## Notice of Public Hearing City of Brawley

**April 22, 2026**

**Notice is hereby** given that a public hearing will be held by the City of Brawley Development Services Department on **May 20, 2026** at the time and place indicated below. The purpose of the public hearing will be to hear comments from the public regarding the following subject:

<b>Subject:</b> Zoning Ordinance Amendment – Water Stores	<b>Location:</b> Citywide
--	---------------------------

The City of Brawley intends to amend the Zoning Ordinance to allow for water dispensing stations/services (water stores) to be established within commercial zones C-1, C-2 and C-3. The term "water store" will be strictly defined to restrict these retail outlets to the sale of purified water, ice, and materials that are incidental to the dispensing of water such as three-gallon bottles. The City recognizes that water stores provide a much-needed service to residents that is not as intensive as typical corner stores, neighborhood markets, or other small retail outlets.
