

How To Read Your New Bill

A A **new** customer account number is located on the top and middle portion of the bill. These portions of the bill also include the service address, due date, and amount due.

B The QR (Quick Response) code accesses the online payment portal. To use the QR code, open your camera application on your smart phone and hold your device so that the QR code appears on the screen. Click on the automatic notification that will appear at the top of the screen to open the payment portal website.

C A six month water consumption graph illustrates prior year and current year usage.

D Previous Balance is the amount that was due on the previous month's bill. This section also displays any outstanding charges due on the account listed as Past Due Amount.

E This is the Current Bill, including any past due charges carried over from previous billing cycles.

IMPORTANT WEBSITE PAYMENT PORTAL NOTICE

The online payment portal has been updated. First time users will need to register their account. Returning users will also need to register their new account number. Both registrations require the last payment made on the account, which is located in the Previous Balance (D) section of your bill.
