked into jail for the suspected criminal violation and held for bail.

A person detained exclusively pursuant to the authority of Vehicle Code § 40302(a) for any Vehicle Code infraction or misdemeanor shall not be detained beyond two hours for the purpose of establishing his/her true identity. Regardless of the status of that person's identity at the expiration of two hours, he/she shall be released on his/her signature with a promise to appear in court for the Vehicle Code infraction or misdemeanor involved.

428.3.7 NOTIFICATION OF IMMIGRATION AND CUSTOMS ENFORCEMENT
Whenever an officer has reason to believe that any person arrested for any offense listed in Health & Safety Code §11369 or any other felony may not be a citizen of the United States and the individual is not going to be booked into county jail, the arresting officer shall cause ICE to be notified for consideration of an immigration hold.

If an officer has an articulable belief that an individual taken into custody for any misdemeanor is an undocumented alien, and after he/she is formally booked there is no intention to transport to the county jail, ICE may be informed by the arresting officer so that ICE may consider placing an immigration hold on the individual.

In making the determination whether to notify ICE in such circumstances, the officer should, in consultation with a supervisor, consider the totality of circumstances of each case, including, but not limited to:
Immigration Violations

(a) Seriousness of the offense
(b) Community safety
(c) Potential burden on ICE
(d) Impact on the immigrant community

Generally, officers will not need to notify ICE when booking arrestees at the county jail. Immigration officials routinely interview suspected undocumented aliens who are booked into the county jail on criminal charges and notification will be handled according to jail operation procedures.

428.4 CONSIDERATIONS PRIOR TO REPORTING TO ICE
The Brawley Police Department is concerned for the safety of local citizens and thus detection of criminal behavior is of primary interest in dealing with any person. The decision to arrest shall be based upon those factors which establish probable cause and not on arbitrary aspects. Race, ethnicity, age, gender, sexual orientation, religion, and socioeconomic status alone are of no bearing on the decision to arrest.

All individuals, regardless of their immigration status, must feel secure that contacting law enforcement will not make them vulnerable to deportation. Members should not attempt to determine the immigration status of crime victims and witnesses or take enforcement action against them absent exigent circumstances or reasonable cause to believe that a crime victim or witness is involved in violating criminal laws. Generally, if an officer suspects that a victim or witness is an undocumented immigrant, the officer need not report the person to ICE unless circumstances indicate such reporting is reasonably necessary.

Nothing in this policy is intended to restrict officers from exchanging legitimate law enforcement information with any other federal, state or local government entity (8 USC § 1373; 8 USC § 1644).

428.4.1 U-VISA/T-VISA NONIMMIGRANT STATUS
Under certain circumstances, federal law allows temporary immigration benefits to victims and witnesses of certain qualifying crimes (8 USC § 1101(a)(15)(U); 8 USC § 1101(a)(15)(T)). A declaration/certification for a U-Visa/T-Visa from the U.S. Citizenship and Immigration Services may be completed on the appropriate U.S. DHS Form supplements (I-918 or I-914) by law enforcement and must include information on how the individual can assist in a criminal investigation or prosecution in order for a U-Visa/T-Visa to be issued.

Any request for assistance in applying for U-Visa/T-Visa status should be forwarded in a timely manner to the Detective Division sergeant assigned to supervise the handling of any related case. The Detective Division sergeant should do the following:

(a) Consult with the assigned detective to determine the current status of any related case and whether further documentation is warranted.

(b) Review the instructions for completing the declaration/certification if necessary. Instructions for completing Forms I-918/I-914 can be found on the U.S. DHS website.
Immigration Violations

(c) Contact the appropriate prosecutor assigned to the case, if applicable, to ensure the declaration/certification has not already been completed and whether a declaration/certification is warranted.

(d) Address the request and complete the declaration/certification, if appropriate, in a timely manner.

(e) Ensure that any decision to complete or not complete the form is documented in the case file and forwarded to the appropriate prosecutor. Include a copy of any completed declaration/certification in the case file.

428.4.2 HUMAN TRAFFICKING T-VISA
Officers and their supervisors who are assigned to investigate a case of human trafficking shall complete the above process and documents needed for a T-Visa application within 15 business days of the first encounter with the victim, whether or not it is requested by the victim (Penal Code § 236.5).
Emergency Utility Service

430.1 PURPOSE AND SCOPE
The City Public Works Department has personnel available to handle emergency calls 24 hours per day. Calls for service during non-business hours are frequently directed to the Police Department. Requests for such service received by this department should be handled in the following manner.

430.1.1 BROKEN WATER LINES
The City’s responsibility ends at the water meter; any break or malfunction in the water system from the water meter to the citizen’s residence or business is the customer’s responsibility. Public Works can only turn off the valve at the meter. The citizen can normally accomplish this.

If a break occurs on the City side of the meter, emergency personnel should be called as soon as practical by the Communications Center.

430.1.2 ELECTRICAL LINES
City Public Works does not maintain electrical lines to street light poles. When a power line poses a hazard, an officer should be dispatched to protect against personal injury or property damage that might be caused by power lines. The Imperial Irrigation District (IID) and Public Works should be promptly notified, as appropriate.

430.1.3 RESERVOIRS, PUMPS, WELLS, ETC.
Public Works maintains the reservoirs and public water equipment, as well as several lift station and other street drainage pumps. In the event of flooding or equipment malfunctions, emergency personnel should be contacted as soon as possible.

430.1.4 EMERGENCY NUMBERS
A current list of emergency personnel who are to be called for municipal utility emergencies is maintained by the Communications Center.

430.2 TRAFFIC SIGNAL MAINTENANCE
All traffic signals within the City of Brawley are maintained by the California Department of Transportation (CAL TRANS).

430.2.1 OFFICER’S RESPONSIBILITY
Upon observing a damaged or malfunctioning signal, the officer will advise the Communications Center of the location and problem with the signal. The dispatcher should make the necessary notification to the proper maintenance agency. If the malfunction creates a traffic hazard the officer shall do one or more of the following:

- Remain on scene and control traffic until the hazard no longer exists (requires supervisor/Watch Commander approval).
- If applicable, place the signals on 4-way red flash.
Emergency Utility Service

- Request an appropriate number of portable stop signs to control all lanes of traffic in all directions.
Patrol Rifles

432.1 PURPOSE AND SCOPE
In order to more effectively and accurately address the increasing level of fire power and body armor utilized by criminal suspects, the Brawley Police Department will make patrol rifles available to qualified patrol officers as an additional and more immediate tactical resource.

432.2 PATROL RIFLE

432.2.1 DEFINITION
A patrol rifle is an authorized weapon which is owned by the Department and which is made available to properly trained and qualified officers as a supplemental resource to their duty handgun or shotgun. No personally owned rifles may be carried for patrol duty unless pre-approved in writing by the Chief of Police and the department armorer.

432.3 SPECIFICATIONS
Only weapons and ammunition that meet agency authorized specifications, approved by the Chief of Police, and issued by the Department may be used by officers in their law enforcement responsibilities. The authorized patrol rifle issued by the Department is the Bushmaster AR-15/ M-16 Tactical Rifle in caliber .223 Remington (5.56mm).

432.4 RIFLE MAINTENANCE

(a) Primary responsibility for maintenance of patrol rifles shall fall on the Rangemaster, who shall inspect and service each patrol rifle on a monthly basis.

(c) Each patrol officer shall be responsible for promptly reporting any damage or malfunction of an assigned patrol rifle.

(d) Any patrol rifle found to be unserviceable shall be removed from service. The rifle shall be clearly labeled as "out of service" and details regarding the weapon's condition shall be included on the label.

(e) Each patrol rifle shall be subject to inspection by a supervisor or the Rangemaster at any time.

(f) No modification shall be made to any patrol rifle without prior written authorization from the Rangemaster.

432.5 TRAINING
Officers shall not carry or utilize the patrol rifle unless they have successfully completed departmental training. This training shall consist of an initial patrol rifle user's course and
qualification score with a certified patrol rifle instructor. Officers shall thereafter be required to successfully complete quarterly training and qualification conducted by a certified patrol rifle instructor.

Any officer who fails to qualify or who fails to successfully complete two or more department sanctioned training/qualification sessions within a calendar year will no longer be authorized to carry the patrol rifle without successfully retaking the initial patrol officers user's course and qualification.

432.6 DEPLOYMENT OF THE PATROL RIFLE
Officers may deploy the patrol rifle in any circumstance where the officer can articulate a reasonable expectation that the rifle may be needed. Examples of some general guidelines for deploying the patrol rifle may include, but are not limited to:

(a) Situations where the officer reasonably anticipates an armed encounter.
(b) When an officer is faced with a situation that may require the delivery of accurate and effective fire at long range.
(c) Situations where an officer reasonably expects the need to meet or exceed a suspect's firepower.
(d) When an officer reasonably believes that there may be a need to deliver fire on a barricaded suspect or a suspect with a hostage.
(e) When an officer reasonably believes that a suspect may be wearing body armor.
(f) When authorized or requested by a supervisor.
(g) When needed to euthanize an animal.

432.7 DISCHARGE OF THE PATROL RIFLE
The discharge of the patrol rifle shall be governed by the Department's Deadly Force Policy, Policy Manual § 300.

432.8 PATROL READY
All patrol division personnel who have trained and qualified with the patrol rifle shall carry a patrol rifle in accordance with this policy while on-duty. Exception: sworn personnel working bike patrol and traffic division officers while riding a motor.

Any qualified officer carrying a patrol rifle in the field shall inspect their rifle at the beginning of every shift. Officers shall maintain the weapon in a patrol ready condition until deployed.

432.9 RIFLE STORAGE

(a) When not in use, patrol rifles will be secured in a locked gun rack in its assigned department vehicle.
(b) Qualified, on-duty officers, shall inspect the patrol rifle in their vehicle at the start of each shift.

(c) Damaged patrol rifles shall be placed in the Armory and red-tagged. The Department Range-master shall be advised, in writing, of any noted discrepancies as soon as practical.

(d) Patrol rifles being returned to the armory shall be unloaded and "cleared" using the clearing barrel located at the rear entrance to the station.

(e) The Range-master shall maintain a log of patrol rifle / vehicle assignments noting the assigned patrol rifle serial number and to which department vehicle the rifle is assigned.

(f) All weapons, including patrol rifles, shall be removed from any vehicle needing service and stored in the armory until the vehicle is returned to in-service status.
Aircraft Accidents

434.1 PURPOSE AND SCOPE
This policy describes situations involving aircraft accidents including responsibilities of personnel, making proper notification, and documentation.

434.2 RESPONSIBILITIES
In the event of an aircraft crash the employee responsibilities are as follows:

434.2.1 OFFICER RESPONSIBILITY
Officers should treat an aircraft crash site as a crime scene until it is determined that such is not the case. If a military aircraft is involved, additional dangers, such as live ordnance or hazardous materials, may be present. The scene may require additional security due to the potential presence of confidential equipment or information.

The duties of the field officer at the scene of an aircraft accident include the following:

(a) Determine the nature and extent of the accident.
(b) Request additional personnel and other resources to respond as needed.
(c) Provide assistance for the injured parties until the arrival of Fire Department personnel and/or other emergency personnel.
(d) Cordon off and contain the area to exclude unauthorized individuals as soon as practicable.
(e) Provide crowd control and other assistance until directed otherwise by a supervisor.
(f) Ensure the Coroner's office is notified if a death occurs.

Entering an aircraft or tampering with parts or debris is only permissible for the purpose of removing injured or trapped occupants, protecting the wreckage from further damage or protecting the public from danger. If possible, the investigating authority should first be consulted before entering or moving any aircraft or any crash debris. Photographs or sketches of the original positions should be made whenever feasible.

The Fire Department will be responsible for control of the accident scene until the injured parties are cared for and the accident scene has been rendered safe for containment. Thereafter, police personnel will be responsible for preserving the scene until relieved by the investigating authority.

Once the scene is relinquished to the investigating authority, personnel from this agency may assist in containment of the scene until the investigation is completed or assistance is no longer needed.

An airport service worker or the airport manager may respond to the scene to assist the on-scene commander with technical expertise, should it be needed during the operation.
434.2.2 NATIONAL TRANSPORTATION SAFETY BOARD
The National Transportation Safety Board (NTSB) has the primary responsibility for investigating accidents involving civil aircraft. In the case of a military aircraft incident, the appropriate branch of the military will be involved in the investigation. The NTSB is concerned with several aspects of a crash as described in this section.

Every effort should be made to preserve the scene to the extent possible in the condition in which it was found until such time as NTSB or other authorized personnel arrive to take charge of the scene.

Military personnel will respond to take charge of any military aircraft involved, whether or not injuries or deaths have occurred.

If the accident did not result in a death or injury and the NTSB elects not to respond, the pilot or owner may assume control of the aircraft.

Removal of the wreckage shall be done under the guidance of the NTSB or military authorities or, if the NTSB is not responding for an on-site investigation, at the discretion of the pilot or the owner.

434.2.3 THE COMMUNICATIONS CENTER RESPONSIBILITIES
Dispatchers are responsible to make notifications as directed once an aircraft accident has been reported. The notifications will vary depending on the type of accident, extent of injuries or damage, and the type of aircraft involved. Generally, the dispatcher will need to notify the following agencies or individuals when an aircraft accident has occurred.

(a) Fire Department
(b) Ambulances or other assistance as required
(c) The Brawley Municipal Airport or affected airport tower
(d) Closest military base if a military aircraft is involved

When an aircraft accident is reported to the Police Department by the airport or airport tower personnel the dispatcher receiving such information should verify that the airport personnel or tower personnel will contact the Federal Aviation Administration (FAA) Flight Standards District Office and the National Transportation Safety Board (NTSB). In the event that airport personnel are not involved, the dispatcher should notify the FAA and the NTSB.

434.2.4 RECORDS SUPERVISOR RESPONSIBILITIES
The Records Supervisor is responsible for the following:

(a) Forward and maintain an approved copy of the accident report to the California Department of Aeronautics
(b) Forward a copy of the report to the Operations Division Commander and the manager of the affected airport
434.2.5 PUBLIC INFORMATION OFFICER RESPONSIBILITIES
The Department Public Information Officer is responsible for the following:

(a) Obtain information for a press release from the on-scene commander or his or her designee

(b) When practical, the Department Public Information Officer should coordinate with the FAA Press Information Officer to prepare a press release for distribution to the Media

Information released to the press regarding any aircraft accident should be handled by the Department Public Information Officer or in accordance with existing policy.

434.3 DOCUMENTATION
Any aircraft accident (crash) within the City, regardless of whether injuries or deaths occur, shall be documented.

The training period for a lateral officer may be modified depending on the trainee’s demonstrated performance and level of experience, but shall consist of a minimum of eight weeks.

To the extent practicable, entry level and lateral officers should be assigned to a variety of Field Training Officers, shifts and geographical areas during their Field Training Program.

436.5.1 FIELD TRAINING MANUAL
Each new officer will be issued a Field Training Manual at the beginning of his/her Primary Training Phase. This manual is an outline of the subject matter and/or skills necessary to properly function as an officer with the Brawley Police Department. The officer shall become knowledgeable of the subject matter as outlined. He/she shall also become proficient with those skills as set forth in the manual.

The Field Training Manual will specifically cover those policies, procedures, rules and regulations adopted by the Brawley Police Department.

Obtaining Air Support

438.1 PURPOSE AND SCOPE
The use of a police helicopter can be invaluable in certain situations. This policy specifies potential situations where the use of a helicopter may be requested and the responsibilities for making a request.

438.2 REQUEST FOR HELICOPTER ASSISTANCE
If a supervisor or officer in charge of an incident determines that the use of a helicopter would be beneficial, a request to obtain helicopter assistance may be made.

438.2.1 REQUEST FOR ASSISTANCE FROM ANOTHER AGENCY
After consideration and approval of the request for a helicopter, the Watch Commander, or his/her designee, will call the closest agency having helicopter support available. The Watch Commander on duty will apprise that agency of the specific details of the incident prompting the request.

438.2.2 CIRCUMSTANCES UNDER WHICH AID MAY BE REQUESTED
Police helicopters may be requested under any of the following conditions:

(a) When the helicopter is activated under existing mutual aid agreements

(b) Whenever the safety of law enforcement personnel is in jeopardy and the presence of the helicopters may reduce such hazard

(c) When the use of the helicopters will aid in the capture of a suspected fleeing felon whose continued freedom represents an ongoing threat to the community

(d) When a helicopter is needed to locate a person who has strayed or is lost and whose continued absence constitutes a serious health or safety hazard

(e) Vehicle pursuits

While it is recognized that the availability of helicopter support will generally provide valuable assistance to ground personnel, the presence of a helicopter will rarely replace the need for officers on the ground.
Contacts and Temporary Detentions

440.1 PURPOSE AND SCOPE
The purpose of this policy is to establish guidelines for temporarily detaining but not arresting persons in the field, conducting field interviews (FI) and pat-down searches, and the taking and disposition of photographs.

440.1.1 DEFINITIONS
Definitions related to this policy include:

**Consensual encounter** - When an officer contacts an individual but does not create a detention through words, actions, or other means. In other words, a reasonable individual would believe that his/her contact with the officer is voluntary.

**Field interview** - The brief detainment of an individual, whether on foot or in a vehicle, based on reasonable suspicion for the purpose of determining the individual's identity and resolving the officer's suspicions.

**Field photographs** - Posed photographs taken of a person during a contact, temporary detention, or arrest in the field. Undercover surveillance photographs of an individual and recordings captured by the normal operation of a Mobile Audio Video (MAV) system, body-worn camera, or public safety camera when persons are not posed for the purpose of photographing are not considered field photographs.

**Pat-down search** - A type of search used by officers in the field to check an individual for dangerous weapons. It involves a thorough patting-down of clothing to locate any weapons or dangerous items that could pose a danger to the officer, the detainee, or others.

**Reasonable suspicion** - When, under the totality of the circumstances, an officer has articulable facts that criminal activity may be afoot and a particular person is connected with that possible criminal activity.

**Temporary detention** - When an officer intentionally, through words, actions, or physical force, causes an individual to reasonably believe he/she is required to restrict his/her movement without an actual arrest. Temporary detentions also occur when an officer actually restrains a person's freedom of movement.

440.2 POLICY
The Brawley Police Department respects the right of the public to be free from unreasonable searches or seizures. Due to an unlimited variety of situations confronting the officer, the decision to temporarily detain a person and complete a field interview (FI), pat-down search, or field photograph shall be left to the officer based on the totality of the circumstances, officer safety considerations, and constitutional safeguards.
440.3 FIELD INTERVIEWS
Based on observance of suspicious circumstances or upon information from investigation, an officer may initiate the stop of a person, and conduct an FI, when there is articulable, reasonable suspicion to do so. A person, however, shall not be detained longer than is reasonably necessary to resolve the officer’s suspicion.

Nothing in this policy is intended to discourage consensual contacts. Frequent casual contact with consenting individuals is encouraged by the Brawley Police Department to strengthen community involvement, community awareness, and problem identification.

440.3.1 INITIATING A FIELD INTERVIEW
When initiating the stop, the officer should be able to point to specific facts which, when considered with the totality of the circumstances, reasonably warrant the stop. Such facts include but are not limited to an individual’s:

(a) Appearance or demeanor suggesting that he/she is part of a criminal enterprise or is engaged in a criminal act
(b) Actions suggesting that he/she is engaged in a criminal activity
(c) Presence in an area at an inappropriate hour of the day or night
(d) Presence in a particular area is suspicious
(e) Carrying of suspicious objects or items
(f) Excessive clothes for the climate or clothes bulging in a manner that suggest he/she is carrying a dangerous weapon
(g) Location in proximate time and place to an alleged crime
(h) Physical description or clothing worn that matches a suspect in a recent crime
(i) Prior criminal record or involvement in criminal activity as known by the officer

440.4 PAT-DOWN SEARCHES
Once a valid stop has been made, and consistent with the officer’s training and experience, an officer may pat a suspect’s outer clothing for weapons if the officer has a reasonable, articulable suspicion the suspect may pose a safety risk. The purpose of this limited search is not to discover evidence of a crime, but to allow the officer to pursue the investigation without fear of violence. Circumstances that may establish justification for performing a pat-down search include but are not limited to:

(a) The type of crime suspected, particularly in crimes of violence where the use or threat of deadly weapons is involved.
(b) Where more than one suspect must be handled by a single officer.
(c) The hour of the day and the location or neighborhood where the stop takes place.
(d) Prior knowledge of the suspect’s use of force and/or propensity to carry weapons.
(e) The actions and demeanor of the suspect.
Contacts and Temporary Detentions

(f) Visual indications which suggest that the suspect is carrying a firearm or other weapon. Whenever practicable, a pat-down search should not be conducted by a lone officer. A cover officer should be positioned to ensure safety and should not be involved in the search.

440.5 FIELD PHOTOGRAPHS
When practical, available databases should be searched before photographing any field detainee. If a photograph is not located, or if an existing photograph no longer resembles the detainee, the officer shall carefully consider, among other things, the factors listed below.

440.5.1 FIELD PHOTOGRAPHS TAKEN WITH CONSENT
Field photographs may be taken when the subject being photographed knowingly and voluntarily gives consent. The radio log and on the Field Investigation card or in a written report shall note the photograph(s) was taken with consent.

440.5.2 FIELD PHOTOGRAPHS TAKEN WITHOUT CONSENT
Field photographs may be taken without consent only if they are taken during a detention that is based upon reasonable suspicion of criminal activity, and the photograph serves a legitimate law enforcement purpose related to the detention. The officer must be able to articulate facts that reasonably indicate that the subject was involved in or was about to become involved in criminal conduct. The subject should not be ordered to remove or lift any clothing for the purpose of taking a photograph.

If, prior to taking a photograph, the officer’s reasonable suspicion of criminal activity has been dispelled, the detention must cease and the photograph should not be taken.

All field photographs and related reports shall be submitted to a supervisor and retained in compliance with this policy.

440.5.3 DISPOSITION OF PHOTOGRAPHS
All detainee photographs must be adequately labeled and submitted to the Watch Commander with either an associated FI card or other documentation explaining the nature of the contact. If an individual is photographed as a suspect in a particular crime, the photograph should be submitted as an evidence item in the related case, following standard evidence procedures.

If a photograph is not associated with an investigation where a case number has been issued, the Watch Commander should review and forward the photograph to one of the following locations:

(a) If the photograph and associated FI or documentation is relevant to criminal organization/enterprise enforcement, the Watch Commander will forward the photograph and documents to the designated criminal intelligence system supervisor. The supervisor will ensure the photograph and supporting documents are retained as prescribed in the Criminal Organizations Policy.

(b) Photographs that do not qualify for retention in a criminal intelligence system or temporary information file shall be forwarded to the Records Division.
When a photograph is taken in association with a particular case, the investigator may use such photograph in a photo lineup. Thereafter, the individual photograph should be retained as a part of the case file. All other photographs shall be retained in accordance with the established records retention schedule.

440.5.4 SUPERVISOR RESPONSIBILITIES
While it is recognized that field photographs often become valuable investigative tools, supervisors should monitor such practices in view of the above listed considerations. This is not to imply that supervisor approval is required before each photograph is taken.

Access to, and use of, field photographs shall be strictly limited to law enforcement purposes.

440.6 WITNESS IDENTIFICATION AND INTERVIEWS
Because potential witnesses to an incident may become unavailable or the integrity of their statements compromised with the passage of time, officers should, when warranted by the seriousness of the case, take reasonable steps to promptly coordinate with an on-scene supervisor and/or criminal investigator to utilize available members for the following:

(a) Identifying all persons present at the scene and in the immediate area.
   1. When feasible, a recorded statement should be obtained from those who claim not to have witnessed the incident but who were present at the time it occurred.
   2. Any potential witness who is unwilling or unable to remain available for a formal interview should not be detained absent reasonable suspicion to detain or probable cause to arrest. Without detaining the individual for the sole purpose of identification, officers should attempt to identify the witness prior to his/her departure.

(b) Witnesses who are willing to provide a formal interview should be asked to meet at a suitable location where criminal investigators may obtain a recorded statement. Such witnesses, if willing, may be transported by Brawley Police Department members.
   1. A written, verbal, or recorded statement of consent should be obtained prior to transporting a witness. When the witness is a minor, consent should be obtained from the parent or guardian, if available, prior to transport.
Criminal Organizations

442.1 PURPOSE AND SCOPE
The purpose of this policy is to ensure that the Brawley Police Department appropriately utilizes criminal intelligence systems and temporary information files to support investigations of criminal organizations and enterprises.

442.1.1 DEFINITIONS
Definitions related to this policy include:

Criminal intelligence system - Any record system that receives, stores, exchanges or disseminates information that has been evaluated and determined to be relevant to the identification of a criminal organization or enterprise, its members or affiliates. This does not include temporary information files.

442.2 POLICY
The Brawley Police Department recognizes that certain criminal activities, including but not limited to gang crimes and drug trafficking, often involve some degree of regular coordination and may involve a large number of participants over a broad geographical area.

It is the policy of this [department/office] to collect and share relevant information while respecting the privacy and legal rights of the public.

442.3 CRIMINAL INTELLIGENCE SYSTEMS
No [department/office] member may create, submit to or obtain information from a criminal intelligence system unless the Chief of Police has approved the system for [department/office] use.

Any criminal intelligence system approved for [department/office] use should meet or exceed the standards of 28 CFR 23.20.

A designated supervisor will be responsible for maintaining each criminal intelligence system that has been approved for [department/office] use. The supervisor or the authorized designee should ensure the following:

(a) Members using any such system are appropriately selected and trained.
(b) Use of every criminal intelligence system is appropriately reviewed and audited.
(c) Any system security issues are reasonably addressed.

442.3.1 SYSTEM ENTRIES
It is the designated supervisor’s responsibility to approve the entry of any information from a report, field interview (FI), photo or other relevant document into an authorized criminal intelligence system. If entries are made based upon information that is not on file with this [department/office], such as open or public source documents or documents that are on file at another agency, the designated supervisor should ensure copies of those documents are retained by the Records
Criminal Organizations

Division. Any supporting documentation for an entry shall be retained by the Records Division in accordance with the established records retention schedule and for at least as long as the entry is maintained in the system.

The designated supervisor should ensure that any documents retained by the Records Division are appropriately marked as intelligence information. The Records Supervisor may not purge such documents without the approval of the designated supervisor.

442.3.2 GANG DATABASES
The Chief of Police may approve participation by the gang unit in a shared criminal gang intelligence database, such as CALGANG®. Members must obtain the requisite training before accessing any such database.

It is the gang unit supervisor’s responsibility to determine whether any report or FI contains information that would qualify for entry into the database. Prior to designating any person as a suspected gang member, associate or affiliate in a shared gang database; or submitting a document to the Attorney General’s office for the purpose of designating a person in a shared gang database; or otherwise identifying the person in a shared gang database, the gang unit supervisor shall provide written notice to the person and, if the person is under the age of 18, to his/her parent or guardian of the designation and the basis for the designation, unless providing that notification would compromise an active criminal investigation or compromise the health or safety of a minor. Notice shall also describe the process to contest the designation (Penal Code § 186.34).

The person, an attorney working on his/her behalf or his/her parent or guardian (if the person is under 18 years of age) may request, in writing, information as to whether the person is designated as a suspected gang member, associate or affiliate in a shared gang database accessible by the [department/office], the basis for that designation and the name of the agency that made the designation. The [department/office] shall respond to a valid request in writing within 30 days, and shall provide the information requested unless doing so would compromise an active investigation or compromise the health and safety of the person if he/she is under 18 years of age (Penal Code § 186.34).

The person, or his/her parent or guardian if the person is under 18 years of age, may contest the designation by submitting written documentation which shall be reviewed by the gang unit supervisor. If it is determined that the person is not a suspected gang member, associate or affiliate, the person shall be removed from the database. The person and the parent or guardian shall be provided written verification of the [department/office]’s decision within 30 days of receipt of the written documentation contesting the designation and shall include the reason for a denial when applicable (Penal Code § 186.34).

The gang unit supervisor should forward reports or FIs to the Records Division after appropriate database entries are made. The supervisor should clearly mark the report/FI as gang intelligence information.
Criminal Organizations

It is the responsibility of the Records Division supervisor to retain reports and FIs in compliance with the database rules and any applicable end user agreement.

Records contained in a shared gang database shall not be disclosed for employment or military screening purposes, and shall not be disclosed for the purpose of enforcing federal immigration law unless required by state or federal statute or regulation (Penal Code § 186.36).

442.4 TEMPORARY INFORMATION FILE
No member may create or keep files on individuals that are separate from the approved criminal intelligence system. However, members may maintain temporary information that is necessary to actively investigate whether a person or group qualifies for entry into the [department/office]-approved criminal intelligence system only as provided in this section. Once information qualifies for inclusion, it should be submitted to the supervisor responsible for consideration of criminal intelligence system entries.

442.4.1 FILE CONTENTS
A temporary information file may only contain information and documents that, within one year, will have a reasonable likelihood to meet the criteria for entry into an authorized criminal intelligence system.

Information and documents contained in a temporary information file:

   (a) Must only be included upon documented authorization of the responsible [department/office] supervisor.

   (b) Should not be originals that would ordinarily be retained by the Records Division or Property and Evidence Office, but should be copies of, or references to, retained documents such as copies of reports, FI forms, the Communications Center records or booking forms.

   (c) Shall not include opinions. No person, organization or enterprise shall be labeled as being involved in crime beyond what is already in the document or information.

   (d) May include information collected from publicly available sources or references to documents on file with another government agency. Attribution identifying the source should be retained with the information.

442.4.2 FILE REVIEW AND PURGING
The contents of a temporary information file shall not be retained longer than one year. At the end of one year, the contents must be purged.

The designated supervisor shall periodically review the temporary information files to verify that the contents meet the criteria for retention. Validation and purging of files is the responsibility of the supervisor.
442.5 INFORMATION RECOGNITION
[Department/Office] members should document facts that suggest an individual, organization or enterprise is involved in criminal activity and should forward that information appropriately. Examples include, but are not limited to:

(a) Gang indicia associated with a person or residence.
(b) Information related to a drug-trafficking operation.
(c) Vandalism indicating an animus for a particular group.
(d) Information related to an illegal gambling operation.

[Department/Office] supervisors who utilize an authorized criminal intelligence system should work with the Administrative Sergeant to train members to identify information that may be particularly relevant for inclusion.

442.6 RELEASE OF INFORMATION
[Department/Office] members shall comply with the rules of an authorized criminal intelligence system regarding inquiries and release of information.

Information from a temporary information file may only be furnished to [department/office] members and other law enforcement agencies on a need-to-know basis and consistent with the Records Maintenance and Release Policy.

When an inquiry is made by the parent or guardian of a juvenile as to whether that juvenile's name is in a temporary information file, such information should be provided by the supervisor responsible for the temporary information file, unless there is good cause to believe that the release of such information might jeopardize an ongoing criminal investigation.

442.7 CRIMINAL STREET GANGS
The Detective Division supervisor should ensure that there are an appropriate number of [department/office] members who can:

(a) Testify as experts on matters related to criminal street gangs, and maintain an above average familiarity with:

1. Any organization, associate or group of three or more persons that meets the definition of a criminal street gang under Penal Code § 186.22(f).
2. Identification of a person as a criminal street gang member and criminal street gang-related crimes.
3. The California Street Terrorism Enforcement and Prevention Act (Penal Code § 186.21 et seq.), associated crimes and what defines a criminal street gang (Penal Code § 186.22).
Criminal Organizations

(b) Coordinate with other agencies in the region regarding criminal street gang-related crimes and information.

(c) Train other members to identify gang indicia and investigate criminal street gang-related crimes.

442.8 TRAINING
The Administrative Sergeant should provide training on best practices in the use of each authorized criminal intelligence system to those tasked with investigating criminal organizations and enterprises. Training should include:

(a) The protection of civil liberties.

(b) Participation in a multiagency criminal intelligence system.

(c) Submission of information into a multiagency criminal intelligence system or the receipt of information from such a system, including any governing federal and state rules and statutes.

(d) The type of information appropriate for entry into a criminal intelligence system or temporary information file.

(e) The review and purging of temporary information files.
Watch Commanders

444.1 PURPOSE AND SCOPE
Each patrol shift must be directed by supervisors who are capable of making decisions and communicating in a manner consistent with departmental policies, procedures, practices, functions and objectives. To accomplish this goal, a Sergeant heads each watch.

444.2 DESIGNATION AS ACTING WATCH COMMANDER
When a Sergeant is unavailable for duty as Watch Commander, in most instances the senior qualified agent shall be designated as acting Watch Commander. This policy does not preclude designating a less senior agent as an acting Watch Commander when operational needs require or training permits.
Mobile Audio Video

446.1  PURPOSE AND SCOPE
The Brawley Police Department has equipped marked patrol cars with Mobile Audio Video (MAV) recording systems to provide records of events and assist officers in the performance of their duties. This policy provides guidance on the use of these systems.

446.1.1  DEFINITIONS
Definitions related to this policy include:

**Activate** - Any process that causes the MAV system to transmit or store video or audio data in an active mode.

**In-car camera system and Mobile Audio Video (MAV) system** - Synonymous terms which refer to any system that captures audio and video signals, that is capable of installation in a vehicle, and that includes at minimum, a camera, microphone, recorder and monitor.

**MAV technician** - Personnel certified or trained in the operational use and repair of MAVs, duplicating methods, storage and retrieval methods and procedures, and who have a working knowledge of video forensics and evidentiary procedures.

**Recorded media** - Audio-video signals recorded or digitally stored on a storage device or portable media.

446.2  POLICY
It is the policy of the Brawley Police Department to use mobile audio and video technology to more effectively fulfill the department's mission and to ensure these systems are used securely and efficiently.

446.3  OFFICER RESPONSIBILITIES
Prior to going into service, each officer will properly equip him/herself to record audio and video in the field. At the end of the shift, each officer will follow the established procedures for providing to the Department any recordings or used media and any other related equipment. Each officer should have adequate recording media for the entire duty assignment. In the event an officer works at a remote location and reports in only periodically, additional recording media may be issued. Only Brawley Police Department identified and labeled media with tracking numbers is to be used.

At the start of each shift, officers should test the MAV system's operation in accordance with manufacturer specifications and department operating procedures and training.

System documentation is accomplished by the officer recording his/her name, serial number, badge or PIN number and the current date and time at the start and again at the end of each shift. If the system is malfunctioning, the officer shall take the vehicle out of service unless a supervisor requests the vehicle remain in service.
446.4 ACTIVATION OF THE MAV
The MAV system is designed to turn on whenever the unit’s emergency lights are activated. The system remains on until it is turned off manually. The audio portion is independently controlled and should be activated manually by the officer whenever appropriate. When audio is being recorded, the video will also record.

446.4.1 REQUIRED ACTIVATION OF MAV
This policy is not intended to describe every possible situation in which the MAV system may be used, although there are many situations where its use is appropriate. An officer may activate the system any time the officer believes it would be appropriate or valuable to document an incident.

In some circumstances it is not possible to capture images of the incident due to conditions or the location of the camera. However, the audio portion can be valuable evidence and is subject to the same activation requirements as the MAV. The MAV system should be activated in any of the following situations:

(a) All field contacts involving actual or potential criminal conduct within video or audio range:
   1. Traffic stops (to include, but not limited to, traffic violations, stranded motorist assistance and all crime interdiction stops)
   2. Priority responses
   3. Vehicle pursuits
   4. Suspicious vehicles
   5. Arrests
   6. Vehicle searches
   7. Physical or verbal confrontations or use of force
   8. Pedestrian checks
   9. DWI/DUI investigations including field sobriety tests
   10. Consensual encounters
   11. Crimes in progress
   12. Responding to an in-progress call

(b) All self-initiated activity in which an officer would normally notify the Communications Center

(c) Any call for service involving a crime where the recorder may aid in the apprehension and/or prosecution of a suspect:
   1. Domestic violence calls
   2. Disturbance of peace calls
3. Offenses involving violence or weapons
   (d) Any other contact that becomes adversarial after the initial contact in a situation that
       would not otherwise require recording
   (e) Any other circumstance where the officer believes that a recording of an incident would
       be appropriate

446.4.2 CESSATION OF RECORDING
Once activated, the MAV system should remain on until the incident has concluded. For purposes
of this section, conclusion of an incident has occurred when all arrests have been made, arrestees
have been transported and all witnesses and victims have been interviewed. Recording may
cease if an officer is simply waiting for a tow truck or a family member to arrive, or in other similar
situations.

446.4.3 WHEN ACTIVATION IS NOT REQUIRED
Activation of the MAV system is not required when exchanging information with other officers or
during breaks, lunch periods, when not in service or actively on patrol.

No member of this department may surreptitiously record a conversation of any other member of
this department except with a court order or when lawfully authorized by the Chief of Police or the
authorized designee for the purpose of conducting a criminal or administrative investigation.

446.4.4 SUPERVISOR RESPONSIBILITIES
Supervisors should determine if vehicles with non-functioning MAV systems should be placed into
service. If these vehicles are placed into service, the appropriate documentation should be made,
including notification of the Communications Center.

At reasonable intervals, supervisors should validate that:
   (a) Beginning and end-of-shift recording procedures are followed.
   (b) Logs reflect the proper chain of custody, including:
      1. The tracking number of the MAV system media.
      2. The date it was issued.
      3. The law enforcement operator or the vehicle to which it was issued.
      4. The date it was submitted.
      5. Law enforcement operators submitting the media.
      6. Holds for evidence indication and tagging as required.
   (c) The operation of MAV systems by new employees is assessed and reviewed no less
       than biweekly.
When an incident arises that requires the immediate retrieval of the recorded media (e.g., serious crime scenes, officer-involved shootings, department-involved collisions), a supervisor shall respond to the scene and ensure that the appropriate supervisor, MAV technician or crime scene investigator properly retrieves the recorded media. The media may need to be treated as evidence and should be handled in accordance with current evidence procedures for recorded media.

Supervisors may activate the MAV system remotely to monitor a developing situation, such as a chase, riot or an event that may threaten public safety, officer safety or both, when the purpose is to obtain tactical information to assist in managing the event. Supervisors shall not remotely activate the MAV system for the purpose of monitoring the conversations or actions of an officer.

446.5 REVIEW OF MAV RECORDINGS

All recording media, recorded images and audio recordings are the property of the Department. Dissemination outside of the agency is strictly prohibited, except to the extent permitted or required by law.

To prevent damage to, or alteration of, the original recorded media, it shall not be copied, viewed or otherwise inserted into any device not approved by the department MAV technician or forensic media staff. When reasonably possible, a copy of the original media shall be used for viewing (unless otherwise directed by the courts) to preserve the original media.

Recordings may be reviewed in any of the following situations:

(a) For use when preparing reports or statements
(b) By a supervisor investigating a specific act of officer conduct
(c) By a supervisor to assess officer performance
(d) To assess proper functioning of MAV systems
(e) By department investigators who are participating in an official investigation, such as a personnel complaint, administrative inquiry or a criminal investigation
(f) By department personnel who request to review recordings
(g) By an officer who is captured on or referenced in the video or audio data and reviews and uses such data for any purpose relating to his/her employment
(h) By court personnel through proper process or with permission of the Chief of Police or the authorized designee
(i) By the media through proper process or with permission of the Chief of Police or the authorized designee
(j) To assess possible training value
Mobile Audio Video

(k) Recordings may be shown for training purposes. If an involved officer objects to showing a recording, his/her objection will be submitted to the staff to determine if the training value outweighs the officer's objection.

Employees desiring to view any previously uploaded or archived MAV recording should submit a request in writing to the Watch Commander. Approved requests should be forwarded to the MAV technician for processing.

In no event shall any recording be used or shown for the purpose of ridiculing or embarrassing any employee.

446.6 DOCUMENTING MAV USE
If any incident is recorded with either the video or audio system, the existence of that recording shall be documented in the officer's report. If a citation is issued, the officer shall make a notation on the back of the records copy of the citation, indicating that the incident was recorded.

446.7 RECORDING MEDIA STORAGE AND INTEGRITY
Once submitted for storage, all recording media will be labeled and stored in a designated secure area. All recording media that is not booked as evidence will be retained for a minimum of one year after which time it will be erased, destroyed or recycled in accordance with the established records retention schedule (Government Code § 34090.6).

446.7.1 COPIES OF ORIGINAL RECORDING MEDIA
Original recording media shall not be used for any purpose other than for initial review by a supervisor. Upon proper request, a copy of the original recording media will be made for use as authorized in this policy.

Original recording media may only be released in response to a court order or upon approval by the Chief of Police or the authorized designee. In the event that an original recording is released to a court, a copy shall be made and placed in storage until the original is returned.

446.7.2 MAV RECORDINGS AS EVIDENCE
Officers who reasonably believe that a MAV recording is likely to contain evidence relevant to a criminal offense, potential claim against the officer or against the Brawley Police Department should indicate this in an appropriate report. Officers should ensure relevant recordings are preserved.

446.8 SYSTEM OPERATIONAL STANDARDS

(a) MAV system vehicle installations should be based on officer safety requirements and the vehicle and device manufacturer's recommendations.

(b) The MAV system should be configured to minimally record for 30 seconds prior to an event.
(c) The MAV system may not be configured to record audio data occurring prior to activation.

(d) Unless the transmitters being used are designed for synchronized use, only one transmitter, usually the primary initiating officer's transmitter, should be activated at a scene to minimize interference or noise from other MAV transmitters.

(e) Officers using digital transmitters that are synchronized to their individual MAV shall activate both audio and video recordings when responding in a support capacity. This is to obtain additional perspectives of the incident scene.

(f) With the exception of law enforcement radios or other emergency equipment, other electronic devices should not be used inside MAV-equipped law enforcement vehicles to minimize the possibility of causing electronic or noise interference with the MAV system.

(g) Officers shall not erase, alter, reuse, modify or tamper with MAV recordings. Only a supervisor, MAV technician or other authorized designee may erase and reissue previous recordings and may only do so pursuant to the provisions of this policy.

(h) To prevent damage, original recordings shall not be viewed on any equipment other than the equipment issued or authorized by the MAV technician.

446.9 MAV TECHNICIAN RESPONSIBILITIES
The MAV technician is responsible for:

(a) Ordering, issuing, retrieving, storing, erasing and duplicating of all recorded media.

(b) Collecting all completed media for oversight and verification of wireless downloaded media. Once collected, the MAV technician:
   1. Ensures it is stored in a secure location with authorized controlled access.
   2. Makes the appropriate entries in the chain of custody log.

(c) Erasing of media:
   1. Pursuant to a court order.
   2. In accordance with established records retention policies, including reissuing all other media deemed to be of no evidentiary value.

(d) Assigning all media an identification number prior to issuance to the field:
   1. Maintaining a record of issued media.

(e) Ensuring that an adequate supply of recording media is available.

(f) Managing the long-term storage of media that has been deemed to be of evidentiary value in accordance with the department evidence storage protocols and the records retention schedule.
446.10 TRAINING
All members who are authorized to use the MAV system shall successfully complete an approved course of instruction prior to its use.
Mobile Data Terminal Use

448.1 PURPOSE AND SCOPE
The Mobile Data Terminal (MDT) accesses confidential records from the State of California, Department of Justice and Department of Motor Vehicles databases. Employees using the MDT shall comply with all appropriate federal and state rules and regulations.

448.2 MDT USE
The MDT shall be used for official police communications only. Messages that are of a sexual, racist, or offensive nature, or otherwise critical of any member of the Department are strictly forbidden. MDT use is also subject to the Department Technology Use Policy.

Messages may be reviewed by supervisors at anytime without prior notification. Employees generating or transmitting messages not in compliance with this policy are subject to discipline.

All calls dispatched to patrol units should be communicated by voice and MDT unless otherwise authorized by the Watch Commander.

448.2.1 USE WHILE DRIVING
Use of the MDT by the vehicle operator should generally be limited to times when the vehicle is stopped. When the vehicle is in motion, the operator should only attempt to read messages that are likely to contain information that is required for immediate enforcement, investigative or safety needs.

Short transmissions, such as a license plate check, are permitted if it reasonably appears that it can be done safely. In no case shall an operator attempt to send or review lengthy messages while the vehicle is in motion.

448.2.2 DOCUMENTATION OF ACTIVITY
MDT’s and voice transmissions are used to record the officer’s daily activity. To ensure the most accurate recording of these activities, the following are required:

(a) All contacts or activity shall be documented at the time of the contact;

(b) Whenever the activity or contact is initiated by voice, it shall be entered into the Computer Aided Dispatch (CAD) system by a dispatcher;

(c) Whenever the activity or contact is not initiated by voice, the officer shall record it on the MDT.

448.2.3 STATUS CHANGES
All changes in status (e.g., arrival at scene, meal periods, in service) will be transmitted either verbally over the police radio or through the MDT system.

Officers responding to in-progress calls shall advise changes in status verbally over the radio to assist other officers responding to the same incident.
Mobile Data Terminal Use

Other changes in status may be entered by depressing the appropriate keys on the MDT's.

448.3 MDT CONSIDERATIONS

448.3.1 NON-FUNCTIONING MDT
Whenever possible, officers will not use units with malfunctioning MDT's. Whenever officers must drive a unit in which the MDT is not working, they shall notify the Communications Center. It shall be responsibility of the Communications Center to record all information that will then be transmitted verbally over the police radio.

448.3.2 BOMB CALLS
When investigating reports of possible bombs, officers will turn off their MDT's. Operating the MDT may cause some devices to detonate.
Use of Audio/Video Recorders

450.1 PURPOSE AND SCOPE
This policy provides guidelines for the use of portable audio/video recording devices by members of this department while in the performance of their duties.

This policy does not apply to surreptitious interception of electronic communications for lawful authorized investigative purposes or to mobile audio video recordings (see the Mobile Audio Video Policy).

450.2 POLICY
The Brawley Police Department may provide members with access to portable recorders, either audio or video or both, for use during the performance of their duties. The use of recorders is intended to enhance the mission of the Department by accurately capturing contacts between members of the Department and the public.

450.3 PRIVACY
All recordings made by personnel acting in their official capacity as members of this department shall remain the property of the Department and should not be considered private, regardless of whether those recordings were made with department-issued or personally owned recorders.

450.4 MEMBER RESPONSIBILITIES
Prior to going into service, each uniformed member who chooses to wear a portable audio / video recorder will be responsible for making sure that the recorder is in good working order. Uniformed members should wear the recorder in a conspicuous manner.

Any member assigned to a non-uniformed position may carry an approved portable recorder at any time the member believes that such a device may be useful.

When using a recorder, the assigned member shall record his/her name, employee number and the current date and time at the beginning and the end of the shift or other period of use, regardless of whether any activity was recorded. This procedure is not required when the recording device and related software captures the user's unique identification and the date and time of each recording.

450.5 ACTIVATION OF THE AUDIO RECORDER
Members should activate the recorder during all enforcement stops and field interrogation situations and any other time the member reasonably believes that a recording of an on-duty contact may be useful. Once started, recordings should continue without interruption until the contact ends, if feasible.

At no time is a member expected to jeopardize his/her safety in order to activate a recorder or change the recording media. However, the recorder should be activated in required situations as soon as practicable.
Use of Audio/Video Recorders

450.5.1  SURREPTITIOUS USE OF THE AUDIO RECORDER
Members of the Department may surreptitiously record any conversation during the course of a criminal investigation in which the officer reasonably believes that such a recording will be beneficial to the investigation (Penal Code § 633).

Members shall not surreptitiously record another department member without a court order or unless lawfully authorized by the Chief of Police or the authorized designee.

450.6  PROHIBITED USE OF PORTABLE RECORDERS
Members are prohibited from using department-issued portable recorders and recording media for personal use and are prohibited from making personal copies of recordings created while on-duty or while acting in their official capacity.

Members are also prohibited from retaining recordings of activities or information obtained while on-duty, whether the recording was created with department-issued or personally owned recorders. Members shall not duplicate or distribute such recordings, except for authorized legitimate department business purposes. All such recordings shall be retained at the Department.

Members are prohibited from using personally owned recording devices while on-duty without the express consent of the Watch Commander. Any member who uses a personally owned recorder for department-related activities shall comply with the provisions of this policy, including retention and release requirements.

Recordings shall not be used by any member for the purpose of embarrassment or ridicule.

Any member who may have questions regarding the application of this policy is encouraged to seek clarification from supervisory personnel.

450.7  RETENTION OF RECORDINGS
Any time a member records any portion of a contact that the member reasonably believes constitutes evidence in a criminal case, the member shall record the related case number and download the file in accordance with the Computers and Digital Evidence Policy and document the existence of the recording in the related case report.

Any time a member reasonably believes a recorded contact may be beneficial in a non-criminal matter (e.g., a hostile contact), the member should promptly notify a supervisor of the existence of the recording.

Members should upload the file, in accordance with current procedure for storing digital files, at the end of their shift and any time the storage capacity is nearing its limit.

450.7.1  RETENTION REQUIREMENTS
All recordings shall be retained for a period consistent with the requirements of the organization's records retention schedule but in no event for a period less than 180 days.
Use of Audio/Video Recorders

450.8 RELEASE OF RECORDINGS
Recordings made using portable recording devices pursuant to this policy are department records and may only be released as provided in the Release of Records and Information Policy or for other authorized legitimate department business purposes.

450.9 REVIEW OF RECORDED MEDIA FILES
When preparing written reports, members should review their recordings as a resource. However, members should not use the fact that a recording was made as a reason to write a less detailed report.

Supervisors are authorized to review relevant recordings any time they are investigating alleged misconduct, reports of meritorious conduct or whenever such recordings would be beneficial in reviewing the member’s performance.

Recorded files may also be reviewed:

(a) Upon approval by a supervisor, by any member of the Department who is participating in an official investigation, such as a personnel complaint, administrative investigation or criminal investigation.

(b) Pursuant to lawful process or by court personnel who are otherwise authorized to review evidence in a related case.

(c) By media personnel with permission of the Chief of Police or the authorized designee.

(d) In compliance with a public records request, if permitted, and in accordance with the Release of Records and Information Policy.
Medical Marijuana

452.1 PURPOSE AND SCOPE
The purpose of this policy is to provide members of this department with guidelines for investigating the acquisition, possession, transportation, delivery, production or use of marijuana under California's medical marijuana laws.

452.1.1 DEFINITIONS
Definitions related to this policy include:

Cardholder - A person issued a current identification card.

Compassionate Use Act (CUA) (Health and Safety § 11362.5) - California law intended to provide protection from prosecution to those who are seriously ill and whose health would benefit from the use of marijuana in the treatment of illness for which marijuana provides relief. The CUA does not grant immunity from arrest but rather provides an affirmative defense from prosecution for possession of medical marijuana.

Identification card - A valid document issued by the State Department of Health Services to both persons authorized to engage in the medical use of marijuana and also to designated primary caregivers.

Medical marijuana - Marijuana possessed by a patient or primary caregiver for legitimate medical purposes.

Medical Marijuana Program (MMP) (Health and Safety § 11362.7 et seq.) - California laws passed following the CUA to facilitate the prompt identification of patients and their designated primary caregivers in order to avoid unnecessary arrests and provide needed guidance to law enforcement officers. MMP prohibits arrest for possession of medical marijuana in certain circumstances and provides a defense in others.

Patient - A person who is entitled to the protections of the CUA because he/she has received a written or oral recommendation or approval from a physician to use marijuana for medical purposes or any person issued a valid identification card.

Primary caregiver - A person designated by the patient, who has consistently assumed responsibility for the patient's housing, health or safety, who may assist the patient with the medical use of marijuana under the CUA or the MMP (Health and Safety Code § 11362.5; Health and Safety Code § 11362.7).

Statutory amount - No more than eight ounces of dried, mature, processed female marijuana flowers ("bud") or the plant conversion (e.g., kief, hash, hash oil), and no more than six mature or 12 immature marijuana plants (roots, stems and stem fibers should not be considered).
452.2 POLICY
It is the policy of the Brawley Police Department to prioritize resources to forgo making arrests related to marijuana that the arresting officer reasonably believes would not be prosecuted by state or federal authorities.

California's medical marijuana laws are intended to provide protection to those who are seriously ill and whose health would benefit from the use of medical marijuana.

However, California medical marijuana laws do not affect federal laws and there is no medical exception under federal law for the possession or distribution of marijuana. The Brawley Police Department will exercise discretion to ensure laws are appropriately enforced without unreasonably burdening both those individuals protected under California law and public resources.

452.3 INVESTIGATION
Investigations involving the possession, delivery, production or use of marijuana generally fall into one of several categories:

(a) Investigations when no person makes a medicinal claim.
(b) Investigations when a medicinal claim is made by a cardholder.
(c) Investigations when a medicinal claim is made by a non-cardholder.

452.3.1 INVESTIGATIONS WITH NO MEDICINAL CLAIM
In any investigation involving the possession, delivery, production or use of marijuana or drug paraphernalia where no person claims that the marijuana is used for medicinal purposes, the officer should proceed with a criminal investigation. A medicinal defense may be raised at any time, so officers should document any statements and observations that may be relevant to whether the marijuana was possessed or produced for medicinal purposes.

452.3.2 INVESTIGATIONS INVOLVING A MEDICINAL CLAIM MADE BY A CARDHOLDER
A cardholder or designated primary caregiver in possession of an identification card shall not be arrested for possession, transportation, delivery or cultivation of medical marijuana at or below the statutory amount unless there is reasonable cause to believe that (Health and Safety Code § 11362.71; Health and Safety Code § 11362.78):

(a) The information contained in the card is false or falsified.
(b) The card has been obtained or used by means of fraud.
(c) The person is otherwise in violation of the provisions of the MMP.
(d) The person does not possess marijuana for personal medical purposes.

Officers who reasonably believe that a person who does not have an identification card in his/her possession has been issued an identification card may treat the investigation as if the person had the card in his/her possession.
Medical Marijuana

Cardholders may possess, transport, deliver or cultivate medical marijuana in amounts above the statutory amount if their doctor has concluded that the statutory amount does not meet the patient's medical needs (Health and Safety Code § 11362.71; Health and Safety Code § 11362.77). Investigations involving cardholders with more than the statutory amount of marijuana should be addressed as provided in this policy for a case involving a medicinal claim made by a non-cardholder.

452.3.3 INVESTIGATIONS INVOLVING A MEDICINAL CLAIM MADE BY A NON-CARDHOLDER

No patient or primary caregiver should be arrested for possession or cultivation of an amount of medical marijuana if the officer reasonably believes that marijuana is in a form and amount reasonably related to the qualified patient's current medical needs (Health and Safety Code § 11362.5). This arrest guidance also applies to sales, transportation or, delivery of medical marijuana, or maintaining/renting a drug house or building that may be a nuisance if otherwise in compliance with MMP (Health and Safety Code § 11362.765).

Officer are not obligated to accept a person's claim of having a physician's recommendation when the claim cannot be readily verified with the physician but are expected to use their judgment to assess the validity of the person's medical-use claim.

Officers should review any available written documentation for validity and whether it contains the recommending physician's name, telephone number, address and medical license number for verification.

Officers should generally accept verified recommendations by a physician that statutory amounts do not meet the patient's needs (Health and Safety Code § 11362.77).

452.3.4 ADDITIONAL CONSIDERATIONS

Officers should consider the following when investigating an incident involving marijuana possession, delivery, production or use:

(a) Because enforcement of medical marijuana laws can be complex, time consuming and call for resources unavailable at the time of initial investigation, officers may consider submitting a report to the prosecutor for review, in lieu of making an arrest. This can be particularly appropriate when:

1. The suspect has been identified and can be easily located at a later time.
2. The case would benefit from review by a person with expertise in medical marijuana investigations.
3. Sufficient evidence, such as photographs or samples, has been lawfully obtained.
4. Other relevant factors, such as available department resources and time constraints prohibit making an immediate arrest.
Medical Marijuana

(b) Whenever the initial investigation reveals an amount of marijuana greater than the statutory amount, officers should consider the following when determining whether the form and amount is reasonably related to the patient's needs:

1. The amount of marijuana recommended by a medical professional to be ingested.
2. The quality of the marijuana.
3. The method of ingestion (e.g., smoking, eating, nebulizer).
4. The timing of the possession in relation to a harvest (patient may be storing marijuana).
5. Whether the marijuana is being cultivated indoors or outdoors, the climate, etc.

(c) Before proceeding with enforcement related to collective gardens or dispensaries, officers should consider conferring with a supervisor or other member with special knowledge in this area and/or appropriate legal counsel. Licensing, zoning and other related issues can be complex. Patients, primary caregivers and cardholders who collectively or cooperatively cultivate marijuana for medical purposes are provided a defense under MMP (Health & Safety Code § 11362.775).

(d) Investigating members should not order a patient to destroy marijuana plants under threat of arrest.

452.3.5 EXCEPTIONS
This policy does not apply to, and officers should consider taking enforcement action for the following:

(a) Persons who engage in illegal conduct that endangers others, such as driving under the influence of marijuana in violation of the Vehicle Code (Health and Safety Code § 11362.5).

(b) Marijuana possession in jails or other correctional facilities that prohibit such possession (Health and Safety Code § 11362.785).

(c) Smoking marijuana (Health and Safety Code § 11362.79):

1. In any place where smoking is prohibited by law.
2. In or within 1,000 feet of the grounds of a school, recreation center or youth center, unless the medical use occurs within a residence.
3. On a school bus.
4. While in a motor vehicle that is being operated.
5. While operating a boat.
Medical Marijuana

(d) Use of marijuana by a person on probation or parole, or on bail and use is prohibited by the terms of release (Health and Safety Code § 11362.795).

452.4 FEDERAL LAW ENFORCEMENT
Officers should provide information regarding a marijuana investigation to federal law enforcement authorities when it is requested by federal law enforcement authorities or whenever the officer believes those authorities would have a particular interest in the information.

452.5 PROPERTY AND EVIDENCE OFFICE SUPERVISOR RESPONSIBILITIES
The Property and Evidence Office Supervisor should ensure that marijuana, drug paraphernalia or other related property seized from a person engaged or assisting in the use of medical marijuana is not destroyed pending any charges and without a court order. The Property and Evidence Office Supervisor is not responsible for caring for live marijuana plants.

Upon the prosecutor’s decision to forgo prosecution, or the dismissal of charges or an acquittal, the Property and Evidence Office Supervisor should, as soon as practicable, return to the person from whom it was seized any useable medical marijuana, plants, drug paraphernalia or other related property.

The Property and Evidence Office Supervisor may release marijuana to federal law enforcement authorities upon presentation of a valid court order or by a written order of the Detective Division Supervisor.
Bicycle Patrol Unit

454.1 PURPOSE AND SCOPE
The Brawley Police Department has established the Bicycle Patrol Unit (BPU) for the purpose of enhancing patrol efforts in the community. Bicycle patrol has been shown to be an effective way to increase officer visibility in congested areas and their quiet operation can provide a tactical approach to crimes in progress. The purpose of this policy is to provide guidelines for the safe and effective operation of the patrol bicycle.

454.2 POLICY
Patrol bicycles may be used for regular patrol duty, traffic enforcement, parking control, or special events. The use of the patrol bicycle will emphasize their mobility and visibility to the community.

Bicycles may be deployed to any area at all hours of the day or night, according to Department needs and as staffing levels allow.

Requests for specific deployment of bicycle patrol officers shall be coordinated through the Bicycle Patrol Unit supervisor or the Watch Commander.

454.3 SELECTION OF PERSONNEL
Interested sworn personnel, who are off probation, shall submit a request to the Operations Division Commander to receive bicycle patrol training. A copy will be forwarded to the Training Supervisor. Qualified applicants will then be considered, and depending on organizational needs invited to an oral interview. The oral board will consist of one Sergeant and one senior officer trained in Bike Patrol Operations. The two oral board members will be selected by the Operations Commander. Interested personnel shall be evaluated by the following criteria:

(a) Recognized competence and ability as evidenced by performance.
(b) Special skills or training as it pertains to the assignment.
(c) Good physical condition.
(d) Willingness to perform duties using the bicycle as a mode of transportation.

454.3.1 BICYCLE PATROL UNIT SUPERVISOR
The Bicycle Patrol Unit supervisor will be selected from available Bicycle Patrol trained personnel by the Operations Division Commander or his/her designee.

The Bicycle Patrol Unit supervisor shall have responsibility for the following:

(a) Coordinating bicycle patrol training through the Training Sergeant.
(b) Inspecting and maintaining inventory of patrol bicycles and program equipment.
(c) Scheduling maintenance and repairs.
(d) Coordinating activities with the Operations Division.
454.4 TRAINING
Participants in the program must complete an initial Department approved bicycle-training course after acceptance into the program. Thereafter bicycle patrol officers should receive annual in-service training to improve skills and refresh safety, health and operational procedures. The initial training shall minimally include the following:

- Bicycle patrol strategies.
- Bicycle safety and accident prevention.
- Operational tactics using bicycles.

Bicycle patrol officers will be required to qualify with their duty firearm while wearing bicycle safety equipment including the helmet and riding gloves.

454.5 UNIFORMS AND EQUIPMENT
Officers shall wear the department-approved uniform and safety equipment while operating the department bicycle. Safety equipment includes department-approved helmet, riding gloves, protective eyewear and approved footwear.

The bicycle patrol unit uniform consists of the standard short-sleeve uniform shirt or other department-approved shirt with department badge and patches, and department-approved bicycle patrol pants or shorts.

Optional equipment includes a radio head set and microphone, and jackets in colder weather. Turtleneck shirts or sweaters are permitted when worn under the uniform shirt.

Bicycle patrol officers shall carry the same equipment on the bicycle patrol duty belt as they would on a regular patrol assignment.

Officers will be responsible for obtaining the necessary forms, citation books and other department equipment needed while on bicycle patrol.

454.6 CARE AND USE OF PATROL BICYCLES
Bicycles utilized for uniformed bicycle patrol shall be primarily black or white in with a "POLICE" decal affixed to each side of the crossbar or the bike’s saddlebag. Every such bicycle shall be equipped with front and rear reflectors front lights and a siren/horn satisfying the requirements of Vehicle Code §2800.1(b).

Bicycles utilized for uniformed bicycle patrol shall be equipped with a rear rack and/or saddle bag(s) sufficient to carry all necessary equipment to handle routine patrol calls including report writing, vehicle storage and citations.

Each bicycle gear bag shall include a first aid kit, tire pump, and security lock. These items are to remain with/on the bicycle at all times.
Each bicycle shall be equipped with a steady or flashing blue warning light that is visible from the front, sides, or rear of the bicycle. (Vehicle Code § 21201.3)

Bicycle officers shall conduct an inspection of the bicycle and equipment prior to use to insure proper working order of the equipment. Officers are responsible for the routine care and maintenance of the equipment (e.g., tire pressure, chain lubrication, overall cleaning).

If a needed repair is beyond the ability of the bicycle officer, a repair work order will be completed and forwarded to the program supervisor for repair by an approved technician.

Each bicycle will have scheduled maintenance twice yearly to be performed by a department approved repair shop/technician.

At the end of a bicycle assignment, the bicycle shall be returned clean and ready for the next tour of duty.

Officers shall not modify the patrol bicycle, remove, modify or add components except with the expressed approval of the bicycle supervisor, or in the event of an emergency.

Vehicle bicycle racks are available should the officer need to transport the patrol bicycle. Due to possible component damage, transportation of the patrol bicycle in a trunk or on a patrol car push-bumper is discouraged.

Bicycles shall be properly secured when not in the officer's immediate presence.

454.7 OFFICER RESPONSIBILITY
Officers must operate the bicycle in compliance with the vehicle code under normal operation. Officers may operate the bicycle without lighting equipment during hours of darkness when such operation reasonably appears necessary for officer safety and tactical considerations. Officers must use caution and care when operating the bicycle without lighting equipment.

Officers are exempt from the rules of the road under the following conditions (Vehicle Code § 21200(b)(1)):

(a) In response to an emergency call.
(b) While engaged in rescue operations.
(c) In the immediate pursuit of an actual or suspected violator of the law.
Foot Pursuit Policy

458.1 PURPOSE AND SCOPE

Foot pursuits are inherently dangerous and require common sense, sound tactics and heightened officer safety awareness. This policy sets forth guidelines to assist officers in making the decision to initiate or continue the pursuit of suspects on foot by balancing the objective of apprehending the suspect with the risk of potential injury to the officer, the public or the suspect.

458.1.1 POLICY

It is the policy of this department when deciding to initiate or continue a foot pursuit that officers must continuously balance the objective of apprehending the suspect with the risk and potential for injury to department personnel, the public or the suspect.

Officers are expected to act reasonably, based on the totality of the circumstances. Absent exigent circumstances, the safety of department personnel and the public should be the primary consideration when determining whether a foot pursuit should be initiated or continued. Officers must be mindful that immediate apprehension of a suspect is rarely more important than the safety of the public and department personnel.

458.2 DECISION TO PURSUE

Officers may be justified in initiating a foot pursuit of any individual the officer reasonably believes is about to engage in, is engaging in or has engaged in criminal activity. The decision to initiate or continue such a foot pursuit, however, must be continuously re-evaluated in light of the circumstances presented at the time.

Mere flight by a person who is not suspected of criminal activity shall not serve as the sole justification for engaging in an extended foot pursuit without the development of reasonable suspicion regarding the individual's involvement in criminal activity.

Deciding to initiate or continue a foot pursuit is a decision that an officer must make quickly and under unpredictable and dynamic circumstances. It is recognized that foot pursuits potentially place department personnel and the public at significant risk. Therefore, no officer or supervisor shall be criticized or disciplined for deciding not to engage in a foot pursuit because of the perceived risk involved.

If circumstances permit, surveillance and containment are generally the safest tactics for apprehending fleeing persons. In deciding whether to initiate or continue a foot pursuit, an officer should continuously consider reasonable alternatives to pursuit based upon the circumstances and resources available, such as the following:

(a) Containment of the area.
(b) Canine search.
(c) Saturation of the area with patrol personnel.
Foot Pursuit Policy

(d) Aerial support.

(e) Apprehension at another time when the identity of the suspect is known or there is information available that would likely allow for later apprehension, and the need to immediately apprehend the suspect does not reasonably appear to outweigh the risk of continuing the pursuit.

458.3 GUIDELINES FOR FOOT PURSUIT

Unless the officer reasonably believes that exigent circumstances exist (e.g. a serious threat to the safety of personnel or members of the public), officers should consider alternatives to engaging in or continuing a foot pursuit under the following conditions:

(a) When directed by a supervisor to terminate the foot pursuit. Such an order shall be considered mandatory.

(b) When the officer is acting alone.

(c) When two or more officers become separated, lose visual contact with one another, or obstacles separate them to the degree that they cannot immediately assist each other should a confrontation take place. In such circumstances, it is generally recommended that a single officer keep the suspect in sight from a safe distance and coordinate the containment effort.

(d) The officer is unsure of his/her location and direction of travel.

(e) When pursuing multiple suspects and the pursuing officers do not reasonably believe that they would be able to control the suspect should a confrontation occur.

(f) When the physical condition of the officers renders them incapable of controlling the suspect if apprehended.

(g) When the officer loses radio contact with the Communications Center or with backup officers.

(h) When the suspect enters a building, structure, confined space or a wooded or otherwise isolated area and there are insufficient officers to provide backup and containment. The primary officer should consider discontinuing the pursuit and coordinating containment pending the arrival of sufficient officers.

(i) The officer becomes aware of unanticipated or unforeseen circumstances that unreasonably increase the risk to officers or the public.

(j) The officer reasonably believes that the danger to the pursuing officers or public outweighs the objective of immediate apprehension.

(k) The officer loses possession of his/her firearm or other essential equipment.

(l) The officer or a third party is injured during the pursuit, requiring immediate assistance, and there are no other emergency personnel available to render assistance.
Foot Pursuit Policy

(m) The suspect's location is no longer definitely known.

(n) The identity of the suspect is established or other information exists that will allow for the suspect's apprehension at a later time, and it reasonably appears that there is no immediate threat to department personnel or the public if the suspect is not immediately apprehended.

(o) The officer's ability to safely continue the pursuit is impaired by inclement weather, darkness or other conditions.

458.4 RESPONSIBILITIES IN FOOT PURSUITS

458.4.1 INITIATING OFFICER RESPONSIBILITIES

Unless relieved by another officer or a supervisor, the initiating officer shall be responsible for coordinating the progress of the pursuit. When acting alone and when practicable, the initiating officer should not attempt to overtake and confront the suspect but should attempt to keep the suspect in sight until sufficient officers are present to safely apprehend the suspect.

Early communication of available information from the involved officers is essential so that adequate resources can be coordinated and deployed to bring a foot pursuit to a safe conclusion. Officers initiating a foot pursuit should broadcast the following information as soon as it becomes practicable and available:

(a) Unit identifier
(b) Location and direction of travel
(c) Reason for the foot pursuit
(d) Number of suspects and description
(e) Whether the suspect is known or believed to be armed

Officers should be mindful that radio transmissions made while running may be difficult to understand and may need to be repeated.

Absent extenuating circumstances, any officer unable to promptly and effectually broadcast this information should terminate the pursuit. If the foot pursuit is discontinued for any reason, immediate efforts for containment should be established and alternatives considered based upon the circumstances and available resources.

When a foot pursuit terminates, the officer will notify the Communications Center of his/her location and the status of the pursuit termination (e.g., suspect in custody, lost sight of suspect), and will direct further actions as reasonably appear necessary.

458.4.2 ASSISTING OFFICER RESPONSIBILITIES

Whenever any officer announces that he/she is engaged in a foot pursuit, all other officers should minimize non-essential radio traffic to permit the involved officers maximum access to the radio frequency.
Foot Pursuit Policy

Any officer who is in a position to intercept a fleeing suspect or who can assist the primary officer with the apprehension of the suspect, shall act reasonably and in accordance with department policy, based upon available information and his/her own observations.

458.4.3 SUPERVISOR RESPONSIBILITY
Upon becoming aware of a foot pursuit, the supervisor shall make every reasonable effort to ascertain sufficient information to direct responding resources and to take command, control and coordination of the foot pursuit. The supervisor should respond to the area whenever possible; the supervisor does not, however, need not be physically present to exercise control over the pursuit. The supervisor shall continuously assess the situation in order to ensure the foot pursuit is conducted within established department guidelines.

The supervisor shall terminate the foot pursuit when the danger to pursuing officers or the public appears to unreasonably outweigh the objective of immediate apprehension of the suspect.

Upon apprehension of the suspect, the supervisor shall promptly proceed to the termination point to direct the post-pursuit activity.

458.4.4 THE COMMUNICATIONS CENTER RESPONSIBILITIES
Upon being notified or becoming aware that a foot pursuit is in progress, communication personnel shall, as soon as practicable, notify the field supervisor and provide available information. the Communications Center personnel are also responsible for the following:

(a) Clear the radio channel of non-emergency traffic.
(b) Repeat the transmissions of the pursuing officer as needed.
(c) Relay all pertinent information to responding personnel.
(d) Contact additional resources as directed by a supervisor.
(e) Coordinate response of additional resources to assist with the foot pursuit.

458.5 REPORTING
The initiating officer shall complete the appropriate crime/arrest reports documenting, at minimum, the following:

(a) The reason for initiating the foot pursuit.
(b) The identity of involved personnel.
(c) The course and approximate distance of the pursuit.
(d) Whether a suspect was apprehended as well as the means and methods used.
   1. Any use of force shall be reported and documented in compliance with the Department Use of Force Policy.
(e) Any injuries or property damage.
Foot Pursuit Policy

Assisting officers taking an active role in the apprehension of the suspect shall complete supplemental reports as necessary or as directed.

In any case in which a suspect is not apprehended and there is insufficient information to warrant further investigation, a supervisor may authorize that the initiating officer need not complete a formal report.
Automated License Plate Readers (ALPRs)

462.1 PURPOSE AND SCOPE
Automated License Plate Reader (ALPR) technology, also known as License Plate Recognition, provides automated detection of license plates. ALPRs are used by the Brawley Police Department to convert data associated with vehicle license plates for official law enforcement purposes, including identifying stolen or wanted vehicles, stolen license plates and missing persons. ALPRs may also be used to gather information related to active warrants, homeland security, electronic surveillance, suspect interdiction and stolen property recovery.

462.2 ADMINISTRATION OF ALPR DATA
All installation and maintenance of ALPR equipment, as well as ALPR data retention and access shall be managed by the Administrative Services Division Commander. The Administrative Services Division Commander will assign personnel under his/her command to administer the day-to-day operation of the ALPR equipment and data.

462.3 ALPR OPERATION
Use of an ALPR is restricted to the purposes outlined below. Department personnel shall not use, or allow others to use the equipment or database records for any unauthorized purpose.

(a) An ALPR shall only be used for official and legitimate law enforcement business.

(b) An ALPR may be used in conjunction with any routine patrol operation or criminal investigation. Reasonable suspicion or probable cause is not required before using an ALPR.

(c) While an ALPR may be used to canvass license plates around any crime scene, particular consideration should be given to using ALPR-equipped cars to canvass areas around homicides, shootings and other major incidents. Partial license plates reported during major crimes should be entered into the ALPR system in an attempt to identify suspect vehicles.

(d) No member of this department shall operate ALPR equipment or access ALPR data without first completing department-approved training.

(e) No ALPR operator may access California Law Enforcement Telecommunications System (CLETS) data unless otherwise authorized to do so.

(f) If practicable, the officer should verify an ALPR response through CLETS before taking enforcement action that is based solely on an ALPR alert.

462.4 ALPR DATA COLLECTION AND RETENTION
All data and images gathered by an ALPR are for the official use of the Brawley Police Department and because such data may contain confidential CLETS information, it is not open to public
review. ALPR information gathered and retained by this department may be used and shared with prosecutors or others only as permitted by law.

The Administrative Services supervisor is responsible to ensure proper collection and retention of ALPR data, and for transferring ALPR data stored in department vehicles to the department server on a regular basis, not to exceed 30 days between transfers.

All ALPR data downloaded to the server should be stored for a minimum of one year (Government Code § 34090.6), and thereafter may be purged unless it has become, or it is reasonable to believe it will become, evidence in a criminal or civil action or is subject to a lawful action to produce records. In those circumstances the applicable data should be downloaded from the server onto portable media and booked into evidence.

462.5 ACCOUNTABILITY AND SAFEGUARDS
All saved data will be closely safeguarded and protected by both procedural and technological means. The Brawley Police Department will observe the following safeguards regarding access to and use of stored data:

(a) All non-law enforcement requests for access to stored ALPR data shall be referred to the Records Supervisor and processed in accordance with applicable law.

(b) All ALPR data downloaded to the mobile workstation and server shall be accessible only through a login/password-protected system capable of documenting all access of information by name, date and time.

(c) Persons approved to access ALPR data under these guidelines are permitted to access the data for legitimate law enforcement purposes only, such as when the data relate to a specific criminal investigation or department-related civil or administrative action.

(d) Such ALPR data may be released to other authorized and verified law enforcement officials and agencies at any time for legitimate law enforcement purposes.

(e) ALPR system audits should be conducted on a regular basis.
Homeless Persons

464.1 PURPOSE AND SCOPE
The purpose of this policy is to ensure that personnel understand the needs and rights of the homeless and to establish procedures to guide officers during all contacts with the homeless, whether consensual or for enforcement purposes. The Brawley Police Department recognizes that members of the homeless community are often in need of special protection and services. The Brawley Police Department will address these needs in balance with the overall mission of this department. Therefore, officers will consider the following when serving the homeless community.

464.1.1 POLICY
It is the policy of the Brawley Police Department to provide law enforcement services to all members of the community, while protecting the rights, dignity and private property of the homeless. Homelessness is not a crime and members of this department will not use homelessness solely as a basis for detention or law enforcement action.

464.2 HOMELESS COMMUNITY LIAISON
The Chief of Police will designate a member of this department to act as the Homeless Liaison Officer. The responsibilities of the Homeless Liaison Officer include the following:

(a) Maintain and make available to all department employees a list of assistance programs and other resources that are available to the homeless.

(b) Meet with social services and representatives of other organizations that render assistance to the homeless.

(c) Maintain a list of the areas within and near this jurisdiction that are used as frequent homeless encampments.

(d) Remain abreast of laws dealing with the removal and/or destruction of the personal property of the homeless. This will include:
   1. Proper posting of notices of trespass and clean-up operations.
   2. Proper retention of property after clean-up, to include procedures for owners to reclaim their property in accordance with the Property and Evidence Policy and other established procedures.

(e) Be present during any clean-up operation conducted by this department involving the removal of personal property of the homeless to ensure that the rights of the homeless are not violated.

(f) Develop training to assist officers in understanding current legal and social issues relating to the homeless.
464.3 FIELD CONTACTS
Officers are encouraged to contact the homeless for purposes of rendering aid, support and for community-oriented policing purposes. Nothing in this policy is meant to dissuade an officer from taking reasonable enforcement action when facts support a reasonable suspicion of criminal activity. However, when encountering a homeless person who has committed a non-violent misdemeanor and continued freedom is not likely to result in a continuation of the offense or a breach of the peace, officers are encouraged to consider long-term solutions to problems that may relate to the homeless, such as shelter referrals and counseling in lieu of physical arrest.

Officers should provide homeless persons with resource and assistance information whenever it is reasonably apparent that such services may be appropriate.

464.3.1 OTHER CONSIDERATIONS
Homeless members of the community will receive the same level and quality of service provided to other members of the community. The fact that a victim or witness is homeless can, however, require special considerations for a successful investigation and prosecution. Officers should consider the following when handling investigations involving homeless victims, witnesses or suspects:

(a) Document alternate contact information. This may include obtaining addresses and phone numbers of relatives and friends.
(b) Document places the homeless person may frequent.
(c) Provide homeless victims with victim/witness resources when appropriate.
(d) Obtain statements from all available witnesses in the event that a homeless victim is unavailable for a court appearance.
(e) Consider whether the person may be a dependent adult or elder, and if so, proceed in accordance with Policy § 326.
(f) Arrange for transportation for investigation-related matters, such as medical exams and court appearances.
(g) Consider whether a crime should be reported and submitted for prosecution, even when a homeless victim indicates that he/she does not desire prosecution.

464.4 PERSONAL PROPERTY
The personal property of homeless persons must not be treated differently than the property of other members of the public. Officers should use reasonable care when handling, collecting and retaining the personal property of homeless persons and should not destroy or discard the personal property of a homeless person.

When a homeless person is arrested or otherwise removed from a public place, officers should make reasonable accommodations to permit the person to lawfully secure his/her personal property. Otherwise, the personal property should be collected for safekeeping. If the arrestee has more personal property than can reasonably be collected and transported by the officer, a
Homeless Persons

supervisor should be consulted. The property should be photographed and measures should be taken to remove or secure the property. It will be the supervisor’s responsibility to coordinate the removal and safekeeping of the property.

Officers should not conduct or assist in clean-up operations of belongings that reasonably appear to be the property of homeless persons without the prior authorization of a supervisor or the department Homeless Liaison Officer. When practicable, requests by the public for clean-up of a homeless encampment should be referred to the Homeless Liaison Officer.

Officers who encounter unattended encampments, bedding or other personal property in public areas that reasonably appears to belong to a homeless person should not remove or destroy such property and should inform the department Homeless Liaison Officer if such property appears to involve a trespass, blight to the community or is the subject of a complaint. It will be the responsibility of the Homeless Liaison Officer to address the matter in a timely fashion.

464.5 MENTAL ILLNESS AND MENTAL IMPAIRMENT

Some homeless persons may suffer from a mental illness or a mental impairment. Officers shall not detain a homeless person under a mental illness commitment unless facts and circumstances warrant such a detention (See Policy § 418).

When a mental illness hold is not warranted, the contacting officer should provide the homeless person with contact information for mental health assistance as appropriate. In these circumstances, officers may provide transportation to a mental health specialist if requested by the person and approved by a supervisor.

464.6 ECOLOGICAL ISSUES

Sometimes homeless encampments can impact the ecology and natural resources of the community and may involve criminal offenses beyond mere littering. Officers are encouraged to notify other appropriate agencies or departments when a significant impact to the environment has or is likely to occur. Significant impacts to the environment may warrant a crime report, investigation, supporting photographs and supervisor notification.
Chapter 5 - Traffic Operations
Traffic Function and Responsibility

500.1 PURPOSE AND SCOPE
The ultimate goal of traffic law enforcement is to reduce traffic collisions. This may be achieved through the application of such techniques as geographic/temporal assignment of personnel and equipment and the establishment of preventive patrols to deal with specific categories of unlawful driving behavior. Traffic enforcement techniques are based on accident data, enforcement activity records, traffic volume, and traffic conditions. This department provides enforcement efforts toward violations, not only in proportion to the frequency of their occurrence in accident situations, but also in terms of traffic-related needs.

500.2 TRAFFIC OFFICER DEPLOYMENT
Several factors are considered in the development of deployment schedules for officers of the Brawley Police Department. Information provided by the California Statewide Integrated Traffic Reporting System (SWITRS) is a valuable resource for traffic accident occurrences and therefore officer deployment. Some of the factors for analysis include:

- Location
- Time
- Day
- Violation factors

All officers assigned to patrol or traffic enforcement functions will emphasize enforcement of accident causing violations during high accident hours and at locations of occurrence. All officers will take directed enforcement action on request, and random enforcement action when appropriate against violators as a matter of routine. All officers shall maintain high visibility while working general enforcement, especially at high accident locations.

Other factors to be considered for deployment are citizen requests, construction zones or special events.

500.3 ENFORCEMENT
Enforcement actions are commensurate with applicable laws and take into account the degree and severity of the violation committed. This department does not establish ticket quotas and the number of arrests or citations issued by any officer shall not be used as the sole criterion for evaluating officer overall performance (Vehicle Code § 41603). The visibility and quality of an officer’s work effort will be commensurate with the philosophy of this policy. Several methods are effective in the reduction of collisions:
500.3.1 WARNINGS
Warnings or other non-punitive enforcement actions should be considered in each situation and substituted for arrests or citations when circumstances warrant, especially in the case of inadvertent violations.

500.3.2 CITATIONS
Citations may be issued when an officer believes it is appropriate. It is essential that officers fully explain the rights and requirements imposed on motorists upon issuance of a citation for a traffic violation. Officers should provide the following information at a minimum:

(a) Explanation of the violation or charge
(b) Court appearance procedure including the optional or mandatory appearance by the motorist
(c) Notice of whether the motorist can enter a plea and pay the fine by mail or at the court

500.3.3 PHYSICAL ARREST
Physical arrest can be made on a number of criminal traffic offenses outlined in the Vehicle Code or Penal Code. These physical arrest cases usually deal with, but are not limited to:

(a) Vehicular manslaughter
(b) Felony and misdemeanor driving under the influence of alcohol/drugs
(c) Felony or misdemeanor hit-and-run
(d) Refusal to sign notice to appear
(e) Any other misdemeanor at the discretion of the officer, such as reckless driving with extenuating circumstances

500.4 SUSPENDED OR REVOKED DRIVERS LICENSES
If an officer contacts a traffic violator for driving on a suspended or revoked license, the officer may issue a traffic citation pursuant to Vehicle Code § 14601.

If a computer check of a traffic violator's license status reveals a suspended or revoked driver license and the traffic violator still has his or her license in possession, the license shall be seized by the officer. The officer shall verbally advise the traffic violator of the suspension or revocation and issue the citation. The officer will be responsible for filling out the Verbal Notice form (DMV form DL-310) and causing that form and license to be forwarded to the Department of Motor Vehicles.

500.5 HIGH-VISIBILITY VESTS
The Department has provided ANSI Class II high-visibility vests to reduce the danger to employees who may be exposed to hazards presented by passing traffic, construction vehicles and disaster recovery equipment (8 CCR § 1598).
Although intended primarily for use while performing traffic related assignments, high-visibility vests should be worn at any time increased visibility would improve the safety or efficiency of the employee.

500.5.1 REQUIRED USE
Except when working in a potentially adversarial or confrontational role, such as during vehicle stops, high-visibility vests should be worn at any time it is anticipated that an employee will be exposed to the hazards of approaching traffic or construction and recovery equipment. Examples of when high-visibility vests should be worn include traffic control duties, accident investigations, lane closures and while at disaster scenes, or anytime high visibility is desirable. When emergency conditions preclude the immediate donning of the vest, officers should retrieve and wear the vest as soon as conditions reasonably permit. Use of the vests shall also be mandatory when directed by a supervisor.

Vests maintained in the investigation units may be used any time a plainclothes officer might benefit from being readily identified as a member of law enforcement.

500.5.2 CARE AND STORAGE OF HIGH-VISIBILITY VESTS
High-visibility vests shall be maintained in the trunk of each patrol and investigation unit, in the side box of each police motorcycle and in the saddlebag or gear bag of each police bicycle. Each vest should be stored inside the re-sealable plastic bag provided to protect and maintain the vest in a serviceable condition. Before going into service each employee shall ensure a serviceable high-visibility vest is properly stored.

A supply of high-visibility vests will be maintained in the equipment room for replacement of damaged or unserviceable vests. The Administrative Sergeant should be promptly notified whenever the supply of vests in the equipment room needs replenishing.
Traffic Collision Reporting

502.1 PURPOSE AND SCOPE
The Brawley Police Department prepares traffic collision reports in compliance with the California Highway Patrol Collision Investigation Manual (CIM) and as a public service makes traffic collision reports available to the community with some exceptions.

502.2 RESPONSIBILITY
The Watch Commander will be responsible for distribution of the Collision Investigation Manual. The Watch Commander will receive all changes in the state manual and ensure conformity with this policy.

502.3 TRAFFIC COLLISION REPORTING
All traffic collision reports taken by members of this department shall be forwarded using departmentally established report routing procedures for approval. Records division personnel are responsible for entering traffic collision data into the Records Management System. Watch Commanders’ will be responsible for monthly and quarterly reports on traffic collision statistics to be forwarded to the Operations Division Commander, or other persons as required.

502.4 REPORTING SITUATIONS
502.4.1 TRAFFIC COLLISIONS INVOLVING CITY VEHICLES
Traffic collision investigation reports shall be taken when a City-owned vehicle is involved in a traffic collision upon a roadway or highway wherein any damage or injury results. A general information report may be taken in lieu of a traffic collision report (CHP 555 form) at the direction of a supervisor when the collision occurs on private property or does not involve another vehicle. Whenever there is damage to a City vehicle, a Vehicle Damage Report shall be completed and forwarded to the appropriate Division Commander.
Photographs of the collision scene and vehicle damage shall be taken at the discretion of the traffic investigator or any supervisor.

502.4.2 TRAFFIC COLLISIONS WITH POLICE DEPARTMENT EMPLOYEES
When an employee of this department, either on-duty or off-duty, is involved in a traffic collision within the jurisdiction of the Brawley Police Department resulting in a serious injury or fatality, the Watch Commander may notify the California Highway Patrol for assistance.
The term serious injury is defined as any injury that may result in a fatality.

502.4.3 TRAFFIC COLLISIONS WITH OTHER CITY EMPLOYEES OR OFFICIALS
The on-duty Watch Commander may request assistance from the California Highway Patrol for the investigation of any traffic collision involving any City official or employee where a serious injury or fatality has occurred.
502.4.4 TRAFFIC COLLISIONS ON PRIVATE PROPERTY
In compliance with the Collision Investigation Manual, traffic collision reports shall not be taken for traffic collisions occurring on private property unless there is a death or injury to any person involved, a hit-and-run violation, or Vehicle Code violation. An Incident Report may be taken at the discretion of any supervisor.

502.4.5 TRAFFIC COLLISIONS ON ROADWAYS OR HIGHWAYS
Traffic collision reports shall be taken when they occur on a roadway or highway within the jurisdiction of this department under any of the following circumstances:

(a) When there is a death or injury to any persons involved in the collision
(b) When there is an identifiable violation of the Vehicle Code
(c) When a report is requested by any involved driver

502.4.6 DR-L TRAFFIC COLLISION REPORTING
Log entry only (DR-L) traffic collision reporting may be authorized by the on-duty Watch Commander for non-injury collisions only. Personnel assigned to Traffic enforcement, and working as a motor/traffic officer during any shift, are not authorized to take DR-L traffic collision reports.

In the event a motor / traffic officer is not available to respond to a traffic collision, patrol division personnel shall be dispatched. With the approval of the on-duty Watch Commander, patrol division personnel may take a DR-L traffic collision report provided there are no injuries or complaints of pain reported by any involved party.

(a) Officers shall do the following when authorized to complete a DR-L Traffic Collision Report:

1. Complete the top half of CHP 555-03 (Property Damage Only) short form;
2. "DR-L" shall be entered in the Special Conditions box;
3. Enter the Incident number in the number box;
4. Advise each driver that the collision will be documented as a log entry only and no narrative report will be completed;
5. Advise each driver that the CHP 555 form constitutes their complete collision report;
6. Provide each driver with a copy of the completed CHP 555-03 short form. The original (top copy) shall be retained by the Department;
7. Direct each driver to read the bottom half of their copy of the CHP 555 short form.

(b) Officers shall provide a disposition to include:

1. Last name and drivers license number of each driver;
Traffic Collision Reporting

2. License plate number, location of damage, severity of damage (minor, moderate, major) of each vehicle involved;

3. Disposition of each vehicle (towed, driven away, parked at scene, etc...)
   (a) CHP 180 is required if officer stores a vehicle.

(c) Watch Commander Considerations when authorizing a DR-L:
   (a) Severity of property damage regardless of non-injury claim(s);
   (b) Property damage involves city property; e.g., street sign, fire hydrant, pole, fence, etc...;
   (c) Potential city liability; e.g., missing or obscured traffic control device, pot hole, gravel, etc...;
   (d) Departmental needs; e.g., pending calls for service, staffing level, etc...

This list is not all-inclusive and is intended to provide a general guide.

502.5 NOTIFICATION OF TRAFFIC BUREAU SUPERVISION
In the event of a serious injury or death related traffic collision, the Watch Commander shall notify the Operations Division Commander to relate the circumstances of the traffic collision and seek assistance from Traffic personnel. In the absence of a Watch Commander any supervisor may assign an accident investigator or motor officer to investigate the traffic collision.
Vehicle Towing and Release

510.1 PURPOSE AND SCOPE
This policy provides the procedures for towing a vehicle by or at the direction of the Brawley Police Department. Nothing in this policy shall require the Department to tow a vehicle.

510.2 STORAGE AND INPOUNDS
When circumstances permit, for example when towing a vehicle for parking or registration violations, the handling employee should, prior to having the vehicle towed, make a good faith effort to notify the owner of the vehicle that it is subject to removal. This may be accomplished by personal contact, telephone or by leaving a notice attached to the vehicle at least 24 hours prior to removal. If a vehicle presents a hazard, such as being abandoned on the roadway, it may be towed immediately.

The responsibilities of those employees towing, storing or impounding a vehicle are listed below.

510.2.1 VEHICLE STORAGE REPORT
Department members requesting towing, storage or impound of a vehicle shall complete CHP Form 180 and accurately record the mileage and a description of property within the vehicle (Vehicle Code § 22850). A copy of the storage report should be given to the tow truck operator and the original shall be submitted to the Records Division as soon as practicable after the vehicle is stored.

510.2.2 REMOVAL FROM TRAFFIC COLLISION SCENES
When a vehicle has been involved in a traffic collision and must be removed from the scene, the officer shall have the driver select a towing company, if possible, and shall relay the request for the specified towing company to the dispatcher. When there is no preferred company requested, a company will be selected from the rotational list of towing companies in the Communications Center.

If the owner is incapacitated, or for any reason it is necessary for the Department to assume responsibility for a vehicle involved in a collision, the officer shall request the dispatcher to select a company from the rotational list of authorized tow companies in the Communications Center. The officer will then store the vehicle using a CHP Form 180.

510.2.3 STORAGE AT ARREST SCENES
Whenever a person in charge or in control of a vehicle is arrested, it is the policy of this department to provide reasonable safekeeping by storing the arrestee’s vehicle subject to the exceptions described below. The vehicle, however, shall be stored whenever it is needed for the furtherance of the investigation or prosecution of the case, or when the community caretaker doctrine would reasonably suggest that the vehicle should be stored (e.g., traffic hazard, high crime area).
Vehicle Towing and Release

The following are examples of situations where consideration should be given to leaving a vehicle at the scene in lieu of storing, provided the vehicle can be lawfully parked and left in a reasonably secured and safe condition:

- Traffic related warrant arrest.
- Situations where the vehicle was not used to further the offense for which the driver was arrested.
- Whenever the licensed owner of the vehicle is present, willing, and able to take control of any vehicle not involved in criminal activity.
- Whenever the vehicle otherwise does not need to be stored and the owner requests that it be left at the scene. In such cases the owner shall be informed that the Department will not be responsible for theft or damages.

510.2.4 IMPOUNDMENT AT SOBRIETY CHECKPOINTS
Whenever a driver is stopped at a sobriety checkpoint and the only violation is that the operator is driving without a valid driver's license, the officer shall make a reasonable attempt to identify the registered owner of the vehicle (Vehicle Code § 2814.2). The officer shall release the vehicle to the registered owner if the person is a licensed driver, or to another licensed driver authorized by the registered owner, provided the vehicle is claimed prior to the conclusion of the checkpoint operation.

If the vehicle is released at the checkpoint, the officer shall list on his/her copy of the notice to appear the name and driver's license number of the person to whom the vehicle is released.

When a vehicle cannot be released at the checkpoint, it shall be towed (Vehicle Code § 22651(p)). When a vehicle is removed at the checkpoint, it shall be released during the normal business hours of the storage facility to the registered owner or his/her agent upon presentation of a valid driver's license and current vehicle registration.

510.2.5 DRIVING A NON-CITY VEHICLE
Vehicles which have been towed by or at the direction of the Department should not be driven by police personnel unless it is necessary to move a vehicle a short distance to eliminate a hazard, prevent the obstruction of a fire hydrant or to comply with posted signs.

510.2.6 DISPATCHER'S RESPONSIBILITIES
Upon receiving a request for towing, the dispatcher shall promptly telephone the specified authorized towing service. The officer shall be advised when the request has been made and the towing service has been dispatched.

When there is no preferred company requested, the dispatcher shall call the next firm in rotation from the list of approved towing companies and shall make appropriate entries on that form to ensure the following firm is called on the next request.
Dispatch personnel shall promptly enter pertinent data into the Stolen Vehicle System. (Vehicle Code § 22651.5(b); Vehicle Code § 22851.3(b); Vehicle Code § 22854.5). Vehicle storage printout shall be placed into the case-file as soon as practical so that they are immediately available for release or review should inquiries be made. Within 48 hours, excluding weekends and holidays, of the storage of any such vehicle it shall be the responsibility of the Records Division to determine the names and addresses of any individuals having an interest in the vehicle through DMV or CLETS computers. Notice shall be sent to all such individuals by first-class mail (Vehicle Code § 22851.3(d); Vehicle Code § 22852(a); Vehicle Code § 14602.6(a)(2)). The notice shall include the following (Vehicle Code § 22852(b)): The name, address, and telephone number of this Department. The location of the place of storage and description of the vehicle, which shall include, if available, the name or make, the manufacturer, the license plate number, and the mileage. The authority and purpose for the removal of the vehicle. A statement that, in order to receive their post-storage hearing, the owners, or their agents, shall request the hearing in person, writing, or by telephone within 10 days of the date appearing on the notice.

510.3 TOWING SERVICES
The Brawley Police Department periodically evaluates and selects firms to act as official tow service providers. These firms are placed on an authorized tow company list, which is compiled by the office of the Chief of Police, and will be used in the following situations:

(a) When it is necessary to safeguard a vehicle due to the inability of the owner or operator to take the required action.

(b) When a vehicle is being held as evidence in connection with an investigation.

(c) When it is otherwise necessary to store a motor vehicle. This would include situations involving the recovery of stolen or abandoned vehicles, and the removal from the streets of vehicles obstructing traffic in violation of state or local regulations.

510.4 VEHICLE INVENTORY
All property in a stored or impounded vehicle shall be inventoried and listed on the vehicle storage form. This includes the trunk and any compartments or containers, even if closed and/or locked. Members conducting inventory searches should be as thorough and accurate as practical in preparing an itemized inventory. These inventory procedures are for the purpose of protecting an owner’s property while in police custody, to provide for the safety of officers, and to protect the Department against fraudulent claims of lost, stolen, or damaged property.

510.5 SECURITY OF VEHICLES AND PROPERTY
Unless it would cause an unreasonable delay in the completion of a vehicle impound/storage or create an issue of officer safety, officers should make reasonable accommodations to permit a driver/owner to retrieve small items of value or personal need (e.g., cash, jewelry, cell phone, prescriptions) which are not considered evidence or contraband.
Vehicle Towing and Release

If a search of a vehicle leaves the vehicle or any property contained therein vulnerable to unauthorized entry, theft or damage, personnel conducting the search shall take such steps as are reasonably necessary to secure and/or preserve the vehicle or property from such hazards.

510.6 RELEASE OF VEHICLE
The Department will maintain a listed, 24-hour telephone number to provide information regarding impoundment of vehicles and the right of the registered owner to request a storage hearing. Releases for towed vehicles will be made available during regular, non-emergency business hours (Vehicle Code § 14602.6).

(a) Vehicles removed pursuant to Vehicle Code § 22850 shall be released after proof of current registration is provided by the owner or the person in control of the vehicle and after all applicable fees are paid (Vehicle Code § 22850.3 and Vehicle Code § 22850.5).

(b) Vehicles removed that require payment of parking fines or proof of valid driver's license shall only be released upon presentation of proof of compliance, proof of payment, completion of affidavit and payment of applicable fees related to the removal (Vehicle Code § 22651 et seq., Vehicle Code § 22652 et seq., Vehicle Code § 22850.3 and Vehicle Code § 22850.5).

(c) A vehicle removed pursuant to Vehicle Code § 14602.6(a) shall be released to the registered owner or his/her agent with proof of current registration, proof of a valid driver's license and applicable fees paid prior to the end of the 30-day impoundment period if the vehicle was stolen, if the driver reinstates his/her driver's license, if the driver acquires a license and proper insurance, or under other circumstances as set forth in Vehicle Code § 14602.6.

Personnel whose duties include releasing towed vehicles should consult the Vehicle Code under which the vehicle was towed or impounded for any specific requirements prior to release.

Employees who suspect that a vehicle was impounded in error should promptly advise a supervisor. Supervisors should approve, when appropriate, the release of the vehicle without requiring the registered owner or his/her agent to request a hearing, as described in the Vehicle Impound Hearings Policy.
Vehicle Impound Hearings

512.1 PURPOSE AND SCOPE
This policy establishes a procedure for the requirement to provide vehicle storage or impound hearings pursuant to Vehicle Code § 22852.

512.2 STORED OR IMPOUND HEARING
When a vehicle is stored or impounded by any member of the Brawley Police Department, a hearing will be conducted upon the request of the registered or legal owner of the vehicle or his/her agent (Vehicle Code §§ 22650(a) and 22852(a)).

The hearing shall be conducted within 48 hours of the request, excluding weekends and holidays. The hearing officer must be a person other than the person who directed the storage or impound of the vehicle (Vehicle Code § 22852(c)).

512.2.1 HEARING PROCEDURES
The vehicle storage hearing is an informal process to evaluate the validity of an order to store or impound a vehicle. The employee who caused the storage or removal of the vehicle does not need to be present for this hearing.

All requests for a hearing on a stored or impounded vehicle shall be submitted in person, in writing or by telephone within 10 days of the date appearing on the notice (Vehicle Code § 22852(d)). The Administrative Division Commander will generally serve as the hearing officer. The person requesting the hearing may record the hearing at his/her own expense.

The failure of either the registered or legal owner or interested person or his/her agent to request a hearing in a timely manner or to attend a scheduled hearing shall be considered a waiver of and satisfaction of the post-storage hearing requirement (Vehicle Code §§ 22851.3(e)(2) and 22852(d)).

Any relevant evidence may be submitted and reviewed by the hearing officer to determine if reasonable grounds have been established for the storage or impound of the vehicle. The initial burden of proof established by a preponderance of the evidence that the storage/impound was based on probable cause rests with the Department.

After consideration of all information, the hearing officer shall determine the validity of the storage or impound of the vehicle in question and then render a decision. The hearing officer shall also consider any mitigating circumstances attendant to the storage that reasonably would warrant the release of the vehicle or a modification or reduction of the period the vehicle is impounded (Vehicle Code §§14602.6(b) and 14602.8(b)).

Aside from those mitigating circumstances enumerated in the Vehicle Code, the registered owner's lack of actual knowledge that the driver to whom the vehicle was loaned was not validly licensed may constitute a mitigating circumstance under Vehicle Code §§ 14602.6(b) or 14608(b), warranting release of the vehicle. This mitigating circumstance exception is not limited to situations
where the owner made a reasonable inquiry as to the licensed status of the driver before lending the vehicle.

The legislative intent and this department's policy is to prevent unlicensed driving pursuant to Vehicle Code §14602.6. If this purpose is not furthered by the continued impoundment of a vehicle, release is most often appropriate.

(a) If a decision is made that reasonable grounds for storage or impound have been established, the hearing officer shall advise the inquiring party of the decision and that the inquiring party may pursue further civil remedies if desired.

1. If mitigating circumstances are found to be relevant, the hearing officer shall make reasonable adjustments to the impound period, storage or assessment of fees as warranted.

(b) If a decision is made that reasonable grounds for storage or impound have not been established or sufficient mitigating circumstances exist, the vehicle in storage shall be released immediately. Towing and storage fees will be paid at the Department's expense (Vehicle Code § 22852(e)).

(c) If a decision is made that reasonable grounds for storage have not been established or sufficient mitigating circumstances exist, and the vehicle has been released with fees having been paid, the receipt for such fees will be forwarded with a letter to the appropriate Division Commander. The hearing officer will recommend to the appropriate Division Commander that the fees paid by the registered or legal owner of the vehicle in question or their agent be reimbursed by the City.
Impaired Driving and Evidence Collection

514.1 PURPOSE AND SCOPE
This policy provides guidance to those department members who play a role in the detection and investigation of driving under the influence (DUI).

514.2 POLICY
The Brawley Police Department is committed to the safety of the roadways and the community and will pursue fair but aggressive enforcement of California's impaired driving laws.

514.3 INVESTIGATIONS
Officers should not enforce DUI laws to the exclusion of their other duties unless specifically assigned to DUI enforcement. All officers are expected to enforce these laws with due diligence.

514.4 FIELD TESTS
The Watch Commander should identify the primary field sobriety tests (FSTs) and any approved alternate tests for officers to use when investigating violations of DUI laws.

514.5 CHEMICAL TESTS
A person is deemed to have consented to a chemical test or tests under any of the following (Vehicle Code § 23612):

(a) The person is arrested for driving a vehicle while under the influence, pursuant to Vehicle Code § 23152.

(b) The person is under 21 years of age and is arrested by an officer having reasonable cause to believe that the person's blood alcohol content is 0.05 or more (Vehicle Code § 23140).

(c) The person is under 21 years of age and detained by an officer having reasonable cause to believe that the person was driving a vehicle while having a blood alcohol content of 0.01 or more (Vehicle Code § 23136).

(d) The person was operating a vehicle while under the influence and proximately caused bodily injury to another person (Vehicle Code § 23153).

(e) The person is dead, unconscious or otherwise in a condition that renders him/her incapable of refusal (Vehicle Code § 23612(a)(5)).

514.5.1 CHOICE OF TEST
A person arrested for DUI has the choice of whether the test is of his/her blood or breath, and the officer shall advise the person that he/she has that choice. If the person arrested either is incapable, or states that he/she is incapable, of completing the chosen test, the person shall submit to the remaining test.
If the person chooses to submit to a breath test and there is reasonable cause to believe that the person is under the influence of a drug or the combined influence of alcohol and any drug, the officer may also request that the person submit to a blood test. If the person is incapable of completing a blood test, the person shall submit to and complete a urine test (Vehicle Code § 23612(a)(2)(C)).

514.5.2 BREATH TEST
The Watch Commander should ensure that all devices used for the collection and analysis of breath samples are properly serviced and tested and that a record of such service and testing is properly maintained.

Officers obtaining a breath sample should monitor the device for any sign of malfunction. Any anomalies or equipment failures should be noted in the appropriate report and promptly reported to the Watch Commander.

When the arrested person chooses a breath test, the handling officer shall advise the person that the breath-testing equipment does not retain a sample, and the person may, if desired, provide a blood or urine specimen, which will be retained to facilitate subsequent verification testing (Vehicle Code § 23614).

The officer should also require the person to submit to a blood test if the officer has a clear indication that a blood test will reveal evidence of any drug or the combined influence of an alcoholic beverage and any drug. Evidence of the officer's belief shall be included in the officer's report (Vehicle Code § 23612(a)(2)(C)).

514.5.3 BLOOD TEST
Only persons authorized by law to withdraw blood shall collect blood samples (Vehicle Code § 23158). The withdrawal of the blood sample should be witnessed by the assigned officer. No officer, even if properly certified, should conduct the blood withdrawal.

Officers should inform an arrestee that if he/she chooses to provide a blood sample, a separate sample can be drawn for alternate testing. Unless medical personnel object, two samples should be drawn and retained as evidence, so long as only one puncture is required.

If an arrestee cannot submit to a blood test because he/she is a hemophiliac or is using an anticoagulant, he/she shall not be required to take a blood test. Such inability to take a blood test should not be treated as a refusal. However, the person may be required to complete another available and viable test.

514.5.4 URINE TESTS
If a urine test will be performed, the person should be promptly transported to the appropriate testing site. The officer shall follow any directions accompanying the urine evidence collection kit.

Urine samples shall be collected and witnessed by an officer or jail staff of the same sex as the person giving the sample. The person tested should be allowed sufficient privacy to maintain his/
her dignity, to the extent possible, while still ensuring the accuracy of the specimen (Vehicle Code § 23158(i)).

The collection kit shall be marked with the person's name, offense, Brawley Police Department case number and the name of the witnessing officer. The collection kit should be refrigerated pending transportation for testing.

514.6 REFUSALS
When a person refuses to provide a viable chemical sample, officers should:

(a) Advise the person of the requirement to provide a sample (Vehicle Code § 23612).
(b) Audio-record the admonishment and the response if practicable.
(c) Document the refusal in the appropriate report.

Upon refusal to submit to a chemical test as required by law, officers shall personally serve the notice of order of suspension upon the person and take possession of any state-issued license to operate a motor vehicle that is held by that person (Vehicle Code § 23612(e); Vehicle Code § 23612(f)).

514.6.1 BLOOD SAMPLE WITHOUT CONSENT
A blood sample may be obtained from a person who refuses a chemical test when any of the following conditions exist:

(a) A search warrant has been obtained; or
(b) The officer can articulate that exigent circumstances exist. Exigency does not exist solely because of the short time period associated with the natural dissipation of alcohol in the person's blood stream. Exigency can be established by the existence of special facts such as a lengthy delay in obtaining a blood sample due to an accident investigation or medical treatment of the person.

514.6.2 FORCED BLOOD SAMPLE
If a person indicates by word or action that he/she will physically resist a blood draw, the officer should request a supervisor to respond.

The responding supervisor should:

(a) Evaluate whether using force to obtain a blood sample is appropriate under the circumstances.
(b) Ensure that all attempts to obtain a blood sample through force cease if the person agrees to, and completes a viable form of testing in a timely manner.
(c) Advise the person of his/her duty to provide a sample (even if this advisement was previously done by another officer) and attempt to persuade the person to submit to such a sample without physical resistance. This dialogue should be recorded on audio and/or video if practicable.
(d) Ensure that the withdrawal is taken in a medically approved manner.

(e) Ensure the forced withdrawal is recorded on audio and/or video when practicable.

(f) Monitor and ensure that the type and level of force applied is reasonable under the circumstances:

1. Unless otherwise provided in a warrant, force should generally be limited to handcuffing or similar restraint methods.

2. In misdemeanor cases, if the suspect becomes violent or more resistant, no additional force will be used and a refusal should be noted in the report.

3. In felony cases, force which reasonably appears necessary to overcome the resistance to the blood being withdrawn may be permitted.

(g) Ensure the use of force and methods used to accomplish the blood sample draw are documented in the related report.

If a supervisor is unavailable, officers are expected to use sound judgment and perform as a responding supervisor, as set forth above.

514.7 ARREST AND INVESTIGATION

514.7.1 WARRANTLESS ARREST

In addition to the arrest authority granted to officers pursuant to Penal Code § 836, an officer may make a warrantless arrest of a person that the officer has reasonable cause to believe has been driving under the influence of an alcoholic beverage or any drug, or under the combined influence of the same when (Vehicle Code § 40300.5):

(a) The person is involved in a traffic accident.

(b) The person is observed in or about a vehicle that is obstructing the roadway.

(c) The person will not be apprehended unless immediately arrested.

(d) The person may cause injury to him/herself or damage property unless immediately arrested.

(e) The person may destroy or conceal evidence of a crime unless immediately arrested.

514.7.2 STATUTORY WARNING

An officer requesting that a person submit to chemical testing shall provide the person with the mandatory warning pursuant to Vehicle Code § 23612(a)(1)(D) and Vehicle Code § 23612(a)(4).

514.7.3 PRELIMINARY ALCOHOL SCREENING

Officers may use a preliminary alcohol screening (PAS) test to assist in establishing reasonable cause to believe a person is DUI. The officer shall advise the person that the PAS test is being requested to assist in determining whether the person is under the influence of alcohol or drugs, or a combination of the two. Unless the person is under the age of 21, he/she shall be advised
that the PAS test is voluntary. The officer shall also advise the person that submitting to a PAS test does not satisfy his/her obligation to submit to a chemical test as otherwise required by law (Vehicle Code § 23612).

514.7.4 PRELIMINARY ALCOHOL SCREENING FOR MINORS
If an officer lawfully detains a person under 21 years of age who is driving a motor vehicle and the officer has reasonable cause to believe that the person has a blood alcohol content of 0.01 or more, the officer shall request that the person take a PAS test to determine the presence of alcohol in the person, if a PAS test device is immediately available. If a PAS test device is not immediately available, the officer may request the person to submit to chemical testing of his/her blood, breath or urine, conducted pursuant to Vehicle Code § 23612 (Vehicle Code § 13388).

If the person refuses to take or fails to complete the PAS test or other chemical test, or if the result of either test reveals a blood alcohol content of 0.01 or more, the officer shall proceed to serve the person with a notice of order of suspension pursuant to this policy (Vehicle Code § 13388).

514.7.5 OFFICER RESPONSIBILITIES
The officer serving the arrested person with a notice of an order of suspension shall immediately (Vehicle Code § 23612):

(a) Forward a copy of the completed notice of suspension or revocation form and any confiscated driver's license to the Department of Motor Vehicles (DMV).

(b) Forward a sworn report to DMV that contains the required information in Vehicle Code § 13380.

(c) Forward the results to the appropriate forensic laboratory if the person submitted to a blood or urine test.

514.8 RECORDS DIVISION RESPONSIBILITIES
The Records Supervisor will ensure that all case-related records are transmitted according to current records procedures and as required by the prosecuting attorney's office.

514.9 ADMINISTRATIVE HEARINGS
The supervisor will ensure that all appropriate reports and documents related to administrative license suspensions are reviewed and forwarded to DMV.

Any officers who receive notice of required attendance to an administrative license suspension hearing should promptly notify the prosecuting attorney.

Officers called to testify at an administrative hearing should document the hearing date and DMV file number in a supplemental report. Specific details of the hearing generally should not be included in the report unless errors, additional evidence or witnesses are identified. The Records Division should forward this to the prosecuting attorney as part of the case file.
514.10 TRAINING
The Administrative Sergeant should ensure that officers participating in the enforcement of DUI laws receive regular training. Training should include, at minimum, current laws on impaired driving, investigative techniques and rules of evidence pertaining to DUI investigations. The Administrative Sergeant should confer with the prosecuting attorney’s office and update training topics as needed.
Traffic Citations

516.1 PURPOSE AND SCOPE
This policy outlines the responsibility for traffic citations, the procedure for dismissal, correction, and voiding of traffic citations.

516.2 RESPONSIBILITIES
The Operations Division Commander shall be responsible for the development and design of all Department traffic citations in compliance with state law and the Judicial Council.

The Records Division shall be responsible for the supply and accounting of all traffic citations issued to employees of this department.

516.3 DISMISSAL OF TRAFFIC CITATIONS
Employees of this department do not have the authority to dismiss a citation once it has been issued. Only the court has the authority to dismiss a citation that has been issued (Vehicle Code § 40500(d)). Any request from a recipient to dismiss a citation shall be referred to the Operations Division Commander to recommend dismissal of the traffic citation. If approved, the citation will be forwarded to the appropriate court with a request for dismissal. All recipients of traffic citations whose request for the dismissal of a traffic citation has been denied shall be referred to the appropriate court.

Should an officer determine during a court proceeding that a traffic citation should be dismissed in the interest of justice or where prosecution is deemed inappropriate the officer may request the court to dismiss the citation. Upon dismissal of the traffic citation by the court, the officer shall notify his/her immediate supervisor of the circumstances surrounding the dismissal and shall complete any paperwork as directed or required. The citation dismissal shall then be forwarded to the Operations Division Commander for review.

516.4 VOIDING TRAFFIC CITATIONS
Voiding a traffic citation may occur when a traffic citation has not been completed or where it is completed, but not issued. All copies of the citation shall be presented to a supervisor to approve the voiding of the citation. The citation and copies shall then be forwarded to the Records Division.

516.5 CORRECTION OF TRAFFIC CITATIONS
When a traffic citation is issued and in need of correction, the officer issuing the citation shall submit the citation and a citation comment form to his/her immediate supervisor. The citation and comment form shall then be forwarded to the Records Division. The Records Division shall prepare a letter of correction to the court having jurisdiction and to the recipient of the citation.
516.6 DISPOSITION OF TRAFFIC CITATIONS
The court and file copies of all traffic citations issued by members of this department shall be forwarded to the employee’s immediate supervisor for review. The citation copies shall then be filed with the Records Division.

Upon separation from employment with the this department, all employees issued traffic citations books shall return any unused citations to the Records Division.

516.7 NOTICE OF PARKING VIOLATION APPEAL PROCEDURE
Disposition of notice of parking violation appeals is conducted pursuant to Vehicle Code § 40215.

516.7.1 APPEAL STAGES
Appeals may be pursued sequentially at three different levels:

(a) Administrative reviews are conducted by the Administrative Division Commander who will review written/documentary data. Requests for administrative reviews are available at the front desk of the Brawley Police Department. These requests are informal written statements outlining why the notice of parking violation should be dismissed. Copies of documentation relating to the notice of parking violation and the request for dismissal must be mailed to the current mailing address of the processing agency.

(b) If the appellant wishes to pursue the matter beyond administrative review, an administrative hearing may be conducted in person or by written application, at the election of the appellant. Independent referees review the existent administrative file, amendments, and/or testimonial material provided by the appellant and may conduct further investigation or follow-up on their own.

(c) If the appellant wishes to pursue the matter beyond an administrative hearing, a Superior Court review may be presented in person by the appellant after an application for review and designated filing fees have been paid to The Superior Court of California by the appellant.

516.7.2 TIME REQUIREMENTS
Administrative review or appearance before a hearing examiner will not be provided if the mandated time limits are not adhered to by the violator.

(a) Requests for an administrative review must be postmarked within 21 calendar days of issuance of the notice of parking violation, or within 14 calendar days of the mailing of the Notice of Delinquent Parking (Violation Vehicle Code § 40215(a)).

(b) Requests for administrative hearings must be made no later than 21 calendar days following the notification mailing of the results of the administrative review (Vehicle Code § 40215(b)).
Traffic Citations

(c) An administrative hearing shall be held within 90 calendar days following the receipt of a request for an administrative hearing, excluding time tolled pursuant to Vehicle Code § 40200 - 40225. The person requesting the hearing may request one continuance, not to exceed 21 calendar days (Vehicle Code § 40215).

(d) Registered owners of vehicles may transfer responsibility for the violation via timely affidavit of non-liability when the vehicle has been transferred, rented or under certain other circumstances (Vehicle Code § 40209 and Vehicle Code § 40210).

516.7.3 COSTS

(a) There is no cost for an administrative review.

(b) Appellants may seek administrative review of their parking citation prior to the payment due date. However, appellants must pay the full amount due, on or before the due date, or provide satisfactory proof of their inability to pay, even if an administrative review hearing is pending. The fine will be reimbursed to the appellant if appellant's liability is overruled by the Administrative hearing.

(c) An appeal through Superior Court requires prior payment of filing costs including applicable court charges and fees. These costs will be reimbursed to the appellant in addition to any previously paid fines if appellant's liability is overruled by the Superior Court.

516.8 JUVENILE CITATIONS

Completion of traffic citation forms for juveniles may vary slightly from the procedure for adults. The juvenile's age, place of residency, and the type of offense should be considered before issuing the juvenile a citation.
Disabled Vehicles

520.1 PURPOSE AND SCOPE
Vehicle Code § 20018 provides that all law enforcement agencies having responsibility for traffic enforcement may develop and adopt a written policy to provide assistance to motorists in disabled vehicles within their primary jurisdiction.

520.2 OFFICER RESPONSIBILITY
When an on-duty officer observes a disabled vehicle on the roadway, the officer should make a reasonable effort to provide assistance. If that officer is assigned to a call of higher priority, the dispatcher should be advised of the location of the disabled vehicle and the need for assistance. The dispatcher should then assign another available officer to respond for assistance as soon as practical.

520.3 EXTENT OF ASSISTANCE
In most cases, a disabled motorist will require assistance. After arrangements for assistance are made, continued involvement by department personnel will be contingent on the time of day, the location, the availability of departmental resources, and the vulnerability of the disabled motorist.

520.3.1 MECHANICAL REPAIRS
Department personnel shall not make mechanical repairs to a disabled vehicle. The use of push bumpers to relocate vehicles to a position of safety is not considered a mechanical repair.

520.4 PUBLIC ACCESS TO THIS POLICY
This written policy is available upon request.
120-Hour Parking Violations

524.1 PURPOSE AND SCOPE
This policy provides procedures for the marking, recording, and storage of vehicles parked in violation of the Brawley City Ordinance regulating 120-hour parking violations and abandoned vehicles under the authority of Vehicle Code §§ 22652.6 and 22669.

524.2 MARKING VEHICLES
Vehicles suspected of being in violation of the City of Brawley 120-Hour Parking Ordinance shall be marked and noted on a vehicle card in the 120-Hour Notice file located in the Communications Center and the Incident number shall be included on each vehicle card.

A visible chalk mark should be placed on the left rear tire tread at the fender level unless missing tires or other vehicle conditions prevent marking. Any deviation in markings shall be noted on the vehicle card in the 120-Hour Notice file. The investigating employee should make a good faith effort to notify the owner of any vehicle subject to towing prior to having the vehicle removed.

If a marked vehicle has been minimally moved or the markings have been removed during a 120-hour investigation period, the vehicle shall be marked again for the 120-hour parking violation and the Vehicle Card in the 120-Hour Notice file updated.

If a marked vehicle has been minimally moved a second time, or the markings have been removed during the second 120-Hour investigation period, and it is reasonable to infer that the owner is attempting to circumvent the intent of the ordinance, the officer shall contact the owner and advise them that the vehicle will be stored by the Department the following day if not removed from the street. Officers should provide 24-hours for the owner to comply with this final warning prior to storing the vehicle.

524.2.1 MARKED VEHICLE FILE
The Communications Division shall be responsible for maintaining a file for all 120-Hour Notice Marked Vehicle Cards.

The officer issuing the initial 120-Hour Parking Notice shall be responsible for the follow up investigation of all 120-hour parking violations noted on the Marked Vehicle Cards. This does not prohibit any Brawley Officer from assisting with the enforcement of this ordinance when the initiating officer requests assistance or it is obvious that a 120-Hour Notice of Violation has not been followed-up.

524.2.2 VEHICLE STORAGE
Any vehicle in violation shall be stored by the authorized towing service and a vehicle storage report (CHP form 180) shall be completed by the officer authorizing the storage of the vehicle.

The storage report form shall be submitted to the Communications Division immediately following the storage of the vehicle. It shall be the responsibility of the Communications Division to immediately notify the Stolen Vehicle System (SVS) of the Department of Justice in Sacramento.
(Vehicle Code § 22851.3(b)). Notification may also be made to the National Law Enforcement Telecommunications System (NLETS) (Vehicle Code § 22854.5).

Within 48 hours of the storage of any such vehicle, excluding weekends and holidays, it shall be the responsibility of the Communications Division to determine the names and addresses of any individuals having an interest in the vehicle through DMV or CLETS computers. Notice to all such individuals shall be sent first-class or certified mail pursuant to Vehicle Code § 22851.3(d).
Recreational Vehicle and Trailer Parking Violations

525.1 PURPOSE AND SCOPE
This policy provides procedures for the marking, recording, and storage of vehicles parked in violation of the Brawley City Ordinance regulating recreational vehicle and trailer parking violations under the authority of Vehicle Code §§ 22652.6 and 22669.

525.2 MARKING VEHICLES
Vehicles suspected of being in violation of the City of Brawley Recreational Vehicle Parking Ordinance shall be marked and noted on a vehicle card in the RV 12-Hour Notice file located in the Communications Center and the Incident number shall be noted on the vehicle card.

A visible chalk mark should be placed on the left rear tire tread at the fender level unless missing tires or other vehicle conditions prevent marking. Any deviation in markings shall be noted on the vehicle card in the RV 12-Hour Notice file. The investigating employee should make a good faith effort to notify the owner of any vehicle subject to towing prior to having the vehicle removed. This may be accomplished by personal contact, telephone or by leaving notice attached to the vehicle at least 12 hours prior to removal.

If a marked vehicle has been minimally moved or the markings have been removed during a 12-hour investigation period, the vehicle shall be marked again for the 12-hour parking violation and the Vehicle Card in the 12-Hour Notice file updated.

If a marked vehicle has been minimally moved a second time, or the marking have been removed during the second 12-Hour investigation period, and it is reasonable to infer that the owner is attempting to circumvent the intent of the ordinance, the officer shall contact the owner and advise them that the vehicle will be stored by the Department the following day if not removed from the street. Officers should provide 12-hours for the owner to comply with this final warning prior to storing the vehicle.

525.2.1 MARKED VEHICLE FILE
The Communications Division shall be responsible for maintaining a file for all RV 12-Hour Notice Marked Vehicle Cards.

The officer issuing the initial 12-Hour Parking Notice shall be responsible for the follow up investigation of all 12-hour parking violations noted on the Marked Vehicle Cards. This does not prohibit any Brawley Officer from assisting with the enforcement of this ordinance when the initiating officer requests assistance or it is obvious that a 12-Hour Notice of Violation has not been followed-up.

525.2.2 VEHICLE STORAGE
Any vehicle in violation shall be stored by the authorized towing service and a vehicle storage report (CHP form 180) shall be completed by the officer authorizing the storage of the vehicle.
Recreational Vehicle and Trailer Parking Violations

The storage report form shall be submitted to the Communications Division immediately following the storage of the vehicle. It shall be the responsibility of the Communications Division to immediately notify the Stolen Vehicle System (SVS) of the Department of Justice in Sacramento (Vehicle Code § 22851.3(b)). Notification may also be made to the National Law Enforcement Telecommunications System (NLETS) (Vehicle Code § 22854.5).

Within 48 hours of the storage of any such vehicle, excluding weekends and holidays, it shall be the responsibility of the Communications Division to determine the names and addresses of any individuals having an interest in the vehicle through DMV or CLETS computers. Notice to all such individuals shall be sent first-class or certified mail pursuant to Vehicle Code § 22851.3(d).
Chapter 6 - Investigation Operations
Investigation and Prosecution

600.1 PURPOSE AND SCOPE
When assigned to a case for initial or follow-up investigation, detectives shall proceed with due diligence in evaluating and preparing the case for appropriate clearance or presentation to a prosecutor for filing of criminal charges.

600.2 MODIFICATION OF CHARGES FILED
Employees are not authorized to recommend to the District Attorney, City Attorney, or to any other official of the court that charges on a pending case be altered or the case dismissed. In all cases resulting in court prosecution, any request to modify the charges filed or to recommend dismissal of charges in a pending case shall be made to the District Attorney's Office or City Attorney's Office only as authorized by a Division Commander or the Chief of Police.

600.3 CUSTODIAL INTERROGATION REQUIREMENTS
Any custodial interrogation of a person who is suspected of having committed any violent felony offense should be electronically recorded (audio/video or both as available) in its entirety as otherwise allowed by law. Regardless of where the interrogation occurs, every reasonable effort should be made to secure functional recording equipment to accomplish such recordings.

Officers should also consider electronically recording a custodial interrogation, or any investigative interview, for any other offense when the officer reasonably believes it would be appropriate and beneficial to the investigation and is otherwise allowed by law.

No recording of an interrogation should be destroyed or altered without written authorization from the District Attorney and the Detective Division supervisor. Copies of recorded interrogations or interviews may be made in the same or different format provided they are true, accurate and complete copies and are made only for authorized and legitimate law enforcement purposes.

Officers should not allow the recording to take the place of a thorough report and investigative interviews and should continue to obtain written statements from suspects when applicable.
Sexual Assault Investigations

602.1 PURPOSE AND SCOPE
The purpose of this policy is to establish guidelines for the investigation of sexual assaults. These guidelines will address some of the unique aspects of such cases and the effects that these crimes have on the victims.

Mandatory notifications requirements are addressed in the Child Abuse and Adult Abuse policies.

602.1.1 DEFINITIONS
Definitions related to this policy include:

Sexual assault - Any crime or attempted crime of a sexual nature, to include but not limited to offenses defined in Penal Code § 243.4, Penal Code § 261 et seq., and Penal Code § 285 et seq.

Sexual Assault Response Team (SART) - A multidisciplinary team generally comprised of advocates; law enforcement officers; forensic medical examiners, including sexual assault forensic examiners (SAFEs) or sexual assault nurse examiners (SANEs) if possible; forensic laboratory personnel; and prosecutors. The team is designed to coordinate a broad response to sexual assault victims.

602.2 REPORTING
In all reported or suspected cases of sexual assault, a report should be written and assigned for follow-up investigation. This includes incidents in which the allegations appear unfounded or unsubstantiated.

602.3 POLICY
It is the policy of the Brawley Police Department that its members, when responding to reports of sexual assaults, will strive to minimize the trauma experienced by the victims, and will aggressively investigate sexual assaults, pursue expeditious apprehension and conviction of perpetrators, and protect the safety of the victims and the community.

602.4 QUALIFIED INVESTIGATORS
Qualified investigators should be available for assignment of sexual assault investigations. These investigators should:

(a) Have specialized training in, and be familiar with, interview techniques and the medical and legal issues that are specific to sexual assault investigations.

(b) Conduct follow-up interviews and investigation.

(c) Present appropriate cases of alleged sexual assault to the prosecutor for review.

(d) Coordinate with other enforcement agencies, social service agencies and medical personnel as needed.

(e) Provide referrals to therapy services, victim advocates and support for the victim.
Sexual Assault Investigations

(f) Participate in or coordinate with SART.

602.5 VICTIM INTERVIEWS
The primary considerations in sexual assault investigations, which begin with the initial call to the Communications Center, should be the health and safety of the victim, the preservation of evidence, and preliminary interviews to determine if a crime has been committed and to attempt to identify the suspect.

Whenever possible, a member of SART should be included in the initial victim interviews. An in-depth follow-up interview should not be conducted until after the medical and forensic examinations are completed and the personal needs of the victim have been met (e.g., change of clothes, bathing). The follow-up interview may be delayed to the following day based upon the circumstances. Whenever practicable, the follow-up interview should be conducted by a qualified investigator.

No opinion of whether the case is unfounded shall be included in the report.

Victims shall not be asked or required to take a polygraph examination (34 USC § 10451; Penal Code § 637.4).

Victims should be apprised of applicable victim’s rights provisions, as outlined in the Victim and Witness Assistance Policy.

602.5.1 VICTIM CONFIDENTIALITY
Officers investigating or receiving a report of an alleged sex offense shall inform the victim, or the victim’s parent or guardian if the victim is a minor, that his/her name will become a matter of public record unless the victim requests that his/her name not be made public. The reporting officer shall document in his/her report that the victim was properly informed and shall include any related response made by the victim, or if a minor, any response made by the victim’s parent or guardian (Penal Code § 293).

Except as authorized by law, members of this [department/office] shall not publicly disclose the name of any victim of a sex crime who has exercised his/her right to confidentiality (Penal Code § 293).

602.5.2 VICTIM RIGHTS
Whenever there is an alleged sexual assault, the assigned officer shall accomplish the following:

(a) Advise the victim in writing of the right to have a victim advocate and a support person of the victim’s choosing present at any interview or contact by law enforcement, any other rights of a sexual assault victim pursuant to Penal Code § 680.2, and the right to have a person of the same or opposite gender present in the room during any interview with a law enforcement official unless no such person is reasonably available (Penal Code § 679.04).
Sexual Assault Investigations

(b) If the victim is transported to a hospital for any medical evidentiary or physical examination, the officer shall immediately cause the local rape victim counseling center to be notified (Penal Code § 264.2).

1. The officer shall not discourage a victim from receiving a medical evidentiary or physical examination (Penal Code § 679.04).

2. A support person may be excluded from the examination by the officer or the medical provider if his/her presence would be detrimental to the purpose of the examination (Penal Code § 264.2).

602.6 COLLECTION AND TESTING OF BIOLOGICAL EVIDENCE
Whenever possible, a SART member should be involved in the collection of forensic evidence from the victim.

When the facts of the case indicate that collection of biological evidence is warranted, it should be collected regardless of how much time has elapsed since the reported assault.

If a drug-facilitated sexual assault is suspected, urine and blood samples should be collected from the victim as soon as practicable.

Subject to requirements set forth in this policy, biological evidence from all sexual assault cases, including cases where the suspect is known by the victim, should be submitted for testing.

Victims who choose not to assist with an investigation, do not desire that the matter be investigated, or wish to remain anonymous may still consent to the collection of evidence under their control. In these circumstances, the evidence should be collected and stored appropriately.

602.6.1 COLLECTION AND TESTING REQUIREMENTS
Members investigating a sexual assault offense should take every reasonable step to ensure that DNA testing of such evidence is performed in a timely manner and within the time periods prescribed by Penal Code § 803(g). Generally, SAFE kits should be submitted to the crime lab within 20 days after being booked into evidence (Penal Code § 680).

In order to maximize the effectiveness of such testing and identify the perpetrator of any sexual assault, the assigned officer shall ensure that an information profile for the SAFE kit evidence has been created in the California Department of Justice (DOJ) SAFE-T database within 120 days of collection and should further ensure that the results of any such test have been timely entered into and checked against both the DOJ Cal-DNA database and the Combined DNA Index System (CODIS) (Penal Code § 680.3).

If the assigned officer determines that a SAFE kit submitted to a private laboratory for analysis has not been tested within 120 days after submission, the officer shall update the SAFE-T database to reflect the reason for the delay in testing. The assigned officer shall continue to update the status every 120 days thereafter until the evidence has been analyzed or the statute of limitations has run (Penal Code § 680.3).

If, for any reason, DNA evidence in a sexual assault case in which the identity of the perpetrator is in issue and is not going to be analyzed within 18 months of the crime, the assigned officer
Sexual Assault Investigations

shall notify the victim of such fact in writing no less than 60 days prior to the expiration of the 18-month period (Penal Code § 680(d)).

Additional guidance regarding evidence retention and destruction is found in the Property and Evidence Policy.

602.6.2 DNA TEST RESULTS
A SART member should be consulted regarding the best way to deliver biological testing results to a victim so as to minimize victim trauma, especially in cases where there has been a significant delay in getting biological testing results (e.g., delays in testing the evidence or delayed DNA databank hits). Members should make reasonable efforts to assist the victim by providing available information on local assistance programs and organizations as provided in the Victim and Witness Assistance Policy.

(a) Upon receipt of a written request from a sexual assault victim or the victim’s authorized designee, members investigating sexual assault cases shall inform the victim of the status of the DNA testing of any evidence from the victim’s case (Penal Code § 680).

1. Although such information may be communicated orally, the assigned officer should thereafter follow-up with and retain a copy of confirmation by either written or electronic mail.

2. Absent a written request, no member of this [department/office] is required to, but may, communicate with the victim or the victim’s authorized designee regarding the status of any DNA testing.

(b) Subject to the commitment of sufficient resources to respond to requests for information, sexual assault victims shall further have the following rights (Penal Code § 680):

1. To be informed if a DNA profile of the assailant was obtained from the testing of the SAFE kit or other crime scene evidence from their case.

2. To be informed if there is a match between the DNA profile of the assailant developed from the evidence and a DNA profile contained in the DOJ Convicted Offender DNA Database, providing that disclosure would not impede or compromise an ongoing investigation.

3. To be informed if the DNA profile of the assailant developed from the evidence has been entered into the DOJ Databank of case evidence.

(c) Provided that the sexual assault victim or the victim’s authorized designee has kept the assigned officer informed with regard to current address, telephone number, and email address (if available), any victim or the victim’s authorized designee shall, upon request, be advised of any known significant changes regarding the victim’s case (Penal Code § 680).

1. Although such information may be communicated orally, the assigned officer should thereafter follow-up with and retain a copy of confirmation by either written or electronic mail.
2. No officer shall be required or expected to release any information which might impede or compromise any ongoing investigation.

602.6.3 STANDARDIZED SEXUAL ASSAULT FORENSIC MEDICAL EVIDENCE KIT
The Property and Evidence Office supervisor should make California standardized sexual assault forensic medical evidence (SAFE) kits available to members who may investigate sexual assault cases. Members investigating a sexual assault should use these SAFE kits when appropriate and follow related usage guidelines issued by the California Clinical Forensic Medical Training Center (Penal Code § 13823.14).

602.7 DISPOSITION OF CASES
If the assigned investigator has reason to believe the case is without merit, the case may be classified as unfounded only upon review and approval of the Detective Division supervisor.

Classification of a sexual assault case as unfounded requires the Detective Division supervisor to determine that the facts have significant irregularities with reported information and that the incident could not have happened as it was reported. When a victim has recanted his/her original statement, there must be corroborating evidence that the allegations were false or baseless (i.e., no crime occurred) before the case should be determined as unfounded.

602.8 CASE REVIEW
The Detective Division supervisor should ensure case dispositions are reviewed on a periodic basis, at least annually, using an identified group that is independent of the investigation process. The reviews should include an analysis of:

- Case dispositions.
- Decisions to collect biological evidence.
- Submissions of biological evidence for lab testing.

The SART and/or victim advocates should be considered for involvement in this audit. Summary reports on these reviews should be forwarded through the chain of command to the Chief of Police.

602.9 TRAINING
Subject to available resources, periodic training will be provided to:

(a) Members who are first responders. Training should include:

1. Initial response to sexual assaults.
2. Legal issues.
3. Victim advocacy.
4. Victim’s response to trauma.
5. Proper use and handling of the California standardized SAFE kit (Penal Code § 13823.14).
Sexual Assault Investigations

(b) Qualified investigators who should receive advanced training on additional topics. Advanced training should include:
   1. Interviewing sexual assault victims.
   2. SART.
   3. Medical and legal aspects of sexual assault investigations.
   4. Serial crimes investigations.
   5. Use of community and other federal and state investigative resources, such as the Violent Criminal Apprehension Program (ViCAP).
   6. Techniques for communicating with victims to minimize trauma.
Confidential Informants

608.1 PURPOSE AND SCOPE
In many instances, a successful investigation cannot be conducted without the use of confidential informants. To protect the integrity of the Brawley Police Department and the officers using informants, it shall be the policy of this department to take appropriate precautions by developing sound informant policies.

608.2 INFORMANT FILE SYSTEM
The Investigations Sergeant or his/her designee shall be responsible for maintaining informant files. A separate file shall be maintained on each confidential informant.

608.2.1 FILE SYSTEM PROCEDURE
Each file shall be coded with an assigned informant control number. An informant history shall be prepared to correspond to each informant file and include the following information:

(a) Informant's name and/or aliases
(b) Date of birth
(c) Physical description: height, weight, hair color, eye color, race, sex, scars, tattoos or other distinguishing features
(d) Current home address and telephone numbers
(e) Current employer(s), position, address(es) and telephone numbers
(f) Vehicles owned and registration information
(g) Places frequented
(h) Informant's photograph
(i) Briefs of information provided by the informant and his or her subsequent reliability. If an informant is determined to be unreliable, the informant's file is marked as "Unreliable"
(j) Name of officer initiating use of the informant
(k) Signed informant agreement
(l) Update on active or inactive status of informant

The informant files shall be maintained in a secure area within the Investigations Division. These files shall be used to provide a source of background information about the informant, enable review and evaluation of information given by the informant, and minimize incidents that could be used to question the integrity of detectives or the reliability of the confidential informant.

Access to the informant files shall be restricted to the Chief of Police, a Division Commander, the Investigations Sergeant, or their designee.
Confidential Informants

608.3 USE OF INFORMANTS
Before using an individual as a confidential informant, an officer must receive approval from the Investigations Sergeant. The officer shall compile sufficient information through a background investigation in order to determine the reliability, credibility and suitability, of the individual, including age, maturity and risk of physical harm.

608.3.1 JUVENILE INFORMANTS
The use of juvenile informants under the age of 13-years is prohibited. Except as provided for in the enforcement of the Tobacco Enforcement Act, Business & Professions Code §§ 22950, et seq., the use of any juvenile informant between the ages of 13 and 18-years is only authorized by court order obtained pursuant to Penal Code § 701.5.

For purposes of this policy, a "juvenile informant" means any juvenile who participates, on behalf of this department, in a prearranged transaction or series of prearranged transactions with direct face-to-face contact with any party, when the juvenile's participation in the transaction is for the purpose of obtaining or attempting to obtain evidence of illegal activity by a third party and where the juvenile is participating in the transaction for the purpose of reducing or dismissing a pending juvenile petition against the juvenile.

608.4 GUIDELINES FOR HANDLING CONFIDENTIAL INFORMANTS
All confidential informants are required to sign and abide by the provisions of the departmental Informant Agreement. The officer using the confidential informant shall discuss each of the provisions of the agreement with the confidential informant.

Details of the agreement are to be approved in writing by the unit supervisor before being finalized with the confidential informant.

608.4.1 RELATIONSHIPS WITH CONFIDENTIAL INFORMANTS
No member of the Brawley Police Department shall knowingly maintain a social relationship with a confidential informant while off duty, or otherwise become intimately involved with a confidential informant. Members of the Brawley Police Department shall neither solicit nor accept gratuities nor engage in any private business transaction with a confidential informant.

To maintain officer/informant integrity, the following must be adhered to:

(a) Officers shall not withhold the identity of an informant from their superiors
(b) Identities of informants shall otherwise be kept confidential
(c) Criminal activity by informants shall not be condoned
(d) Informants shall be told they are not acting as police officers, employees or agents of the Brawley Police Department, and that they shall not represent themselves as such
(e) The relationship between officers and informants shall always be ethical and professional
Confidential Informants

(f) Social contact shall be avoided unless necessary to conduct an official investigation, and only with prior approval of the investigations supervisor.

(g) Officers shall not meet with informants of the opposite sex in a private place unless accompanied by at least one additional officer or with prior approval of the Investigations Sergeant. Officers may meet informants of the opposite sex alone in an occupied public place such as a restaurant. When contacting informants of either sex for the purpose of making payments officers shall arrange for the presence of another officer, whenever possible.

(h) In all instances when department funds are paid to informants, a voucher shall be completed in advance, itemizing the expenses.

608.5 NARCOTICS INFORMANT PAYMENT PROCEDURES
The potential payment of large sums of money to any confidential informant must be done in a manner respecting public opinion and scrutiny. Additionally, to maintain a good accounting of such funds requires a strict procedure for disbursements.

608.5.1 PAYMENT PROCEDURE
The amount of funds to be paid to any confidential informant will be evaluated against the following criteria:

• The extent of the informant's personal involvement in the case.
• The significance, value or effect on crime.
• The amount of assets seized.
• The quantity of the drugs seized.
• The informant's previous criminal activity.
• The level of risk taken by the informant.

The Investigations Sergeant will discuss the above factors with the Operations Division Commander and arrive at a recommended level of payment that will be subject to the approval of the Chief of Police. The amount of payment will be based on a percentage of the current market price for the drugs or other contraband being sought, not to exceed 15-percent.

608.5.2 CASH DISBURSEMENT POLICY
The following establishes a cash disbursement policy for confidential informants. No informant will be told in advance or given an exact amount or percentage for services rendered.

(a) When both assets and drugs have been seized, the confidential informant shall receive payment based upon overall value and the purchase price of the drugs seized not to exceed a maximum of $150,000.

(b) A confidential informant may receive a cash amount for each quantity of drugs seized whether or not assets are also seized, not to exceed a maximum of $30,000.
Confidential Informants

608.5.3 PAYMENT PROCESS
A check shall be requested, payable to the case agent. The case number shall be recorded
justifying the payment. The Chief of Police and the City Manager’s signatures are required for
disbursements over $500. Payments $500 and under may be paid in cash out of the Investigations
Unit Expense Fund. The Investigations Sergeant will be required to sign the voucher for amounts
under $500.

To complete the transaction with the confidential informant the case agent shall have the
confidential informant initial the cash transfer form. The confidential informant will sign the form
indicating the amount received, the date, and that the confidential informant is receiving funds in
payment for information voluntarily rendered in the case. The Brawley Police Department case
number shall be recorded on the cash transfer form. The form will be kept in the confidential
informant's file.

If the payment amount exceeds $500.00, a complete written statement of the confidential
informant’s involvement in the case shall be placed in the confidential informant's file. This
statement shall be signed by the confidential informant verifying the statement as a true summary
of his/her actions in the case(s).

Each confidential informant receiving a cash payment shall be informed of his or her responsibility
to report the cash to the Internal Revenue Service (IRS) as income.

608.5.4 REPORTING OF PAYMENTS
Each confidential informant receiving a cash payment shall be informed of his/her responsibility to
report the cash to the Internal Revenue Service (IRS) as income. If funds distributed exceed $600
in any reporting year, the confidential informant should be provided IRS Form 1099 (26 CFR §
1.6041-1). If such documentation or reporting may reveal the identity of the confidential informant
and by doing so jeopardize any investigation, the safety of peace officers or the safety of the
confidential informant (26 CFR § 1.6041-3), then IRS Form 1099 should not be issued.

In such cases, the confidential informant shall be provided a letter identifying the amount he/she must report on a tax return as "other income" and shall be required to provide a signed
acknowledgement of receipt of the letter. The completed acknowledgement form and a copy of
the letter shall be retained in the confidential informant's file.
Eyewitness Identification

610.1 PURPOSE AND SCOPE
This policy sets forth guidelines to be used when members of this [department/office] employ eyewitness identification techniques (Penal Code § 859.7).

610.1.1 DEFINITIONS
Definitions related to the policy include:

**Eyewitness identification process** - Any field identification, live lineup or photographic identification.

**Field identification** - A live presentation of a single individual to a witness following the commission of a criminal offense for the purpose of identifying or eliminating the person as the suspect.

**Live lineup** - A live presentation of individuals to a witness for the purpose of identifying or eliminating an individual as the suspect.

**Photographic lineup** - Presentation of photographs to a witness for the purpose of identifying or eliminating an individual as the suspect.

610.2 POLICY
The Brawley Police Department will strive to use eyewitness identification techniques, when appropriate, to enhance the investigative process and will emphasize identifying persons responsible for crime and exonerating the innocent.

610.3 INTERPRETIVE SERVICES
Members should make a reasonable effort to arrange for an interpreter before proceeding with eyewitness identification if communication with a witness is impeded due to language or hearing barriers.

Before the interpreter is permitted to discuss any matter with the witness, the investigating member should explain the identification process to the interpreter. Once it is determined that the interpreter comprehends the process and can explain it to the witness, the eyewitness identification may proceed as provided for within this policy.

610.4 EYEWITNESS IDENTIFICATION PROCESS AND FORM
The Detective Division supervisor shall be responsible for the development and maintenance of an eyewitness identification process for use by members when they are conducting eyewitness identifications.

The process should include appropriate forms or reports that provide (Penal Code § 859.7):

(a) The date, time and location of the eyewitness identification procedure.

(b) The name and identifying information of the witness.
Eyewitness Identification

(c) The name of the person administering the identification procedure.
(d) If applicable, the names of all of the individuals present during the identification procedure.
(e) An instruction to the witness that it is as important to exclude innocent persons as it is to identify a perpetrator.
(f) An instruction to the witness that the perpetrator may or may not be among those presented and that the witness is not obligated to make an identification.
(g) If the identification process is a photographic or live lineup, an instruction to the witness that the perpetrator may not appear exactly as he/she did on the date of the incident.
(h) An instruction to the witness that the investigation will continue regardless of whether an identification is made by the witness.
(i) A signature line where the witness acknowledges that he/she understands the identification procedures and instructions.
(j) A statement from the witness in the witness’s own words describing how certain he/she is of the identification or non-identification. This statement should be taken at the time of the identification procedure.
(k) Any other direction to meet the requirements of Penal Code § 859.7, including direction regarding blind or blinded administrations and filler selection.

The process and related forms should be reviewed at least annually and modified when necessary.

610.5 EYEWITNESS IDENTIFICATION
Members are cautioned not to, in any way, influence a witness as to whether any subject or photo presented in a lineup is in any way connected to the case.

Members should avoid mentioning that:

- The individual was apprehended near the crime scene.
- The evidence points to the individual as the suspect.
- Other witnesses have identified or failed to identify the individual as the suspect.

In order to avoid undue influence, witnesses should view suspects or a lineup individually and outside the presence of other witnesses. Witnesses should be instructed to avoid discussing details of the incident or of the identification process with other witnesses.

Whenever feasible, the eyewitness identification procedure should be audio and video recorded and the recording should be retained according to current evidence procedures (Penal Code § 859.7).

610.6 DOCUMENTATION
A thorough description of the eyewitness process and the result of any eyewitness identification should be documented in the case report.
Eyewitness Identification

If a photographic lineup is utilized, a copy of the photographic lineup presented to the witness should be included in the case report. In addition, the order in which the photographs were presented to the witness should be documented in the case report.

610.6.1 <B>DOCUMENTATION RELATED TO RECORDINGS</B>
The handling member shall document the reason that a video recording or any other recording of an identification was not obtained (Penal Code § 859.7).

610.6.2 <B>DOCUMENTATION RELATED TO BLIND ADMINISTRATION</B>
If a presentation of a lineup is not conducted using blind administration, the handling member shall document the reason (Penal Code § 859.7).

610.7 PHOTOGRAPHIC LINEUP AND LIVE LINEUP CONSIDERATIONS
When practicable, the member presenting the lineup should not be involved in the investigation of the case or know the identity of the suspect. In no case should the member presenting a lineup to a witness know which photograph or person in the lineup is being viewed by the witness (Penal Code § 859.7). Techniques to achieve this include randomly numbering photographs, shuffling folders, or using a computer program to order the persons in the lineup.

Individuals in the lineup should reasonably match the description of the perpetrator provided by the witness and should bear similar characteristics to avoid causing any person to unreasonably stand out. In cases involving multiple suspects, a separate lineup should be conducted for each suspect. The suspects should be placed in a different order within each lineup (Penal Code § 859.7).

The member presenting the lineup should do so sequentially (i.e., show the witness one person at a time) and not simultaneously. The witness should view all persons in the lineup.

A live lineup should only be used before criminal proceedings have been initiated against the suspect. If there is any question as to whether any criminal proceedings have begun, the investigating member should contact the appropriate prosecuting attorney before proceeding.

610.7.1 OTHER SAFEGUARDS
Witnesses should be asked for suspect descriptions as close in time to the incident as possible and before conducting an eyewitness identification. No information concerning a suspect should be given prior to obtaining a statement from the witness describing how certain he/she is of the identification or non-identification. Members should not say anything to a witness that that may validate or invalidate an eyewitness’ identification. In photographic lineups, writings or information concerning any previous arrest of a suspect shall not be visible to the witness (Penal Code § 859.7).

610.8 FIELD IDENTIFICATION CONSIDERATIONS
Field identifications, also known as field elimination show-ups or one-on-one identifications, may be helpful in certain cases, where exigent circumstances make it impracticable to conduct a photo or live lineup identifications. A field elimination show-up or one-on-one identification should not be
Eyewitness Identification

used when independent probable cause exists to arrest a suspect. In such cases a live or photo lineup is the preferred course of action if eyewitness identification is contemplated.

When initiating a field identification, the member should observe the following guidelines:

(a) Obtain a complete description of the suspect from the witness.

(b) Assess whether a witness should be included in a field identification process by considering:

1. The length of time the witness observed the suspect.
2. The distance between the witness and the suspect.
3. Whether the witness could view the suspect’s face.
4. The quality of the lighting when the suspect was observed by the witness.
5. Whether there were distracting noises or activity during the observation.
6. Any other circumstances affecting the witness’s opportunity to observe the suspect.
7. The length of time that has elapsed since the witness observed the suspect.

(c) If safe and practicable, the person who is the subject of the show-up should not be handcuffed or in a patrol vehicle.

(d) When feasible, members should bring the witness to the location of the subject of the show-up, rather than bring the subject of the show-up to the witness.

(e) The person who is the subject of the show-up should not be shown to the same witness more than once.

(f) In cases involving multiple suspects, witnesses should only be permitted to view the subjects of the show-up one at a time.

(g) The person who is the subject of the show-up should not be required to put on clothing worn by the suspect, to speak words uttered by the suspect or to perform other actions mimicking those of the suspect.

(h) If a witness positively identifies a subject of the show-up as the suspect, members should not conduct any further field identifications with other witnesses for that suspect. In such instances members should document the contact information for any additional witnesses for follow up, if necessary.
Brady Material Disclosure

612.1 PURPOSE AND SCOPE
This policy establishes guidelines for identifying and releasing potentially exculpatory or impeachment information (so-called "Brady information") to a prosecuting attorney.

612.1.1 DEFINITIONS
Definitions related to this policy include:

Brady information - Information known or possessed by the Brawley Police Department that is both favorable and material to the current prosecution or defense of a criminal defendant.

612.2 POLICY
The Brawley Police Department will conduct fair and impartial criminal investigations and will provide the prosecution with both incriminating and exculpatory evidence, as well as information that may adversely affect the credibility of a witness. In addition to reporting all evidence of guilt, the Brawley Police Department will assist the prosecution by complying with its obligation to disclose information that is both favorable and material to the defense. The Department will identify and disclose to the prosecution potentially exculpatory information, as provided in this policy.

612.3 DISCLOSURE OF INVESTIGATIVE INFORMATION
Officers must include in their investigative reports adequate investigative information and reference to all material evidence and facts that are reasonably believed to be either incriminating or exculpatory to any individual in the case. If an officer learns of potentially incriminating or exculpatory information any time after submission of a case, the officer or the handling investigator must prepare and submit a supplemental report documenting such information as soon as practicable. Supplemental reports shall be promptly processed and transmitted to the prosecutor's office.

If information is believed to be privileged or confidential (e.g., confidential informant or protected personnel files), the officer should discuss the matter with a supervisor and/or prosecutor to determine the appropriate manner in which to proceed.

Evidence or facts are considered material if there is a reasonable probability that they would affect the outcome of a criminal proceeding or trial. Determining whether evidence or facts are material often requires legal or even judicial review. If an officer is unsure whether evidence or facts are material, the officer should address the issue with a supervisor.

Supervisors who are uncertain about whether evidence or facts are material should address the issue in a written memo to an appropriate prosecutor. A copy of the memo should be retained in the Department case file.
612.4 DISCLOSURE OF PERSONNEL INFORMATION
Whenever it is determined that Brady information is located in the personnel file of a member of this department who is a material witness in a criminal case, the following procedure shall apply:

(a) In the event that a Pitchess motion has not already been filed by the criminal defendant or other party pursuant to Evidence Code § 1043, the prosecuting attorney shall be notified of the potential presence of Brady information in the officer's personnel file.

(b) The prosecuting attorney should then be requested to file a Pitchess motion in order to initiate an in camera review by the court.

(c) Any member who is the subject of such a motion shall be notified in writing that a motion has been filed.

(d) The Custodian of Records shall accompany all relevant files during any in camera inspection and address any issues or questions raised by the court in determining whether any information contained in the files is both material and favorable to the criminal defendant.

(e) If the court determines that there is relevant Brady information contained in the files, only that information ordered released will be copied and released to the parties filing the motion.

1. Prior to the release of any information pursuant to this process, the Custodian of Records should request a protective order from the court limiting the use of such information to the involved case and requiring the return of all copies upon completion of the case.

612.5 INVESTIGATING BRADY ISSUES
If the Department receives information from any source that a member may have issues of credibility, dishonesty or has been engaged in an act of moral turpitude or criminal conduct, the information shall be investigated and processed in accordance with the Personnel Complaints Policy.

612.6 TRAINING
Department members should receive periodic training on the requirements of this policy.
Chapter 7 - Equipment
Department Owned and Personal Property

700.1 PURPOSE AND SCOPE
Department employees are expected to properly care for department property assigned or entrusted to them. Employees may also suffer occasional loss or damage to personal or department property while performing their assigned duty. Certain procedures are required depending on the loss and ownership of the item.

700.2 CARE OF DEPARTMENTAL PROPERTY
Employees shall be responsible for the safekeeping, serviceable condition, proper care, use and replacement of department property assigned or entrusted to them. An employee’s intentional or negligent abuse or misuse of department property may lead to discipline including, but not limited to the cost of repair or replacement.

(a) Employees shall promptly report through their chain of command, any loss, damage to, or unserviceable condition of any department issued property or equipment assigned for their use.

(b) The use of damaged or unserviceable department property should be discontinued as soon as practical and replaced with comparable Department property as soon as available and following notice to a supervisor.

(c) Except when otherwise directed by competent authority or required by exigent circumstances, department property shall only be used by those to whom it was assigned. Use should be limited to official purposes and in the capacity for which it was designed.

(d) Department property shall not be thrown away, sold, traded, donated, destroyed, or otherwise disposed of without proper authority.

(e) In the event that any Department property becomes damaged or unserviceable, no employee shall attempt to repair the property without prior approval of a supervisor.

700.3 FILING CLAIMS FOR PERSONAL PROPERTY
Claims for reimbursement for damage or loss of personal property must be made on the proper form. This form is submitted to the employee’s immediate supervisor. The supervisor may require a separate written report of the loss or damage.

The supervisor shall direct a memo to the appropriate Division Commander, which shall include the results of his/her investigation and whether the employee followed proper procedures. The supervisor’s report shall address whether reasonable care was taken to prevent the loss or damage.
Department Owned and Personal Property

Upon review by staff and a finding that no misconduct or negligence was involved, repair or replacement may be recommended by the Chief of Police who will then forward the claim to the Finance Department.

The Department will not replace or repair luxurious or overly expensive items (jewelry, exotic equipment, etc.) that are not reasonably required as a part of work.

700.3.1 REPORTING REQUIREMENT
A verbal report shall be made to the employee’s immediate supervisor as soon as circumstances permit.

A written report shall be submitted before the employee goes off duty or within the time frame directed by the supervisor to whom the verbal report is made.

700.4 LOSS OR DAMAGE OF PROPERTY OF ANOTHER
Officers and other employees intentionally or unintentionally may cause damage to the real or personal property of another while performing their duties. Any employee who damages or causes to be damaged any real or personal property of another while performing any law enforcement functions, regardless of jurisdiction, shall report it as provided below.

(a) A verbal report shall be made to the employee’s immediate supervisor as soon as circumstances permit.

(b) A written report shall be submitted before the employee goes off duty or within the time frame directed by the supervisor to whom the verbal report is made.

700.4.1 DAMAGE BY PERSON OF ANOTHER AGENCY
If employees of another jurisdiction cause damage to real or personal property belonging to the City, it shall be the responsibility of the employee present or the employee responsible for the property to make a verbal report to his/her immediate supervisor as soon as circumstances permit. The employee shall submit a written report before going off duty or as otherwise directed by the supervisor.

These written reports, accompanied by the supervisor’s written report, shall promptly be forwarded to the appropriate Division Commander.
Personal Communication Devices

702.1 PURPOSE AND SCOPE
The purpose of this policy is to establish guidelines for the use of mobile telephones and communication devices, whether issued by the Department or personally owned, while on-duty or when used for authorized work-related purposes.

This policy generically refers to all such devices as Personal Communication Devices (PCD) but is intended to include all mobile telephones, personal digital assistants (PDA) and similar wireless two-way communications and/or portable Internet access devices. PCD use includes, but is not limited to, placing and receiving calls, text messaging, blogging and microblogging, e-mailing, using video or camera features, playing games and accessing sites or services on the Internet.

702.2 POLICY
The Brawley Police Department allows employees to utilize department-issued PCDs and to possess personally owned PCDs in the workplace, subject to certain limitations. Any PCD used while on-duty, or used off-duty in any manner reasonably related to the business of the Department, will be subject to monitoring and inspection consistent with the standards set forth in this policy.

The inappropriate use of a PCD while on-duty may impair officer safety. Additionally, employees are advised and cautioned that the use of a personally owned PCD either on-duty or after duty hours for business-related purposes may subject the employee and the employee's PCD records to civil or criminal discovery or disclosure under applicable public records laws.

Employees who have questions regarding the application of this policy or the guidelines contained herein are encouraged to seek clarification from supervisory personnel.

702.3 PRIVACY POLICY
Employees shall have no expectation of privacy with regard to any communication made with or stored in or through PCDs issued by the Department and shall have no expectation of privacy in their location should the device be equipped with location detection capabilities. The use of any department-provided or -funded PCD, computer, Internet service, telephone service or other wireless service while on-duty is without any expectation of privacy that the employee might otherwise have in any communication, including the content of any such communication. Communications or data reception on personal, password-protected, web-based e-mail accounts and any other services are subject to monitoring if department equipment is used.

In accordance with this policy, supervisors are authorized to conduct a limited administrative search of electronic files without prior notice, consent or a search warrant, on department-issued or personally owned PCDs that have been used to conduct department-related business. Administrative searches can take place for work-related purposes that may be unrelated to investigations of employee misconduct and, as practicable, will be done in the presence of the
affected employee. Prior to conducting any search of personally owned devices, supervisors shall consult with the Chief of Police. All such searches shall be fully documented in a written report.

702.4 DEPARTMENT-ISSUED PCD
Depending on an employee's assignment and the needs of the position, the Department may, at its discretion, issue a PCD. Department-issued PCDs are provided as a convenience to facilitate on-duty performance only. Such devices and the associated telephone number shall remain the sole property of the Department and shall be subject to inspection or monitoring (including all related records and content) at any time without notice and without cause.

Unless an employee is expressly authorized by the Chief of Police or the authorized designee for off-duty use of the PCD, the PCD will either be secured in the workplace at the completion of the tour of duty or will be turned off when leaving the workplace.

702.5 PERSONALLY OWNED PCD
Employees may carry a personally owned PCD while on-duty, subject to the following conditions and limitations:

(a) Carrying a personally owned PCD is a privilege, not a right.
(b) The Department accepts no responsibility for loss of or damage to a personally owned PCD.
(c) Employees shall promptly notify the Department in the event the PCD is lost or stolen.
(d) The PCD and any associated services shall be purchased, used and maintained solely at the employee’s expense.
(e) The device should not be used for work-related purposes except in exigent circumstances (e.g., unavailability of radio communications). Employees will have a reduced expectation of privacy when using a personally owned PCD in the workplace and have no expectation of privacy with regard to any department business-related communication.
(f) The device shall not be utilized to record or disclose any business-related information, including photographs, video or the recording or transmittal of any information or material obtained or made accessible as a result of employment with the Department, without the express authorization of the Chief of Police or the authorized designee.
(g) Use of a personally owned PCD constitutes consent for the Department to access the PCD to inspect and copy data to meet the needs of the Department, which may include litigation, public records retention and release obligations and internal investigations. If the PCD is carried on-duty, employees will provide the Department with all telephone access numbers for the device.

Except with prior express authorization from their supervisor, employees are not obligated or required to carry, access, monitor or respond to electronic communications using a personally
owned PCD while off-duty. If an employee is in an authorized status that allows for appropriate compensation consistent with policy or existing collective bargaining agreements, or if the employee has prior express authorization from his/her supervisor, the employee may engage in business-related communications. Should employees engage in such approved off-duty communications or work, employees entitled to compensation shall promptly document the time worked and communicate the information to their supervisor to ensure appropriate compensation. Employees who independently document off-duty department-related business activities in any manner shall promptly provide the Department with a copy of such records to ensure accurate record keeping.

702.6 USE OF PERSONAL COMMUNICATION DEVICES
The following protocols shall apply to all PCDs that are carried while on-duty or used to conduct department business:

(a) A PCD shall not be carried in a manner that allows it to be visible while in uniform, unless it is in an approved carrier.

(b) All PCDs in the workplace shall be set to silent or vibrate mode.

(c) A PCD may not be used to conduct personal business while on-duty, except for brief personal communications (e.g., informing family of extended hours). Employees shall endeavor to limit their use of PCDs to authorized break times, unless an emergency exists.

(d) Employees may use a PCD to communicate with other personnel in situations where the use of the radio is either impracticable or not feasible. PCDs should not be used as a substitute for, as a way to avoid or in lieu of regular radio communications.

(e) Officers are prohibited from taking pictures, video or making audio recordings or making copies of any such picture or recording media unless it is directly related to official department business. Disclosure of any such information to any third party through any means, without the express authorization of the Chief of Police or the authorized designee, may result in discipline.

(f) Employees will not access social networking sites for any purpose that is not official department business.

(g) Using PCDs to harass, threaten, coerce or otherwise engage in inappropriate conduct with any third party is prohibited. Any employee having knowledge of such conduct shall promptly notify a supervisor.

702.7 SUPERVISORY RESPONSIBILITIES
Supervisors should ensure that members under their command are provided appropriate training on the use of PCDs consistent with this policy. Supervisors should monitor, to the extent practicable, PCD use in the workplace and take prompt corrective action if an employee is
Personal Communication Devices

observed or reported to be improperly using a PCD. An investigation into improper conduct should be promptly initiated when circumstances warrant.

If, when carrying out any provision of this policy, the need to contact an employee who is off-duty arises, supervisors should consider delaying the contact, if practicable, until the employee is on-duty, as such contact may be compensable.

702.8 USE WHILE DRIVING
The use of a PCD while driving can adversely affect safety, cause unnecessary distractions and present a negative image to the public. Officers operating emergency vehicles should restrict the use of these devices to matters of an urgent nature and should, where practicable, stop the vehicle at an appropriate location to use the PCD.

Except in an emergency, employees who are operating non-emergency vehicles shall not use a PCD while driving unless the device is specifically designed and configured to allow hands-free use (Vehicle Code § 23123). Hands-free use should be restricted to business-related calls or calls of an urgent nature.

702.9 OFFICIAL USE
Employees are reminded that PCDs are not secure devices and conversations may be intercepted or overheard. Caution should be exercised while utilizing PCDs to ensure that sensitive information is not inadvertently transmitted. As soon as reasonably possible, employees shall conduct sensitive or private communications on a land-based or other department communications network.

The following situations are examples of when the use of a PCD may be appropriate:

(a) Barricaded suspects
(b) Hostage situations
(c) Mobile Command Post
(d) Catastrophic disasters, such as plane crashes, earthquakes, floods, etc.
(e) Major political or community events
(f) Investigative stakeouts
(g) Emergency contact with an allied agency or allied agency field unit
(h) When immediate communication is needed and the use of the radio is not available or appropriate and other means are not readily available
Vehicle Maintenance

704.1 PURPOSE AND SCOPE
Employees are responsible for assisting in maintaining Department vehicles so that they are properly equipped, properly maintained, properly refueled and present a clean appearance.

704.2 DEFECTIVE VEHICLES
When a department vehicle becomes inoperative or in need of repair that affects the safety of the vehicle, that vehicle shall be removed from service for repair. Proper documentation shall be promptly completed by the employee who first becomes aware of the defective condition, describing the correction needed. The paperwork shall be promptly forwarded to vehicle maintenance for repair.

704.3 VEHICLE EQUIPMENT
Certain items shall be maintained in all department vehicles for emergency purposes and to perform routine duties.

704.3.1 PATROL VEHICLES

704.4 VEHICLE REFUELING
Absent emergency conditions or supervisor approval, officers driving patrol vehicles shall not place a vehicle in service that has less than one-quarter tank of fuel. Vehicles shall only be refueled at the authorized location.

704.5 WASHING OF VEHICLES
All units shall be kept clean at all times and weather conditions permitting, shall be washed as necessary to enhance their appearance.

Employees shall ensure that department vehicles are cleaned by contract personnel and maintain a professional appearance. Officers requiring a vehicle to handle calls for service are authorized to temporarily use another unit while their assigned unit is being cleaned. If a Patrol Division Officer is required to temporarily change units he/she shall notify their supervisor and provide the communications center the number of the unit they will be temporarily using.

At the end of each shift, employees shall remove any trash or debris from their vehicle. Confidential material should be removed from the vehicle and properly secured, or shredded if no longer needed.

704.6 NON-SWORN EMPLOYEE USE
Non-sworn employees using marked vehicles shall ensure all weapons are removed from vehicles before going into service. Non-sworn employees shall also prominently display the "out of service" placards or lightbar covers at all times. Non-sworn employees shall not operate the emergency lights or siren of any vehicle unless expressly authorized by a supervisor.
Vehicle Use

706.1 PURPOSE AND SCOPE
This policy establishes a system of accountability to ensure City-owned vehicles are used appropriately. For the purposes of this policy, "City-owned" includes any vehicle owned, leased or rented by the City.

706.2 POLICY
The Department provides vehicles for official business use and may assign take-home vehicles based on its determination of operational efficiency, economic impact to the Department, tactical deployments and other considerations.

706.3 USE OF VEHICLES
City-owned vehicles shall only be used for official business and, when approved, for commuting to allow members to respond to department-related business outside their regular work hours.

Members shall not operate a City-owned vehicle at any time when impaired by drugs and/or alcohol.

Any member operating a vehicle equipped with a two-way communications radio, MDT and/or a GPS device shall ensure the devices are on and set to an audible volume whenever the vehicle is in operation.

706.3.1 SHIFT ASSIGNED VEHICLES
Members who use a fleet vehicle as part of their work assignment shall ensure that the vehicle is properly checked out and logged on the daily shift roster, according to current procedures, prior to taking it into service. If for any reason during the shift the vehicle is exchanged, the member shall ensure that the exchanged vehicle is likewise properly noted on the daily shift roster.

Members shall be responsible for inspecting the interior and exterior of any assigned vehicle before taking the vehicle into service and at the conclusion of the shift. Any previously unreported damage, mechanical problems, unauthorized contents or other problems with the vehicle shall be promptly reported to a supervisor and documented as appropriate.

706.3.2 UNSCHEDULED USE OF VEHICLES
Members utilizing a City-owned vehicle for any purpose other than their regularly assigned duties shall first notify the Watch Commander of the reason for use and a notation will be made on the shift roster indicating the operator's name and vehicle number. This section does not apply to members permanently assigned an individual vehicle (e.g., command staff, detectives), who regularly use the vehicle on an unscheduled basis as part of their normal assignment.

706.3.3 UNMARKED VEHICLES
Except for use by the assigned member, unmarked units shall not be used without first obtaining approval from the supervisor of the unit to which the vehicle is assigned.
Vehicle Use

706.3.4 INVESTIGATION DIVISION MAJOR VEHICLES
Investigation Division vehicle use is restricted to investigative personnel during their assigned work hours unless approved by an Investigation Division supervisor. Investigation Division members shall record vehicle usage via the sign-out log maintained in the Division. After-hours use of Investigation Division vehicles by members not assigned to the Investigation Division shall be recorded with the Watch Commander on the shift roster.

706.3.5 AUTHORIZED PASSENGERS
Members operating City-owned vehicles shall not permit persons other than City members or persons required to be conveyed in the performance of duty, or as otherwise authorized, to ride as a passenger in their vehicle.

706.3.6 PARKING
Except when responding to an emergency or other urgent official business requires otherwise, members driving City-owned vehicles should obey all parking regulations at all times.

City-owned vehicles should be parked in their assigned stalls. Members shall not park privately owned vehicles in any stall assigned to a City-owned vehicle or in any other areas of the parking lot that are not designated as a parking space unless authorized by a supervisor. Privately owned motorcycles shall be parked in designated areas.

706.3.7 INSPECTIONS
The interior of any vehicle that has been used to transport any person other than a member should be inspected prior to placing another person in the vehicle and again after the person is removed. This is to ensure that unauthorized or personal items have not been left in the vehicle.

When transporting any suspect, prisoner or arrestee, the transporting officer shall search all areas of the vehicle that are accessible by the person before and after the person is transported.

706.3.8 PRIVACY
All City-owned vehicles are subject to inspection and/or search at any time by a supervisor without notice and without cause. No member assigned to or operating such vehicle shall be entitled to any expectation of privacy with respect to the vehicle or its contents.

706.4 ASSIGNED VEHICLE AGREEMENT
Members who have been assigned a take-home vehicle may use the vehicle to commute to the workplace and for department-related business. The member must be approved for an assigned vehicle by his/her Division Commander and shall sign an agreement that includes the following criteria:

(a) The member must live within a 30-minute commute of his/her regularly assigned work location (based on average traffic flow). A longer response time may be permitted subject to Division Commander approval. Members who reside outside the permissible response time may be required to secure or garage the vehicle at a designated location or the central office at the discretion of the Division Commander.
Vehicle Use

(b) Except as may be provided by a memorandum of understanding time spent during normal commuting is not compensable.

(c) City-owned vehicles shall not be used for personal errands or other personal business unless approved by a supervisor for exceptional circumstances. The member may be required to maintain insurance covering any commuting or personal use.

(d) The member may be responsible for the care and maintenance of the vehicle. The Department should provide necessary care and maintenance supplies.

(e) The vehicle shall be parked in secure off-street parking when parked at the member’s residence.

(f) Vehicles shall be locked when not attended.

(g) If the vehicle is not secured inside a locked garage, all firearms and kinetic impact weapons shall be removed from the interior of the vehicle and properly secured in the residence (see the Firearms and Qualification Policy regarding safe storage of firearms at home).

(h) When the member will be away (e.g., on vacation) for periods exceeding one week the vehicle shall be stored in a secure garage at the member’s residence or at the appropriate department facility.

(i) All department identification, portable radios and equipment should be secured.

Members are cautioned that under federal and local tax rules, personal use of a City-owned vehicle may create an income tax liability to the member. Members should address questions regarding tax consequences to their tax adviser.

The assignment of vehicles is at the discretion of the Chief of Police. Assigned vehicles may be changed at any time and/or permission to take home a vehicle may be withdrawn at any time.

706.5 KEYS AND SECURITY

All uniformed field members approved to operate marked patrol vehicles should be issued a copy of the unit key as part of their initial equipment distribution upon hiring. Officers shall not duplicate keys.

Members assigned a permanent vehicle should be issued keys for their assigned vehicle.

The loss of any key shall be promptly reported in writing through the member’s chain of command.

706.6 ENFORCEMENT ACTIONS

When driving an assigned vehicle to and from work outside of the jurisdiction of the Brawley Police Department, an officer should avoid becoming directly involved in enforcement actions except in those circumstances where a potential threat to life or serious property damage exists (see the Off-Duty Law Enforcement Actions Policy and the Law Enforcement Authority Policy).

Officers may render public assistance (e.g., to a stranded motorist) when deemed prudent.
Vehicle Use

Officers shall, at all times while driving a marked City-owned vehicle, be armed, appropriately attired and carry their department-issued identification. Officers should also ensure that department radio communication capabilities are maintained to the extent feasible.

706.7 MAINTENANCE
Members are responsible for the cleanliness (exterior and interior) and overall maintenance of their assigned vehicles.

Members shall make daily inspections of their assigned vehicles for service/maintenance requirements and damage. It is the assigned member’s responsibility to ensure that his/her assigned vehicle is maintained according to the established service and maintenance schedule.

Supervisors shall make, at a minimum, monthly inspections of vehicles assigned to members under their command to ensure the vehicles are being maintained in accordance with policy.

706.7.1 ACCESSORIES AND/OR MODIFICATIONS
No modifications, additions or removal of any equipment or accessories shall be made to the vehicle without written permission from the Division Commander.

706.8 VEHICLE DAMAGE, ABUSE AND MISUSE
When a City-owned vehicle is involved in a traffic collision or otherwise incurs damage, the involved member shall promptly notify a supervisor. Any traffic collision report shall be filed with the agency having jurisdiction (see also Traffic Collision Reporting Policy).

When a collision involves a City vehicle or when a member of this department is an involved driver in a collision that occurs in this jurisdiction, and the collision results in serious injury or death, the supervisor should request that an outside law enforcement agency be summoned to investigate the collision.

The member involved in the collision shall complete the City’s vehicle collision form. If the member is unable to complete the form, the supervisor shall complete the form.

Any damage to a vehicle that was not caused by a traffic collision shall be immediately reported during the shift in which the damage was discovered, documented in memorandum format and forwarded to the Watch Commander. An administrative investigation should be initiated to determine if there is any vehicle abuse or misuse.

706.9 TOLL ROAD USAGE
Law enforcement vehicles are not routinely exempted from incurring toll road charges.

To avoid unnecessary toll road charges, all members operating a City-owned vehicle upon the toll road shall adhere to the following:

(a) All members operating a City-owned vehicle for any reason other than in response to an emergency shall pay the appropriate toll charge or utilize the appropriate toll way
Vehicle Use

transponder. Members may submit a request for reimbursement from the City for any toll fees incurred in the course of official business.

(b) All members passing through a toll plaza or booth during a response to an emergency shall notify, in writing, the appropriate Division Commander within five working days explaining the circumstances.
Chapter 8 - Support Services
Communication Operations

800.1 PURPOSE AND SCOPE
The basic function of the communications system is to satisfy the immediate information needs of the law enforcement agency in the course of its normal daily activities and during emergencies. The latter situation places the greatest demands upon the communications system and tests the capability of the system to fulfill its functions. Measures and standards of performance are necessary to assess the effectiveness with which any department, large or small, uses available information technology in fulfillment of its missions.

800.1.1 FCC COMPLIANCE
Brawley Police Department radio operations shall be conducted in accordance with Federal Communications Commission (FCC) procedures and guidelines.

800.2 COMMUNICATION OPERATIONS
This department provides 24-hour telephone service to the public for information or assistance that may be needed in emergencies. The ability of citizens to telephone quickly and easily for emergency service is critical. This department provides access to the 911 system for a single emergency telephone number. This department has two-way radio capability providing continuous communication between the Communications Center and officers.

800.2.1 COMMUNICATIONS LOG
It shall be the responsibility of the Communications Center to record all relevant information on calls for criminal and non-criminal service or self-initiated activity. Employees shall attempt to elicit as much information as possible to enhance the safety of the officer and assist in anticipating conditions to be encountered at the scene. Desirable information would include, at a minimum, the following:

- Incident number
- Date and time of request
- Name and address of complainant, if possible
- Type of incident reported
- Location of incident reported
- Identification of officer(s) assigned as primary and backup
- Time of dispatch
- Time of the officer’s arrival
- Time of officer’s return to service
- Disposition or status of reported incident
800.3 RADIO COMMUNICATIONS
Operations are more efficient and officer safety is enhanced when dispatchers, supervisors, and fellow officers know the status of officers, their locations and the nature of cases.

800.3.1 OFFICER IDENTIFICATION
Identification systems are based on factors such as beat assignment and officer identification numbers. Employees should use the entire call sign when initiating communication with the dispatcher. The use of the call sign allows for a brief pause so that the dispatcher can acknowledge the appropriate unit. Employees initiating communication with other agencies shall use their entire call sign. This requirement does not apply to continuing conversation between the mobile unit and dispatcher once the mobile unit has been properly identified.
Television Policy

801.1 PURPOSE AND SCOPE
This policy sets forth allowable parameters for commercial radio/music audio levels and the viewing of television within the Communications Center.

801.2 POLICY
The viewing of television or listening to commercial radio or recorded audio is permitted during working hours in accordance with the following:

(a) Television shall be restricted to news, weather, or other situational awareness channels only, during business hours.

(b) Television and commercial radio or recorded audio sound levels may not interfere with the receipt of a phone call, regardless of type of call or dispatch of resources, nor distract Communications Center personnel from performing the essential functions of their position.

(c) Use of Television, VCR, DVD players or any other multi-media input shall be restricted to a maximum rating of PG-13 or a lesser MPAA rating. Viewing of any media with an MPAA “R” or higher rating is expressly prohibited.

(d) Should any type of media be presented within the Communications Center that does not carry an MPAA rating and should that content be deemed offensive by any individual, it shall be reported immediately to the Supervisor; the Supervisor shall handle the violation in accordance with policy (§340).
Property and Evidence

802.1 PURPOSE AND SCOPE
This policy provides for the proper collection, storage, and security of evidence and other property. Additionally, this policy provides for the protection of the chain of evidence and those persons authorized to remove and/or destroy property.

802.2 DEFINITIONS
Property - Includes all items of evidence, items taken for safekeeping and found property.

Evidence - Includes items taken or recovered in the course of an investigation that may be used in the prosecution of a case. This includes photographs and latent fingerprints.

Safekeeping - Includes the following types of property:
- Property obtained by the Department for safekeeping such as a firearm
- Personal property of an arrestee not taken as evidence
- Property taken for safekeeping under authority of a law (e.g., Welfare and Institutions Code § 5150 (mentally ill persons))

Found property - Includes property found by an employee or citizen that has no apparent evidentiary value and where the owner cannot be readily identified or contacted.

802.3 PROPERTY HANDLING
Any employee who first comes into possession of any property, shall retain such property in his/her possession until it is properly tagged and placed in the designated property locker or storage area along with the property form. Care shall be taken to maintain the chain of custody for all evidence.

Secure temporary evidence lockers are available and may be utilized by employees with the prior approval of the Watch Commander. Employees securing any evidence, found property, or property taken for safekeeping in a temporary evidence locker must first obtain approval from the Watch Commander prior to placing the property into a temporary evidence locker. Upon receiving approval the employee shall retain custody and control of the temporary evidence locker key until the item(s) are removed and processed in accordance with this policy. All employees authorized to utilize the temporary evidence lockers shall remove and process the secured property prior to the end of their shift. While all property taken into custody by an employee should be processed immediately events may arise that require the officer temporarily secure the property to prevent damage, loss, or destruction, prior to having the ability to complete all required procedures.

Where ownership can be established as to found property with no apparent evidential value, such property may be released to the owner without the need for booking. The property form must be completed to document the release of property not booked and the owner shall sign the form acknowledging receipt of the item(s).
802.3.1 PROPERTY BOOKING PROCEDURE
All property must be booked prior to the employee going off-duty. Employees booking property shall observe the following guidelines:

(a) Complete the property form describing each item of property separately, listing all serial numbers, owner's name, finder's name, and other identifying information or markings.

(b) Mark each item of evidence with the booking employee's initials and the date booked using the appropriate method so as not to deface or damage the value of the property.

(c) Complete an evidence/property bag or tag, as determined by the size and type of evidence/property, and place the property in, or attach the tag to, each item, package or envelope in which the property is stored. All evidence/property bags shall be sealed and initialed prior to being placed into an evidence locker.

(d) Place the case number in the upper right hand corner of the bag.

(e) The original property form shall be submitted with the case report. A copy shall be placed with the property in the property locker or with the property if property is stored somewhere other than a property locker and a copy shall be placed in the property/evidence officer's in-box.

(f) When the property is too large to be placed in a locker, the item may be retained in the evidence storage area (old jail, or outside fenced area if appropriate). Submit the completed property record into a numbered locker and a second copy in the evidence/property officer's in-box indicating the location of the property.

(g) At no time should officers leave property in the hallway.

802.3.2 NARCOTICS AND DANGEROUS DRUGS
All narcotics and dangerous drugs shall be booked separately using a separate property record. Paraphernalia as defined by Health & Safety Code § 11364 shall also be booked separately.

The officer seizing the narcotics and dangerous drugs shall place them in a numbered evidence locker. An additional copy shall be placed in the evidence/property officer's in-box and the original shall remain in the case jacket.

802.3.3 EXPLOSIVES
Officers who encounter a suspected explosive device shall promptly notify their immediate supervisor or the Watch Commander. The bomb squad will be called to handle explosive-related incidents and will be responsible for the handling, storage, sampling and disposal of all suspected explosives.

Explosives will not be retained in the police facility. Only fireworks that are considered stable and safe and road flares or similar signaling devices may be booked into property. All such items shall be stored in proper containers and in an area designated for the storage of flammable materials.
Property and Evidence

The property and evidence technician is responsible for transporting to the Fire Department, on a regular basis, any fireworks or signaling devices that are not retained as evidence.

802.3.4 EXCEPTIONAL HANDLING
Certain property items require a separate process. The following items shall be processed in the described manner:

(a) Bodily fluids such as blood or semen stains shall be air dried prior to booking

(b) License plates found not to be stolen or connected with a known crime, should be released directly to the property and evidence technician, or placed in the designated container for return to the Department of Motor Vehicles. No formal property booking process is required

(c) All bicycles and bicycle frames require a property record. Property tags will be completed and securely attached to each bicycle or bicycle frame prior to the officers end of shift. The property may be released directly to the property and evidence technician, or placed in the bicycle storage area until a property and evidence technician can log the property

(d) All cash shall be counted in the presence of a second officer or supervisor and the envelope initialed by the booking officer and assisting officer or supervisor. The Watch Commander shall be contacted for cash in excess of $1,000

City property, unless connected to a known criminal case, should be released directly to the appropriate City department. No formal booking is required. In cases where no responsible person can be located, the property should be booked as found property or for safekeeping in the normal manner.

802.4 PACKAGING OF PROPERTY
Certain items require special consideration and shall be booked separately as follows:

(a) Narcotics and dangerous drugs

(b) Firearms (ensure they are unloaded and booked separately from ammunition)

(c) Property with more than one known owner

(d) Paraphernalia as described in Health and Safety Code § 11364

(e) Fireworks

(f) Contraband

802.4.1 PACKAGING CONTAINER
Employees shall package all property, except narcotics and dangerous drugs in a suitable container available for its size. Knives should be safely secured, and syringe tubes should be used to package syringes and needles.
A property bag shall be completely and accurately filled out, the property placed inside and sealed, and the bag initialed by the officer at the seal; or, if the size of the property does not permit the use of sealable property bags, a property tag shall be securely attached to the outside of all items or group of items packaged together.

802.4.2 PACKAGING NARCOTICS
The officer seizing narcotics and dangerous drugs shall retain such property in their possession until it is properly weighed, packaged, tagged, and placed in an evidence locker, accompanied by the property record. Prior to packaging and if the quantity allows, a presumptive test should be made on all suspected narcotics. If conducted, the results of this test shall be included in the officer's report.

A temporary evidence locker may be authorized in accordance with §804.3 of this policy.

Narcotics and dangerous drugs shall be packaged in a sealable evidence/property bag or an envelope of appropriate size. The booking officer shall initial the sealed evidence bag with evidence tape. If the booking officer uses an envelope the booking officer shall apply evidence tape to the envelope and initial the sealed envelope. Narcotics and dangerous drugs shall not be packaged with other property.

When the evidence/property container being used does not contain a preprinted-printed area where the officer can document the necessary case information and chain-of-custody, a completed property tag shall be attached to the outside of the container. The chain of evidence shall be recorded on the back of this tag.

802.5 RECORDING OF PROPERTY
The property and evidence technician receiving custody of evidence or property shall record his/her signature, the date and time the property was received and where the property will be stored in the computer data base.

A property number shall be obtained for each item or group of items. This number shall be recorded on property tag.

Any changes in the location of property held by the Brawley Police Department shall be noted in the computer data base.

802.6 PROPERTY CONTROL
Each time the property and evidence technician receives property or releases property to another person, he/she shall diligently retain the chain-of-evidence and enter this information in the computer data base. Officers desiring property for court shall contact the property and evidence technician at least one day prior to the court day.
802.6.1 RESPONSIBILITY OF OTHER PERSONNEL
Every time property is released or received, an appropriate entry on the evidence package shall be completed to maintain the chain of evidence. No property or evidence is to be released without authorization from the investigative officer or supervisor.

Request for analysis for items other than narcotics or drugs shall be completed and submitted to the property and evidence technician. This request may be submitted any time after booking of the property or evidence.

802.6.2 TRANSFER OF EVIDENCE TO CRIME LABORATORY
The transporting employee will check the evidence out of property, indicating the date and time on the property control card and the request for laboratory analysis.

The property and evidence technician releasing the evidence must complete the required information on the property control card, the evidence, and in the computer data base. The lab forms will be transported with the property to the examining laboratory. Upon delivering the item involved, the officer will record the delivery time on both copies, and indicate the locker in which the item was placed or the employee to whom it was delivered. The original copy of the lab form will remain with the evidence and the copy will be returned to the property / evidence technician for filing with the case.

802.6.3 STATUS OF PROPERTY
Each person receiving property will make the appropriate entry to document the chain of evidence. Temporary release of property to officers for investigative purposes, or for court, shall be noted on the property control card, stating the date, time and to whom released.

The property and evidence technician shall obtain the signature of the person to whom property is released, and the reason for release. Any employee receiving property shall be responsible for such property until it is properly returned to property or properly released to another authorized person or entity.

The return of the property should be recorded on the property control card, indicating date, time, and the person who returned the property.

802.6.4 AUTHORITY TO RELEASE PROPERTY
The Operations Division Commander, or his designee, in coordination and cooperation with Property/Evidence personnel shall authorize the disposition or release of all evidence and property coming into the care and custody of the Department.

The Operations Division Commander is ultimately responsible for the disposition and release of all evidence and property.

802.6.5 RELEASE OF PROPERTY
All reasonable attempts shall be made to identify the rightful owner of found property or evidence not needed for an investigation.
Release of property shall be made upon receipt of an authorized release form, listing the name and address of the person to whom the property is to be released. The release authorization shall be signed by the authorizing supervisor or detective and must conform to the items listed on the property form or must specify the specific item(s) to be released. Release of all property shall be documented on the property form.

With the exception of firearms and other property specifically regulated by statute, found property and property held for safekeeping shall be held for a minimum of 90 days. During such period, property personnel shall attempt to contact the rightful owner by telephone and/or mail when sufficient identifying information is available. Property not held for any other purpose and not claimed within 90 days after notification (or receipt, if notification is not feasible) may be auctioned to the highest bidder at a properly published public auction. If such property is not sold at auction or otherwise lawfully claimed, it may thereafter be destroyed (Civil Code § 2080.6). The final disposition of all such property shall be fully documented in related reports.

A property and evidence technician shall release the property upon proper identification being presented by the owner for which an authorized release has been received. A signature of the person receiving the property shall be recorded on the original property form. After release of all property entered on the property control card, the card shall be forwarded to the Records Division for filing with the case. If some items of property have not been released the property card will remain with the Property and Evidence Office. Upon release, the proper entry shall be documented in the Property Log.

Under no circumstances shall any firearm be returned to any individual unless and until such person presents valid identification and written notification from the California Department of Justice that conforms to the provisions of Penal Code § 12021.3(e).

The Property and Evidence Office Supervisor should also make reasonable efforts to determine whether the person is the subject of any court order preventing the person from possessing a firearm and if so, the firearm should not be released to the person while the order is in effect.

The Department is not required to retain any firearm or other deadly weapon longer than 180 days after notice has been provided to the owner that such firearm or other deadly weapon is available for return. At the expiration of such period, the firearm or other deadly weapon may be processed for disposal in accordance with applicable law (Penal Code § 33875).

802.6.6 DISPUTED CLAIMS TO PROPERTY
Occasionally more than one party may claim an interest in property being held by the Department, and the legal rights of the parties cannot be clearly established. Such property shall not be released until one party has obtained a valid court order or other undisputed right to the involved property.

All parties should be advised that their claims are civil and in extreme situations, legal counsel for the Department may wish to file an interpleader to resolve the disputed claim (Code of Civil Procedure § 386(b)).
802.6.7 CONTROL OF NARCOTICS AND DANGEROUS DRUGS
The Evidence Officer will be responsible for the control, and destruction of all narcotics and dangerous drugs coming into the custody of this department, including paraphernalia as described in Health & Safety Code § 11364.

802.7 DISPOSITION OF PROPERTY
All property not held for evidence in a pending criminal investigation or proceeding, and held for six months or longer where the owner has not been located or fails to claim the property, may be disposed of in compliance with existing laws upon receipt of proper authorization for disposal. The property and evidence technician shall obtain a disposition or status on all property which has been held in excess of 120 days, and for which no disposition has been received. The Investigations Division Sergeant shall review the property list and approve the final disposition.

A firearm shall be retained for a period of not less than 180 days after the owner of the firearm has been notified by the Department that the firearm has been made available for return. An unclaimed firearm may be disposed of after the 180-day period has expired. Firearms classified as "found" or "safekeeping" shall be retained for a period of not less than 90-days if the owner is not known.

The Evidence Clerk will be responsible for initiating the disposition of property. The Evidence Clerk shall request a disposition or status on all property, which has been held in excess of 120 days, and for which no disposition has been received from a supervisor or detective.

The Evidence Clerk will forward a Property/Evidence Disposition form and a photocopy of the Property/Evidence Report form to the Detective assigned to the corresponding case. The Detective will review the case and indicate what property can be returned, destroyed, or retained using the guidelines listed herein, and in conjunction with direction from the Imperial County District Attorney’s Office, through which case disposition and verification authorization shall be granted for property release or destruction.

The Detective will forward the forms to the Detective Sergeant who will review the Detective's recommendations and either approve or reject the disposition. When determining if property can be returned, destroyed, or retained and there is not a strong basis for deciding either way, the decision should be to retain the property, acting on the side of caution rather than destroying/releasing property that should have been retained.

The following are guidelines for the release of property and evidence:

(a) Arrest Report with Case Adjudicated: The Imperial County District Attorney’s office indicates the property may be released or destroyed or documentation in the report indicates all arrestees have had their arrest adjudicated through the courts. Documentation may include, but not be limited to a JUS 8715 or JUS 8716 form, court printout, or disposition recorded on a DOJ criminal history printout.

(b) Arrest Report with No Charges Filed: Documentation in the report indicates the report was reviewed by the District Attorney, no charges were filed, and the statute of limitations (see below) has expired.
(c) Non-Arrest Report with No Charges Filed: Documentation in the report indicates the report was reviewed by the District Attorney, no charges were filed, and the statute of limitations (see below) has expired.

(d) Inactive Case: Documentation in the report indicates there was insufficient information for the District Attorney review or any further action, the case was otherwise inactive, or the case was referred to another agency, and the statute of limitations (see below) has expired.

(e) Adjudicated by Other Agency: Documentation with the police report indicates a warrant has issued, and arrest was made, and the arrest was adjudicated through the courts due to the other agency's arrest.

(f) Audio / Video Recordings: Video/Audio data generated by the Department via Mobile-in-Car Cameras, the Department's phone recording system, Officer worn recording systems, etc... will be retained for a minimum of 366 days and their destruction shall be approved by City Council Resolution in accordance with the Department's annual records destruction procedure. Exceptions to the 366 day retention may apply in specific circumstances as defined in Government Code Section(s) 26202.3, 34090.6 and 34090.7, which define "routine monitoring."

1. In the event that any audio/video recording(s) are deemed evidence in any investigation, that audio/video evidence shall be made a part of the investigation and retained pursuant to this policy and any applicable statute of limitations.

Statutes of Limitations:

- **Misdemeanor:** One year from the date of offense

- **Felony:** Three years from the date of offense or actual statute of limitations, which may be more than three years.

- **Exceptions:** The following offenses have no statute of limitations, or a statute of limitations beyond seven years, or may be subject to appeal due to DNA evidence, or may otherwise require evidence to be retained:
  - Murder, attempt murder, manslaughter
  - Sex crimes

- Narcotics (Health and Safety Code § 11474, etc.)
- Unclaimed, stolen or embezzled property (Penal Code § 1411)
- Destructive devices (Penal Code § 19000)

802.7.2 UNCLAIMED MONEY
If found or seized money is no longer required as evidence and remains unclaimed after three years, the Department shall cause a notice to be published each week for a period of two consecutive weeks in a local newspaper of general circulation (Government Code § 50050). Such notice shall state the amount of money, the fund in which it is held and that the money will become the property of the agency on a designated date not less than 45 days and not more than 60 days after the first publication (Government Code § 50051).

Any individual item with a value of less than $15.00, or any amount if the depositor/owner's name is unknown, which remains unclaimed for a year or by order of the court, may be transferred to the general fund without the necessity of public notice (Government Code § 50055).

If the money remains unclaimed as of the date designated in the published notice, the money will become the property of this department to fund official law enforcement operations. Money representing restitution collected on behalf of victims shall either be deposited into the Restitution Fund or used for purposes of victim services.

802.7.3 RETENTION OF BIOLOGICAL EVIDENCE
The Property and Evidence Office Supervisor shall ensure that no biological evidence held by the Department is destroyed without adequate notification to the following persons, when applicable:

(a) The defendant
(b) The defendant's attorney
Biological evidence shall be retained for a minimum period established by law (Penal Code § 1417.9), the Property and Evidence Office Supervisor or the expiration of any sentence imposed related to the evidence, whichever time period is greater. Following the retention period, notifications should be made by certified mail and should inform the recipient that the evidence will be destroyed after a date specified in the notice unless a motion seeking an order to retain the sample is filed and served on the Department within 90 days of the date of the notification. A record of all certified mail receipts shall be retained in the appropriate file. Any objection to, or motion regarding, the destruction of the biological evidence should be retained in the appropriate file and a copy forwarded to the Investigation Division supervisor.

Biological evidence related to a homicide shall be retained indefinitely and may only be destroyed with the written approval of the Chief of Police and the head of the applicable prosecutor’s office.

Biological evidence from an unsolved sexual assault should not be disposed of prior to expiration of the statute of limitations. Even after expiration of an applicable statute of limitations, the Investigation Division supervisor should be consulted and the sexual assault victim should be notified.

802.8 INSPECTIONS OF THE EVIDENCE ROOM

(a) On a monthly basis, the supervisor of the evidence custodian shall make an inspection of the evidence storage facilities and practices to ensure adherence to appropriate policies and procedures.

(b) Unannounced inspections of evidence storage areas shall be conducted annually as directed by the Chief of Police.

(c) An annual audit of evidence held by the Department shall be conducted by a Division Commander (as appointed by the Chief of Police) not routinely or directly connected with evidence control.

(d) Whenever a change is made in personnel who have access to the evidence room, an inventory of all evidence/property shall be made by an individual not associated to the property room or function to ensure that records are correct and all evidence property is accounted for.

(b) Scheduling and maintaining Records Division time records.

(c) Supervising, training, and evaluating Records Division staff.

(d) Maintaining and updating a Records Division procedure manual.

(e) Ensuring compliance with established policies and procedures.

(f) Supervising the access, use, and release of protected information (see the Protected Information Policy).

The responsibilities of the Records Division include but are not limited to:

(a) Maintaining a records management system for case reports.

1. The records management system should include a process for numbering, identifying, tracking, and retrieving case reports.

(b) Entering case report information into the records management system.
1. Modification of case reports shall only be made when authorized by a supervisor.

(c) Providing members of the [Department/Office] with access to case reports when needed for investigation or court proceedings.

(d) Maintaining compliance with federal, state, and local regulations regarding reporting requirements of crime statistics. This includes reporting statistical data to the California Department of Justice (DOJ) for:

1. All officer-involved shootings and incidents involving use of force resulting in serious bodily injury (Government Code § 12525.2).
2. Suspected hate crimes (Penal Code § 13023).

Records Division

(e) Managing a warrant and wanted persons file.

804.4 DETERMINATION OF FACTUAL INNOCENCE
In any case where a person has been arrested by officers of the Brawley Police Department and no accusatory pleading has been filed, the person arrested may petition the [Department/Office] to destroy the related arrest records. Petitions should be forwarded to the Administrative Services Supervisor. The Administrative Services Supervisor should promptly contact the prosecuting attorney and request a written opinion as to whether the petitioner is factually innocent of the charges (Penal Code § 851.8). Factual innocence means the accused person did not commit the crime.

Upon receipt of a written opinion from the prosecuting attorney affirming factual innocence, the Administrative Services Supervisor should forward the petition to the Detective Division Supervisor and the City Attorney for review. After such review and consultation with the City Attorney, the Detective Division Supervisor and the Administrative Services Supervisor shall decide whether a finding of factual innocence is appropriate.

Upon determination that a finding of factual innocence is appropriate, the Administrative Services Supervisor shall ensure that the arrest record and petition are sealed for later destruction and the required notifications are made to the California DOJ and other law enforcement agencies (Penal Code § 851.8).

The Administrative Services Supervisor should respond to a petition with the [Department/Office]’s decision within 45 days of receipt. Responses should include only the decision of the [Department/Office], not an explanation of the analysis leading to the decision.

804.5 FILE ACCESS AND SECURITY
The security of files in the Records Division must be a high priority and shall be maintained as mandated by state or federal law. All case reports including but not limited to initial, supplemental, follow-up, evidence, and any other reports related to a police [department/office] case, including field interview (FI) cards, criminal history records, and publicly accessible logs, shall be maintained in a secure area within the Records Division, accessible only by authorized members of the Records Division. Access to case reports or files when Records Division staff is not available may be obtained through the Watch Commander.

The Records Division will also maintain a secure file for case reports deemed by the Chief of Police as sensitive or otherwise requiring extraordinary access restrictions.

804.6 ORIGINAL CASE REPORTS
Generally, original case reports shall not be removed from the Records Division. Should an original case report be needed for any reason, the requesting [department/office] member shall first obtain authorization from the Records Supervisor. All original case reports removed from the Records Division shall be recorded on a designated report check-out log, which shall be the only authorized manner by which an original case report may be removed from the Records Division.
All original case reports to be removed from the Records Division shall be photocopied and the photocopy retained in the file location of the original case report until the original is returned to the Records Division. The photocopied report shall be shredded upon return of the original report to the file.

804.7 CONFIDENTIALITY
Records Division staff has access to information that may be confidential or sensitive in nature. Records Division staff shall not access, view, or distribute, or allow anyone else to access, view, or distribute any record, file, or report, whether in hard copy or electronic file format, or any other confidential, protected, or sensitive information except in accordance with the Records Maintenance and Release and Protected Information policies and the Records Division procedure manual.

804.8 ARREST WITHOUT FILING OF ACCUSATORY PLEADING
The Operations Division Commander should ensure a process is in place for when an individual is arrested and released and no accusatory pleading is filed so that the following occurs (Penal Code § 849.5; Penal Code § 851.6):

(a) The individual is issued a certificate describing the action as a detention.
(b) All references to an arrest are deleted from the arrest records of the [Department/Office] and the record reflects only a detention.
(c) The California DOJ is notified.
Restoration of Firearm Serial Numbers

806.1 PURPOSE AND SCOPE
The primary purpose for restoring firearm serial numbers is to determine the prior owners or origin of the item from which the number has been recovered. Thus, property can be returned to rightful owners or investigations can be initiated to curb illegal trade of contraband firearms. The purpose of this plan is to develop standards, methodologies, and safety protocols for the recovery of obliterated serial numbers from firearms and other objects using procedures that are accepted as industry standards in the forensic community. All personnel who are involved in the restoration of serial numbers will observe the following guidelines. This policy complies with Penal Code § 11108.9.

806.2 PROCEDURE
Any firearm coming into the possession of the Brawley Police Department as evidence, found property, etc., where the serial numbers have been removed or obliterated will be processed in the following manner:

806.2.1 PRELIMINARY FIREARM EXAMINATION
(a) Always keep the muzzle pointed in a safe direction. Be sure the firearm is in an unloaded condition. This includes removal of the ammunition source (e.g., the detachable magazine, contents of the tubular magazine) as well as the chamber contents.

(b) If the firearm is corroded shut or in a condition that would preclude inspection of the chamber contents, treat the firearm as if it is loaded. Make immediate arrangements for a firearms examiner or other qualified examiner to render the firearm safe.

(c) Accurately record/document the condition of the gun when received. Note the positions of the various components such as the safeties, cylinder, magazine, slide, hammer, etc. Accurately record/document cylinder chamber and magazine contents. Package the ammunition separately.

(d) If the firearm is to be processed for fingerprints or trace evidence, process before the serial number restoration is attempted. First record/document important aspects such as halos on the revolver cylinder face or other relevant evidence that might be obscured by the fingerprinting chemicals.

806.2.2 PROPERTY BOOKING PROCEDURE
Any employee taking possession of a firearm with removed/obliterated serial numbers shall book the firearm into property following standard procedures. The employee booking the firearm shall indicate on the property form that serial numbers have been removed or obliterated.
806.2.3 OFFICER RESPONSIBILITY
The property and evidence technician receiving a firearm when the serial numbers have been
removed or obliterated shall arrange for the firearm to be transported to the crime lab for restoration
and maintain the chain of evidence.

806.2.4 DOCUMENTATION
Case reports are prepared in order to document the chain of custody and the initial examination
and handling of evidence from the time it is received/collected until it is released.

This report must include a record of the manner in which and/or from whom the firearm was
received. This may appear on the request form or property form depending on the type of evidence.

806.2.5 FIREARM TRACE
After the serial number has been restored (or partially restored) by the crime laboratory, the
property and evidence technician will complete a Bureau of Alcohol, Tobacco, Firearms and
Explosives (ATF) National Tracing Center (NTC) Obliterated Serial Number Trace Request Form
(ATF 3312.1-OBL) and forward the form to the NTC in Falling Waters, West Virginia or enter the
data into the ATF eTrace system.

After the information obtained from the crime laboratory has been submitted to the NTC, The
Property / Evidence technician shall forward the information to the Communications center where
dispatch personnel shall enter the information into the appropriate data bases; e.g., "Crime Gun
Database", "Automated Firearms System" (AFS), etc...

806.3 BULLET AND CASING IDENTIFICATION
Exemplar bullets and cartridge cases from the firearm, depending upon acceptance criteria
and protocol, may be submitted to the Bureau of Alcohol, Tobacco, Firearms and Explosives
(ATF) National Integrated Ballistic Information Network (NIBIN) which uses the Integrated Ballistic
Identification System (IBIS) technology to search the national database and compare with ballistic
evidence recovered from other crime scenes.
Records Maintenance and Release

808.1 PURPOSE AND SCOPE
This policy provides guidance on the maintenance and release of [department/office] records. Protected information is separately covered in the Protected Information Policy.

808.2 POLICY
The Brawley Police Department is committed to providing public access to records in a manner that is consistent with the California Public Records Act (Government Code § 6250 et seq.).

808.3 CUSTODIAN OF RECORDS RESPONSIBILITIES
The Chief of Police shall designate a Custodian of Records. The responsibilities of the Custodian of Records include but are not limited to:

(a) Managing the records management system for the [Department/Office], including the retention, archiving, release, and destruction of [department/office] public records.

(b) Maintaining and updating the [department/office] records retention schedule including:
   1. Identifying the minimum length of time the [Department/Office] must keep records.
   2. Identifying the [department/office] division responsible for the original record.

(c) Establishing rules regarding the inspection and copying of [department/office] public records as reasonably necessary for the protection of such records.

(d) Identifying records or portions of records that are confidential under state or federal law and not open for inspection or copying.

(e) Establishing rules regarding the processing of subpoenas for the production of records.

(f) Ensuring a current schedule of fees for public records as allowed by law is available (Government Code § 6253).

(g) Determining how the [department/office]’s website may be used to post public records in accordance with Government Code § 6253.

(h) Ensuring that all [department/office] current standards, policies, practices, operating procedures, and education and training materials are posted on the [department/office] website in accordance with Penal Code § 13650.

(i) Ensuring that public records posted on the [Department/Office] website meet the requirements of Government Code § 6253.10 including but not limited to posting in an open format where a record may be retrieved, downloaded, indexed, and searched by a commonly used internet search application.

(j) Ensuring that a list and description, when applicable, of enterprise systems (as defined by Government Code § 6270.5) is publicly available upon request and posted in a prominent location on the [Department/Office]’s website.
808.4 PROCESSING REQUESTS FOR PUBLIC RECORDS
Any [department/office] member who receives a request for any record shall route the request to the Custodian of Records or the authorized designee.

808.4.1 REQUESTS FOR RECORDS
Any member of the public, including the media and elected officials, may access unrestricted records of this [department/office], during regular business hours by submitting a written and signed request that reasonably describes each record sought and paying any associated fees (Government Code § 6253).

The processing of requests for any record is subject to the following (Government Code § 6253):

(a) The [Department/Office] is not required to create records that do not exist.

(b) Victims of an incident or their authorized representative shall not be required to show proof of legal presence in the United States to obtain [department/office] records or information. If identification is required, a current driver’s license or identification card issued by any state in the United States, a current passport issued by the United States or a foreign government with which the United States has a diplomatic relationship or current Matricula Consular card is acceptable (Government Code § 6254.30).

(c) Either the requested record or the reason for non-disclosure will be provided promptly, but no later than 10 days from the date of request, unless unusual circumstances preclude doing so. If more time is needed, an extension of up to 14 additional days may be authorized by the Custodian of Records or the authorized designee. If an extension is authorized, the [Department/Office] shall provide the requester written notice that includes the reason for the extension and the anticipated date of the response.

1. When the request does not reasonably describe the records sought, the Custodian of Records shall assist the requester in making the request focused and effective in a way to identify the records or information that would be responsive to the request including providing assistance for overcoming any practical basis for denying access to the records or information. The Custodian of Records shall also assist in describing the information technology and physical location in which the record exists (Government Code § 6253.1).

2. If the record requested is available on the [department/office] website, the requester may be directed to the location on the website where the record is posted. If the requester is unable to access or reproduce the record, a copy of the record shall be promptly provided.

(d) Upon request, a record shall be provided in an electronic format utilized by the [Department/Office]. Records shall not be provided only in electronic format unless specifically requested (Government Code § 6253.9).

(e) When a record contains material with release restrictions and material that is not subject to release restrictions, the restricted material shall be redacted and the unrestricted material released.

1. A copy of the redacted release should be maintained in the case file for proof of what was actually released and as a place to document the reasons for the
redactions. If the record is audio or video, a copy of the redacted audio/video release should be maintained in the [department/office]-approved media storage system and a notation should be made in the case file to document the release and the reasons for the redacted portions.

(f) If a record request is denied in whole or part, the requester shall be provided a written response that includes the statutory exemption for withholding the record or facts that the public interest served by nondisclosure outweighs the interest served by disclosure (Government Code § 6255). The written response shall also include the names, titles or positions of each person responsible for the denial.

808.5 RELEASE RESTRICTIONS
Examples of release restrictions include:

(a) Personal identifying information, including an individual’s photograph; Social Security and driver identification numbers; name, address, and telephone number; and medical or disability information that is contained in any driver license record, motor vehicle record, or any [department/office] record including traffic collision reports, are restricted except as authorized by the [Department/Office], and only when such use or disclosure is permitted or required by law to carry out a legitimate law enforcement purpose (18 USC § 2721; 18 USC § 2722).

   1. Victims of certain offenses (e.g., domestic violence, sexual assault, stalking, human trafficking, adult abuse) or their representatives shall be provided, upon request and without charge, one copy of all incident report face sheets, one copy of all incident reports, or both, pursuant to the requirements and time frames of Family Code § 6228.
2. Victims of sexual assault, upon written request, shall be provided a free copy of the initial crime report regardless of whether the report has been closed. Personal identifying information may be redacted (Penal Code § 680.2(b)).

(e) Video or audio recordings created during the commission or investigation of the crime of rape, incest, sexual assault, domestic violence, or child abuse that depicts the face, intimate body part, or voice of a victim of the incident except as provided by Government Code § 6254.4.5.

This includes analysis and conclusions of investigating officers (Evidence Code § 1041; Government Code § 6254).

1. Absent a statutory exemption to the contrary or other lawful reason to deem information from reports confidential, information from unrestricted agency reports shall be made public as outlined in Government Code § 6254(f).

(g) Local criminal history information including but not limited to arrest history and disposition, and fingerprints shall only be subject to release to those agencies and individuals set forth in Penal Code § 13300.

1. All requests from criminal defendants and their authorized representatives (including attorneys) shall be referred to the District Attorney, City Attorney, or the courts pursuant to Penal Code § 1054.5.

(j) Information contained in applications for licenses to carry firearms or other files that indicates when or where the applicant is vulnerable or which contains medical or psychological information (Government Code § 6254).

(k) Traffic collision reports (and related supplemental reports) shall be considered confidential and subject to release only to the California Highway Patrol, Department of Motor Vehicles (DMV), other law enforcement agencies, and those individuals and their authorized representatives set forth in Vehicle Code § 20012.

(q) Information connected with juvenile court proceedings or the detention or custody of a juvenile. Federal officials may be required to obtain a court order to obtain certain juvenile information (Welfare and Institutions Code § 827.9; Welfare and Institutions Code § 831).

808.6 SUBPOENAS AND DISCOVERY REQUESTS
Any member who receives a subpoena duces tecum or discovery request for records should promptly contact a supervisor and the Custodian of Records for review and processing. While a subpoena duces tecum may ultimately be subject to compliance, it is not an order from the court that will automatically require the release of the requested information.

Generally, discovery requests and subpoenas from criminal defendants and their authorized representatives (including attorneys) should be referred to the District Attorney, City Attorney or the courts.

All questions regarding compliance with any subpoena duces tecum or discovery request should be promptly referred to legal counsel for the [Department/Office] so that a timely response can be prepared.

808.7 DOCUMENTATION OF RELEASED RECORDS
Any and all information released in accordance with this policy shall be properly documented in the Brawley Police Department Computer database by Records Division Personnel, and shall minimally include:

• Date and time of request.
• Name of requesting party or parties.

Each audio/video recording released should include the [department/office] name and to whom the record was released.

808.9 SEALLED RECORD ORDERS
Sealed record orders received by the [Department/Office] shall be reviewed for appropriate action by the Custodian of Records. The Custodian of Records shall seal such records as ordered by the court. Records may include but are not limited to a record of arrest, investigation, detention, or conviction. Once the record is sealed, members shall respond to any inquiry as though the record did not exist (Penal Code § 851.8; Welfare and Institutions Code § 781).

When an arrest record is sealed pursuant to Penal Code § 851.87, Penal Code § 851.90, Penal Code § 851.91, Penal Code § 1000.4, or Penal Code § 1001.9, the Records Supervisor shall ensure that the required notations on local summary criminal history information and police investigative reports are made. Sealed records may be disclosed or used as authorized by Penal Code § 851.92.

808.10 SECURITY BREACHES
The Records Supervisor shall ensure notice is given anytime there is a reasonable belief an unauthorized person has acquired either unencrypted personal identifying information or encrypted personal information along with the encryption key or security credential stored in any [Department/Office] information system (Civil Code § 1798.29).

Notice shall be given as soon as reasonably practicable to all individuals whose information may have been acquired. The notification may be delayed if the [Department/Office] determines that notification will impede a criminal investigation or any measures necessary to determine the scope of the breach and restore the reasonable integrity of the data system.

For the purposes of this requirement, personal identifying information includes an individual’s first name or first initial and last name in combination with any one or more of the following:

- Social Security number
- Driver license number, California identification card number, tax identification number, passport number, military identification number, or other unique identification number issued on a government document commonly used to verify the identity of a specific individual
- Account number or credit or debit card number, in combination with any required security code, access code or password that would permit access to an individual’s financial account

- Information or data collected by Automated License Plate Reader (ALPR) technology
• Unique biometric data

(a) The notice shall be written in plain language, be consistent with the format provided in Civil Code § 1798.29 and include, to the extent possible, the following:

1. The date of the notice.
2. Name and contact information for the Brawley Police Department.
3. A list of the types of personal information that were or are reasonably believed to have been acquired.
4. The estimated date or date range within which the security breach occurred.
5. Whether the notification was delayed as a result of a law enforcement investigation.
6. A general description of the security breach.
7. The toll-free telephone numbers and addresses of the major credit reporting agencies, if the breach exposed a Social Security number or a driver license or California identification card number.

(b) The notice may also include information about what the Brawley Police Department has done to protect individuals whose information has been breached and may include information on steps that the person whose information has been breached may take to protect him/herself (Civil Code § 1798.29).

(c) When a breach involves an online account, and only a username or email address in combination with either a password or security question and answer that would permit access to an online account, and no other personal information has been breached (Civil Code § 1798.29):

1. Notification may be provided electronically or in another form directing the person to promptly change either his/her password or security question and answer, as applicable, or to take other appropriate steps to protect the online account with the [Department/Office] in addition to any other online accounts for which the person uses the same username or email address and password or security question and answer.
2. When the breach involves an email address that was furnished by the Brawley Police Department, notification of the breach should not be sent to that email address but should instead be made by another appropriate medium as prescribed by Civil Code § 1798.29.

808.10.2 MANNER OF NOTICE

(a) Notice may be provided by one of the following methods (Civil Code § 1798.29):

1. Written notice.
2. Electronic notice if the notice provided is consistent with the provisions regarding electronic records and signatures set forth in 15 USC § 7001.
3. Substitute notice if the cost of providing notice would exceed $250,000, the number of individuals exceeds 500,000 or the [Department/Office] does not have sufficient contact information. Substitute notice shall consist of all of the following:
   (a) Email notice when the [Department/Office] has an email address for the subject person.
   (b) Conspicuous posting of the notice on the [department/office]'s webpage for a minimum of 30 days.

4. Notification to major statewide media and the California Information Security Office within the California Department of Technology.
   (b) If a single breach requires the [Department/Office] to notify more than 500 California residents, the [Department/Office] shall electronically submit a sample copy of the notification, excluding any personally identifiable information, to the Attorney General.

808.11 RELEASE OF AUDIO OR VIDEO RECORDINGS RELATED TO CRITICAL INCIDENTS
Video and audio recordings related to critical incidents shall be released upon a proper public record request and subject to delayed release, redaction, and other release restrictions as provided by law (Government Code § 6254(f)(4)).

For purposes of this section, a video or audio recording relates to a critical incident if it depicts an incident involving the discharge of a firearm at a person by an officer, or in which the use of force by an officer against a person resulted in death or in great bodily injury (as defined by Penal Code § 243(f)(4)) (Government Code § 6254(f)(4)).

The Custodian of Records should work as appropriate with the Chief of Police or the Professional Standards Unit supervisor in determining what recordings may qualify for disclosure when a request for a recording is received and if the requested recording is subject to delay from disclosure, redaction, or other release restrictions.

808.11.1 RECORDINGS WITHHELD FROM PUBLIC DISCLOSURE
If the reasonable expectation of privacy of a person depicted in the recording cannot adequately be protected through redaction, and that interest outweighs the public interest in disclosure, the [Department/Office] may withhold the recording from the public, except that the recording, either redacted or unredacted, shall be disclosed promptly, upon request, to any of the following (Government Code § 6254(f)(4)):
   (a) The person in the recording whose privacy is to be protected, or his/her authorized representative.
   (b) If the person is a minor, the parent or legal guardian of the person whose privacy is to be protected.
   (c) If the person whose privacy is to be protected is deceased, an heir, beneficiary, designated immediate family member, or authorized legal representative of the deceased person whose privacy is to be protected.
Records Maintenance and Release

If the [Department/Office] determines that this disclosure would substantially interfere with an active criminal or administrative investigation, the Custodian of Records shall provide the requester with written notice of the specific basis for the determination and the estimated date of disclosure (Government Code § 6254(f)(4)).

The [Department/Office] may continue to delay release of the recording from the public for 45 days with extensions as provided in this policy (Government Code § 6254(f)(4)(A)).

808.11.2 REDACTION
If the Custodian of Records, in consultation with the Chief of Police or authorized designee, determines that specific portions of the recording may violate the reasonable expectation of privacy of a person depicted in the recording, the [Department/Office] should use redaction technology to redact portions of recordings made available for release. The redaction should not interfere with the viewer's ability to fully, completely, and accurately comprehend the events captured in the recording, and the recording should not otherwise be edited or altered (Government Code § 6254(f)(4)).

If any portions of a recording are withheld to protect the reasonable expectation of privacy of a person depicted in the recording, the Custodian of Records shall provide in writing to the requester the specific basis for the expectation of privacy and the public interest served (Government Code § 6254(f)(4)).

808.11.3 NOTICE OF DELAY OF RELEASE
When there is justification to delay disclosure of a recording, the Custodian of Records shall provide written notice to the requester as follows (Government Code § 6254(f)(4)):

(a) During the initial 45 days, the Custodian of Records shall provide the requester with written notice of the specific basis for the determination that disclosure would substantially interfere with the investigation. The notice shall also include the estimated date for the disclosure.

(b) When delay is continued after the initial 45 days, the Custodian of Records shall promptly provide the requester with written notice of the specific basis for the determination that the interest in preventing interference with an active investigation outweighs the public interest in the disclosure, and the estimated date for the disclosure. The Custodian of Records should work with the Chief of Police in reassessing the decision to continue withholding a recording and notify the requester every 30 days.

Recordings withheld shall be disclosed promptly when the specific basis for withholding the recording is resolved.

808.11.4 DELAY OF RELEASE
Disclosure of critical incident recordings during active criminal or administrative investigations may be delayed as follows if disclosure would substantially interfere with the investigation, such as by endangering the safety of a witness or a confidential source:
(a) Disclosure may be delayed up to 45 days from the date the [Department/Office] knew or reasonably should have known about the incident.

(b) Delay of disclosure may continue after the initial 45 days and up to one year if the [Department/Office] demonstrates that disclosure would substantially interfere with the investigation.

The Administrative Services will ensure that he/she makes the appropriate applications and notifications to the California Department of Justice regarding the Department's Custodian of Criminal Record appointments, per the requirements of Penal Code § 11102.2.

Employees who obtain, or attempt to obtain, information from the department files other than that to which they are entitled in accordance with their official duties is a violation of Policy Manual § 340.3.7(a).
Computers and Digital Evidence

812.1 PURPOSE AND SCOPE
This policy establishes procedures for the seizure and storage of computers, personal communications devices (PCDs) digital cameras, digital recorders and other electronic devices that are capable of storing digital information; and for the preservation and storage of digital evidence. All evidence seized and/or processed pursuant to this policy shall be done so in compliance with clearly established Fourth Amendment and search and seizure provisions.

812.2 SEIZING COMPUTERS AND RELATED EVIDENCE
Computer equipment requires specialized training and handling to preserve its value as evidence. Officers should be aware of the potential to destroy information through careless or improper handling, and utilize the most knowledgeable available resources. When seizing a computer and accessories the following steps should be taken:

(a) Photograph each item, front and back, specifically including cable connections to other items. Look for a phone line or cable to a modem for Internet access.

(b) Do not overlook the possibility of the presence of physical evidence on and around the hardware relevant to the particular investigation such as fingerprints, biological or trace evidence, and/or documents.

(c) If the computer is off, do not turn it on.

(d) If the computer is on, do not shut it down normally and do not click on anything or examine any files.
   1. Photograph the screen, if possible, and note any programs or windows that appear to be open and running.
   2. Disconnect the power cable from the back of the computer box or if a portable notebook style, disconnect any power cable from the case and remove the battery).

(e) Label each item with case number, evidence sheet number, and item number.

(f) Handle and transport the computer and storage media (e.g., tape, discs, memory cards, flash memory, external drives) with care so that potential evidence is not lost.

(g) Lodge all computer items in the Property Room. Do not store computers where normal room temperature and humidity is not maintained.

(h) At minimum, officers should document the following in related reports:
   1. Where the computer was located and whether or not it was in operation.
   2. Who was using it at the time.
   3. Who claimed ownership.
4. If it can be determined, how it was being used.

(i) In most cases when a computer is involved in criminal acts and is in the possession of the suspect, the computer itself and all storage devices (hard drives, tape drives, and disk drives) should be seized along with all media. Accessories (printers, monitors, mouse, scanner, keyboard, cables, software and manuals) should not be seized unless as a precursor to forfeiture.

812.2.1 BUSINESS OR NETWORKED COMPUTERS
If the computer belongs to a business or is part of a network, it may not be feasible to seize the entire computer. Cases involving networks require specialized handling. Officers should contact a certified forensic computer examiner for instructions or a response to the scene. It may be possible to perform an on-site inspection, or to image the hard drive only of the involved computer. This should only be done by someone specifically trained in processing computers for evidence.

812.2.2 FORENSIC EXAMINATION OF COMPUTERS
If an examination of the contents of the computer's hard drive, or floppy disks, compact discs, or any other storage media is required, forward the following items to a computer forensic examiner:

(a) Copy of report(s) involving the computer, including the Evidence/Property sheet.

(b) Copy of a consent to search form signed by the computer owner or the person in possession of the computer, or a copy of a search warrant authorizing the search of the computer hard drive for evidence relating to investigation.

(c) A listing of the items to search for (e.g., photographs, financial records, e-mail, documents).

(d) An exact duplicate of the hard drive or disk will be made using a forensic computer and a forensic software program by someone trained in the examination of computer storage devices for evidence.

812.3 SEIZING DIGITAL STORAGE MEDIA
Digital storage media including hard drives, floppy discs, CD's, DVD's, tapes, memory cards, or flash memory devices should be seized and stored in a manner that will protect them from damage.

(a) If the media has a write-protection tab or switch, it should be activated.

(b) Do not review, access or open digital files prior to submission. If the information is needed for immediate investigation request the Property and Evidence Office to copy the contents to an appropriate form of storage media.

(c) Many kinds of storage media can be erased or damaged by magnetic fields. Keep all media away from magnetic devices, electric motors, radio transmitters or other sources of magnetic fields.
Computers and Digital Evidence

(d) Do not leave storage media where they would be subject to excessive heat such as in a parked vehicle on a hot day.

(e) Use plastic cases designed to protect the media, or other protective packaging, to prevent damage.

812.4 SEIZING PCDS
Personal communication devices such as cell phones, PDAs or other hand-held devices connected to any communication network must be handled with care to preserve evidence that may be on the device including messages, stored data and/or images.

(a) Officers should not attempt to access, review or search the contents of such devices prior to examination by a forensic expert. Unsent messages can be lost, data can be inadvertently deleted and incoming messages can override stored messages.

(b) Do not turn the device on or off. The device should be placed in a solid metal container such as a paint can or in a faraday bag, to prevent the device from sending or receiving information from its host network.

(c) When seizing the devices, also seize the charging units and keep them plugged in to the chargers until they can be examined. If the batteries go dead all the data may be lost.

812.5 DIGITAL EVIDENCE RECORDED BY OFFICERS
Officers handling and submitting recorded and digitally stored evidence from digital cameras and audio or video recorders will comply with these procedures to ensure the integrity and admissibility of such evidence.

812.5.1 COLLECTION OF DIGITAL EVIDENCE
Once evidence is recorded it shall not be erased, deleted or altered in any way prior to submission. All photographs taken will be preserved regardless of quality, composition or relevance. Video and audio files will not be altered in any way.

812.5.2 SUBMISSION OF DIGITAL MEDIA
The following are required procedures for the submission of digital media used by cameras or other recorders:

(a) The recording media (smart card, compact flash card or any other media) shall be brought to the Property and Evidence Office as soon as possible for submission into evidence.

(b) Officers are not authorized to review or copy memory cards. Authorized personnel are the only employees authorized to copy and/or distribute digital media made from the memory cards.
Computers and Digital Evidence

(c) As soon as possible following the collection of evidence, the camera operator is to remove the memory card from their digital camera and place the card into a plastic carrier. The card and carrier are then to be placed into a zip-lock type baggie. The camera operator shall write their name and the related case number on the outside of the baggie before placing in the film drop box along with the evidence form.

(d) Authorized personnel will make a copy of the memory card using appropriate storage media. Once they have verified that the images properly transferred to the storage media, the technicians will erase the memory card for re-use. The storage media will be marked as the original.

(e) Officers requiring a copy of the digital files must request a copy on the evidence form when submitted to evidence.

812.5.3 DOWNLOADING OF DIGITAL FILES

Digital information seized, such as video or audio files recorded on devices using internal memory, must be downloaded to storage media. The following procedures are to be followed:

(a) Files should not be opened or reviewed prior to downloading and storage.

(b) Where possible, the device should be connected to a computer and the files accessed directly from the computer directory or downloaded to a folder on the host computer for copying to the storage media.

812.5.4 PRESERVATION OF DIGITAL EVIDENCE

(a) Only authorized personnel are authorized to copy original digital media that is held as evidence. The original digital media shall remain in evidence and shall remain unaltered.

(b) Digital images that are enhanced to provide a better quality photograph for identification and investigative purposes must only be made from a copy of the original media.

(c) If any enhancement is done to the copy of the original, it shall be noted in the corresponding incident report.

(d) Digital evidence shall be maintained for six years unless one of the following applies:

1. The destruction of the evidence is prohibited; i.e., homicide, rape, etc..
2. Court order to retain beyond the six year statute
3. Court order to destroy or release prior to the six year statute
4. The Department or other legal authority deems retention of the evidence is necessary for future legal purpose
(e) Non-evidential digital recordings (video or audio) will be deleted annually, per City Council Resolution, during the Department's annual records destruction. Restrictions and Exemptions apply (Policy and Procedure Manual §804.7).
Chapter 9 - Custody
Custody Searches

900.1 PURPOSE AND SCOPE
The purpose of this policy is to establish consistent department procedures which conform to Penal Code § 4030 regarding pat-down, in-custody / booking and strip searches of detainees.

900.2 DEFINITIONS OF SEARCHES
Pat-Down Search - This is the normal type of search used by officers in the field to check an individual for weapons. It involves a thorough patting down of clothing to locate any weapons or dangerous items that could pose a danger to the officer, the prisoner, or other prisoners.

In-Custody / Booking Search - This search involves a thorough patting down of an individual's clothing. All pockets, cuffs, etc., on the clothing are checked to locate all personal property, contraband, or weapons. The prisoner's personal property is taken and inventoried.

Strip Search or Visual Body Cavity Search - This is a search that requires a person to remove or rearrange some or all of his/her clothing to permit a visual inspection of the underclothing, breasts, buttocks or genitalia of such person (Penal Code § 4030(d)(2)). This includes monitoring of an arrestee showering or changing clothes where the arrestee's underclothing, buttocks, genitalia or female breasts are visible to the monitoring employee.

Physical Body Cavity Search - This is a search that includes physical intrusion into a body cavity. Body cavity means the stomach or rectal cavity of a person, and the vagina of a female person (Penal Code §§ 4030(d)(1) and 4030(d)(3)).

900.3 PAT DOWN SEARCHES
When any officer has reasonable suspicion to believe that a person being lawfully detained may possess weapons or other dangerous items, or in such circumstances the officer reasonably believes that the individual may present a threat to officer safety, that officer may conduct a normal pat-down search of that individual.

Prior to detaining any individual in any police vehicle, an officer should conduct a normal pat-down search of that individual.

Whenever practical, a pat-down search of an individual should be conducted by an officer of the same sex as the person being searched. Absent the availability of a same sex officer, it is recommended that a witness officer be present during any pat-down search of an individual of the opposite sex as the searching officer.

900.4 BOOKING SEARCHES
(a) Any person taken into custody may be subjected to pat-down searches, metal detector searches, and thorough clothing searches in order to discover and retrieve concealed weapons and contraband prior to being transported, and prior to being placed in a booking / interview room, or any other facility.
900.5 STRIP SEARCHES

No person held at a Brawley Police Department facility shall be subjected to a strip search unless there is reasonable suspicion based upon specific and articulable facts to believe the person has a health condition requiring immediate medical attention or is concealing a weapon or contraband. Factors to be considered in determining reasonable suspicion include, but are not limited to:

(a) The detection of an object during a pat-down search that may be a weapon or contraband and cannot be safely retrieved without a modified strip search or strip search.

(b) Circumstances of a current arrest that specifically indicate the person may be concealing a weapon or contraband. A felony arrest charge or being under the influence of a controlled substance should not suffice as reasonable suspicion absent other facts.

(c) Custody history (past possession of contraband while in custody, assaults on staff, escape attempts).

(d) The person's actions or demeanor.

(e) Criminal history (level of experience in a custody setting).

No transgender or intersex prisoner shall be searched or examined for the sole purpose of determining the prisoner's genital status. If the prisoner's genital status is unknown, it may be determined during conversations with the prisoner, by reviewing medical records, or, if necessary, as part of a broader medical examination conducted in private by a medical practitioner (28 CFR 115.115).

900.5.1 STRIP SEARCH PROCEDURES

Strip searches at Brawley Police Department facilities shall be conducted as follows (Penal Code § 4030; 28 CFR 115.115):

(b) All employees involved with the strip search shall be of the same sex as the person being searched, unless the search is conducted by authorized medical personnel (28 CFR 115.115).

(c) All strip searches shall be conducted in a professional manner under sanitary conditions and in a secure area of privacy so that the search cannot be observed by persons not participating in the search. The search shall not be reproduced through a visual or sound recording.

(d) Whenever possible, a second officer of the same sex should be present during the search for security and as a witness to the finding of evidence.
Custody Searches

(e) Employees conducting a strip search shall not touch the breasts, buttocks or genitalia of the person being searched.

(f) The primary employee conducting the search shall prepare a written report to include:

(g) A copy of the written authorization shall be retained and made available upon request to the prisoner or the prisoner’s authorized representative.

(h) No employee should view a prisoner’s private underclothing, buttocks, genitalia or female breasts while the prisoner is showering, performing bodily functions or changing clothes, unless the prisoner otherwise qualifies for a strip search. However, if serious hygiene or health issues make it reasonably necessary to assist the prisoner with a shower or a change of clothes, a supervisor should be contacted to ensure reasonable steps are taken to obtain the prisoner’s consent and/or otherwise protect the prisoner’s privacy and dignity.

900.6 PHYSICAL BODY CAVITY SEARCH

(a) No person arrested on a misdemeanor or infraction shall be subjected to a body cavity search without a search warrant (Penal Code § 4030(h)).

(b) A copy of the search warrant and the results of any body cavity search shall be included with the related reports and made available, upon request, to the arrestee or authorized representative (Penal Code § 4030(i)).

(c) Only a physician, nurse practitioner, registered nurse, licensed vocational nurse, or Level II Emergency Medical Technician (EMT) may conduct a physical body cavity search (Penal Code § 4030(k)).
Custody Searches

(d) Except for the above mentioned licensed medical personnel, persons present must be of the same sex as the person being searched. Privacy requirements, including restricted touching of body parts, are the same as the strip search standard.

900.7 TRAINING
The Administrative Sergeant shall ensure members have training in, at a minimum (28 CFR 115.115):

• Conducting searches properly in a professional and respectful manner and in the least intrusive manner possible, consistent with security needs.

The evaluation report is intended to serve as a guide for work planning and review by the supervisor and employee. It gives supervisors a way to create an objective history of work performance based on job standards.

The Department evaluates employees in a non-discriminatory manner based upon job-related factors specific to the employee's position, without regard to sex, race, color, national origin, religion, age, disability or other protected classes.

1002.3 EVALUATION PROCESS
Evaluation reports will cover a specific period of time and should be based on documented performance during that period. Evaluation reports will be completed by each employee's immediate supervisor. Other supervisors directly familiar with the employee's performance during the rating period should be consulted by the immediate supervisor for their input.

All sworn and non-sworn supervisory personnel shall attend an approved supervisory course that includes training on the completion of performance evaluations within one year of the supervisory appointment.

Each supervisor should discuss the tasks of the position, standards of performance expected and the evaluation criteria with each employee at the beginning of the rating period. Supervisors should document this discussion in the prescribed manner.

Assessment of an employee's job performance is an ongoing process. Continued coaching and feedback provides supervisors and employees with opportunities to correct performance issues as they arise.

Non-probationary employees demonstrating substandard performance shall be notified in writing of such performance as soon as possible in order to have an opportunity to remediate the issues. Such notification should occur at the earliest opportunity, with the goal being a minimum of 90 days written notice prior to the end of the evaluation period.

Employees who disagree with their evaluation and who desire to provide a formal response or a rebuttal may do so in writing in the prescribed format and time period.
1002.3.1 RESERVE OFFICER EVALUATIONS
Reserve officer evaluations are covered under the Reserve Officers Policy.

1002.4 FULL TIME PROBATIONARY PERSONNEL
Non-sworn personnel are on probation for 18 months before being eligible for certification as permanent employees. A regular evaluation shall be completed at twelve (12) months. An On-Target assessment will be completed at fifteen (15) months, and a regular evaluation will be completed one month prior to the completion of their probationary period for all full-time non-sworn personnel. Thereafter, Non-sworn personnel will receive an annual evaluation based on their hire date.

Sworn personnel are on probation for 18 months before being eligible for certification as permanent employees. Probationary officers are evaluated daily, and at the end of each phase during their Field Training Officer (FTO) program. At the end of the probationary officer's first twelve (12) months, based on their hire date, they shall receive a regular evaluation. An On-Target assessment will be completed at fifteen (15) months, based on their hire date, and a regular evaluation will be completed one month prior the completion of their probationary period for all full-time sworn personnel.

Sworn personnel are eligible to apply for their Basic Post Certificate at the completion of their 18-month probationary period.

1002.5 FULL-TIME PERMANENT STATUS PERSONNEL
Permanent employees are subject to three types of performance evaluations:

Regular - An Employee Performance Evaluation shall be completed once each year by the employee's immediate supervisor on the anniversary of the employee's date of hire except for employees who have been promoted in which case an Employee Performance Evaluation shall be completed on the anniversary of the employee's date of last promotion.

Transfer - If an employee is transferred from one assignment to another in the middle of an evaluation period and less than six months have transpired since the transfer, then an evaluation shall be completed by the current supervisor with input from the previous supervisor.

On-Target - An On-Target evaluation may be completed any time the rater and the rater's supervisor feel one is necessary due to employee performance that is deemed less than standard. Generally, the On-Target evaluation will be the tool used to demonstrate those areas of performance deemed less than standard when follow-up action is planned (action plan, remedial training, retraining, etc.). The On-Target evaluation form and the attached documentation shall be submitted as one package.

1002.5.1 RATINGS
When completing the Employee Performance Evaluation, the rater will place a check mark in the column that best describes the employee's performance. The definition of each rating category is as follows:
Evaluation of Employees

Outstanding - Is actual performance well beyond that required for the position. It is exceptional performance, definitely superior or extraordinary.

Exceeds Standards - Represents performance that is better than expected of a fully competent employee. It is superior to what is expected, but is not of such rare nature to warrant outstanding.

Meets Standards - Is the performance of a fully competent employee. It means satisfactory performance that meets the standards required of the position.

Below Standards - Is a level of performance less than that expected of a fully competent employee and less than standards required of the position. A needs improvement rating must be thoroughly discussed with the employee.

Unsatisfactory - Performance is inferior to the standards required of the position. It is very inadequate or undesirable performance that cannot be tolerated.

Space for written comments is provided at the end of the evaluation in the rater comments section. This section allows the rater to document the employee's strengths, weaknesses, and suggestions for improvement. Any rating under any job dimension marked unsatisfactory or outstanding shall be substantiated in the rater comments section.

1002.5.2 ROUTING OF EMPLOYEE EVALUATIONS

Employee performance evaluations shall be routed as follows:

The supervisor completing the evaluation shall forward the completed evaluation to the appropriate Division Commander for signature and comments prior to reviewing the evaluation with the employee.

The Division Commander shall route the evaluation to the Chief of Police, for signature and comments. After reviewing the evaluation the Chief of Police will return the evaluation to the Division Commander for routing back to the supervisor for review with the employee.

After the supervisor finishes the discussion with the employee, the signed performance evaluation is forwarded to the office of the Chief of Police for routing to personnel.

The Division Commander shall evaluate the supervisor on the quality of ratings given.

1002.6 EVALUATION INTERVIEW

When the supervisor has completed the preliminary evaluation, arrangements shall be made for a private discussion of the evaluation with the employee. The supervisor should discuss the results of the just completed rating period and clarify any questions the employee may have. If the employee has valid and reasonable protests of any of the ratings, the supervisor may make appropriate changes to the evaluation. Areas needing improvement and goals for reaching the expected level of performance should be identified and discussed. The supervisor should also provide relevant counseling regarding advancement, specialty positions and training opportunities. The supervisor and employee will sign and date the evaluation. Permanent employees may also submit comments in writing, which will be attached to the performance evaluation report.
Evaluation of Employees

1002.6.1 DISCRIMINATORY HARASSMENT FORM
At the time of each employee's annual evaluation, the reviewing supervisor shall require the employee to read the City and Department harassment and discrimination policies. Following such policy review, the supervisor shall provide the employee a form to be completed and returned by the employee certifying the following:

(a) That the employee understands the harassment and discrimination policies.
(b) Whether any questions the employee has have been sufficiently addressed.
(c) That the employee knows how and where to report harassment policy violations.
(d) Whether the employee has been the subject of, or witness to, any conduct that violates the discrimination or harassment policy which has not been previously reported.

The completed form should be returned to the supervisor (or other authorized individual if the employee is uncomfortable returning the form to the presenting supervisor) within one week.

The employee's completed answers shall be attached to the evaluation. If the employee has expressed any questions or concerns, the receiving supervisor or other authorized individual shall insure that appropriate follow up action is taken.

1002.7 EVALUATION DISTRIBUTION
The original performance evaluation shall be maintained in the employee's personnel file for the tenure of the employee's employment. A copy will be given to the employee.

Grievance Procedure

1006.1 PURPOSE AND SCOPE
It is the policy of this department that all grievances be handled quickly and fairly without discrimination against employees who file a grievance whether or not there is a basis for the grievance. Our Department's philosophy is to promote a free verbal communication between employees and supervisors.

1006.1.1 GRIEVANCE DEFINED
A grievance is any difference of opinion concerning terms or conditions of employment or the dispute involving the interpretation or application of any of the following documents by the person(s) affected:

- The employee bargaining agreement (Memorandum of Understanding)
- This Policy Manual
- City rules & regulations covering personnel practices or working conditions

Grievances may be brought by an individual affected employee or by a group representative.

Specifically outside the category of grievance are complaints related to alleged acts of sexual, racial, ethnic or other forms of unlawful harassment, as well as complaints related to allegations of discrimination on the basis of sex, race, religion, ethnic background and other lawfully protected status or activity are subject to the complaint options set forth in Policy Manual § 328, and personnel complaints consisting of any allegation of misconduct or improper job performance against any department employee that, if true, would constitute a violation of department policy, federal, state or local law set forth in Policy Manual §1020.

1006.2 PROCEDURE
Except as otherwise required under a collective bargaining agreement, if an employee believes that he or she has a grievance as defined above, then that employee shall observe the following procedure:

(a) Attempt to resolve the issue through informal discussion with immediate supervisor.

(b) If after a reasonable amount of time, generally seven days, the grievance cannot be settled by the immediate supervisor, the employee may request an interview with the Division Commander of the affected division or bureau.

(c) If a successful resolution is not found with the Division Commander, the employee may request a meeting with the Chief of Police.

(d) If the employee and the Chief of Police are unable to arrive at a mutual solution, then the employee shall proceed as follows:

   the Chief of Police and another copy to the immediate supervisor and include
   the following information:

   (a) The basis for the grievance (i.e., what are the facts of the case?).

   (b) Allegation of the specific wrongful act and the harm done.

   (c) The specific policies, rules or regulations that were violated.

   (d) What remedy or goal is being sought by this grievance.

   (e) The employee shall receive a copy of the acknowledgment signed by the supervisor
       including the date and time of receipt.

   (f) The Chief of Police will receive the grievance in writing. The Chief of Police and the City
       Manager will review and analyze the facts or allegations and respond to the employee
       within 14 calendar days. The response will be in writing, and will affirm or deny the
       allegations. The response shall include any remedies if appropriate. The decision of
       the City Manager is considered final.

1006.3 EMPLOYEE REPRESENTATION
Employees are entitled to have representation during the grievance process. The representative
may be selected by the employee from the appropriate employee bargaining group.

1006.4 GRIEVANCE RECORDS
At the conclusion of the grievance process, all documents pertaining to the process shall be
forwarded to Administrative Services Division Commander for inclusion into a file for all written
grievances. A second copy of the written grievance will be maintained by the City Manager's office
to monitor the grievance process.

1006.5 GRIEVANCE AUDITS
The Administrative Services Division Commander shall perform an annual audit of all grievances
filed the previous calendar year to evaluate whether or not any policy/procedure changes or
training may be appropriate to avoid future filings of grievances. The Administrative Commander
shall record these findings in a confidential and generic memorandum to the Chief of Police
without including any identifying information from any individual grievance. If the audit identifies
any recommended changes or content that may warrant a critical revision to this policy manual,
the Administrative Commander should promptly notify the Chief of Police.
Reporting of Employee Convictions

1010.1 PURPOSE AND SCOPE
Convictions of certain offenses may restrict or prohibit an employee’s ability to properly perform official duties. Therefore, all employees shall be required to promptly notify the [Department/Office] of any past and current criminal convictions.

1010.2 DOMESTIC VIOLENCE CONVICTIONS, OUTSTANDING WARRANTS AND RESTRAINING ORDERS
California and federal law prohibit individuals convicted of, or having an outstanding warrant for, certain offenses and individuals subject to certain court orders from lawfully possessing a firearm. Such convictions and court orders often involve allegations of the use or attempted use of force or threatened use of a weapon on any individual in a domestic relationship (e.g., spouse, cohabitant, parent, child) (18 USC § 922; Penal Code § 29805).

All members are responsible for ensuring that they have not been disqualified from possessing a firearm by any such conviction or court order and shall promptly report any such conviction or court order to a supervisor, as provided in this policy.

1010.3 OTHER CRIMINAL CONVICTIONS AND COURT ORDERS
Government Code § 1029 prohibits any person convicted of a felony from being a peace officer in the State of California. This prohibition applies regardless of whether the guilt was established by way of a verdict, guilty or nolo contendre plea.

Convictions of certain violations of the Vehicle Code and other provisions of law may also place restrictions on an employee’s ability to fully perform the duties of the job.

Outstanding warrants as provided in Penal Code § 29805 also place restrictions on a member’s ability to possess a firearm.

Moreover, while legal restrictions may or may not be imposed by statute or by the courts upon conviction of any criminal offense, criminal conduct by members of this [department/office] may be inherently in conflict with law enforcement duties and the public trust.

1010.4 REPORTING PROCEDURE
All members of this [department/office] and all retired officers with an identification card issued by the [Department/Office] shall promptly notify their immediate supervisor (or the Chief of Police in the case of retired officers) in writing of any past or current criminal arrest, outstanding warrant or conviction regardless of whether or not the matter is currently on appeal and regardless of the penalty or sentence, if any.

All members and all retired officers with an identification card issued by the [Department/Office] shall further promptly notify their immediate supervisor (or the Chief of Police in the case of retired
officers) in writing if the member or retiree becomes the subject of a domestic violence restraining order or similar court order or becomes the subject of an outstanding warrant.

Any member whose criminal conviction unduly restricts or prohibits that member from fully and properly performing his/her duties may be disciplined including, but not limited to, being placed on administrative leave, reassignment and/or termination. Any effort to remove such disqualification or restriction shall remain entirely the responsibility of the member on his/her own time and expense.

Any member failing to provide prompt written notice pursuant to this policy shall be subject to discipline.

1010.5 PROCEDURE FOR RELIEF
Pursuant to Penal Code § 29855, a peace officer may petition the court for permission to carry a firearm following a conviction under state law. Federal law, however, does not provide for any such similar judicial relief and the granting of a state court petition under Penal Code § 29855 will not relieve one of the restrictions imposed by federal law. Therefore, relief for any employee falling under the restrictions imposed by federal law may only be obtained by expungement of the conviction. Each employee shall seek relief from firearm restrictions on their own time and through their own resources.

Pursuant to Family Code § 6389(h), an individual may petition the court for an exemption to any restraining order, which would thereafter permit the individual to carry a firearm as a part of their employment. Relief from any domestic violence or other restriction shall also be pursued through the employee’s own resources and on the employee’s own time.

Pending satisfactory proof of relief from any legal restriction imposed on an employee’s duties, the employee may be placed on administrative leave, reassigned or disciplined. The [Department/Office] may, but is not required to return an employee to any assignment, reinstate any employee or reverse any pending or imposed discipline upon presentation of satisfactory proof of relief from any legal restriction set forth in this policy.

1010.5.1 NOTIFICATION REQUIREMENTS
The Administrative Services Supervisor shall submit within 30 days of final disposition a notice to the Commission on Peace Officer Standards and Training (POST) of a felony conviction or Government Code § 1029 reason that disqualifies any current peace officer employed by this [department/office] or any former peace officer if this [department/office] was responsible for the investigation (11 CCR 1003).

The Administrative Services Supervisor shall submit within 30 days a notice to POST of any appointment, termination, reinstatement, name change, or status change regarding any peace officer, reserve peace officer, public safety dispatcher, and records supervisor employed by this [department/office] (11 CCR 1003).
Drug- and Alcohol-Free Workplace

1012.1 PURPOSE AND SCOPE
The purpose of this policy is to establish clear and uniform guidelines regarding drugs and alcohol in the workplace.

1012.2 POLICY
It is the policy of this department to provide a drug- and alcohol-free workplace for all members.

1012.3 GENERAL GUIDELINES
Alcohol and drug use in the workplace or on department time can endanger the health and safety of department members and the public. Such use shall not be tolerated (41 USC § 8103).

Members who have consumed an amount of an alcoholic beverage or taken any medication, or combination thereof, that would tend to adversely affect their mental or physical abilities shall not report for duty. Affected members shall notify the Watch Commander or appropriate supervisor as soon as the member is aware that he/she will not be able to report to work. If the member is unable to make the notification, every effort should be made to have a representative contact the supervisor in a timely manner. If the member is adversely affected while on-duty, he/she shall be immediately removed and released from work (see Work Restrictions in this policy).

1012.3.1 USE OF MEDICATIONS
Members should avoid taking any medications that will impair their ability to safely and completely perform their duties. Any member who is medically required or has a need to take any such medication shall report that need to his/her immediate supervisor prior to commencing any on-duty status.

No member shall be permitted to work or drive a vehicle owned or leased by the Department while taking any medication that has the potential to impair his/her abilities, without a written release from his/her physician.

Possession of medical marijuana or being under the influence of marijuana on- or off-duty is prohibited and may lead to disciplinary action.

1012.4 MEMBER RESPONSIBILITIES
Members shall report for work in an appropriate mental and physical condition. Members are prohibited from purchasing, manufacturing, distributing, dispensing, possessing or using controlled substances or alcohol on department premises or on department time (41 USC § 8103). The lawful possession or use of prescribed medications or over-the-counter remedies is excluded from this prohibition.

Members who are authorized to consume alcohol as part of a special assignment shall not do so to the extent of impairing on-duty performance.
Drug- and Alcohol-Free Workplace

Members shall notify a supervisor immediately if they observe behavior or other evidence that they believe demonstrates that a fellow member poses a risk to the health and safety of the member or others due to drug or alcohol use.

Members are required to notify their immediate supervisors of any criminal drug statute conviction for a violation occurring in the workplace no later than five days after such conviction (41 USC § 8103).

1012.5 EMPLOYEE ASSISTANCE PROGRAM
There may be available a voluntary employee assistance program to assist those who wish to seek help for alcohol and drug problems (41 USC § 8103). Insurance coverage that provides treatment for drug and alcohol abuse also may be available. Employees should contact the Personnel Department, their insurance providers or the employee assistance program for additional information. It is the responsibility of each employee to seek assistance before alcohol or drug problems lead to performance problems.

1012.6 WORK RESTRICTIONS
If a member informs a supervisor that he/she has consumed any alcohol, drug or medication that could interfere with a safe and efficient job performance, the member may be required to obtain clearance from his/her physician before continuing to work.

If the supervisor reasonably believes, based on objective facts, that a member is impaired by the consumption of alcohol or other drugs, the supervisor shall prevent the member from continuing work and shall ensure that he/she is safely transported away from the Department.

1012.7 REQUESTING SCREENING TESTS
The supervisor may request an employee to submit to a screening test under the following circumstances:

(a) The supervisor reasonably believes, based upon objective facts, that the employee is under the influence of alcohol or drugs that are impairing his/her ability to perform duties safely and efficiently.

(b) The employee discharges a firearm, other than by accident, in the performance of his/her duties.

(c) During the performance of his/her duties, the employee drives a motor vehicle and becomes involved in an incident that results in bodily injury to him/herself or another person, or substantial damage to property.

1012.7.1 SUPERVISOR RESPONSIBILITY
The supervisor shall prepare a written record documenting the specific facts that led to the decision to request the test, and shall inform the employee in writing of the following:

(a) The test will be given to detect either alcohol or drugs, or both.
Drug- and Alcohol-Free Workplace

(b) The result of the test is not admissible in any criminal proceeding against the employee.

(c) The employee may refuse the test, but refusal may result in dismissal or other disciplinary action.

1012.7.2 SCREENING TEST REFUSAL
An employee may be subject to disciplinary action if he/she:

(a) Fails or refuses to submit to a screening test as requested.

(b) After taking a screening test that indicates the presence of a controlled substance, fails to provide proof, within 72 hours after being requested, that he/she took the controlled substance as directed, pursuant to a current and lawful prescription issued in his/her name.

(c) Violates in provisions of this policy.

1012.8 COMPLIANCE WITH THE DRUG-FREE WORKPLACE ACT
No later than 30 days following notice of any drug statute conviction for a violation occurring in the workplace involving a member, the Department will take appropriate disciplinary action, up to and including dismissal, and/or requiring the member to satisfactorily participate in a drug abuse assistance or rehabilitation program (41 USC § 8104).

1012.9 CONFIDENTIALITY
The Department recognizes the confidentiality and privacy due to its members. Disclosure of any information relating to substance abuse treatment, except on a need-to-know basis, shall only be with the express written consent of the member involved or pursuant to lawful process.

The written results of any screening tests and all documents generated by the employee assistance program are considered confidential medical records and shall be maintained separately from the employee's other personnel files.
Sick Leave

1014.1 PURPOSE AND SCOPE
Employees of this department are provided with a sick leave benefit that gives them continued compensation during times of absence due to personal or family illness. The number of hours available is detailed in the employee’s respective personnel manual or applicable collective bargaining agreement.

This policy is not intended to cover all types of sick or other leaves. For example, employees may be entitled to additional paid or unpaid leave for certain family and medical reasons as provided for in the Family and Medical Leave Act (FMLA), the California Family Rights Act or for organ or bone marrow donor procedures (29 CFR 825; Government Code § 12945.2; Labor Code § 1510).

1014.2 EMPLOYEE RESPONSIBILITIES
Sick leave may be used for absences caused by illness, injury, temporary disability (including pregnancy/maternity), or for medical, dental or vision exams or medical treatment of the employee or the employee’s immediate family when it is not possible to schedule such appointments during non-working hours.

Sick leave is not considered vacation, and abuse of sick leave may result in discipline and/or denial of sick-leave benefits. Employees on sick leave shall not engage in other employment or self-employment, or participate in any sport, hobby, recreational or other activity which may impede recovery from the injury or illness.

Upon return to work, employees shall complete and submit a leave request describing the type of leave used and the specific amount of time taken.

1014.2.1 NOTIFICATION
Employees are encouraged to notify the on-duty Watch Commander, or appropriate supervisor as soon as they are aware that they will not be able to report to work. At a minimum, employees shall make such notification no less than one hour before the start of their scheduled shift. If an employee is unable to contact the supervisor in the case of an emergency, every effort should be made to have a representative contact the supervisor.

When the necessity for leave is foreseeable, such as an expected birth or planned medical treatment, the employee shall, whenever possible, provide the Department with no less than 30-days notice of the intent to take leave.

1014.3 EXTENDED ILLNESS
Employees on extended absences shall, if possible, contact their unit supervisor at three-day intervals to provide an update on their absence and expected date of return. Employees absent from duty due to personal illness in excess of three consecutive days may be required to furnish a statement from their health care provider supporting the use of sick leave and/or the ability to return to work.
Sick Leave

Nothing in this section precludes a supervisor, with cause, from requiring a physician's statement if three or fewer sick days are taken.

1014.4 SUPERVISOR RESPONSIBILITY
Supervisors should monitor sick leave usage and regularly review the attendance of employees under their command to ensure that the use of sick leave is consistent with this policy. Supervisors should address sick-leave use in the employee's performance evaluation when it has negatively affected the employee's performance or ability to complete assigned duties, and when unusual amounts of sick leave by the employee has had a negative impact on department operations. When appropriate, supervisors should counsel employees regarding the excessive use of sick leave and should consider referring the employee to the Employee Assistance Program.
Communicable Diseases

1016.1 PURPOSE AND SCOPE
This policy is intended to provide guidelines for department personnel to assist in minimizing the risk of contracting and/or spreading communicable diseases and to minimize the incidence of illness and injury. The policy will offer direction in achieving the following goals:

(a) To manage the risks associated with blood borne pathogens (BBP), aerosol transmissible diseases, and other potentially infectious substances.

(b) To assist department personnel in making decisions concerning the selection, use, maintenance, limitations, storage, and disposal of personal protective equipment (PPE).

(c) To protect the privacy rights of all department personnel who may be exposed to or contract a communicable disease during the course of their duties.

(d) To provide appropriate treatment and counseling should an employee be exposed to a communicable disease.

1016.2 PROCEDURES FOR EXPOSURE TO BLOOD, BODILY FLUIDS OR AEROSOL TRANSMISSIBLE DISEASES
All department personnel who are exposed to another person's blood, bodily fluids or an aerosol transmissible disease (e.g., during an altercation or while attending to any injured person) shall follow these procedures and guidelines.

Exposure to blood or other potentially infectious materials includes, but is not limited to, the contact of such substances with the eye, mouth, other mucous membranes, non-intact skin, needle sticks, human bites, cuts or abrasions or any exposure that otherwise qualifies under Health and Safety Code § 121060.1 or 8 CCR § 5193.

Exposure to an aerosol transmissible disease is any event in which all of the following have occurred (8 CCR 5199):

(a) An employee has been exposed to an individual who is a case or a suspected case of a reportable aerosol transmissible disease, or to a work area or to equipment that is reasonably expected to contain aerosol transmissible pathogens associated with a reportable aerosol transmissible disease.

(b) The exposure occurred without the benefit of applicable exposure controls required by this policy.

(c) It reasonably appears from the circumstances of the exposure that transmission of disease is sufficiently likely to require medical evaluation.
1016.2.1 EXPOSURE CONTROL OFFICER
The Chief of Police will assign a person as the Department's Exposure Control Officer. The ECO shall be responsible for the following:

(a) The overall management of the bloodborne pathogen Exposure Control Plan (ECP).
(b) Establishing written procedures and a training program related to aerosol transmissible diseases, as required by 8 CCR § 5199.
(c) Working with management to develop and administer any additional related policies and practices necessary to support the effective implementation of this plan.
(d) Remaining current on all legal requirements concerning bloodborne pathogens and other communicable diseases, as required by 8 CCR § 5193.
(e) Acting as a liaison during OSHA inspections, conducting program audits to maintain an up-to-date ECP and ensuring exposure report forms are available and adequate for employees to properly report incidents of exposure.
(f) Maintaining an up-to-date list of police personnel requiring training. Developing and implementing a training program, maintaining class rosters and quizzes, and periodically reviewing and updating the training program.
(g) Reviewing and updating the ECP annually (on or before January 1 of each year).

Department supervisors are responsible for exposure control in their respective areas. They shall work directly with the ECO and any affected employees to ensure that the proper exposure control procedures are followed.

1016.2.2 UNIVERSAL PRECAUTIONS
All human blood and body fluids such as saliva, urine, semen, and vaginal secretions are to be treated as if they are known to be infectious. Where it is not possible to distinguish between body fluid types, all body fluids are to be assumed potentially infectious.

1016.2.3 PERSONAL PROTECTIVE EQUIPMENT
Personal protective equipment is the last line of defense against communicable disease. Therefore, the following equipment is provided for all personnel to assist in the protection against such exposures:

- Not less than two pair disposable latex gloves. (Keeping a box in the car recommended.)
- Safety glasses or goggles
- Rescue mask with a one-way valve
- Alcohol (or similar substance) to flush skin at emergency site. (Keeping several alcohol hand wipes in the car recommended)
Communicable Diseases

The protective equipment is to be kept in each police vehicle; inspected at the start of each shift and replaced immediately upon returning to the station if used or damaged during the shift, or as otherwise needed.

1016.2.4 IMMUNIZATIONS
All department personnel who, in the line of duty, may be exposed to or have contact with a communicable disease shall be offered appropriate treatment immunization.

1016.2.5 WORK PRACTICES
All personnel shall use the appropriate barrier precautions to prevent skin and mucous membrane exposure whenever contact with blood or body fluid is anticipated.

Disposable gloves shall be worn on all medical emergency responses. Disposable gloves shall be worn before making physical contact with any patient and/or when handling items (e.g., evidence, transportation vehicle) soiled with blood or other body fluids. Should one's disposable gloves become contaminated with blood or other body fluids, the gloves shall be disposed of as contaminated waste. Care should be taken to avoid touching other items (e.g., pens, books, and personal items in general) while wearing the disposable gloves in a potentially contaminated environment.

All procedures involving blood or other potentially infectious materials shall be done in a way to minimize splashing, spraying, or otherwise generating droplets of those materials.

Eating, drinking, smoking, applying lip balm, and handling contact lenses shall be prohibited in areas where a potential for an exposure exists.

1016.3 DISPOSAL AND DECONTAMINATION
The following procedures will apply to the disposal and decontamination after responding to an event that involved contact with a person's blood or body fluids:

1016.3.1 USE OF WASTE CONTAINERS
Officers shall dispose of biohazard with the on-scene fire response vehicle, or at the attending clinic/hospital with their approval, or in an appropriately marked biohazard waste container at the station immediately upon arrival.

The biohazard waste container located at the station shall be collapsible, leakproof, red in color or appropriately labeled with a biohazard warning and routinely emptied.

1016.3.2 DECONTAMINATION OF SKIN AND MUCOUS MEMBRANES
Personnel shall wash their hands immediately (on-scene if possible), or as soon as possible following the removal of potentially contaminated gloves. Antibacterial soap and warm water or an approved disinfectant shall be used to wash one's hands, paying particular attention to the fingernails.

If an employee's intact skin contacts someone else's blood or bodily fluids or other potentially infectious materials, the employee shall immediately wash the exposed part of his/her body.
with soap and warm water and/or an approved disinfectant, as soon as possible. If the skin becomes grossly contaminated, body washing shall be followed by an approved hospital strength disinfectant. If large areas of the employee's skin are contaminated, the employee shall shower as soon as possible, using warm water and soap and/or an approved disinfectant. Medical treatment should be obtained.

Contaminated non-intact skin (e.g., injured skin, open wound) shall be cleaned using an approved disinfectant and then dressed or bandaged as required. Medical treatment is required.

All hand, skin, and mucous membrane washing that takes place in the station shall be done in the designated cleaning or decontamination area. Cleaning shall not be done in the kitchen, bathrooms, or other locations not designated as the cleaning or decontamination area.

1016.3.3 SHARPS AND ITEMS THAT CUT OR PUNCTURE
All personnel shall avoid using or holding sharps (needles) unless needed to do so while assisting a paramedic, or collecting them for evidence. Unless required for evidentiary reasons related to evidence preservation, employees are not to recap sharps. If recapping is necessary, a one-handed method shall be employed to avoid a finger prick. Disposal, when practicable, shall be into a puncture proof biohazard container.

All sharps and items that cut or puncture (e.g., broken glass, razors, and knives) shall be treated cautiously to avoid cutting, stabbing, or puncturing one's self or any other person. In addition, if a sharp object contains known or suspected blood or other bodily fluids, that item is to be treated as a contaminated item. If the item is not evidence, touching it with the hands shall be avoided. Rather, use a device such as tongs, or a broom and a dustpan to cleanup debris. If the material must be hand held, protective gloves must be worn.

1016.3.4 DISPOSABLE PROTECTIVE EQUIPMENT
Contaminated disposable supplies (gloves, dressings, CPR mask) shall be transported with the patient or suspect in the ambulance or police vehicle. The waste material shall then be disposed of in a biohazard waste container at the hospital or police station. Disposable gloves are to be worn while placing the waste into the waste biohazard container, placing the gloves in with the waste when through.

1016.3.5 DECONTAMINATION OF PERSONAL PROTECTIVE EQUIPMENT
After using any reusable personal protective equipment, it shall be washed or disinfected and stored appropriately. If the personal protective equipment is non-reusable (e.g., disposable gloves), it shall be discarded in a biohazard waste container as described in Policy Manual § 1016.3.4.

Any personal protective equipment that becomes punctured, torn, or loses its integrity, shall be removed as soon as feasible. The employee shall wash up and replace the personal protective equipment if the job has not been terminated. If this situation resulted in a contaminated non-intact skin event, Policy Manual § 1016.3.2 shall be implemented.
Contaminated reusable personal protective equipment that must be transported prior to cleaning it shall be placed into a biohazard waste bag and transported in the ambulance, paramedic truck or police vehicle. Gloves shall be worn while handling the biohazard waste bag and during placement into the biohazard waste container, and then included in with the waste.

1016.3.6 DECONTAMINATION OF NON-DISPOSABLE EQUIPMENT
Contaminated non-disposable equipment (e.g., flashlight, gun, baton, clothing, portable radio) shall be decontaminated as soon as possible. If it is to be transported, it shall be done by first placing it into a biohazard waste bag.

Grossly contaminated non-disposable equipment items shall be transported to a hospital, fire station, or police station for proper cleaning and disinfecting. Porous surfaces such as nylon bags and straps shall be brushed and scrubbed with a detergent and hot water, laundered and allowed to dry. Non-porous surfaces (e.g., plastic or metal) shall be brushed and scrubbed with detergent and hot water, sprayed with a bleach solution, rinsed, and allowed to dry. Delicate equipment (e.g., radios) should be brushed and scrubbed very carefully using a minimal amount of a type of germicide that is approved by Environmental Protection Agency (EPA).

While cleaning equipment, pay close attention to handles, controls, portable radios, and corners (tight spots). Equipment cleaning shall not be done in the kitchen, bathrooms, or other areas not designated as the cleaning/decontamination area.

Contaminated equipment should be cleaned using an approved EPA germicide or a 1:100 solution of chlorine bleach (one-quarter-cup of bleach per one gallon of water) while wearing disposable gloves and goggles. Large particles of contaminants such as, vomit, feces, blood clots, etc. should first be removed (using a disposable towel or other means to prevent direct contact) and properly disposed of.

1016.3.7 DECONTAMINATION OF CLOTHING
Contaminated clothing such as uniforms and undergarments shall be removed as soon as feasible and rinsed in cold water to prevent the setting of bloodstains. If the clothing may be washed in soap and hot water, do so as soon as possible. If the clothing must be dry cleaned, place it into a biohazard waste bag and give it to the Exposure Control Officer. The ECO will secure a dry cleaner that is capable of cleaning contaminated clothing, and inform them of the potential contamination. This dry cleaning will be done at the Department's expense.

Contaminated leather boots shall be brushed and scrubbed with detergent and hot water. If the contaminant soaked through the boot, the boot shall be discarded.

1016.3.8 DECONTAMINATION OF VEHICLES
Contaminated vehicles and components such as the seats, radios, and doors shall be washed with soap and warm water and disinfected with an approved germicide as soon as feasible.
1016.3.9 DECONTAMINATION OF STATION AND CLEANING AREA
The ECO shall designate a location at the station that will serve as the area for cleaning/decontamination. This area is to be used to keep equipment clean and sanitary and for the employees to wash any potential contamination from their bodies. This area is to be thoroughly cleaned after each use and to be maintained in a clean and sanitary order at all times between each use. The application of cosmetics, smoking cigarettes, consuming food and drink are prohibited in this designated area at all times.

1016.4 POST-EXPOSURE REPORTING AND FOLLOW-UP REQUIREMENTS
In actual or suspected exposure incidents, proper documentation and follow-up action must occur to limit potential liabilities and to ensure the best protection and care for the employee(s).

1016.4.1 EMPLOYEE RESPONSIBILITY TO REPORT EXPOSURE
To provide appropriate and timely treatment should exposure occur, all employees shall verbally report the exposure to their immediate supervisor and complete a written exposure report as soon as possible following the exposure or suspected exposure and in no event later than the completion of the shift in which the exposure or suspected exposure occurred. That report shall be submitted to the employee’s immediate supervisor. Additionally, employees should document in the exposure report whether they would like the person who was the source of the exposure to be tested for communicable diseases.

1016.4.2 SUPERVISOR REPORTING REQUIREMENTS
The supervisor on-duty shall investigate every exposure that occurs as soon as possible following the incident, while gathering the following information:

(a) Name and social security number of the employee(s) exposed.
(b) Date and time of incident.
(c) Location of incident.
(d) What potentially infectious materials were involved.
(e) Source of material or person.
(f) Current location of material or person.
(g) Work being done during exposure.
(h) How the incident occurred or was caused.
(i) PPE in use at the time of the incident.
(j) Actions taken post-event (e.g., clean-up, notifications).

The supervisor shall advise the employee of the laws and regulations concerning disclosure of the identity and infectious status of a source, and Policy § 1016.5, which addresses source testing.

If the ECO is unavailable to seek testing of the person who was the source of the exposure, it is the responsibility of the exposed employee’s supervisor to ensure testing is sought (Policy § 1016.5).
1016.4.3 MEDICAL CONSULTATION, EVALUATION AND TREATMENT
Any employee who was exposed or who suspects he/she was exposed to HIV or to hepatitis B or C should be seen by a physician or qualified health care provider as soon as possible. The doctor or qualified health care provider should be provided with the supervisor’s report and the employee’s medical records relevant to the visit and examination. The blood of the exposed employee shall be tested.

The health care professional will provide the ECO and/or the City’s Risk Manager with a written opinion/evaluation of the exposed employee’s medical condition. This opinion should only contain the following information:

• If a post-exposure treatment is indicated for the employee.
• If the employee received a post-exposure treatment.
• Confirmation that the employee received the evaluation results.
• Confirmation that the employee was informed of any medical condition resulting from the exposure incident and whether further treatment or evaluation will be required.
• Whether communicable disease testing from the source is warranted, and if so, which diseases should the testing include.

All other findings or diagnosis shall remain confidential and are not to be included in the written report.

1016.4.4 COUNSELING
The Department shall provide the exposed employee (and his/her family if necessary) the opportunity for counseling and consultation.

1016.4.5 CONFIDENTIALITY OF REPORTS
Most of the information involved in this process must remain confidential. The ECO shall ensure that all records and reports are kept in the strictest confidence.

The ECO shall be responsible for maintaining records containing the employee’s treatment status and the results of examinations, medical testing and follow-up procedures.

The Risk Manager shall be responsible for maintaining the name and social security number of the employee and copies of any information provided to the consulting health care professional.

This information is confidential and shall not be disclosed to anyone without the employee’s written consent (except as required by law). Test results from persons who may have been the source of an exposure are to be kept confidential as well.

1016.5 SOURCE TESTING
Testing for communicable diseases of a person who was the source of an exposure should be sought when it is desired by the exposed employee or when it is otherwise appropriate. There are five methods to obtain such testing. It is the responsibility of the ECO to ensure that the proper testing and reporting occur. These methods are:
Communicable Diseases

(a) Obtaining voluntary consent from any person who may be the source of an exposure to cover testing for any communicable disease.

(b) Filing a report with the county health officer when an employee is exposed to the bodily fluids of an arrestee. The county health officer may pursue testing for HIV or hepatitis B or C (Penal Code § 7510 et seq.).

(c) Seeking consent for testing or applying for a court order for HIV, hepatitis B and hepatitis C testing (Health and Safety Code § 121060 et seq.).

(d) Seeking a court order when the person who may be the source of an exposure will not consent to testing and the exposure does not fall under the statutory schemes for testing. This covers testing for any communicable disease as deemed appropriate by a health care professional and documented in the request for the court order.

(e) Under certain circumstances, a court may issue a search warrant for the purpose of HIV testing an adult or juvenile when an employee of the Brawley Police Department qualifies as a crime victim (Penal Code § 1524.1).

1016.5.1 EXPOSURE FROM A NON-ARRESTEE
Upon notification of an employee's exposure to a person who was not arrested, the ECO should attempt to determine if the person who was the source of the exposure will voluntarily consent to testing. If consent is indicated, the following steps should be taken:

(a) A licensed health care provider should notify the person to be tested of the exposure and make a good faith effort to obtain voluntary informed consent from the person or his/her authorized legal representative to perform a test for HIV, hepatitis B, hepatitis C and other communicable diseases the health care provider deems appropriate.

(b) The voluntary informed consent obtained by the health care provider must be in writing and include consent for three specimens of blood for testing. The ECO should document the consent as a supplement to the Exposure Control Report.

(c) The results of the tests should be made available to the source and the exposed employee.

If consent is not obtained, the ECO should promptly consult with City Attorney and consider requesting that a court order be sought for appropriate testing.

1016.5.2 EXPOSURE FROM AN ARRESTEE
Upon notification of an exposure to an employee by a person who was arrested, the ECO should take the following steps:

(a) Comply with the statutory scheme of Health and Safety Code § 121060. This includes seeking consent from the person who was the source of the exposure and seeking a court order if consent is not given.
Communicable Diseases

(b) Take reasonable steps to immediately contact the County Health Officer and provide preliminary information regarding the circumstances of the exposure and the status of the involved individuals to determine whether the County Health Officer will order testing (Penal Code § 7510).

(c) In all cases, comply with the reporting and testing scheme of Penal Code § 7510 et seq. This includes completing a State Department of Health Services Form CDPH 8479 and submitting it to the County Health Officer with a copy of the Exposure Control Report by the end of the employee's shift. If submission by the end of the shift is not practicable, it must occur as soon as possible but no later than two days after the incident. The exposed employee's name should not appear on this form.

(d) Remain in contact with the County Health Officer to determine whether testing of the arrestee will occur and whether the testing satisfies the medical needs of the employee.

(e) The results of the tests should be made available to the donor and the exposed employee.

Since there is potential for overlap between the two statutory schemes, the ECO is responsible for coordinating the testing with the County Health Officer to prevent unnecessary or duplicate testing.

In the rare event that the exposed employee is not covered by either statutory scheme, the ECO should seek consent or a court order in the same manner as for a non-arrestee.
Smoking and Tobacco Use

1018.1 PURPOSE AND SCOPE
This policy establishes limitations on the use of tobacco products by employees and others while on-duty or while in Brawley Police Department facilities or vehicles.

1018.2 POLICY
The Brawley Police Department recognizes that tobacco use is a health risk and can be offensive to other employees and to the public. It is the policy of the Brawley Police Department to limit the use of tobacco by employees while on-duty or at any time the employee is acting in an official capacity for the Department.

1018.3 EMPLOYEE USE
Tobacco use by employees is prohibited anytime employees are in public view representing the Department.

Smoking and the use of other tobacco products is not permitted inside any City facility, office or vehicle (California Labor Code § 6404.5).

It shall be the responsibility of each employee to ensure that no person under his/her supervision smokes or uses any tobacco product inside City facilities and vehicles.

1018.4 ADDITIONAL PROHIBITIONS
No person shall use tobacco products within 20 feet of a main entrance, exit, or operable window of any public building (including any department facility), or buildings on the campuses of the University of California, California State University and California community colleges, whether present for training, enforcement, or any other purpose (Government Code § 7596 et seq.).
Personnel Complaints

1020.1 PURPOSE AND SCOPE
The purpose of this procedure is to provide guidelines for the reporting, investigation and disposition of complaints regarding the conduct of members and employees of this department.

1020.1.1 PERSONNEL COMPLAINTS DEFINED
Personnel complaints consist of any allegation of misconduct or improper job performance against any department employee that, if true, would constitute a violation of department policy, federal, state or local law.

Inquiries about employee conduct which, even if true, would not qualify as a personnel complaint may be handled informally by a department supervisor and shall not be considered complaints.

This policy shall not apply to any interrogation, counseling, instruction, informal verbal admonishment or other routine or unplanned contact of an employee in the normal course of duty, by a supervisor or any other employee, nor shall this policy apply to an investigation concerned solely and directly with alleged criminal activities (Cal. Govt. Code 3303(i)).

Personnel Complaints shall be classified in one of the following categories:

Informal - A matter in which the complaining party is satisfied that appropriate action has been taken by a department supervisor of rank greater than the accused employee. Informal complaints need not be documented on a personnel complaint form and the responsible supervisor shall have the discretion to handle the complaint in any manner consistent with this policy.

Formal - A matter in which the complaining party requests further investigation or which a department supervisor determines that further action is warranted. Such complaints may be investigated by a department supervisor of rank greater than the accused employee or referred to the Professional Standards Unit depending on the seriousness and complexity of the investigation.

Incomplete - A matter in which the complaining party either refuses to cooperate or becomes unavailable after diligent follow-up investigation. At the discretion of the assigned supervisor or the Professional Standards Unit, such matters need not be documented as personnel complaints, but may be further investigated depending on the seriousness of the complaint and the availability of sufficient information.

1020.2 AVAILABILITY AND ACCEPTANCE OF COMPLAINTS

1020.2.1 AVAILABILITY OF COMPLAINT FORMS
Personnel complaint forms will be available at the front counter.

1020.2.2 SOURCE OF COMPLAINTS

(a) A department employee becoming aware of alleged misconduct shall immediately notify a supervisor.
Personnel Complaints

(b) A supervisor receiving a complaint from any source alleging misconduct of an employee which, if true, could result in disciplinary action.

(c) Anonymous complaints and third party complaints should be accepted and investigated to the extent that sufficient information is provided.

1020.2.3 ACCEPTANCE OF COMPLAINTS
A complaint may be filed in person, in writing, or by telephoning the Department. Although not required, every effort should be made to have the complainant appear in person. The following should be considered before taking a complaint:

(a) Complaints shall not be prepared unless the alleged misconduct or job performance is of a nature which, if true, would normally result in disciplinary action

(b) When an uninvolved supervisor or the Watch Commander determines that the reporting person is satisfied that their complaint required nothing more than an explanation regarding the proper/improper implementation of department policy or procedure, a complaint need not be taken

(c) When the complainant is intoxicated to the point where his/her credibility appears to be unreliable, identifying information should be obtained and the person should be provided with a Personnel Complaint form

(d) Depending on the urgency and seriousness of the allegations involved, complaints from juveniles should generally be taken only with their parents or guardians present and after the parents or guardians have been informed of the circumstances prompting the complaint

1020.2.4 COMPLAINT DOCUMENTATION
Formal complaints of alleged misconduct shall be documented by a supervisor on a personnel complaint form. The supervisor shall ensure that the nature of the complaint is defined as clearly as possible.

A supervisor may elect to document informal complaints as a supervisor or Watch Commander log entry.

When a Personnel Complaint form is completed in person, the complainant should legibly write a detailed narrative of his/her complaint. If circumstances indicate that this is not feasible, the complaint may be dictated to the receiving supervisor. In an effort to ensure accuracy in any complaint, it is recommended that a recorded statement be obtained from the reporting party. A refusal by a party to be recorded shall not alone be grounds to refuse to accept a complaint. Whether handwritten or dictated, the complainant's signature should be obtained at the conclusion of the statement. The complainant should be provided with a copy of his/her own original complaint per Penal Code § 832.7.
1020.3 SUPERVISOR RESPONSIBILITY

A supervisor who becomes aware of alleged misconduct shall take reasonable steps to prevent aggravation of the situation. Moreover, supervisors shall also maintain the ability to engage in the interrogation of an employee in the normal course of duty, counseling, instruction, or informal verbal admonishment, or other routine or unplanned contact (Cal. Govt. Code 3303(i)).

In general, the primary responsibility for the investigation of a personnel complaint shall rest with the employee’s immediate supervisor. The Chief of Police or authorized designee may, however, direct that another supervisor investigate it. The supervisor shall be responsible for the following:

(a) A supervisor receiving a formal complaint involving allegations of a potentially serious nature shall ensure that the Watch Commander, Commanding Officer and Chief of Police are notified as soon as practicable.

(b) A supervisor receiving or initiating any formal complaint shall ensure that a Personnel Complaint form has been completed as fully as possible. The original complaint form will then be directed to the Commanding Officer of the accused employee, via the chain of command, who will take appropriate action or forward the complaint to the Professional Standards Unit for further action.

1. During the preliminary investigation of any complaint, the supervisor should make every reasonable effort to obtain names, addresses and telephone numbers of additional witnesses.

2. Once immediate medical attention has been provided, photographs of alleged injuries as well as accessible areas of non-injury should be taken.

3. In circumstances where the integrity of the investigation could be jeopardized by reducing the complaint to writing or where the confidentiality of a complainant is at issue, a supervisor shall orally report the matter to the employee’s Division Commander or the Chief of Police who will initiate appropriate action.

(c) A supervisor dealing with an accused employee shall ensure that the procedural rights of the employee are followed pursuant to Government Code § 3303, et seq.

(d) When the nature of a personnel complaint relates to sexual, racial, ethnic, or other forms of prohibited harassment or discrimination, the supervisor receiving the complaint shall promptly contact the Personnel Department and the Chief of Police for direction regarding their role in investigation and/or addressing the complaint.

1020.4 ASSIGNMENT TO ADMINISTRATIVE LEAVE

When a complaint of misconduct is of a serious nature or when circumstances practically dictate that it would impose an unreasonable risk to the Department, the employee, other employees or the public, a supervisor may assign the accused employee to inactive duty pending completion of the investigation or the filing of administrative charges.
The supervisor shall direct the employee to report to the office of the Chief of Police at 0900 hours on the next regular business day.

1020.4.1 ADMINISTRATIVE LEAVE
An employee placed on administrative leave may be subject to the following guidelines:

(a) Under such circumstances, an employee placed on administrative leave shall continue to receive regular pay and benefits pending the imposition of any discipline

(b) An employee placed on administrative leave may be required by a supervisor to relinquish any badge, departmental identification, assigned weapon(s) and any other departmental equipment

(c) An employee placed on administrative leave may be ordered to refrain from taking any action as a departmental employee or in an official capacity. The employee shall be required to continue to comply with all policies and lawful orders of a supervisor

(d) An employee placed on administrative leave may be temporarily reassigned to a different shift (generally normal business hours) during the pendency of the investigation and the employee may be required to remain available for contact at all times during such shift and report as ordered

(e) It shall be the responsibility of the assigning supervisor to promptly notify the employee's Division Commander and the Chief of Police

(f) At such time as any employee placed on administrative leave is returned to full and regular duty, the employee shall be returned to their regularly assigned shift with all badges, identification card and other equipment returned

1020.5 ALLEGATIONS OF CRIMINAL CONDUCT
Where an employee of this department is accused of potential criminal conduct, a separate supervisor or assigned detective shall be assigned to investigate the criminal allegations apart from any administrative investigation. Any separate administrative investigation may parallel a criminal investigation.

The Chief of Police shall be notified as soon as practical when an employee is formally accused of criminal conduct. In the event of serious criminal allegations, the Chief of Police may request a criminal investigation by an outside law enforcement agency.

An employee accused of criminal conduct shall be provided with all rights and privileges afforded to a civilian and the employee may not be administratively ordered to provide any information to a criminal detective.

No information or evidence administratively coerced from an employee may be provided to a criminal detective.

Any law enforcement agency is authorized to release information concerning the arrest or detention of a peace officer, which has not led to a conviction, however, no disciplinary action,
The text contains information about administrative investigations of complaints against accused employees. It outlines procedures for interviews, protections for employees, and the need for complete and truthful responses during interviews. The text also addresses the use of offensive or threatening language and the right to have an uninvolved representative present during interviews. It highlights the importance of maintaining the integrity of each employee's statement and the need for employees to provide complete and truthful responses.
Personnel Complaints

(j) No employee may be compelled to submit to a polygraph examination, nor shall any refusal to submit to such examination be mentioned in any investigation (Government Code § 3307).

1020.6.1 ADMINISTRATIVE SEARCHES
Any employee may be compelled to disclose personal financial information pursuant to proper legal process; if such information tends to indicate a conflict of interest with official duties, or, if the employee is assigned to or being considered for a special assignment with a potential for bribes (Government Code § 3308).

Employees shall have no expectation of privacy when using telephones, computers, radios or other communications provided by the Department.

Assigned lockers and storage spaces may only be administratively searched in the employee's presence, with the employee's consent, with a valid search warrant or where the employee has been given reasonable notice that the search will take place (Government Code § 3309).

All other departmentally assigned areas (e.g., desks, office space, assigned vehicles) may be administratively searched by a supervisor, in the presence of an uninvolved witness, for non-investigative purposes. (e.g., obtaining a needed report or radio). An investigative search of such areas shall only be conducted upon a reasonable suspicion that official misconduct is involved.

1020.6.2 ADMINISTRATIVE INVESTIGATION FORMAT
Investigations of personnel complaints shall be detailed, complete and essentially follow this format:

Introduction - Include the identity of the employee(s), the identity of the assigned investigator(s), the initial date and source of the complaint.

Synopsis - Provide a very brief summary of the facts giving rise to the investigation.

Summary Of Allegations - List the allegations separately (including applicable policy sections) with a very brief summary of the evidence relevant to each allegation. A separate recommended finding should be provided for each allegation.

Evidence As To Each Allegation - Each allegation should be set forth with the details of the evidence applicable to each allegation provided, including comprehensive summaries of employee and witness statements. Other evidence related to each allegation should also be detailed in this section.

Conclusion - A recommendation regarding further action or disposition should be provided.

Exhibits - A separate list of exhibits (recordings, photos, documents, etc.) should be attached to the report.

1020.7 DISPOSITION OF PERSONNEL COMPLAINTS
Each allegation shall be classified with one of the following dispositions:
Personnel Complaints

**Unfounded** - When the investigation discloses that the alleged act(s) did not occur or did not involve department personnel. Complaints which are determined to be frivolous will fall within the classification of unfounded (Penal Code § 832.5(c)).

**Exonerated** - When the investigation discloses that the alleged act occurred, but that the act was justified, lawful and/or proper.

**Not Sustained** - When the investigation discloses that there is insufficient evidence to sustain the complaint or fully exonerate the employee.

**Sustained** - When the investigation discloses sufficient evidence to establish that the act occurred and that it constituted misconduct.

If an investigation discloses misconduct or improper job performance which was not alleged in the original complaint, the investigator shall take appropriate action with regard to any additional allegations.

### 1020.8 COMPLETION OF INVESTIGATIONS

Every investigator or supervisor assigned to investigate a personnel complaint or other alleged misconduct shall proceed with due diligence in an effort to complete the investigation within one year from the date of discovery by an individual authorized to initiate an investigation. In the event that an investigation cannot be completed within one year of discovery, the assigned investigator or supervisor shall ensure that an extension or delay is warranted within the exceptions set forth in Government Code § 3304(d) or Government Code § 3508.1. If the nature of the allegations dictate that confidentiality is necessary to maintain the integrity of the investigation, the involved employee(s) need not be notified of the pending investigation unless and until the employee is interviewed or formally charged within one year of discovery.

Upon completion, the report should be forwarded through the chain of command to the commanding officer of the involved employee(s).

Once received, the Chief of Police may accept or modify the classification and recommendation for disciplinary action contained in the report.

Within 30 days of the final review by the Chief of Police, written notice of the findings shall be sent to the complaining party. This notice shall indicate the findings, however, will not disclose the amount of discipline, if any imposed. The complaining party should also be provided with a copy of his/her own original complaint (Penal Code § 832.7).

Any complaining party who is not satisfied with the findings of the Department concerning their complaint may contact the Chief of Police to discuss the matter further.

### 1020.8.1 CONFIDENTIALITY OF PERSONNEL FILES

All investigations of personnel complaints, whether originating from a citizen or internally, shall be considered confidential peace officer personnel files. The contents of such files shall not be revealed to other than the involved employee or authorized personnel except pursuant to lawful process.
Personnel Complaints

In the event that an accused employee (or the representative of such employee) knowingly makes false representations regarding any internal investigation and such false representations are communicated to any media source, the Department may disclose sufficient information from the employee's personnel file to refute such false representations (Penal Code § 832.5).

All sustained citizen's complaints shall be maintained for a period of at least five years (Penal Code § 832.5). All internally initiated complaints shall be maintained at least two years (Government Code § 34090 et seq.).

Sustained complaints shall be maintained in the employee's personnel file. Complaints which are unfounded, exonerated or not sustained shall be maintained by the Professional Standards Unit apart from the employee's personnel file.
Seat Belts

1022.1 PURPOSE AND SCOPE
This policy establishes guidelines for the use of seat belts and child restraints. This policy will apply to all members operating or riding in department vehicles (Vehicle Code § 27315.5).

1022.1.1 DEFINITIONS
Definitions related to this policy include:

Child restraint system - An infant or child passenger restraint system that meets Federal Motor Vehicle Safety Standards (FMVSS) and Regulations set forth in 49 CFR 571.213.

1022.2 WEARING OF SAFETY RESTRAINTS
All members shall wear properly adjusted safety restraints when operating or riding in a seat equipped with restraints, in any vehicle owned, leased or rented by this department while on- or off-duty, or in any privately owned vehicle while on-duty. The member driving such a vehicle shall ensure that all other occupants, including non-members, are also properly restrained.

Exceptions to the requirement to wear safety restraints may be made only in exceptional situations where, due to unusual circumstances, wearing a seat belt would endanger the member or the public. Members must be prepared to justify any deviation from this requirement.

1022.2.1 TRANSPORTING CHILDREN
Children under the age of 8 should be transported in compliance with California’s restraint system requirements (Vehicle Code § 27360).

A child may be transported by sworn personnel without the use of a child passenger restraint system in an authorized emergency vehicle if a child passenger restraint system is unavailable and the child is secured by a seat belt (Vehicle Code § 27363(b) and Vehicle Code § 165).

Members should deactivate, if available, the passenger side airbag when appropriate, such as when transporting a rear-facing infant or child in the front seat.

1022.3 TRANSPORTING SUSPECTS, PRISONERS OR ARRESTEES
Suspects, prisoners and arrestees should be in a seated position and secured in the rear seat of any department vehicle with a prisoner restraint system or, when a prisoner restraint system is not available, by seat belts provided by the vehicle manufacturer. The prisoner restraint system is not intended to be a substitute for handcuffs or other appendage restraints.

Prisoners in leg restraints shall be transported in accordance with the Handcuffing and Restraints Policy.

1022.4 INOPERABLE SEAT BELTS
Department vehicles shall not be operated when the seat belt in the driver’s position is inoperable. Persons shall not be transported in a seat in which the seat belt is inoperable.
Seat Belts

Department vehicle seat belts shall not be modified, removed, deactivated or altered in any way, except by the vehicle maintenance and repair staff, who shall do so only with the express authorization of the Chief of Police.

Members who discover an inoperable restraint system shall report the defect to the appropriate supervisor. Prompt action will be taken to replace or repair the system.

1022.5 TRANSPORTING CHILDREN
Children under the age of 8 shall be transported in compliance with California’s child restraint system requirements (Vehicle Code § 27360; Vehicle Code § 27363).

Rear seat passengers in a cage-equipped vehicle may have reduced clearance, which requires careful seating and positioning of seat belts. Due to this reduced clearance, and if permitted by law, children and any child restraint system may be secured in the front seat of such vehicles provided this positioning meets federal safety standards and the vehicle and child restraint system manufacturer’s design and use recommendations. In the event that a child is transported in the front seat of a vehicle, the seat should be pushed back as far as possible and the passenger-side airbag should be deactivated. If this is not possible, members should arrange alternate transportation when feasible. A child shall not be transported in a rear-facing child restraint system in the front seat in a vehicle that is equipped with an active frontal passenger airbag (Vehicle Code § 27363).

1022.6 VEHICLE AIRBAGS
In all vehicles equipped with airbag restraint systems, the system will not be tampered with or deactivated, except when transporting children as written elsewhere in this policy. All equipment installed in vehicles equipped with airbags will be installed as per the vehicle manufacturer specifications to avoid the danger of interfering with the effective deployment of the airbag device.

1022.7 POLICY
It is the policy of the Brawley Police Department that members use safety and child restraint systems to reduce the possibility of death or injury in a motor vehicle collision.
Body Armor

1024.1 PURPOSE AND SCOPE
The purpose of this policy is to provide law enforcement officers with guidelines for the proper use of body armor.

1024.2 POLICY
It is the policy of the Brawley Police Department to maximize officer safety through the use of body armor in combination with prescribed safety procedures. While body armor provides a significant level of protection, it is not a substitute for the observance of officer safety procedures.

1024.3 ISSUANCE OF BODY ARMOR
The Administrative Services Division Commander, or his designee, shall ensure that body armor is issued to all officers when the officer begins service at the Brawley Police Department and that, when issued, the body armor meets or exceeds the standards of the National Institute of Justice.

The Administrative Services Division Commander, or his designee, shall establish a body armor replacement schedule and ensure that replacement body armor is issued pursuant to the schedule or whenever the body armor becomes worn or damaged to the point that its effectiveness or functionality has been compromised.

1024.3.1 USE OF SOFT BODY ARMOR
Generally, the use of body armor is required subject to the following:

(a) Officers shall only wear agency-approved body armor.
(b) Officers shall wear body armor anytime they are in a situation where they could reasonably be expected to take enforcement action.
(c) Officers may be excused from wearing body armor when they are functioning primarily in an administrative or support capacity and could not reasonably be expected to take enforcement action.
(d) Body armor shall be worn when an officer is working in uniform or taking part in Department range training.
(e) An officer may be excused from wearing body armor when he/she is involved in undercover or plainclothes work that his/her supervisor determines could be compromised by wearing body armor, or when a supervisor determines that other circumstances make it inappropriate to mandate wearing body armor.

1024.3.2 INSPECTIONS OF BODY ARMOR
Supervisors should ensure that body armor is worn and maintained in accordance with this policy through routine observation and periodic documented inspections. Daily inspections of body armor should be conducted by each officer for fit, cleanliness, and signs of damage, abuse and wear.
Damaged or unfit body armor shall be reported to their supervisor in accordance with this policy and supervisors shall see that a spare is issued to the officer as soon as practical if the damage warrants replacement.

1024.3.3 CARE AND MAINTENANCE OF SOFT BODY ARMOR
Soft body armor should never be stored for any period of time in an area where environmental conditions (e.g., temperature, light, humidity) are not reasonably controlled (e.g., normal ambient room temperature/humidity conditions), such as in automobiles or automobile trunks.

Soft body armor should be cared for and cleaned pursuant to the manufacturer's care instructions provided with the soft body armor. The instructions can be found on labels located on the external surface of each ballistic panel. The carrier should also have a label that contains care instructions. Failure to follow these instructions may damage the ballistic performance capabilities of the armor. If care instructions for the soft body armor cannot be located, contact the manufacturer to request care instructions.

Soft body armor should not be exposed to any cleaning agents or methods not specifically recommended by the manufacturer, as noted on the armor panel label.

Soft body armor should be replaced in accordance with the manufacturer's recommended replacement schedule.

1024.4 RANGEMASTER RESPONSIBILITIES
The Rangemaster should:

(a) Monitor technological advances in the body armor industry for any appropriate changes to Department approved body armor.

(b) Assess weapons and ammunition currently in use and the suitability of approved body armor to protect against those threats.

(c) Provide training that educates officers about the safety benefits of wearing body armor.

- Conspicuous bravery or outstanding performance by any employee of the Department
- Any action or performance that is above and beyond the typical duties of an employee

1030.3.1 COMMENDATION INCIDENT REPORT
The Commendation Incident Report memorandum shall be used to document the commendation of the employee and shall contain the following:

(b) A brief account of the commendable action shall be documented on the form with report numbers, as appropriate
(c) Signature of the commending supervisor

Completed reports shall be forwarded to the appropriate Division Commander for his/her review. The Division Commander shall sign and forward the report to the Chief of Police for his/her review. Fitness for Duty

1032.1 PURPOSE AND SCOPE
All officers are required to be free from any physical, emotional, or mental condition which might adversely affect the exercise of peace officer powers. The purpose of this policy is to ensure that all officers of this department remain fit for duty and able to perform their job functions (Government Code § 1031).

1032.2 EMPLOYEE RESPONSIBILITIES
(a) It shall be the responsibility of each member of this department to maintain good physical condition sufficient to safely and properly perform essential duties of their position.
(b) Each member of this department shall perform his/her respective duties without physical, emotional, and/or mental constraints.
(c) During working hours, all employees are required to be alert, attentive, and capable of performing his/her assigned responsibilities.
(d) Any employee who feels unable to perform his/her duties shall promptly notify a supervisor. In the event that an employee believes that another employee is unable to perform his/her duties, such observations and/or belief shall be promptly reported to a supervisor.

1032.3 SUPERVISOR RESPONSIBILITIES
(a) A supervisor observing an employee, or receiving a report of an employee who is perceived to be, unable to safely perform his/her duties due to a physical or mental condition shall take prompt and appropriate action in an effort to resolve the situation.
(b) Whenever feasible, the supervisor should attempt to ascertain the reason or source of the problem and in all cases a preliminary evaluation should be made in an effort to determine the level of inability of the employee to perform his/her duties.
(c) In the event the employee appears to be in need of immediate medical or psychiatric treatment, all reasonable efforts should be made to provide such care.
(d) In conjunction with the Watch Commander or employee's available Division Commander, a determination should be made whether or not the employee should be temporarily relieved from his/her duties.
(e) The Chief of Police shall be promptly notified in the event that any employee is relieved from duty.
1032.4 NON-WORK RELATED CONDITIONS
Any employee suffering from a non-work related condition which warrants a temporary relief from
duty may be required to use sick leave or other paid time off (PTO) in order to obtain medical
treatment or other reasonable rest period.

1032.5 WORK RELATED CONDITIONS
Any employee suffering from a work related condition which warrants a temporary relief from duty
shall be required to comply with personnel rules and guidelines for processing such claims.

Upon the recommendation of the Watch Commander or unit supervisor and concurrence of a
Division Commander, any employee whose actions or use of force in an official capacity result
in death or serious injury to another may be temporarily removed from regularly assigned duties
and/or placed on paid administrative leave for the wellbeing of the employee and until such time
as the following may be completed:

(a) A preliminary determination that the employee's conduct appears to be in compliance
with policy and, if appropriate.

(b) The employee has had the opportunity to receive necessary counseling and/or
psychological clearance to return to full duty.

1032.6 PHYSICAL AND PSYCHOLOGICAL EXAMINATIONS

(a) Whenever circumstances reasonably indicate that an employee is unfit for duty, the
Chief of Police may serve that employee with a written order to undergo a physical and/
or psychological examination in cooperation with Personnel Department to determine
the level of the employee's fitness for duty. The order shall indicate the date, time and
place for the examination.

(b) The examining physician or therapist will provide the Department with a report
indicating that the employee is either fit for duty or, if not, listing any functional
limitations which limit the employee's ability to perform job duties (Civil Code § 56.10
(c)(8)(A)). If the employee places his/her condition at issue in any subsequent or
related administrative action/grievance, the examining physician or therapist may be
required to disclose any and all information which is relevant to such proceeding (Civil
Code § 56.10(c)(8)(B)).

(c) In order to facilitate the examination of any employee, the Department will provide
all appropriate documents and available information to assist in the evaluation and/
or treatment.

(d) All reports and evaluations submitted by the treating physician or therapist shall be
part of the employee's confidential personnel file.

(e) Any employee ordered to receive a fitness for duty examination shall comply with
the terms of the order and cooperate fully with the examining physician or therapist
regarding any clinical interview, tests administered or other procedures as directed. Any failure to comply with such an order and any failure to cooperate with the examining physician or therapist may be deemed insubordination and shall be subject to discipline up to and including termination.

(f) Once an employee has been deemed fit for duty by the examining physician or therapist, the employee will be notified to resume his/her duties.

1032.7 LIMITATION ON HOURS WORKED
Except during emergency operations, and in very limited circumstances; e.g., Cattle Call, members should have a minimum of 8 hours off between shifts. Supervisors should give consideration to reasonable rest periods and are authorized to deny overtime or relieve to off-duty status any member who may not be afforded a minimum of an 8 hours prior to his next scheduled shift.

Hours worked apply to shift changes, shift trades, rotation, holdover, training, general overtime and any other work assignments.

1032.8 APPEALS
An employee who is separated from paid employment or receives a reduction in salary resulting from a fitness for duty examination shall be entitled to an administrative appeal as outlined in the Conduct Policy.
Meal Periods and Breaks

1034.1 PURPOSE AND SCOPE
This policy regarding meals and breaks, shall conform to the employees’ respective Memorandum of Understanding.

1034.1.1 MEAL PERIODS
Unless otherwise outlined in the respective employee’s Memorandum of Understanding, all employees shall remain on duty subject to call during meal breaks.

Uniformed patrol and traffic officers shall request clearance from the Communications Center prior to taking a meal period. Uniformed officers shall take their breaks within the City limits unless on assignment outside of the City.

The time spent for the meal period shall not exceed the authorized time allowed. No meal period should be taken during the first or last hour of an employee’s shift unless approved by a supervisor.

1034.1.2 15 MINUTE BREAKS
Each employee is entitled to a 15 minute break, near the midpoint, for each four-hour work period. Only one 15 minute break shall be taken during each four hours of duty. No breaks shall be taken during the first or last hour of an employee’s shift unless approved by a supervisor.

Employees normally assigned to the police facility shall remain in the police facility for their breaks. This would not prohibit them from taking a break outside the facility if on official business.

Field officers will take their breaks in their assigned areas, subject to call and shall monitor their radios. When field officers take their breaks away from their vehicles, they shall do so only with the knowledge and clearance of the Communications Center.
Lactation Break Policy

1035.1 PURPOSE AND SCOPE
The purpose of this policy is to provide reasonable accommodations to employees desiring to express breast milk for the employee's infant child (29 USC § 207 and Labor Code §§ 1030-1032).

1035.2 POLICY
It is the policy of this department to provide, in compliance with the Fair Labor Standards Act, reasonable break time and appropriate facilities to accommodate any employee desiring to express breast milk for her nursing infant child (29 USC § 207 and Labor Code § 1030).

1035.3 LACTATION BREAK TIME
A rest period should be permitted each time the employee has the need to express breast milk (29 USC § 207). In general, lactation breaks that cumulatively total 30 minutes or less during any four-hour work period or major portion of a four-hour work period would be considered reasonable. However, individual circumstances may require more or less time. Such breaks, if feasible, should be taken at the same time as the employee's regularly scheduled rest or meal periods.

While a reasonable effort will be made to provide additional time beyond authorized breaks, any such time exceeding regularly scheduled and paid break time will be unpaid (Labor Code § 1030). Employees desiring to take a lactation break shall notify the Communications Center or a supervisor prior to taking such a break. Such breaks may be reasonably delayed if they would seriously disrupt department operations (Labor Code § 1032).

Once a lactation break has been approved, the break should not be interrupted except for emergency or exigent circumstances.

1035.4 PRIVATE LOCATION
The Department will make reasonable efforts to accommodate employees with the use of an appropriate room or other location to express milk in private. Such room or place should be in close proximity to the employee's work area and shall be other than a bathroom or toilet stall. The location must be shielded from view and free from intrusion from co-workers and the public (29 USC § 207 and Labor Code § 1031).

Employees occupying such private areas shall either secure the door or otherwise make it clear to others that the area is occupied with a need for privacy. All other employees should avoid interrupting an employee during an authorized break, except to announce an emergency or other urgent circumstance.

Authorized lactation breaks for employees assigned to the field may be taken at the nearest appropriate private area.
1035.5 STORAGE OF EXPRESSED MILK
Any employee storing expressed milk in any authorized refrigerated area within the Department shall clearly label it as such and shall remove it when the employee ends her shift.
Time Card Procedures

1036.1 PURPOSE AND SCOPE
Payroll records are submitted to Administrative Services on a bi-weekly basis for the payment of wages.

1036.1.1 RESPONSIBILITY FOR COMPLETION OF PAYROLL RECORDS
Employees are responsible for the accurate and timely submission of payroll records for the payment of wages.

Employees shall sign all applicable documents as indicated prior to submitting their payroll records.

Exceptions may include employees on vacation, paid administrative leave, or extended illness.

1036.1.2 TIME REQUIREMENTS
All employees are paid on a bi-weekly basis usually on Friday with certain exceptions such as holidays. Payroll records shall be completed and submitted to Administrative Services no later than 8:00 a.m. on the Tuesday morning before the end of the pay period, unless specified otherwise.
Overtime Compensation Requests

1038.1 PURPOSE AND SCOPE
It is the policy of the Department to compensate non-exempt salaried employees who work authorized overtime either by payment of wages as agreed and in effect through the Memorandum of Understanding (MOU), or by the allowance of accrual of compensatory time off. In order to qualify for either, the employee must complete and submit a Request for Overtime Payment as soon as practical after overtime is worked.

1038.1.1 DEPARTMENT POLICY
Because of the nature of police work, and the specific needs of the Department, a degree of flexibility concerning overtime policies must be maintained.

Non-exempt employees are not authorized to volunteer work time to the Department. All requests to work overtime shall be approved in advance by a supervisor. If circumstances do not permit prior approval, then approval shall be sought as soon as practical during the overtime shift and in no case later than the end of shift in which the overtime is worked.

Short periods of work at the end of the normal duty day (e.g., less than one hour in duration) may be handled unofficially between the supervisor and the employee by flexing a subsequent shift schedule to compensate for the time worked rather than by submitting requests for overtime payments. If the supervisor authorizes or directs the employee to complete a form for such a period, the employee shall comply.

The individual employee may request compensatory time in lieu of receiving overtime payment, however, the employee may not exceed compensatory time greater than the number of hours delineated in their respective Memorandum of Understanding.

Employees are to record the actual time worked on an overtime status. In some cases, the Memorandum of Understanding provides minimum times will be paid; e.g., callback, court, etc...

Partial hours of overtime worked are to be accounted for to the nearest 1/4 hour (15 minute) increment (§1038.3.1).

1038.2 REQUEST FOR OVERTIME COMPENSATION
Employees shall submit all overtime compensation requests to their immediate supervisors as soon as practicable for verification and forwarding to the Administrative Services Division.

Failure to submit a request for overtime compensation in a timely manner may result in discipline.

1038.2.1 EMPLOYEES RESPONSIBILITY
Employees shall complete the requests immediately after working the overtime and turn them in to their immediate supervisor or the Watch Commander. Employees submitting overtime cards for on-call pay when off duty shall submit cards to the Watch Commander the first day after returning for work.
**Overtime Compensation Requests**

1038.2.2 SUPERVISORS RESPONSIBILITY
The supervisor who verifies the overtime earned shall verify that the overtime was worked before approving the request.

After the entry has been made on the employee's time card, the overtime payment request form is forwarded to the employee's Division Commander for final approval.

1038.2.3 DIVISION COMMANDERS RESPONSIBILITY
Division Commanders, after approving payment, will then forward the form to the Chief of Police for review.

1038.3 ACCOUNTING FOR OVERTIME WORKED
Employees are to record the actual time worked in an overtime status. In some cases, the Memorandum of Understanding provides that a minimum number of hours will be paid, (e.g., hours in court, hours for call-back, etc...). The supervisor will enter the actual time worked. Employees working overtime pursuant to a minimum number of hours as delineated in their respective MOU; e.g., call-back, shall remain available at the station or their assigned area until that minimum number of hours has expired or until released by their supervisor.

1038.3.1 ACCOUNTING FOR PORTIONS OF AN HOUR
When accounting for less than a full hour, time worked shall be rounded up to the nearest quarter of an hour as indicated by the following chart:

<table>
<thead>
<tr>
<th>TIME WORKED</th>
<th>INDICATE ON CARD</th>
</tr>
</thead>
<tbody>
<tr>
<td>1 to 15 minutes</td>
<td>.25 hour</td>

<tr>

</tr>
<tr>
<td>31 to 45 minutes</td>
<td>.75 hour</td>
</tr>
<tr>
<td>46 to 60 minutes</td>
<td>1 hour</td>
</tr>
</tbody>
</table>

1038.3.2 VARIATION IN TIME REPORTED
Where two or more employees are assigned to the same activity, case, or court trial and the amount of time for which payment is requested varies from that reported by the other officer, the Watch Commander or other approving supervisor may require each employee to include the reason for the variation on the back of the overtime payment request.
Outside Employment

1040.1 PURPOSE AND SCOPE
In order to avoid actual or perceived conflicts of interest for departmental employees engaging in outside employment, or self-employment activities; e.g., business ownership, all employees shall obtain written approval from the Chief of Police and the City Manager prior to engaging in any outside employment or self-employment activities. Approval of outside employment shall be at the discretion of the Chief of Police and City Manager in accordance with the provisions of this policy.

1040.1.1 DEFINITIONS

Outside Employment - Any member of this department who receives wages, compensation or other consideration of value from another employer, organization or individual not affiliated directly with this department for services, product(s) or benefits rendered. For purposes of this section, the definition of outside employment includes those employees who are self-employed and not affiliated directly with this department for services, product(s) or benefits rendered.

Outside Overtime - Any member of this department who performs duties or services on behalf of an outside organization, company, or individual within this jurisdiction. Such outside overtime shall be requested and scheduled directly through this department so that the Department may be reimbursed for the cost of wages and benefits.

1040.2 OBTAINING APPROVAL
No member of this department may engage in any outside employment without first obtaining prior written approval of the Chief of Police, and (per City Policy) the City Manager. Failure to obtain prior written approval for outside employment or engaging in outside employment prohibited by this policy may lead to disciplinary action.

In order to obtain approval for outside employment, the employee must complete an Outside Employment Application which shall be submitted to the employee's immediate supervisor. The application will then be forwarded through the chain-of-command to the Chief of Police and City Manager for consideration.

If approved, the employee will be provided with a copy of the approved application. Unless otherwise indicated in writing on the approved application, a permit will be valid through the end of the calendar year in which the permit is approved. Any employee seeking to renew an application shall submit a new Outside Employment Application in January of each year the employee desires to maintain outside employment.

Any employee seeking approval of outside employment, whose request has been denied, shall be provided with a written reason for the denial of the application at the time of the denial (Penal Code § 70(e)(3)).
Outside Employment

1040.2.1 APPEAL OF DENIAL OF OUTSIDE EMPLOYMENT
If an employee's Outside Employment Application is denied or withdrawn by the Department, the employee may file a written notice of appeal to the Chief of Police within ten days of the date of denial.

If the employee's appeal is denied, the employee may file a grievance pursuant to the procedure set forth in the current Memorandum of Understanding (MOU).

1040.2.2 REVOCATION/SUSPENSION OF OUTSIDE EMPLOYMENT PERMITS
Any outside employment permit may be revoked or suspended under the following circumstances:

(a) Should an employee's performance at this department decline to a point where it is evaluated by a supervisor as needing improvement to reach an overall level of competency, the Chief of Police may, at his or her discretion, revoke any previously approved outside employment permit(s). That revocation will stand until the employee's performance has been reestablished at a satisfactory level and his/her supervisor recommends reinstatement of the outside employment permit.

(b) Suspension or revocation of a previously approved outside employment permit may be included as a term or condition of sustained discipline.

(c) If, at any time during the term of a valid outside employment permit, an employee's conduct or outside employment conflicts with the provisions of department policy, the permit may be suspended or revoked.

(d) When an employee is unable to perform at a full duty capacity due to an injury or other condition, any previously approved outside employment permit may be subject to similar restrictions as those applicable to the employee's full time duties until the employee has returned to a full duty status.

1040.3 PROHIBITED OUTSIDE EMPLOYMENT
Consistent with the provisions of Government Code § 1126, the Department expressly reserves the right to deny any Outside Employment Application submitted by an employee seeking to engage in any activity which:

(a) Involves the employee's use of departmental time, facilities, equipment or supplies, the use of the Department badge, uniform, prestige or influence for private gain or advantage.

(b) Involves the employee's receipt or acceptance of any money or other consideration from anyone other than this department for the performance of an act which the employee, if not performing such act, would be required or expected to render in the regular course or hours of employment or as a part of the employee's duties as a member of this department.
**Outside Employment**

(c) Involves the performance of an act in other than the employee's capacity as a member of this department that may later be subject directly or indirectly to the control, inspection, review, audit or enforcement of any other employee of this department.

(d) Involves time demands that would render performance of the employee's duties for this department less efficient.

1040.3.1 OUTSIDE SECURITY AND PEACE OFFICER EMPLOYMENT
Consistent with the provisions of Penal Code § 70, and because it would further create a potential conflict of interest, no member of this department may engage in any outside or secondary employment as a private security guard, private investigator or other similar private security position.

Any private organization, entity or individual seeking special services for security or traffic control from members of this department must submit a written request to the Chief of Police in advance of the desired service. Such outside extra duty overtime assignments will be assigned, monitored and paid through the Department.

(a) The applicant will be required to enter into an indemnification agreement prior to approval.

(b) The applicant will further be required to provide for the compensation and full benefits of all employees requested for such outside security services.

(c) Should such a request be approved, any employee working outside overtime shall be subject to the following conditions:

1. The officer(s) shall wear the departmental uniform/identification.
2. The officer(s) shall be subject to the rules and regulations of this department.
3. No officer may engage in such outside employment during or at the site of a strike, lockout, picket, or other physical demonstration of a labor dispute.
4. Compensation for such approved outside security services shall be pursuant to normal overtime procedures.
5. Outside security services shall not be subject to the collective bargaining process.
6. No officer may engage in outside employment as a peace officer for any other public agency without prior written authorization of the Chief of Police.

1040.3.2 OUTSIDE OVERTIME ARREST AND REPORTING PROCEDURE
Any employee making an arrest or taking other official police action while working in an approved outside overtime assignment shall be required to complete all related reports in a timely manner pursuant to department policy. Time spent on the completion of such reports shall be considered incidental to the outside overtime assignment.
Outside Employment

1040.3.3 SPECIAL RESTRICTIONS
Except for emergency situations or with prior authorization from the Division Commander, undercover officers or officers assigned to covert operations shall not be eligible to work overtime or other assignments in a uniformed or other capacity which might reasonably disclose the officer's law enforcement status.

1040.4 DEPARTMENT RESOURCES
Employees are prohibited from using any department equipment or resources in the course of or for the benefit of any outside employment. This shall include the prohibition of access to official records or databases of this department or other agencies through the use of the employee's position with this department.

1040.4.1 REVIEW OF FINANCIAL RECORDS
Employees approved for outside employment expressly agree that their personal financial records may be requested and reviewed/audited for potential conflict of interest (Government Code § 3308; Government Code § 1126). Prior to providing written approval for an outside employment position, the Department may request that an employee provide his/her personal financial records for review/audit in order to determine whether a conflict of interest exists. Failure of the employee to provide the requested personal financial records could result in denial of the off-duty work permit. If, after approving a request for an outside employment position, the Department becomes concerned that a conflict of interest exists based on a financial reason, the Department may request that the employee provide his/her personal financial records for review/audit. If the employee elects not to provide the requested records, his/her off-duty work permit may be revoked pursuant to § 1040.2.2(c) of this policy.

1040.5 CHANGES IN OUTSIDE EMPLOYMENT STATUS
If an employee terminates his or her outside employment during the period of a valid permit, the employee shall promptly submit written notification of such termination to the Chief of Police through channels. Any subsequent request for renewal or continued outside employment must thereafter be processed and approved through normal procedures set forth in this policy.

Employees shall also promptly submit in writing to the Chief of Police any material changes in outside employment including any change in the number of hours, type of duties, or demands of any approved outside employment. Employees who are uncertain whether a change in outside employment is material are advised to report the change.

1040.6 OUTSIDE EMPLOYMENT WHILE ON DISABILITY
Department members engaged in outside employment who are placed on disability leave or modified/light-duty shall inform their immediate supervisor in writing within five days whether or not they intend to continue to engage in such outside employment while on such leave or light-duty status. The immediate supervisor shall review the duties of the outside employment along with any related doctor’s orders, and make a recommendation to the Chief of Police whether such outside employment should continue.
Outside Employment

In the event the Chief of Police determines that the outside employment should be discontinued or if the employee fails to promptly notify his/her supervisor of his/her intentions regarding their work permit, a notice of revocation of the member's permit will be forwarded to the involved employee, and a copy attached to the original work permit.

Criteria for revoking the outside employment permit include, but are not limited to, the following:

(a) The outside employment is medically detrimental to the total recovery of the disabled member, as indicated by the City's professional medical advisors.

(b) The outside employment performed requires the same or similar physical ability, as would be required of an on-duty member.

(c) The employee's failure to make timely notice of their intentions to their supervisor.

When the disabled member returns to full duty with the Brawley Police Department, a request (in writing) may be made to the Chief of Police to restore the permit.
On Duty Injuries

1042.1 PURPOSE AND SCOPE
The purpose of this policy is to provide for the reporting of on-duty injuries, occupational illnesses, or deaths to Risk Management, to ensure proper medical attention is received, and document the circumstances of the incident.

1042.2 WORKER’S COMPENSATION FUND REPORTS

1042.2.1 INJURIES REQUIRING MEDICAL CARE
All work related injuries and work related illnesses requiring medical care must be reported to the Risk Management Office and a claim form shall be provided to the injured employee within 24 hours from the time the injury was discovered, excluding weekends and holidays.

1042.2.2 ACCIDENT DEFINED

Accident - is defined as any occurrence from which bodily injury or property damage may result, regardless of whether any injury or damage actually does occur (e.g., exposure where no immediate injury is apparent).

1042.2.3 EMPLOYEE’S RESPONSIBILITY

Any employee sustaining any work-related injury or illness, as well as any employee who is involved in any accident while on duty shall report such injury, illness or accident as soon as practical to his/her supervisor.

Any employee observing or learning of a potentially hazardous condition is to promptly report the condition to his/her immediate supervisor.

Any employee sustaining a work-related injury or illness that requires relief from duty is required to be examined/treated by a doctor.

Any employee sustaining a work-related injury or illness that requires relief from duty is also required to comply with departmental policies and directives relating to the duty to periodically call in during absences, as well as the duty to notify the Department of any change in condition or anticipated duration of the absence.

When appropriate, an employee being treated for an on-duty injury should inform the attending physician that a modified duty assignment may be available at the Department. Limited-service duty may be available for the employees whose injuries prevent resumption of regular duties.

An injured employee or employee who has suffered a work-related illness shall report as soon as practical to his/her immediate supervisor the medical findings concerning the injury and the extent and duration of any work restrictions if they are known. In addition, such employees are required to promptly submit all medical releases, whether partial or full releases, to their supervisor.
1042.2.4 SUPERVISOR'S RESPONSIBILITY
A supervisor learning of any work-related injury, illness or accident shall promptly prepare the appropriate forms as outlined under Policy Manual § 1042.2. Updated copies of forms with instructions for completion provided by Risk Management are kept in the Sergeant's office.

For work-related accidents, injuries or illness not requiring professional medical care, a Supervisor's Report of Injury form shall be completed in triplicate. All copies of the completed form shall be forwarded to the supervisor's Division Commander, through the chain of command.

When an accident, injury, or illness is reported initially on the Supervisor's Report of Injury form and the employee subsequently requires professional medical care, the State of California Employer's Report of Occupational Injury or Illness form shall then be completed. The injured employee shall also sign the form in the appropriate location.

Every injured employee must be provided with an Employee's Claim for Workers' Compensation Benefits Form (DWC-1) within 24 hours, regardless of the nature of illness or injury.

Copies of any reports documenting the accident or injury should be forwarded to the Division Commander as soon as they are completed.

1042.2.5 DIVISION COMMANDER RESPONSIBILITY
The Division Commander receiving a report of a work-related accident or injury should review the report for accuracy and determine what additional action should be taken. The report shall then be forwarded to the Chief of Police.

1042.2.6 CHIEF OF POLICE RESPONSIBILITY
The Chief of Police shall review and forward copies of the report to the Personnel Department. Any copies of the report and any related documents retained by the Department shall be filed in the employee's confidential medical file and not in the employee's personnel file (see Policy Manual § 1026).

1042.3 INJURY NOT REQUIRING MEDICAL ATTENTION
Those injuries and illnesses not requiring medical attention shall be recorded on a Supervisor's Report of Injury form. This form shall be completed and signed by a supervisor.

This form shall be signed by the affected employee, indicating that he/she desired no medical attention at the time of the report. By signing this form, the employee will not preclude his/her ability to seek medical attention later.

1042.4 SETTLEMENT OF INJURY CLAIMS
Occasionally, an employee's work-related injury results from the negligent or wrongful acts of another, for which the employee, the City, and/or other insurers are entitled to recover civilly. To ensure that the City's interests are protected and that the employee has the benefit of the City's experience in these matters, the following procedure is to be followed:
1042.4.1 EMPLOYEE TO REPORT INITIAL CONTACTS
When an employee sustains work-related injuries caused by another person and is then approached by such person or an agent, insurance company, or attorney and offered a settlement of claims, that employee shall take no action other than to make a written report of this contact to his/her supervisor as soon as possible.

1042.4.2 NO SETTLEMENT WITHOUT PRIOR APPROVAL
No less than ten (10) days prior to accepting and finalizing the settlement of any third party claim arising out of or related to an on duty injury, the employee shall provide the Chief of Police with written notice of the proposed terms of such settlement. In no case shall the employee accept a settlement without first providing such written notice to the Chief of Police. The purpose of such notice to permit the City to determine whether or not the offered settlement will affect any claim the City may have regarding payment for damage(s) to equipment or reimbursement for wages against the person who caused the accident or injury and to protect the City's right of subrogation, while ensuring that the employee's rights to receive compensation for injuries are not affected.
Personal Appearance Standards

1044.1 PURPOSE AND SCOPE
In order to project uniformity and neutrality toward the public and other members of the [department/office], employees shall maintain their personal hygiene and appearance to project a professional image appropriate for this [department/office] and for their assignment.

1044.2 GROOMING STANDARDS
Unless otherwise stated and because deviations from these standards could present officer safety issues, the following appearance standards shall apply to all employees, except those whose current assignment would deem them not appropriate, and where the Chief of Police has granted exception.

1044.2.1 HAIR

Hair must be trimmed and neatly combed. Wigs and hair pieces shall not be worn unless they conform to the standards for natural hair.

Male members of the department will avoid allowing their hair to appear long and/or unkempt. The hair style may be "full" in appearance but shall not extend over 1" below the top of the collar at the back. Hair on the sides will not extend below the lower portion of the ear when hair is combed straight down.

Female officers whose natural hair length is long shall wear it styled in such a manner that it is conducive to safety standards. Hair styles shall not be flamboyant and shall be neat and well groomed.

The flair (terminal portion of the sideburn) shall not exceed the width of the main portion of the sideburn by more than 1/8".

1044.2.4 FACIAL HAIR

Personal Appearance Standards

1044.2.5 FINGERNAILS
Fingernails shall be kept clean, trimmed, and shall not exceed 1/8" beyond the fingertips, nor shall they include artificial tips or decorations. Clear or flesh colored nail polish may be worn. Non-uniformed female personnel shall ensure that the length of the fingernails shall not interfere with the use of equipment or constitute a hazard to either the officer or to members of the public as determined by the Watch Commander. Nail polish should reflect good taste.

1044.2.6 JEWELRY AND ACCESSORIES
No jewelry or personal ornaments shall be affixed to, or worn with, any part of the uniform. Jewelry includes earrings (except as noted) and necklaces. Female officers may wear one (1) stud earring in each ear. Bracelets and large conspicuous rings will be left to the Division Commander's discretion based on safety to the officer and public. Only one ring may be worn on each hand of the employee while on-duty.

Chief of Police

1044.3 TATTOOS
While on-duty and wearing any uniform, when assigned as a detective to the Investigations Unit, or any time representing the department and contacting the general public, members of the department shall not display any tattoos. Temporary Modified-Duty Assignments

(c) Supervisors shall keep the Division Commander apprised of the employee's status and ability to perform the modified-duty assignment. Modified-duty assignments that extend beyond 60 days will require a written status report and a request for an extension to the Division Commander with an update of the employee's current status and anticipated date of return to regular duty. Extensions require approval of the Chief of Police.

(d) When it is determined that an employee on modified duty will return to regular duty, the supervisor shall notify the Division Commander and complete and process a change of shift/assignment form. All training and certification necessary for return to duty shall be reviewed and updated as necessary.

1054.4.3 MEDICAL EXAMINATIONS
The Department reserves the right to require, prior to returning to full-duty status, a fitness-for-duty examination of any employee assigned to a modified-duty assignment or of any employee having been on such assignment. Such examinations shall be at the expense of the Department. Prior to returning to full-duty status, employees shall be required to provide a statement signed by their health care provider indicating that they are medically cleared to perform the basic and essential job functions of their assignment without restriction or limitation.

1054.5 ACCOUNTABILITY
Written notification of assignments, work schedules and any restrictions should be provided to employees assigned to temporary modified-duty assignments and their supervisors. Those assignments and schedules may be adjusted to accommodate [department/office] operations and the employee’s medical appointments, as mutually agreed upon with the Division Commander.

1054.5.1 EMPLOYEE RESPONSIBILITIES
The responsibilities of employees assigned to temporary modified duty shall include, but not be limited to:

(a) Communicating and coordinating any required medical and physical therapy appointments in advance with their supervisors.

(b) Promptly notifying their supervisors of any change in restrictions or limitations after each appointment with their treating medical professionals.

(c) Communicating a status update to their supervisors no less than once every 30 days while assigned to temporary modified duty.

(d) Submitting a written status report to the Division Commander that contains a status update and anticipated date of return to full-duty when a temporary modified-duty assignment extends beyond 60 days.
1054.5.2 SUPERVISOR RESPONSIBILITIES
The employee’s immediate supervisor shall monitor and manage the work schedule of those assigned to temporary modified duty.

The responsibilities of supervisors shall include, but not be limited to:

(a) Periodically apprising the Division Commander of the status and performance of employees assigned to temporary modified duty.
(b) Notifying the Division Commander and ensuring that the required documentation facilitating a return to full duty is received from the employee.
(c) Ensuring that employees returning to full duty have completed any required training and certification.

1054.6 MEDICAL EXAMINATIONS
Prior to returning to full-duty status, employees shall be required to provide certification from their treating medical professionals stating that they are medically cleared to perform the essential functions of their jobs without restrictions or limitations.

The [Department/Office] may require a fitness-for-duty examination prior to returning an employee to full-duty status, in accordance with the Fitness for Duty Policy.

1054.7 PREGNANCY
If an employee is temporarily unable to perform regular duties due to a pregnancy, childbirth, or a related medical condition, the employee will be treated the same as any other temporarily disabled employee (42 USC § 2000e(k)). A pregnant employee shall not be involuntarily transferred to a temporary modified-duty assignment. Nothing in this policy limits a pregnant employee’s right to a temporary modified-duty assignment if required under Government Code § 12945.

1054.7.1 NOTIFICATION
Pregnant employees should notify their immediate supervisors as soon as practicable and provide a statement from their medical providers identifying any pregnancy-related job restrictions or limitations. If at any point during the pregnancy it becomes necessary for the employee to take a leave of absence, such leave shall be granted in accordance with the City’s personnel rules and regulations regarding family and medical care leave.

1054.8 PROBATIONARY EMPLOYEES
Probationary employees who are assigned to a temporary modified-duty assignment shall have their probation extended by a period of time equal to their assignment to temporary modified duty.

1054.9 MAINTENANCE OF CERTIFICATION AND TRAINING
Employees assigned to temporary modified duty shall maintain all certification, training and qualifications appropriate to both their regular and temporary duties, provided that the certification, training or qualifications are not in conflict with any medical limitations or restrictions. Employees
Temporary Modified-Duty Assignments

who are assigned to temporary modified duty shall inform their supervisors of any inability to maintain any certification, training or qualifications.
Employee Speech, Expression and Social Networking

1058.1 PURPOSE AND SCOPE
This policy is intended to address issues associated with employee use of social networking sites and to provide guidelines for the regulation and balancing of employee speech and expression with the needs of the [Department/Office].

Nothing in this policy is intended to prohibit or infringe upon any communication, speech or expression that is protected or privileged under law. This includes speech and expression protected under state or federal constitutions as well as labor or other applicable laws. For example, this policy does not limit an employee from speaking as a private citizen, including acting as an authorized member of a recognized bargaining unit or officer associations, about matters of public concern, such as misconduct or corruption.

Employees are encouraged to consult with their supervisor regarding any questions arising from the application or potential application of this policy.

1058.1.1 APPLICABILITY
This policy applies to all forms of communication including but not limited to film, video, print media, public or private speech, use of all internet services, including the World Wide Web, e-mail, file transfer, remote computer access, news services, social networking, social media, instant messaging, blogs, forums, video, and other file-sharing sites.

1058.2 POLICY
Public employees occupy a trusted position in the community, and thus, their statements have the potential to contravene the policies and performance of this [department/office]. Due to the nature of the work and influence associated with the law enforcement profession, it is necessary that employees of this [department/office] be subject to certain reasonable limitations on their speech and expression. To achieve its mission and efficiently provide service to the public, the Brawley Police Department will carefully balance the individual employee’s rights against the [Department/Office]'s needs and interests when exercising a reasonable degree of control over its employees’ speech and expression.

1058.3 SAFETY
Employees should consider carefully the implications of their speech or any other form of expression when using the internet. Speech and expression that may negatively affect the safety of the Brawley Police Department employees, such as posting personal information in a public forum, can result in compromising an employee’s home address or family ties. Employees should therefore not disseminate or post any information on any forum or medium that could reasonably be anticipated to compromise the safety of any employee, an employee’s family, or associates.
Employee Speech, Expression and Social Networking

Examples of the type of information that could reasonably be expected to compromise safety include:

- Disclosing a photograph and name or address of an officer who is working undercover.
- Disclosing the address of a fellow officer.
- Otherwise disclosing where another officer can be located off-duty.

1058.4 PROHIBITED SPEECH, EXPRESSION AND CONDUCT

To meet the [department/office]'s safety, performance and public-trust needs, the following are prohibited unless the speech is otherwise protected (for example, an employee speaking as a private citizen, including acting as an authorized member of a recognized bargaining unit or officer associations, on a matter of public concern):

(a) Speech or expression made pursuant to an official duty that tends to compromise or damage the mission, function, reputation or professionalism of the Brawley Police Department or its employees.

(b) Speech or expression that, while not made pursuant to an official duty, is significantly linked to, or related to, the Brawley Police Department and tends to compromise or damage the mission, function, reputation or professionalism of the Brawley Police Department or its employees. Examples may include:

1. Statements that indicate disregard for the law or the state or U.S. Constitution.
2. Expression that demonstrates support for criminal activity.
3. Participating in sexually explicit photographs or videos for compensation or distribution.

(c) Speech or expression that could reasonably be foreseen as having a negative impact on the credibility of the employee as a witness. For example, posting statements or expressions to a website that glorify or endorse dishonesty, unlawful discrimination or illegal behavior.

(d) Speech or expression of any form that could reasonably be foreseen as having a negative impact on the safety of the employees of the [Department/Office]. For example, a statement on a blog that provides specific details as to how and when prisoner transportations are made could reasonably be foreseen as potentially jeopardizing employees by informing criminals of details that could facilitate an escape or attempted escape.

(e) Speech or expression that is contrary to the canons of the Law Enforcement Code of Ethics as adopted by the Brawley Police Department.

(f) Use or disclosure, through whatever means, of any information, photograph, video or other recording obtained or accessible as a result of employment with the [Department/
Employee Speech, Expression and Social Networking

Office for financial or personal gain, or any disclosure of such materials without the express authorization of the Chief of Police or the authorized designee.

(g) Posting, transmitting or disseminating any photographs, video or audio recordings, likenesses or images of [department/office] logos, emblems, uniforms, badges, patches, marked vehicles, equipment or other material that specifically identifies the Brawley Police Department on any personal or social networking or other website or web page, without the express authorization of the Chief of Police.

(h) Accessing websites for non-authorized purposes, or use of any personal communication device, game device or media device, whether personally or [department/office]-owned, for personal purposes while on-duty, except in the following circumstances:

1. When brief personal communication may be warranted by the circumstances (e.g., inform family of extended hours).

2. During authorized breaks such usage should be limited as much as practicable to areas out of sight and sound of the public and shall not be disruptive to the work environment.

Employees must take reasonable and prompt action to remove any content, including content posted by others, that is in violation of this policy from any web page or website maintained by the employee (e.g., social or personal website).

1058.4.1 UNAUTHORIZED ENDORSEMENTS AND ADVERTISEMENTS

While employees are not restricted from engaging in the following activities as private citizens or as authorized members of a recognized bargaining unit or officer associations, employees may not represent the Brawley Police Department or identify themselves in any way that could be reasonably perceived as representing the Brawley Police Department in order to do any of the following, unless specifically authorized by the Chief of Police (Government Code § 3206; Government Code § 3302):

(a) Endorse, support, oppose or contradict any political campaign or initiative.

(b) Endorse, support, oppose or contradict any social issue, cause or religion.

(c) Endorse, support or oppose any product, service, company or other commercial entity.

(d) Appear in any commercial, social or nonprofit publication or any motion picture, film, video, public broadcast or on any website.

Additionally, when it can reasonably be construed that an employee, acting in his/her individual capacity or through an outside group or organization (e.g., bargaining group or officer associations), is affiliated with this [department/office], the employee shall give a specific disclaiming statement that any such speech or expression is not representative of the Brawley Police Department.
Employee Speech, Expression and Social Networking

Employees retain their right to vote as they choose, to support candidates of their choice and to express their opinions as private citizens, including as authorized members of a recognized bargaining unit or officer associations, on political subjects and candidates at all times while off-duty.

However, employees may not use their official authority or influence to interfere with or affect the result of an election or a nomination for office. Employees are also prohibited from directly or indirectly using their official authority to coerce, command or advise another employee to pay, lend or contribute anything of value to a party, committee, organization, agency or person for political purposes (5 USC § 1502).

1058.5 PRIVACY EXPECTATION
Employees forfeit any expectation of privacy with regard to e-mails, texts, or anything published or maintained through file-sharing software or any internet site (e.g., Facebook) that is accessed, transmitted, received, or reviewed on any [department/office] technology system (see the Information Technology Use Policy for additional guidance).

The [Department/Office] shall not require an employee to disclose a personal user name or password for accessing personal social media or to open a personal social website; however, the [Department/Office] may request access when it is reasonably believed to be relevant to the investigation of allegations of work-related misconduct (Labor Code § 980).

1058.6 CONSIDERATIONS
In determining whether to grant authorization of any speech or conduct that is prohibited under this policy, the factors that the Chief of Police or authorized designee should consider include:

(a) Whether the speech or conduct would negatively affect the efficiency of delivering public services.

(b) Whether the speech or conduct would be contrary to the good order of the [Department/Office] or the efficiency or morale of its members.

(c) Whether the speech or conduct would reflect unfavorably upon the [Department/Office].

(d) Whether the speech or conduct would negatively affect the member’s appearance of impartiality in the performance of his/her duties.

(e) Whether similar speech or conduct has been previously authorized.

(f) Whether the speech or conduct may be protected and outweighs any interest of the [Department/Office].

1058.7 TRAINING
Subject to available resources, the [Department/Office] should provide training regarding employee speech and the use of social networking to all members of the [Department/Office].
Anti-Retaliation

1059.1 PURPOSE AND SCOPE
This policy prohibits retaliation against members who identify workplace issues, such as fraud, waste, abuse of authority, gross mismanagement or any inappropriate conduct or practices, including violations that may pose a threat to the health, safety or well-being of members.

This policy does not prohibit actions taken for nondiscriminatory or non-retaliatory reasons, such as discipline for cause.

These guidelines are intended to supplement and not limit members’ access to other applicable remedies. Nothing in this policy shall diminish the rights or remedies of a member pursuant to any applicable federal law, provision of the U.S. Constitution, law, ordinance or memorandum of understanding.

1059.2 POLICY
The Brawley Police Department has a zero tolerance for retaliation and is committed to taking reasonable steps to protect from retaliation members who, in good faith, engage in permitted behavior or who report or participate in the reporting or investigation of workplace issues. All complaints of retaliation will be taken seriously and will be promptly and appropriately investigated.

1059.3 RETALIATION PROHIBITED
No member may retaliate against any person for engaging in lawful or otherwise permitted behavior; for opposing a practice believed to be unlawful, unethical, discriminatory or retaliatory; for reporting or making a complaint under this policy; or for participating in any investigation related to a complaint under this or any other policy.

Retaliation includes any adverse action or conduct, including but not limited to:

- Refusing to hire or denying a promotion.
- Extending the probationary period.
- Unjustified reassignment of duties or change of work schedule.
- Real or implied threats or other forms of intimidation to dissuade the reporting of wrongdoing or filing of a complaint, or as a consequence of having reported or participated in protected activity.
- Taking unwarranted disciplinary action.
- Spreading rumors about the person filing the complaint or about the alleged wrongdoing.
- Shunning or unreasonably avoiding a person because he/she has engaged in protected activity.
1059.4 COMPLAINTS OF RETALIATION
Any member who feels he/she has been retaliated against in violation of this policy should promptly report the matter to any supervisor, command staff member, Chief of Police or the City Personnel and Risk Management Administrator.

Members shall act in good faith, not engage in unwarranted reporting of trivial or minor deviations or transgressions, and make reasonable efforts to verify facts before making any complaint in order to avoid baseless allegations. Members shall not report or state an intention to report information or an allegation knowing it to be false, with willful or reckless disregard for the truth or falsity of the information or otherwise act in bad faith.

Investigations are generally more effective when the identity of the reporting member is known, thereby allowing investigators to obtain additional information from the reporting member. However, complaints may be made anonymously. All reasonable efforts shall be made to protect the reporting member’s identity. However, confidential information may be disclosed to the extent required by law or to the degree necessary to conduct an adequate investigation and make a determination regarding a complaint. In some situations, the investigative process may not be complete unless the source of the information and a statement by the member is part of the investigative process.

1059.5 SUPERVISOR RESPONSIBILITIES
Supervisors are expected to remain familiar with this policy and ensure that members under their command are aware of its provisions.

The responsibilities of supervisors include, but are not limited to:

(a) Ensuring complaints of retaliation are investigated as provided in the Personnel Complaints Policy.
(b) Receiving all complaints in a fair and impartial manner.
(c) Documenting the complaint and any steps taken to resolve the problem.
(d) Acknowledging receipt of the complaint, notifying the Chief of Police via the chain of command and explaining to the member how the complaint will be handled.
(e) Taking appropriate and reasonable steps to mitigate any further violations of this policy.
(f) Monitoring the work environment to ensure that any member making a complaint is not subjected to further retaliation.
(g) Periodic follow-up with the complainant to ensure that retaliation is not continuing.
(h) Not interfering with or denying the right of a member to make any complaint.
(i) Taking reasonable steps to accommodate requests for assignment or schedule changes made by a member who may be the target of retaliation if it would likely mitigate the potential for further violations of this policy.
1059.6 COMMAND STAFF RESPONSIBILITIES
The Chief of Police should communicate to all supervisors the prohibition against retaliation.

Command staff shall treat all complaints as serious matters and shall ensure that prompt actions take place, including but not limited to:

(a) Communicating to all members the prohibition against retaliation.
(b) The timely review of complaint investigations.
(c) Remediation of any inappropriate conduct or condition and instituting measures to eliminate or minimize the likelihood of recurrence.
(d) The timely communication of the outcome to the complainant.

1059.7 WHISTLE-BLOWING
California law protects members who (Labor Code § 1102.5; Government Code § 53296 et seq.):

(a) Report a violation of a state or federal statute or regulation to a government or law enforcement agency, including the member’s supervisor or any other member with the authority to investigate the reported violation.
(b) Provide information or testify before a public body if the member has reasonable cause to believe a violation of law occurred.
(c) Refuse to participate in an activity that would result in a violation of a state or federal statute or regulation.
(d) File a complaint with a local agency about gross mismanagement or a significant waste of funds, abuse of authority, or a substantial and specific danger to public health or safety. Members shall exhaust all available administrative remedies prior to filing a formal complaint.
(e) Are family members of a person who has engaged in any protected acts described above.

Members are encouraged to report any legal violations through the chain of command (Labor Code § 1102.5).

Members who believe they have been the subject of retaliation for engaging in such protected behaviors should promptly report it to a supervisor. Supervisors should refer the complaint to the Professional Standards Unit for investigation pursuant to the Personnel Complaints Policy.

1059.7.1 DISPLAY OF WHISTLE-BLOWER LAWS
The [Department/Office] shall display a notice to members regarding their rights and responsibilities under the whistle-blower laws, including the whistle-blower hotline maintained by the Office of the Attorney General (Labor Code § 1102.8).
1059.8 RECORDS RETENTION AND RELEASE
The Records Supervisor shall ensure that documentation of investigations is maintained in accordance with the established records retention schedules.

1059.9 TRAINING
The policy should be reviewed with each new member.

All members should receive periodic refresher training on the requirements of this policy.
Illness and Injury Prevention

1059.1 PURPOSE AND SCOPE
The purpose of this policy is to establish an ongoing and effective plan to reduce the incidence of illness and injury for members of the Brawley Police Department, in accordance with the requirements of 8 CCR § 3203.

This policy specifically applies to illness and injury that results in lost time or that requires medical treatment beyond first aid. Although this policy provides the essential guidelines for a plan that reduces illness and injury, it may be supplemented by procedures outside the Policy Manual.

This policy does not supersede, but supplements any related Citywide safety efforts.

1059.2 POLICY
The Brawley Police Department is committed to providing a safe environment for its members and visitors and to minimizing the incidence of work-related illness and injuries. The [Department/Office] will establish and maintain an Illness and Injury Prevention program and will provide tools, training and safeguards designed to reduce the potential for accidents, illness and injuries. Illness and Injury Prevention

(f) Establishment of a process to ensure serious illnesses or injuries and death are reported as required by the Division of Occupational Safety and Health Administration (Cal/OSHA) (8 CCR § 342).

1059.4 ADMINISTRATIVE SERVICES DIVISION COMMANDER RESPONSIBILITIES
The responsibilities of the Administrative Services Division Commander include but are not limited to:

(a) Managing and implementing a plan to reduce the incidence of member illness and injury.

(b) Ensuring that a system of communication is in place that facilitates a continuous flow of safety and health information between supervisors and members. This system shall include:
   1. New member orientation that includes a discussion of safety and health policies and procedures.
   2. Regular member review of the illness and injury prevention plan.

(c) Ensuring that all safety and health policies and procedures are clearly communicated and understood by all members.

(d) Taking reasonable steps to ensure that all members comply with safety rules in order to maintain a safe work environment. This includes but is not limited to:
   1. Informing members of the illness and injury prevention guidelines.
   2. Recognizing members who perform safe work practices.
   3. Ensuring that the member evaluation process includes member safety performance.
   4. Ensuring [department/office] compliance to meet standards regarding the following:

(e) Making available the Identified Hazards and Correction Record form to document inspections, unsafe conditions or work practices, and actions taken to correct unsafe conditions and work practices.

(f) Making available the Investigation/Corrective Action Report to document individual incidents or accidents.
Illness and Injury Prevention

(g) Making available a form to document the safety and health training of each member. This form will include the member’s name or other identifier, training dates, type of training, and training providers.

(h) Conducting and documenting a regular review of the illness and injury prevention plan.

1059.5 SUPERVISOR RESPONSIBILITIES

Supervisor responsibilities include, but are not limited to:

(a) Ensuring member compliance with illness and injury prevention guidelines and answering questions from members about this policy.

(b) Training, counseling, instructing or making informal verbal admonishments any time safety performance is deficient. Supervisors may also initiate discipline when it is reasonable and appropriate under the Standards of Conduct Policy.

(c) Establishing and maintaining communication with members on health and safety issues. This is essential for an injury-free, productive workplace.

(d) Completing required forms and reports relating to illness and injury prevention; such forms and reports shall be submitted to the Administrative Services Division Commander.

4. New and/or permanent or intermittent members are hired or reassigned to processes, operations or tasks for which a hazard evaluation has not been previously conducted.
5. Workplace conditions warrant an inspection.

1059.6 HAZARDS

All members should report and/or take reasonable steps to correct unsafe or unhealthy work conditions, practices or procedures in a timely manner. Members should make their reports to a supervisor (as a general rule, their own supervisors).

Supervisors should make reasonable efforts to correct unsafe or unhealthy work conditions in a timely manner, based on the severity of the hazard. These hazards should be corrected when observed or discovered, when it is reasonable to do so. When a hazard exists that cannot be immediately abated without endangering members or property, supervisors should protect or remove all exposed members from the area or item, except those necessary to correct the existing condition.

Members who are necessary to correct the hazardous condition shall be provided with the necessary protection.
All significant actions taken and dates they are completed shall be documented on an Identified Hazards and Correction Record form. This form should be forwarded to the Administrative Services Division Commander via the chain of command.

The Administrative Services Division Commander will take appropriate action to ensure the illness and injury prevention plan addresses potential hazards upon such notification.

1059.7 INSPECTIONS
Safety inspections are crucial to a safe work environment. These inspections identify and evaluate workplace hazards and permit mitigation of those hazards. A hazard assessment checklist should be used for documentation and to ensure a thorough assessment of the work environment.

The Administrative Services Division Commander shall ensure that the appropriate documentation is completed for each inspection.

1059.7.1 EQUIPMENT
Members are charged with daily vehicle inspections of their assigned vehicles and of their personal protective equipment (PPE) prior to working in the field. Members shall complete the Identified Hazards and Correction Record form if an unsafe condition cannot be immediately corrected. Members should forward this form to their supervisors.

1059.8 INVESTIGATIONS
Any member sustaining any work-related illness or injury, as well as any member who is involved in any accident or hazardous substance exposure while on-duty shall report such event as soon as practicable to a supervisor. Members observing or learning of a potentially hazardous condition are to promptly report the condition to their immediate supervisors.

A supervisor receiving such a report should personally investigate the incident or ensure that an investigation is conducted. Investigative procedures for workplace accidents and hazardous substance exposures should include:

(a) A visit to the accident scene as soon as possible.
(b) An interview of the injured member and witnesses.
(c) An examination of the workplace for factors associated with the accident/exposure.

(h) Completion of an Identified Hazards and Correction Record form.

Additionally, the supervisor should proceed with the steps to report an on-duty injury, as required under the Occupational Disease and Work-Related Injury Reporting Policy, in conjunction with this investigation to avoid duplication and ensure timely reporting.
Illness and Injury Prevention

1059.9 TRAINING
The Administrative Services Division Commander should work with the Administrative Sergeant to provide all members, including supervisors, with training on general and job-specific workplace safety and health practices. Training shall be provided:
