

RESOLUTION NO 2025-49

**RESOLUTION OF THE CITY COUNCIL OF THE CITY OF BRAWLEY, CALIFORNIA,
UPDATING AND ESTABLISHING VARIOUS USER AND REGULATORY FEES**

WHEREAS, user and regulatory fees are established by the City Council; and

WHEREAS, the City recently completed a study to identify the cost of providing various user and regulatory fee-related services; and

WHEREAS, the study examined fee-related services provided by the City, the costs reasonably borne by the City in providing those services, the beneficiaries of those services, and the revenues produced by those paying fees and charges for direct services; and

WHEREAS, the City Council finds that providing these services is of direct benefit to applicants both separate and apart from the general benefit to the public; and therefore, in the interests of fairness to the general public, the City desires to better recover the costs of providing these services from applicants who have sought or require the City's services by revising its schedule of fees; and

WHEREAS, the City Council hereby finds that the study provides adequate evidence to conclude that the revised fees do not exceed the cost to provide the services for which the fees are charged; and

WHEREAS, the City Council desires that annually the City Manager, or City Manager designee may update the fees by an amount not to exceed the prior year annual percentage change in the Consumer Price Index All Urban Consumers, Los Angeles-Long Beach-Anaheim, CA (CPI). If the CPI does not change or goes down in a given year, no change shall be made to the fee schedule that year; and

WHEREAS, in adopting this Resolution, the City Council is taking action only on those fees for the services, programs or products set forth in Exhibit "A" which have been modified from prior resolutions of the City Council. The remaining fees that have not been modified from prior resolutions shall remain in full force and effect

WHEREAS, the establishment or revision of fees pursuant to this Resolution is exempt from environmental review under Public Resources Code Section 21080(b)(8) of the California Environmental Quality Act, which provides an exemption for the establishment or modification of charges by public agencies which the public agency finds are for the purpose of meeting operating expenses.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Brawley, California, as follows:
