ADJOURNMENT: Regular Meeting May 06, 2025 @ 6:00 PM, 383 Main Street, Brawley, California. Supporting Documents are available for public review in the Office of the City Clerk, 383 Main Street, Brawley, California 92227 - Monday through Friday during Regular Business Hours; Individuals who require special accommodations are requested to give 48 hours prior notice. Contact: Office of the City Clerk @ 760-351-3048.

Ana Gutierrez, City Clerk

Hi Valerie,

I would like to submit the follow for Public Comment:

Dear Mayor Rebollar, City Council, City Manager and Parks and Rec staff,

I would like to express my gratitude for your commitment to the well-being and development of our community's youth. Your dedication over the years has been a beacon of joy and positivity, particularly in the past challenging times.

Recently, some of the Parks and Recreation youth basketball teams were given the opportunity to play and compete at Brawley Union High School's gymnasium. I want to personally thank you for your collaborative efforts in making this possible and allowing these young athletes to experience the thrill of playing on a professional hardwood court. Moments like these create lasting memories and inspire dreams of future athletic achievements. There are many other events and outreach that you provide but I just wanted to highlight this one since it's, in my experience, has been unprecedented.

I also want to send a special appreciation to Daniel, the P&R Basketball coordinator. He did an commendable job in his first year.

It is truly heartening to witness our city's leaders taking an active role in fostering a nurturing environment our youth. It demonstrates our city genuinely cares about its young citizens.

Thank you once again for your dedication to our community and your tireless efforts to uplift and empower our youth. Your hard work and compassion do not go unnoticed and are greatly appreciated.

Sincerely,

**Audrey Noriega** 

# CITY OF BRAWLEY April 1, 2025

The Honorable Scott Weiner Chair, Senate Budget and Fiscal Review Committee 1020 N Street, Room 553 Sacramento, CA 95814

The Honorable Jesse Gabriel Chair, Assembly Committee on Budget 1020 N Street, Room 553 Sacramento, CA 95814

The Honorable John Laird Chair, Senate Budget and Fiscal Review Committee Subcommittee No. 1 on Education 1021 O Street, Suite 8720 Sacramento, CA 95814

The Honorable David Alvarez Chair, Assembly Committee on Budget Subcommittee No. 3 on Education Finance 1021 O Street, Suite 5320 Sacramento, CA 95814

Dear Chair Weiner, Chair Gabriel, Senator Laird, and Assembly member Alvarez:

On behalf of the City of Brawley, I write to urge you to reject the Governor's proposed budget cuts of 7.95 percent each to the California State University (CSU) and the University of California (UC) systems.

The CSU and UC systems are facing significant financial challenges resulting from the likely and forthcoming extensive decreases in federal and state funding. The Governor's January budget proposes an overall budget cut of approximately \$1.4 billion, of which CSU and UC's combined cut totals \$572 million or about 40 percent of the total state budget cut. It is disproportionate and inequitable to ask CSU and UC to take such a drastic cut on behalf of the entire state, especially while facing extreme uncertainty regarding federal funding.

The 7.95 percent cut amounts to \$29 million for San Diego State University (SDSU). Factoring in the proposed deferred funding for the Compact with the Governor amounts to an additional loss of \$14 million more resulting in a \$43 cumulative deficit.

These cuts will have significant consequences across CSU and UC, including reductions to enrollment, increased class sizes, lengthened time-to-degree, pausing of construction, sustained hiring freezes, and significant employee layoffs. This will also have substantial negative impacts on our regional economy.

San Diego State University is recognized as one of the top public research universities in the nation, with numerous undergraduate and graduate programs ranked in the top 10 nationally. Its nearly half a million alumni have played a vital role in driving the prosperity of the Imperial County region and the state of California. Sustained funding for the CSU and UC systems is essential to securing continued success for our students and communities.

For these reasons, I urge you to avoid the proposed budget cuts. Thank you for your consideration of this request. If you have questions, please contact our City Manager Jimmy Duran at (760) 351-3048.

Sincerely,

Gil Rebollar Mayor City of Brawley

RE: Letter of Support for International Brotherhood of Electrical Worker's Application to GFO-24-304

Dear Sir or Madam,

On behalf of the City of Brawley, I am writing to express our strong support for the proposed "Lithium Valley Battery Hub" under GFO-24-304: California Battery Pilot Manufacturing Line. This pioneering initiative will establish a state-of-the-art battery cell fabrication and testing facility in Imperial Valley, designed to bridge the critical gap between laboratory innovation and commercial production. The facility's integrated approach - combining pre-commercial validation capabilities with advanced manufacturing training - will cultivate California's in-demand skilled and trained workforce for the battery sector while creating high-road jobs that provide living wages and benefits, opportunities for advancement, and safe working conditions. By providing hands-on experience with commercial-grade equipment, this project will prepare workers for careers in one of California's fastest-growing clean technology sectors. This strategic investment will strengthen California's position as a global leader in clean energy innovation and advanced manufacturing, while delivering immediate benefits, including reduced greenhouse gas emissions, enhanced grid reliability, and concrete progress toward the state's ambitious Lithium Valley Vision.

For the City of Brawley, this project represents a transformative opportunity to diversify our local economy, attract new investment, and create quality jobs for our residents. As a city located in the heart of Imperial County, we are eager to be part of the clean energy transition and see this initiative as a catalyst for local workforce development and economic revitalization. The facility will help uplift historically underserved communities by providing career pathways in advanced manufacturing and clean tech that have long been out of reach for rural regions like ours.

Given the project's alignment with California's clean energy and workforce development goals, its potential to accelerate battery innovation, and its focus on creating high-road jobs, I strongly urge your favorable consideration of this proposal. The establishment of this pilot facility represents a strategic investment in California's clean energy future and will serve as a model for advancing both technological innovation and workforce development in the battery manufacturing sector. We look forward to the positive impact this project will have on our community and state.

# SB 534 – Salton Sea Region Green Empowerment Zone

The Salton Sea Region suffers from a historic lack of public and private investment, which results in inadequate infrastructure to support economic development, poor air quality, high unemployment, workers without advanced and specialized skills, and limited access to health care. The California Environmental Protection Agency's <a href="CalEnviroScreen mapping tool">CalEnviroScreen mapping tool</a> identifies a majority of census tracts in the region as disadvantaged and disproportionately burdened by multiple sources of pollution.

Today, the Salton Sea Region stands at a critical juncture, with a chance to become a major domestic supplier of lithium. This opportunity could drive regional prosperity and create high-paid jobs, supported by well-articulated workforce training programs, expanded local supply chains, and new battery manufacturing and related R&D facilities. Central to this prosperity scenario is the region's ability to unite and attract private and public investment, paving the way for a brighter future.

Unfortunately, the region has experienced major boom-and-bust cycles - economic promises that have failed to deliver sustainable quality-of-life improvements to the residents and local communities. Name the state statistic, and Imperial County is usually near the top or the bottom, whichever is worse: unemployment, per capita income, welfare recipients, families below the poverty line, elderly living in poverty, and so on.

In 2020, Governor Newsom <u>signed legislation</u> establishing the <u>Blue Ribbon Commission on Lithium Extraction in California</u>. The commission brought together a broad spectrum of government, nonprofit, and other private sector stakeholders to help the state better understand lithium recovery's opportunities and potential challenges in California and the Salton Sea Region.

In its December 2022 report, the Blue Ribbon Commission recommended the establishment of an economic zone that would include Imperial County and the Eastern Coachella and Palo Verde Valleys. Federal, state, and local governments would recognize this zone, which would be eligible to compete for funding and investments.

To capture the full benefits of Lithium Valley renewable energy development, the southeastern desert valleys need a definitive economic development designation and structure that supports efficient resource attraction and fosters economic relationships between business, labor, and community.

SB 534 would establish the Salton Sea Region Green Empowerment Zone.

- 1. States the Zone's purpose is to attract public and private investments by facilitating regional collaboration and strategically leveraging economic, workforce, and community development incentives.
- 2. Highlights attracting investments to historically overlooked and left behind areas in the region.

- 3. Sets the maximum Zone boundaries to align with those identified in the Governor's Blue Ribbon Commission on the Development of Lithium Valley.
- 4. Authorizes a process for initiating the formation of the Empowerment Zone, which includes Imperial County adopting the first resolution and other jurisdictions adopting resolutions to join the Zone.
- 5. Requires the Empowerment Zone to be governed by a 54-member board of directors, including voting and non-voting members. The voting membership comprises representatives from nine stakeholder groups within the region.
- 6. Requires the formation of an executive committee to help facilitate the Board's activities.
- 7. Requires annual reporting based on specific metrics related to Empowerment Zone activities.
- 8. Sunsets the Zone on January 1, 2035.

The region faces historic economic challenges and systemic barriers to sustained, action-oriented collaboration. A Green Empowerment Zone provides a platform for collaborating on and leveraging other efforts that benefit the region. These efforts include the California Jobs First Regional Investment Initiative, the High Road Training Partnership on Lithium, and the Lithium Valley Specific Plan. SB 534 is modeled after a previously established Green Empowerment Zone in Contra Costa and would allow the region to develop increased capacity, redress disparities, and draw down economic opportunities needed to sustain economic development.

(Chair of the committee) (Address)

Re: Senate Bill 534 (Padilla): Salton Sea Region Green Empowerment Zone

Dear Senator (Chair of the committee),

On behalf of (Name of Organization/Municipality), I am pleased to offer our strong support of SB 534, which would establish the Salton Sea Region Green Empowerment Zone.

(Brief statement describing what the organization/municipality does). \*tip: use the organization's website to pull their mission or vision statement. Could use additional demographic details if available.

The Salton Sea Region suffers from a historic lack of public and private investment, which results in inadequate infrastructure to support economic development, poor air quality, high unemployment, workers without advanced and specialized skills, and limited access to health care. The California Environmental Protection Agency's <u>CalEnviroScreen mapping tool</u> identifies a majority of census tracts in the region as disadvantaged and disproportionately burdened by multiple sources of pollution.

Today, the Salton Sea Region stands at a critical juncture, with a chance to become a major domestic supplier of lithium. This opportunity could drive regional prosperity and create high-paid jobs, supported by well-articulated workforce training programs, expanded local supply chains, and new battery manufacturing and related R&D facilities. Central to this prosperity scenario is the region's ability to unite and attract private and public investment, paving the way for a brighter future.

Unfortunately, the region has experienced major boom-and-bust cycles - economic promises that have failed to deliver sustainable quality-of-life improvements to the residents and local communities. Name the state statistic, and Imperial County is usually near the top or the bottom, whichever is worse: unemployment, per capita income, welfare recipients, families below the poverty line, elderly living in poverty, and so on.

In 2020, Governor Newsom <u>signed legislation</u> establishing the <u>Blue Ribbon Commission on Lithium Extraction in California</u>. The commission brought together a broad spectrum of government, nonprofit, and other private sector stakeholders to help the state better understand lithium recovery's opportunities and potential challenges in California and the Salton Sea Region. In its December 2022 report, the Blue Ribbon Commission recommended the establishment of an economic zone that would include Imperial County and the Eastern Coachella and Palo Verde Valleys. Federal, state, and local governments would recognize this zone, which would be eligible to compete for funding and investments.

To capture the full benefits of Lithium Valley renewable energy development, the southeastern desert valleys need a definitive economic development designation and structure that supports

efficient resource attraction and fosters economic relationships between business, labor, and community

(Feel free to include more reasons for your support).

For these reasons, SB 534 (Padilla) would further (Name of Organization's) goal of... (Insert short statement of bill's importance as it relates to organization), and we are proud to support SB 534(Padilla) and encourage your "aye" vote when it is heard in your committee.

Best regards,

Name, Title Organization

City Council April 15, 2025 Agenda Item No 6a

# STAFF REPORT

To: City Council

From: Jonathan Blackstone, Assistant Chief

Prepared by: John Tang, Commander

Subject: Proposed Action to Accept Donations from the Brawley Police Foundation for

a 2025 Ford Explorer Police Interceptor, Valued at \$53,844.48.

#### **RECOMMENDATION:**

The staff recommends that the council approve the donation.

#### **BACKGROUND INFORMATION:**

Staff requests the Council's approval to accept a generous donation from the Brawley Police Foundation. The Foundation has donated a 2025 Ford Explorer police interceptor to enhance the Brawley Police Department's fleet and the canine (K9) program.

The Brawley Police Department currently operates a K9 vehicle, a 2017 model nearing 100,000 miles. Given the high mileage and wear, this vehicle needs to be replaced to ensure continued efficiency and reliability in our K9 operations. The donation of the 2025 Ford Explorer police interceptor is timely and much needed.

Incorporating the 2025 Ford Explorer into our fleet will significantly augment public safety. This advanced vehicle is outfitted with state-of-the-art technology and safety features, ensuring that our K9 unit can respond promptly and efficiently to emergencies. Consequently, this development is expected to result in expedited response times, enhanced reliability, and a more robust presence within our community.

The Brawley Police Foundation's contribution exemplifies its dedication to bolstering law enforcement initiatives and safeguarding the welfare of our citizens. This action promotes constructive relationships between the police department and the community, emphasizing the mutual objective of preserving a safe and secure environment for all.

#### FISCAL IMPACT:

The Police Department will need to outfit the vehicle unit with aftermarket equipment, with estimated costs ranging from \$20,000 to \$25,000 to make the unit fully operational.

There are sufficient funds available under GL Account 101-211.000-800.400 – Equipment to cover both the purchase and installation of the required equipment.

#### **ALTERNATIVES:**

The council may not accept the donation.

# **ATTACHMENTS:**

City Council April 15, 2025 Agenda Item No 6b

# STAFF REPORT

To: City Council

**From:** Jonathan Blackstone, Assistant Chief of Police **Prepared by:** Jonathan Blackstone, Assistant Chief of Police

Subject: Expenditure Plan and Resolution accepting grant funds from the State of

California Citizen's Option for Public Safety (COPS) FY 2023-2024 through the

State of California Local Safety and Protection Account

### **RECOMMENDATION:**

Approve Resolution and Expenditure Plan.

# **BACKGROUND INFORMATION:**

The Brawley Police Department identified funds available to the City through the Citizen's Option for Public Safety (COPS) grant funding. Currently fund balances in the amount of \$206,695.99 for FY 2023-2024 are available for distribution to the City.

To receive this grant funding, the City is required to adopt a resolution accepting the funds and draft an expenditure plan outlining the use for those funds. Confirmation of the funds was made with the County of Imperial Administration Office, who serves as the County's fiduciary hosting agency for the State COPS funding distributed by the California State Controller's Office.

The funds may be used for projects, equipment, salaries and training that support frontline law enforcement services. The Resolution of Funding Acceptance and Expenditure Plan will be sent to the County of Imperial Administrative Office for review, and subsequent review by the COPS Supplemental Oversight Review Committee for approval and issuance of funding to the City of Brawley Police Department. If approved, funding will be dispersed upon request.

The attached proposed Expenditure Plan outlines the following Public Safety expenditures.

1. \$121,695.99 : Police and communication equipment, and services

2. \$75,000: Marked patrol car

2. \$10,000.00: Training

# FISCAL IMPACT:

COPS County grant funds are recorded under Special Revenue Fund 227 and are allocated once the City receives official notification of the award. For FY 2024/25, a budget adjustment will be necessary to recognize the new funding and related program-approved expenditures, as outlined below:

Revenue .....227-211.000-430.705 ............ State COPS........\$ 206,695.99

Expense	227-211.000-800.400	Equipment	\$ 121,695.99
Expense	227-211.000-800.500	Vehicles	\$ 75,000.00
Expense	227-211.000-780.400	Training	\$ 10.000.00

# **ALTERNATIVES:**

The council may decide not to approve the acceptance of the State of California Citizen's Option for Public Safety (COPS) FY 2023-2024 funds.

# **ATTACHMENTS:**

- 1. Resolution
- 2. Expenditure plan

, , ,

# **REPORT APPROVAL(S):**

Staff, Title or Consultant, Agency Silvia Luna, Finance Director Jimmy Duran, City Manager Status – Date of Status Approved - 4/10/2025 Approved - 4/10/2025 RESOLUTION OF THE CITY COUNCIL OF THE CITY OF BRAWLEY,
CALIFORNIA, ACCEPTING GRANT FUNDS ALLOCATED TO THE CITIZEN'S
OPTION FOR PUBLIC SAFETY (COPS) PROGRAM AND SUBMITTAL
OF THE EXPENDITURE PLAN FOR FY 2023-2024 FUNDING THROUGH
THE STATE OF CALIFORNIA LOCAL SAFETY AND PROTECTION ACCOUNT

WHEREAS, the State of California Transportation Fund's Local Safety and Protection Account ("the LPSA") has made funds available to law enforcement units of local government for the purpose of the Citizen's Option for Public Safety ("COPS") Program; and

WHEREAS, the LSPA has tentatively awarded two hundred six thousand six hundred ninety-three dollars and ninety nine cents (\$206,695.99) to the City of Brawley's Police Department ("the City") for operational funding exclusively for the COPS Program; and

WHEREAS, the State Controller is required to allocate the COPS front-line enforcement funds to each county that has established a Supplemental Law Enforcement Services Fund ("SLESF") and an oversight committee pursuant to Government Code §30063; and

WHEREAS, in accordance with LSPA program guidelines for the grant, it is the responsibility of the County of Imperial ("the County"), as the host agency, to disburse funding from their SLESF in one (1) installment; and

WHEREAS, in accordance with legislative requirements, the City must submit an itemized expenditure plan for the use of the funding allocation to the County for the review of an approval by the oversight committee, and

WHEREAS, the City Council of the City of Brawley, California desires to accept the funds from the LSPA for the COPS Program.

NOW, THEREFORE THE CITY COUNCIL OF THE CITY OF BRAWLEY, CALIFORNIA, DOES HEREBY RESOLVE AS FOLLOWS:

- 1. That the foregoing is true, correct and adopted.
- That the City hereby accepts the grant funds of one hundred ninety-seven thousand thirty-three dollars (\$197,033.00), in one (1) installment, from the LSPA for the COPS Program.
- 3. That the Brawley Police Department's itemized expenditure plan is as follows:

\$206,695.99	Police equipment, marked patrol unit, training, communication
	equipment and services

# STAFF REPORT

To: City Council

From: John Tang, Interim Assistant to the City Manager Prepared by: John Tang, Interim Assistant to the City Manager

Subject: Proposed action to waive fees for the Imperial Valley Pickleball League

#### **RECOMMENDATION:**

The council may approve or deny the request for fees to be waived.

#### **BACKGROUND INFORMATION:**

The Imperial Valley Pickleball Association is organizing its first Pickleball League on Monday evenings for a duration of six weeks, commencing on May 5, 2025. The Association respectfully requests that the City Council waive all associated fees to facilitate the hosting of the League at the Lion's Center. Following the coverage of League expenses, all profits will be allocated towards the Meserve Park Revitalization project, which aims to construct six Pickleball courts.

#### **FISCAL IMPACT:**

Facility use fees of \$720.00 for the entire duration of the events.

#### **ALTERNATIVES:**

The council may decide not to approve the request.

#### **ATTACHMENTS:**

1. Facility Use Agreement

# STAFF REPORT

To: City Council

From: John Tang, Interim Assistant to the City Manager Prepared by: John Tang, Interim Assistant to the City Manager

Subject: Proposed action to review the road closure for the Catholic Community of

Brawley & Westmorland to facilitate a procession.

#### **RECOMMENDATION:**

Review road closures and provide staff with direction.

#### **BACKGROUND INFORMATION:**

The Catholic Community of Brawley and Westmorland (St. Margret Mary, Sacred Heart, and St. Joseph Catholic Church) seeks permission to have a procession from Sacred Heart Church to St. Margaret Mary Church. The event organizer is requesting a fee waiver.

This religious procession commemorating the Way of the Cross is scheduled for April 18, 2025. The event will commence at 3:00 p.m., with parishioners gathering at 2:45 p.m. The procession will initiate at Sacred Heart Church, located at 402 S. Imperial Avenue, Brawley, CA, proceed south along Imperial Avenue, followed by a left turn onto K Street, and continue to St. Mary Church, located at 620 S. Cesar Chavez, Brawley, CA. The event is scheduled to conclude at 4:00 pm.

#### **FISCAL IMPACT:**

Approving the event will require City staff from the Police Department as well as Public works to ensure the safety of the event participants. The approximate cost of the event to the City is around \$2,838 to \$3,200.

Personnel	Quantity	Du	ration	C	ost	Total
Sergeant	1		4	\$8	0.04	\$320.16

City Council April 15, 2025 Agenda Item No 6e

# STAFF REPORT

To: City Council

From: John Tang, Interim Assistant to the City Manager Prepared by: John Tang, Interim Assistant to the City Manager

Subject: Amend the approval to accept the new proposed road closure map.

#### **RECOMMENDATION:**

Discuss, amend, and approve the request from the Chamber of Commerce for Greater Brawley and the Brawley Cattle Call Queen Royalty Association to close Main Street from South Plaza to North Plaza

#### **BACKGROUND INFORMATION:**

On April 1, 2025, the council approved agenda item 7b, allowing the Chamber of Commerce for Greater Brawley and the Brawley Cattle Call Queen Royalty Association to conduct their IV International Brisket Cook-off event on Saturday, May 17, 2025. Road closures will commence at 7:00 p.m. on May 16, 2025. The terms of the approval were amended to maintain access to Main Street while hosting the event at South Plaza.

The matter that arose during the discussion was the road closures, which are expected to result in an increase in vehicular traffic directed towards a private event, the Fashion Gallery, organized by a local business owner. The business owner has expressed apprehensions that the road closures may pose a safety risk for pedestrians attending the private event.

The new road closure proposal requests that Main Street close from North Plaza to South Plaza. Vehicles traveling on North Plaza will be diverted to North 5th Street, directing traffic north away from the private event.

This new traffic plan enables the IV International Brisket Cook-off to proceed with its proposed initial layout while allowing the city to address the traffic concerns associated with the private event.

#### **FISCAL IMPACT:**

No Fiscal Impact

#### **ALTERNATIVES:**

The City Council may not approve the Chamber and Association's request.

# STAFF REPORT

OF BRADE TO SERVICE TO

To: City Council

From: Mike York, Fire Chief Prepared by: Mike York, Fire Chief

Subject: Lease Purchase of new Pierce Mfg fire engine from South Coast Fire

**Equipment through PNC equipment finance.** 

#### **RECOMMENDATION:**

Approve purchase of new type-1 fire engine in the amount of \$1,019,492.76, with 10 annual lease payments of \$134,282.39 and a \$1.00 buy out at end of lease term totaling \$1,342,824.90. Authorize the City Manager to execute all documents regarding lease purchase of the fire engine.

#### **BACKGROUND INFORMATION:**

The oldest fire engine in-service is a 2003 model unit that has recently undergone significant repairs to remain usable. It is recommended that this fire apparatus be replaced. The three newest apparatus in the Brawley Fire Fleet were made by Pierce Mfg. Maintaining fleet similarity provides a safety and operational benefit, therefore it is staff's recommendation to remain with Pierce as the sole apparatus builder. South Coast Fire Equipment, the regional vendor for Pierce Mfg, is a Sourcewell contract vendor, allowing selection without request for bids. The requested unit is nearly identical to the last unit purchased in 2022, the quoted purchase price is \$1,139,417.43 including sales tax, fees and performance bond. Current delivery times are approximately 36 months from signing of contract.

South Coast Fire Equipment offers lease purchase options through PNC equipment finance, the recommended 10 year option allows the City to lease the unit for 10 annual payments of \$134,282.39 and a \$1.00 buy out at end of lease term. Upon execution of lease agreement, PNC will make a 100% pre-payment of the unit with South Coast, securing a discount of \$111,299.00.

#### **FISCAL IMPACT:**

\$1,342,824.90 over 10 years, first payment due in the amount of \$134,282.39 12 months after execution of contract.

The FY25/26 Budget includes the first payment obligation under the Fire Department's budget under GL Account 101-221.000-740.410.

#### **ALTERNATIVES:**

No alternative recommended at this time.

#### **ATTACHMENTS:**

1. Lease Purchase agreement, PNC equipment finance

- 2. South Coast Quote and Prepayment Discount
- 3. Credit Application-PNC equipment finance.

Interest rate:	4.71%	4.96%	5.35%	

NOTE: All lease documents must be fully executed within 7 days of the date of this proposal. Failure to receive completed documents may alter the final payment schedule due to changes in rates and/or discounts.

PERFORMANCE BOND: To utilize the prepay program, a performance bond is required. Said performance bond shall be paid for directly to Pierce Manufacturing or financed by PNC Equipment Finance as part of the transaction

ESCROW FUNDING OPTION: At lease closing, if all of the equipment has not yet been delivered, Lessor will fund an escrow account from which disbursements will be made to the equipment provider(s) upon receipt of a Requisition Request and Certificate of Acceptance from Lessee. Escrow agent will either be Lessor or third-party provider selected by Lessor and approved by Lessee. All escrow earnings will be for the benefit of Lessee. The escrow agent will assess a \$250.00 account set up fee payable at closing.

TYPE OF FINANCING: Tax-exempt Lease Purchase Agreement with a \$1.00 buy out option at end of lease term. Said agreement shall be a net lease arrangement whereby lessee is responsible for all costs of operation, maintenance, insurance, and taxes.

BANK QUALIFICATION: This proposal assumes that the lessee will not be issuing more than \$10 million in tax-exempt debt this calendar year. Furthermore, it is assumed that the lessee will designate this issue as a qualified tax-exempt obligation per the tax act of 1986.

**LEGAL TITLE**: Legal title to the equipment during the lease term shall vest in the lessee, with PNC Equipment Finance perfecting a first security interest

AUTHORIZED SIGNORS: The lessee's governing board shall provide PNC Equipment Finance with its resolution or ordinance authorizing this agreement and shall designate the individual(s) to execute all necessary documents used therein.

LEGAL OPINION: The lessee's counsel shall furnish PNC Equipment Finance with an opinion covering this transaction and the documents used herein. This opinion shall be in a form and substance satisfactory to PNC Equipment Finance.

VOLUNTEER FIRE DEPARTMENTS: If Lessee is a Volunteer Fire Department, a public hearing under the requirements of Section 147(f) of the Internal Revenue Code of 1986 shall be conducted to authorize this transaction. It is recommended that a notice of the public hearing be published 10 to 14 days in advance of the public hearing.

This proposal will be valid for Seven Days (7) from the above date and is subject to final credit approval by PNC Equipment Finance and approval of the lease documents in PNC Equipment Finance's sole discretion. To render a credit decision, lessee shall provide PNC Equipment Finance with their most recent three years' audited financial statements, copy of their most recent interim financial statement, and current budget. 1/

# STAFF REPORT

To: City Council

From: Shirley Bonillas, Human Resources Administrator
Prepared by: Shirley Bonillas, Human Resources Administrator
Subject: Establishing an Alternate Workweek Policy

#### **RECOMMENDATION:**

Approve the attached resolution and policy

#### **BACKGROUND INFORMATION:**

The City of Brawley is one of the few public agencies that does not offer the alternate work schedule commonly referred to as the 9/80 schedule. This schedule incorporates four nine-hour days (Monday through Thursday) and an eight-hour day every other Friday with an alternating Friday off. By establishing this policy, the City can offer a three-day weekend, every other week, to our unrepresented hourly employees and provide a better work/life balance.

#### **FISCAL IMPACT:**

The proposed plan is to work nine-hour days, Monday - Thursday and eight-hour days every other Friday. By establishing that the Friday worked would be split mid-point to each workweek, no overtime would be incurred.

#### **ALTERNATIVES:**

Continue to not offer this benefit to employees

#### **ATTACHMENTS:**

- 1. Alternate Workweek Policy
- 2. Resolution Adopting the Alternate Workweek

#### **REPORT COORDINATED WITH (other than person preparing the staff report):**

Staff, Title or Consultant, Agency

Rocio Enriquez, Assistant Finance Director, ,

, , ,

#### **REPORT APPROVAL(S):**

Staff, Title or Consultant, Agency Silvia Luna, Finance Director Jimmy Duran, City Manager <u>Status – Date of Status</u> Approved - 4/10/2025 Approved - 4/10/2025

**Personnel Policy** 

Subject City of Brawley Alternative Workweek Schedule commonly called a '9/80' Schedule

Policy Number 153-64

The City Manager may approve an Alternate Work Week Schedule (including a 9/80 schedule, a 4/10 schedule, or some other alternate schedule based on a 40-hour work week) ("Alternate Work Week Schedule") for individual Employees based on staffing needs, the Employee's performance, and the nature of the position. An Alternate Work Week Schedule for an Employee may be implemented at the sole discretion of the City Manager and may be thereafter modified or eliminated as needed, at any time, by the City Manager. Employees shall not be removed from an approved alternative workweek schedule because of or as a form of disciplinary action.

Employees approved to work an alternate 9/80 work schedule will work nine (9) hours for four consecutive fixed days in each work week, and eight (8) hours the remaining fifth day of one work week. The Employee will be off work on the corresponding fifth day in the following work week. As such, the Employee will work a total of 80 hours per pay period and 40 hours in each defined work week.

The Fair Labor Standards Act (FLSA) work week for Employees on the 9/80 schedule will begin at "mid-day of Employee's scheduled 8-hour workday" and end "mid-day of the Employee's same workday on the following week." Using this method, an Employee will work a total of 40 hours during each scheduled work week. Overtime and compensation time apply to non-exempt Employees for hours worked beyond 40 in any established work week.

The Employee will continue accruing vacation and sick leave hours at the same rate as before being assigned to an Alternate Work Week Schedule. An Employee who is using vacation or sick leave will be charged the number of hours the employee is regularly scheduled to work on that day.

Compensation for holidays will not change when an Employee is assigned to an Alternate Workweek Schedule. Employees receive 8 hours of holiday pay when assigned to a regular 40-hour per week work schedule. Under the 9/80 work schedule option, the time credited to the Employee shall be equal to the number of hours the employee is regularly scheduled to work on that day.

If a holiday falls on the Employee's regular scheduled day off (Flex Day), the Employee shall take the next regularly scheduled work day as the holiday.

#### RESOLUTION NO. 2025-

RESOLUTION OF THE CITY COUNCIL OF THE CITY OF BRAWLEY, CALIFORNÍA
ESTABLISHING AN ALTERNATE WORK WEEK POLICY FOR IMPLEMNTAION OF A 9/80 WORK
SCHEDULE

WHEREAS, the Fair Labor Standards Act (FLSA) requires that the City of Brawley designate the work week as a seven consecutive day period; and

WHEREAS, the City of Brawley wishes to offer an alternate work schedule to their employees for better life/work balance; and

WHEREAS, for the City of Brawley to offer the alternate work schedule commonly known as the '9/80 work schedule' the work week needs to change for those hourly employees on said schedule;

NOW, THEREFORE IT IS RESOLVED that the City Council of the City of Brawley hereby adopts the City of Brawley Alternate Work Week as stated in this resolution and in the attached policy.

OF BRAINER OF BRAINER

To: City Council

From: Shirley Bonillas, Human Resources Administrator Prepared by: Shirley Bonillas, Human Resources Administrator

Subject: Redefine the Workweek for Unrepresented Employees

#### **RECOMMENDATION:**

Approve the attached revised workweek defined policy and resolution

#### **BACKGROUND INFORMATION:**

The City wishes to offer an alternate workweek to allow employees a three-day weekend every other week. For that day off to be a Friday, the City needs to end the workweek and pay period on a Friday. Currently the workweek and pay period ends on a Monday. This policy will redefine the workweek and enable an alternate workweek policy.

#### **FISCAL IMPACT:**

If this policy and the Alternate Workweek Policy is approved, there will be no fiscal impact to the City such as overtime.

To move the pay period ending date to a Friday, there is an impact on the employee's first check. To compensate for the potential of less than an 80 hour pay period, the City will allow the use of accrued leave balances.

#### **ALTERNATIVES:**

Keep the workweek as is.

#### **ATTACHMENTS:**

- 1. Resolution to Redefine the Workweek
- 2. Workweek Policy Redefined

# RESOLUTION OF THE CITY COUNCIL OF THE CITY OF BRAWLEY, CALIFORNIA REVISING THE WORKWEEK FOR ALL CITY OF BRAWLEY EMPLOYEES NOT REPRESENTED BY A BARGAINING UNIT

WHEREAS, the Fair Labor Standards Act (FLSA) requires that the City of Brawley designate the workweek as a seven consecutive day period; and

WHEREAS, the City of Brawley has historically practiced that the seven consecutive day period starts at 12:01 AM on a Tuesday; and

WHEREAS, the City of Brawley now wishes to offer the alternate work schedule commonly called '9/80 work schedule'; and

WHEREAS, to have the alternate day off to be a Friday, the workweek needs to be redefined to end on a Friday; hence the start the workweek would be as of 12:01 AM on a Saturday;

NOW, THEREFORE IT IS RESOLVED that the City Council of the City of Brawley hereby adopts the revised City of Brawley Workweek as stated in this resolution and in the attached policy.

 ${\bf APPROVED},~{\bf PASSED}~{\bf AND}~{\bf ADOPTED}$  at a regular meeting held on the 15th day of April, 2025.

Gil Rebollar, Mayor

# City of Brawley Personnel Policy

<u>Subject</u> City of Brawley Workweek Defined

Policy Number 153-15

This Policy will establish and define the City of Brawley workweek for those employees not represented by a bargaining unit. The workweek is hereby established as a period of seven consecutive days commencing at 12:01 AM Saturday.

#### **Background**

The City's current established policy is to define the workweek as starting on Tuesday at 12:01 AM and runs for seven consecutive days ending at midnight on Monday. To accommodate the alternate workweek schedule commonly known as the '9/80' schedule, offering every other Friday off, the City needs to redefine the workweek and establish the ending date as a Friday.

The new definition for the workweek will be:

The City of Brawley workweek will start on Saturday, at 12:01 AM and run for seven consecutive days ending on Friday at midnight.

#### **Effective Date of Policy**

This revised policy will be in force the date it is approved by the Brawley City Council.

City Council April 15, 2025 Agenda Item No 6i

# STAFF REPORT

To: City Council

From: Romualdo Medina, Public Works Director Prepared by: Ana Gutierrez, Public Works Analyst

Subject: Construction Management and Inspection Services from the Holt Group.

#### **RECOMMENDATION:**

Award Contract to The Holt Group, Inc. for the Construction Management and Inspection Services for the East Brawley Street Maintenance Improvements Project Phase I in an amount not exceeding \$90,104.46 and authorize the City Manager to execute all documentation concerning this project.

#### **BACKGROUND INFORMATION:**

The Holt Group proposes providing construction management and inspection services for the East Brawley Street Maintenance Improvements Project Phase 1, for an amount not to exceed \$90,104.46. This project will consist of crack sealing, slurry seal coat placement, and SS-1H fog sealing on 14.88 miles of our street system.

The Holt Group will assist the City in conducting the pre-construction conference, submitting review documents, traffic control, conducting construction inspections, responding to requests for information, maintaining quantity sheets, reviewing contractors weekly work schedules, and maintaining communication between residents, businesses, school staff, and emergency responders. They will protect all utility covers during the slurry seal coat application, review all pay applications for quantity accuracy of the materials, and prepare a final punch list to ensure that all aspects of the project are completed accurately.

#### **FISCAL IMPACT:**

The East Brawley Street Maintenance Improvement Project was not part of the original adopted FY24/25 Capital Improvement Plan, therefore necessitating to incorporate the project to the CIP schedule under Project 2024-02 and a budget adjustment to allocate funding for this project to be completed:

Expense Transfer to Streets CIP	215-312.000-920.421	\$ 90,105.00
RevenueTransfer from Measure D	421-310.000-600.215	\$ 90,105.00
ExpenseImprovements other than buildings	421-310.000-800.300	\$ 90,105.00

#### **ALTERNATIVES:**

No alternative is recommended at this time.

Re: City of Brawley – East Brawley Street Maintenance Improvement Project – Construction Management and Inspection Proposal – THG Proposal Number 2025-026

Dear Mr. Medina,

The Holt Group recently completed the City of Brawley – East Brawley Street System Assessment Report and Maintenance Design. The East Brawley Street Maintenance Improvement Project will provide improvements consisting of crack sealing, slurry sealcoat placement and SS-1H fog sealing on 14.88 miles of the street system. Other work associated with the street maintenance improvement project includes identification and protection of utility covers, traffic control, pavement striping removal and pavement striping installation. Pavement striping includes the installation of stop bars and stop legends, crosswalks, centerline striping, bike lane striping, bike lane symbols, raised pavement marker installation, painting of curbs related to parking requirements and similar items. The Holt Group is proposing to provide construction management and inspection services for the 14.88 miles of streets to receive maintenance improvements. The construction period for this project is anticipated to be 96 calendar days.

The Holt Group proposes providing the following construction management and inspection services:

- 1. Assist the City of Brawley in conducting the pre-construction conference. Assist the City of Brawley with preparing the pre-construction conference agenda, pre-construction conference attendance record and pre-construction conference memorandum. Assist the City of Brawley with scheduling the pre-construction conference with the contractor and sub-contractors.
- 2. Review submittal documents forwarded by the contractor for materials, traffic control, project schedule and other items.

- 3. Conduct full-time construction inspection while the contractor or subcontractors are at the project site. If two (2) sets of construction crews are at the project site completing crack sealing, pavement striping or other activities then the Holt Group shall position two (2) personnel at the site to inspect the work completed by each crew. The installation of materials in conformance with the plans and specifications shall be monitored. A detailed inspection report shall be completed at the end of each day's construction activities. The weather conditions, daily work description, list of construction personnel at the project site, list of equipment at the project site, hours at which construction work commenced and ended, any unusual occurrences, quantities of materials placed at the site, safety issues and similar items are to be included in the daily inspection report.
- 4. Respond to request for information (RFI) forms submitted by the Contractor. Review the RFI response with the Brawley Public Works Staff prior to forwarding the RFI response to the contractor.
- 5. Maintain spreadsheets on the quantity of materials placed in the field. The spreadsheets will be updated each day work occurs at the site. As the contractor's payment compensation is determined by the bid unit price for each unit installed in the field, it is important that the quantity of materials placed be carefully monitored each day by the project CM and inspection staff to accurately document and monitor the project construction costs and budget. The CM staff shall meet with the Brawley Public Works Staff on a weekly basis and review the project costs and budget.
- 6. Review the contractor's weekly work schedule. Ensure that notices to residences, schools, businesses, the fire department, the police department, city hall, the public works department and all others affected by the street maintenance improvements are distributed the week prior to commencing the work effort. Ensure that hard copy notices are distributed to residents and businesses 48 hours before work commences to restrict parking on streets ready for improvements.
- 7. Maintain open communication between the residences, businesses, school staff, police department, fire department, city hall, the public works department and all other agencies during the construction project to answer questions, give updates on scheduling and provide a positive relationship with the public during the street maintenance improvement project.
- 8. Prior to the commencement of an SS-1H or slurry sealcoat application the CM staff is to ensure all water valve covers, sanitary sewer manholes, gas valve covers, survey covers, and all other utilities are protected with a temporary covering. After the SS-1H or slurry sealcoat is installed the CM staff is to ensure the utility cover temporary covering is removed and that the utility cover is fully visible.
- 9. Review traffic control established by the contractor for each street section to receive maintenance improvements. Enforce that traffic control is maintained during the street improvement project.

- 10. Review the monthly payment request submitted by the contractor. Review that the monthly payment request is accurate and correct prior to forwarding it to the Brawley Public Works Staff for approval.
- 11. A final review will be completed at the conclusion of the project construction. The Holt Group will prepare a "punch list" of any remedial items to be completed by the contractor prior to project acceptance by the City of Brawley.
- 12. Review change orders submitted by the contractor. Forward reviewed change orders to the Brawley Public Works Department for review and approval. At the conclusion of the project, the preparation of a "balancing change order", to modify the material bid quantity to the actual quantity placed during the construction period is to be prepared. The contractor will be compensated for the actual amount of material installed during the construction project.

It is assumed that the City of Brawley will provide Labor Standards Compliance oversight for this project.

The Holt Group proposes to provide the project construction management and inspection services for the not to exceed lump sum of \$90,104.46.

If questions arise, please contact me. Thank you for the opportunity to submit this proposal to the City of Brawley.

Sincerely,

Secretary/ CFO

The Holt Group, Inc.

# STAFF REPORT

OF BROWN OF

To: City Council

From: Romualdo Medina, Public Works Director

Prepared by: Ana Gutierrez, Public Works Analyst

Subject: Award Specification No. 2025-07 East Brawley Street Maintenance

Improvements Project to American Asphalt.

#### **RECOMMENDATION:**

Award Specification No. 2025-07 East Brawley Street Maintenance Improvements Project to American Asphalt for \$1,386,222.49 and authorize, if needed, a 15% contingency of \$207,933.37 for a total amount of \$1,594,155.86 and authorize the City Manager to execute all documentation concerning this project.

#### **BACKGROUND INFORMATION:**

On February 18, 2025, the City Council awarded The Holt Group a contract to design the maintenance improvements project.

On March 19, 2025, the Engineering Department advertised the East Brawley Street Maintenance Improvements Project. On April 8, 2025, the City received four bids as follows:

American Asphalt South, Inc.

Riverside, CA \$1,386,222.49

Union Pavement Services, Inc.

Jurupa Valley, CA \$1,449,000.00

Pavement Coating Co.

Jurupa Valley, CA \$1,449,529.16

Roy Allen Slurry Seal

Santa Fe Springs, CA \$1,625,371.42

The local bidding preference factor is not shown, as all the companies listed are outside the Imperial Valley.

#### **FISCAL IMPACT:**

The East Brawley Street Maintenance Improvement Project was not part of the original adopted FY24/25 Capital Improvement Plan, therefore necessitating to incorporate the project to the CIP

schedule under Project 2024-02 and a budget adjustment to allocate funding for this project to be completed:

City Council April 15, 2025 Agenda Item No 6k

# STAFF REPORT

To: City Council

From: Romualdo Medina, Public Works Director Prepared by: Ana Gutierrez, Public Works Analyst

Subject: Authorize Change Order No. 2 to the Backflow Preventer Replacement Project

#### **RECOMMENDATION:**

Authorize Contract Change Order No. 2 to Contract No. 2024-05 Backflow Preventer Replacement Project in an amount not to exceed \$4,000.00.

#### **BACKGROUND INFORMATION:**

On March 18, 2025, the City authorized Change Order No. 1 to the Backflow Preventer Replacement Project, which consisted of installing a 4" backflow at the Water Treatment Plant and the repair of a leak at Pat Williams Park by installing a new uni-flange, installing a riser to level it off, and re-testing the backflow. During the excavation at the Park to expose the backflow for repairs, it was determined that the 4" PVC line connecting the inlet and outlet was cracked and leaking at the transition couplings. It was further discovered that whoever installed the backflow 15 years ago did not install concrete kickers at the transition couplings, which potentially caused the shift and breakage of the couplings at the transition points.

City Staff requested a proposal from Radco for the repairs of both the south inlet and north outlet. Radco submitted the proposal for \$4,000.00 in repairs.

City staff is requesting that the remaining \$4,728.27 contingency from the previously approved change order be approved for use in Change Order No. 2 in the amount of \$4,000.00 and authorize the City Manager to execute all documentation concerning this change order.

#### **FISCAL IMPACT:**

The project is currently being funded with the American Rescue Plan Act (ARPA), in the amount of \$4,000.00.

Project Activity (2024-22) GL Account 501-321.000-800.300

#### **ALTERNATIVES:**

No alternative is recommended at this time.

Re: Change Order Request #2

## **CHANGE ORDER PROPOSAL**

#### **SCOPE OF WORK:**

Radco, Inc. will supply materials, equipment, and labor to complete the following:

 $\begin{tabular}{ll} \textbf{ITEM \#1-Pat Williams Park addition work needed for proper backflow installation South inlet side only} \end{tabular}$ 

- 1. Replace leaking PVC transition coupling
- 2. Replace existing 90 deg. Bend
- 3. Install concrete kicker (not previously installed) \$3,000.00

ITEM #2 – Pat Williams Park addition work needed for proper backflow installation North outlet side only

- 1. Replace I PVC transition coupling
- 2. Replace existing 90 deg. Bend
- 3. Install concrete kicker (not previously installed) \$3,000.00

ITEM#1and #2 – Pat Williams Park addition work needed for proper backflow installation Both inlet and outlet simultaneously

- 1. Replace leaking PVC transition coupling
- 2. Replace existing 90 deg. Bend
- 4. Install concrete kicker (not previously installed) 4.4004 Fax 760-344-4005 \$4,000.00

**TOTAL PROPOSED AMOUNT - \$TBD** 

PAYMENT SCHEDULE: Net Progress Due in 30 Days

Respectfully Submitted By: Ron Swerdfeger II

This Proposal is valid for 30 days. Please contact Radco Inc. if time has elapsed. Any item not specifically stated on this document as included is excluded.

All material is guaranteed to be as specified. All work to be completed in a workmanlike manner according to standard practices. Any alteration or deviation from above specifications involving extra costs will be executed only upon written orders, and will become an extra charge over and above this estimate. Owner to carry fire, tornado and other necessary insurance. Our workers are fully covered by Workman's Compensation Insurance. We carry Commercial General Liability Insurance through Tyler Insurance Agency @ 760 352-2611.

Acceptance of Proposal – The above prices, specifications and conditions are satisfactory and are hereby accepted. You are authorized to do the work as specified. Payment will be made as outlined above.

Date of Acceptance:	Signature: _

# STAFF REPORT

OF BRAINTER

To: City Council

From: Romualdo Medina, Public Works Director Prepared by: Ana Gutierrez, Public Works Analyst

Subject: Award of Re-Advertisement of Traffic Signal Synchronization Project

#### **RECOMMENDATION:**

Award of Project No. 2025-03 Re-Advertisement of Traffic Signal Synchronization CML 5167(046) to HMS Construction Inc, in an amount of \$975,000.00.

#### **BACKGROUND INFORMATION:**

On July 16, 2023, the City was awarded Grant No. CML 5167(046) in the amount of \$700,000 for Traffic Signal Synchronization and Intelligent Transportation Systems Phase 1. This phase consists of improving communications along Main Street between the Northwest Plaza and 6th Street and modifying traffic signals at the 3rd Street and 6th Street intersections. The improvements also include installing new equipment and traffic signal controller cabinets at the intersection of Main Street and 3rd Street and the intersection of Main Street and 6th Street. Modifications to the intersection of Main Street and 6th Street include removing existing traffic signal equipment and mast arms mounted to the building's exterior. Installation of new traffic signal poles with foundation, new ADA pedestrian ramps, "bulb-outs", curb and gutter, sidewalks, drainage, new signal cable, and wiring, the connection of existing detector loops, new EVP detectors with mounting, new CCTV with mounting, new 12" LED vehicle heads with mounting, new pushbutton assemblies, new conduit and pull boxes, striping improvements and other incidentals included in the plans and specifications. This Grant has a federal participation cost of 82.55% and a local match of 17.45%. The City also received a second grant from the Coronavirus Response and Relief Supplemental Appropriations Act for this project in the amount of \$93,633.00.

This project was initially advertised twice before. However, due to the specialty of this bid, the bids significantly exceeded the available funding and were rejected. Following the bid rejection, City staff and the design engineering firm STC revised the project's plans and specifications to bring costs within the allocated budget and streamline construction costs without compromising the project's functionality.

The revised project was re-advertised on February 19, 2025. On March 19, 2025, the City received one bid from HMS Construction for \$975,000.

After a thorough review by City Staff and the design engineering firm STC, it is recommended to award this contract to HMS in the amount of \$975,000, approve a contingency of 15% of \$146,250 for a total amount of \$1,121,250 and authorize the City Manager to execute all documents regarding this contract.

#### **FISCAL IMPACT:**

The funding will come from the \$700,000 CML Grant, the \$93,633 CRRSAA Grant, and the remainder from Measure D.

The project was included for funding under the FY24/25 Capital Improvement Plan budget for an original estimate of \$ 1,121,050 ( Project 2022-04)

Project expense activity will be coded to:

421-310.000-800.300...... Expense \$ 975,000.00

#### **ALTERNATIVES:**

If the contract is not awarded, the city risks losing designated grant funds, and delaying the project will likely lead to higher future costs due to inflation and the worsening condition of the outdated traffic signal equipment.

Attached and below you will find an **Action Alert to oppose SB 79** (**Wiener**). It is our understanding the bill will be heard closer to the end of April, so we have several weeks to generate as many letters as we can. Please consider sending a letter of opposition on this bill.

# Cal Cities Action Alert OPPOSE

SB 79 (Wiener) Transit-oriented development.

Action requested: OPPOSE SB 79 (Wiener) Transit-oriented Development. SB 79 has not yet been set for hearing but will be heard in the Senate Housing Committee and Senate Local Government Committee in the next few weeks. Opposition letters should be sent ASAP to both committees in order to get reflected in the committee analyses. What the bill does: Requires cities to ministerially approve higher-density residential projects — up to 7 stories — near public transit stops, regardless of zoning codes. SB 79 limits the use of local development standards and allows transit agencies full land-use authority over residential and commercial development on property they own or lease, without any requirement that developers build housing, let alone affordable housing.

Why this is important to Cal Cities members: SB 79 overrides the state's own mandated local housing elements by forcing cities to approve transit-oriented development projects near specified transit stops — up to seven stories high and a density of 120 homes per acre — without regard to the community's needs, environmental review, or public input. SB 79 provides transit agencies:

- Unlimited land use authority on property they own or have a permanent easement, regardless of the distance from a transit stop.
- Power to determine all aspects of residential and commercial development including height, density, and design, without any regard to local zoning or planning.
- Ability to develop 100% commercial projects, even at transit stops, and not provide a single new home.
